NOTES TO FINANCIAL STATEMENTS
(unaudited)

NOTE 1 - BASIS OF PRESENTATION AND ACCOUNTING POLICIES

The accompanying unaudited interim financial statements of CMG Holdings, Inc, formerly Pebble Beach Enterprises, Inc., have been prepared in accordance with accounting principles generally accepted in the United States of America and the rules of the Securities and Exchange Commission, and should be read in conjunction with the audited financial statements and notes thereto contained in its 2007 annual report on Form 8-K. In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for a fair presentation of financial position and the results of operations for the interim periods presented have been reflected herein. The results of operations for interim periods are not necessarily indicative of the results to be expected for the full year. Notes to the financial statements that would substantially duplicate the disclosure contained in the audited financial statements for fiscal year 2007, as reported in the Form 8-K, have been omitted.

On February 20, 2008, Creative Management Group, Inc. formed CMG Acquisitions, Inc., a Delaware company, for the purpose of acquiring companies and expansion strategies.

On February 20, 2008, Creative Management Group, Inc. acquired 92.6% of Pebble Beach Enterprises, Inc. (a publicly traded company). The purpose of the acquisition was to effect a reverse merger with Pebble Beach Enterprises, Inc. at a later date.

On May 27, 2008, Pebble Beach entered into an Agreement and Plan of Reorganization with its controlling shareholder, Creative Management Group, Inc., a privately held Delaware corporation. Upon the closing the eighty shareholders of Creative Management Group delivered all of their equity interests in Creative Management Group to Pebble Beach in exchange for shares of common stock in Pebble Beach owned by Creative Management Group, as a result of which Creative Management Group became a wholly-owned subsidiary of Pebble Beach.

The shareholders of Creative Management Group received one share of Pebble Beach's common stock previously owned by Creative Management Group for each issued and outstanding common share owned of Creative Management Group. As a result, the 22,135,148 shares of Pebble Beach that were issued and previously owned by Creative Management Group, are now owned directly by its shareholders. The 22,135,148 of Creative Management Group previously owned by its shareholders are now owned by Pebble Beach, thereby making Creative Management Group a wholly-owned subsidiary of Pebble Beach. Pebble Beach did not issue any new shares as part of the Reorganization.

Upon completion, Pebble Beach has 42,400,000 shares issued and outstanding of which 3,120,000 are held by the former shareholders of Pebble Beach, 22,135,148 shares, or approximately 52.21% are held by persons who were previously shareholders of Creative Management Group and 17,144,852 are held by CMG Acquisitions, Inc., the wholly owned subsidiary of Creative Management Group as treasury stock. This amount has been reduced to 14,674,648 shares as of June 30, 2008.

The transaction was accounted for as a reverse merger and recapitalization whereby Creative Management Group is the accounting acquirer. Pebble Beach was renamed CMG Holdings, Inc.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of CMG Holdings, Inc., Creative Management Group and CMG Acquisitions, Inc. after elimination of all significant inter-company accounts and transactions.

ACCOUNTS RECEIVABLE AND ALLOWANCE FOR DOUBTFUL ACCOUNTS

Accounts receivable are amounts due on sales, are unsecured and are carried at their estimated collectible amounts. Credit is generally extended on a short-term basis; thus accounts receivable do not bear interest although a finance charge may be applied to such receivables that are more than thirty days past due. Accounts receivable are periodically evaluated for collectability based on past credit history with clients. Provisions for losses on accounts receivable are determined on the basis of loss experience, known and inherent risk in the account balance and current economic conditions.

STOCK-BASED COMPENSATION

Financial Accounting Standard No. 123, "Accounting for Stock-Based Compensation" established financial accounting and reporting standards for stock-based employee compensation plans. It defines a fair value based method of accounting for an employee stock option or similar equity instrument. CMG Holdings, Inc. accounts for compensation cost for stock option plans in accordance with SFAS No. 123R.

CMG Holdings, Inc. accounts for share based payments to non-employees in accordance with EITF 96-18 "Accounting for Equity Instruments Issued to Non-Employees for Acquiring, or in Conjunction with Selling, Goods or Services".

NOTE 2 – NOTES PAYABLE

During the period between January 1, 2008 and May 23, 2008, Creative Management Group, Inc. issued 12 convertible notes with an aggregate amount of \$314,000. Interest on these convertible notes is due and payable at 6% per annum. The maturity date for these convertible notes is March 30, 2010. \$41,500 of these notes were issued to related parties.

These notes were converted in May 2008 to common shares. See note 3 for details.

NOTE 3 – EQUITY

On February 20, 2008, Creative Management Group, Inc. acquired 92.6% of Pebble Beach Enterprises, Inc. (a publicly traded company) for \$600,000 cash. Because the purpose of the acquisition was to recapitalize Creative Management Group, Inc. through an eventual reverse merger with Pebble Beach Enterprises, Inc., the \$600,000 has been accounted for as a recapitalization cost and a reduction to paid in capital.

In the quarter ending March 31, 2008, shareholders contributed \$30,000 of cash to Creative Management Group, Inc.

In the six months ended June 30, 2008, Creative Management Group, Inc. issued shares as follows:

- 7,000,000 shares of common stock to three officers of Creative Management Goup, Inc. valued at \$1,050,000 for salary expense.
- 1,868,352 shares of common stock to various service providers of Creative Management Group, Inc. valued at \$441,778 for consulting expense.
- 5,737,000 shares of common stock for the conversion of \$1,492,000 and \$62,464 of principal and interest, respectively, related to convertible notes payable.
- 588,889 shares of common stock for cash of \$137,975.

NOTE 4 – DEPOSIT RELATED TO ACQUISITION

In May 2008, Creative Management Group, Inc. entered into a letter of intent with Maya Marketing, Inc., a Connecticut Corporation, to acquire Maya and it's subsidiaries. As part of this letter of intent, Creative Management Group paid \$300,000 to secure a contract between Maya and another company. This has been accounted for as a deposit related to the potential acquisition of Maya.

ITEM 4 CONTROLS AND PROCEDURES

Disclosure Controls and Procedures - As of September 30, 2008, we, under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, evaluated the effectiveness of our disclosure controls and procedures as defined in Exchange Act Rules 13a-15(e) and 15(d)-15(e). Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that the disclosure controls and procedures were effective as of September 30, 2008.

Management's Report on Internal Control Over Financial Reporting - Management is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Rule 13a-15(f) under the Exchange Act. Our internal control system is designed to provide reasonable assurance regarding the preparation and fair presentation of published financial statements. Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Therefore, even those systems determined to be effective can provide only reasonable assurance with respect to financial statement preparation and presentation. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that compliance with the policies or procedures may deteriorate or be circumvented.

Management assessed the effectiveness of our internal control over financial reporting as of September 30, 2008. In making this assessment, management used the criteria established in Internal Controls-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission, or COSO. Based on management's assessment and the criteria established by COSO, management believes that we maintained effective internal control over financial reporting as of September 30, 2008.

Changes in Internal Control Over Financial Reporting- There has been no change in our internal control over financial reporting during the quarter ended September 30, 2008, that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

ITEM 4T CONTROLS AND PROCEDURES
