## INTRODUCTORY STATEMENT

This Amendment No. 3 amends and supplements the Tender Offer Statement on Schedule TO-I (the “*Schedule TO-I*”) filed by TurboChef Technologies, Inc., a Delaware corporation (the “*Company*”), with the Securities and Exchange Commission (the “*SEC*”) on November 7, 2007, as amended by Amendment No. 1 to the Schedule TO-I filed by the Company with the SEC on November 19, 2007, as amended by Amendment No. 2 to the Schedule TO-I filed by the Company with the SEC on November 28, 2007, and is the final amendment relating to the offer (the “*Offer*”) by the Company to amend or replace certain outstanding employee stock options as described in the Offer to Amend or Replace Eligible Options, dated November 7, 2007 (the “*Offering Memorandum*”), filed previously as Exhibit (a)(1)(A) to the Schedule TO-I. The purpose of this Amendment No. 3 is to report the results of the Offer.

### Item 4. TERMS OF THE TRANSACTION

Item 4(a) of the Schedule TO-I is hereby amended and supplemented to add the following:

The Offer expired at 12:00 midnight, Eastern Time, in the evening of December 6, 2007 (the “*Expiration Date*”). Pursuant to the Offer, the Company has accepted for amendment, or amendment and replacement, tendered “Eligible Options” (as defined in the Offering Memorandum) covering a total of 357,204 shares of the Company’s common stock.

Of that total, Eligible Options covering 317,204 shares of common stock have been amended to increase the exercise price of each such option to the fair market value per share of the Company’s common stock on the revised measurement date determined for that option for financial accounting purposes.

Eligible Options covering a further 40,000 shares of common stock have been: (i) amended to increase the exercise price of each such option to the fair market value per share of the Company’s common stock on the revised measurement date determined for that option for financial accounting purposes; and (ii) immediately after such amendment, cancelled and replaced with a new option granted under the Company’s 2003 Stock Incentive Plan (the “*Plan*”) that is exactly the same as the canceled option, including no loss of vesting or change to the expiration date of the option term, but with an exercise price equal to \$15.96 which was the closing selling price per share of the Company’s common stock on The Nasdaq Global Market on the Expiration Date. Such replacement options also have a new grant date of December 7, 2007.

In addition, each participant whose Eligible Options have been so amended, or amended and replaced, has been issued restricted stock units (“*RSUs*”) under the Plan, denominated in dollars, with a fixed value equal to the difference between the original exercise price of such participant’s tendered Eligible Options and the increased exercise price of their amended or replacement options. The total dollar amount of RSUs issued by the Company to all participants was \$1.1 million. The RSUs will settle in shares of the Company’s common stock on March 7, 2008.
