The units will vest in 48 equal monthly installments upon the Reporting Person's completion of each month of service with the Issuer over the 48-month period measured from April 9, 2007. Such vesting may be accelerated upon the occurrence of certain change-in-control events.

(3) The shares under the stock option will vest in 48 equal monthly installments upon the Reporting Person's completion of each month of service with the Issuer over the 48-month period measured from April 9, 2007, and such vesting may be accelerated upon the occurrence of certain change-in-control events. However, the exercisability of the options as to 147,500 shares is subject stockholder approval of an amendment to the Issuer's Management Incentive Plan increasing the available share reserve to cover these options shares.
