(1) On July 9, 2009, the Issuer was merged with and into a wholly-owned subsidiary of American Software, Inc. ("American Software"). American Software previously completed a tender offer, which expired on June 29, 2009, for all the outstanding common stock of the Issuer not currently owned by American Software. After completion of the tender offer, American Software owned approximately 96.7% of the outstanding common stock of the Issuer. Under the Plan of Merger, all outstanding options to purchase the Issuer's common stock were modified to grant the option holder the right to purchase shares of Class A Common Stock of American Software in lieu of common stock of the Issuer. All other terms of the modified options remained.

(2) Pursuant to the Plan of Merger, the stock options were modified to grant the option holder the right to purchase 54,313 shares of Class A Common Stock of American Software at an exercise price of \$6.03 per share. The stock option retained identical vesting and expiration terms.
