Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

SECTION 3 - SECURITIES AND TRADING MARKETS

Item 3.02 Unregistered Sales of Equity Securities

On May 29, 2014, we issued convertible debenture in the amount of US\$500,000 (the "Debenture") having a term until May 29, 2018 (the "Maturity Date") and an interest rate of 9.5% per annum payable annually as to 50% in cash and 50% in shares of our common stock, subject to the right of the holder to elect to have an interest payment satisfied entirely in shares of our common stock. The issuance price of shares to pay accrued interest will be determined by the Market Price of our shares, as defined by the policies of the TSX Venture Exchange (the "Exchange"). The principal amount of the Debenture is convertible at any time prior to the Maturity Date, in whole or in part, at the option of the holder into either: (a) units (the "Units") at a conversion price of US\$0.12 per Unit, with each Unit being comprised of one share of our common stock and one share purchase warrant (a "Warrant"), with each Warrant exercisable into one share of our common stock (each, a "Warrant Share") at a price of US\$0.12 per Warrant Share until May 29, 2018; or (b) into 10% of the shares we hold in PPI East Block Holding Corp., or *pro rata* portion thereof for any partial conversion, our wholly owned subsidiary, which holds certain State of Arizona mineral exploration permits. Notwithstanding the foregoing, the Debenture shall not be convertible if, after giving effect to such conversion, the holder, together with any person or company acting jointly or in concert with such holder, would in the aggregate beneficially own, or exercise control or direction over that number of our voting securities which is 20% or greater of our total issued and outstanding voting securities, immediately after giving effect to such conversion.

We relied on the exemption from registration under the United States *Securities Act of 1933*, as amended, provided by Regulation S, based on representations and warranties provided by the investor in the subscription agreement for the Debenture.

The proceeds from the issuance of the Debenture will be used to develop our holdings on the east side of the Holbrook Basin.
