I. Notification by Scottish Power plc, dated May 15 2006, of Notice to Conv. Bondholders

Notice to Convertible Bondholders regarding adjustments to the Exchange Price

The Issuer refers to its announcement dated 31 March 2006 in relation to Scottish Power plc to its shareholders. Pursuant to the Issuer's announcement on 31 March 2006, the record date for the dividend was on 12 May 2006.

In accordance with the Articles of Association of the Issuer (the "Articles"), the Company has sought the approval of the trustee, to give an opinion in accordance with Articles 9(e)(B)(ff) and (gg) and to make an appropriate adjustment to the Exchange Price.

The reference share price for determining any adjustment (the "Current Market Price" in the Articles) is the highest of the bid and offer quotations on the London Stock Exchange for one Ordinary Share for the five days ending 11 May 2006.

It is the opinion of Ernst & Young LLP that the Exchange Price should be adjusted from £4.60 to £4.64, which is more than one per cent. of the Exchange Price currently in effect.

However, the dividend payments in respect of the financial years ending 31 March 2004 and 31 March 2005 were paid out in the definition of Capital Distribution in the Articles, and as a result the Exchange Price was not adjusted. This adjustment would have been less than 1% of the Exchange Price, and as a result, in accordance with the Articles, no adjustment to the Exchange Price was made. This adjustment has been carried forward.

Taken together, the return of cash to shareholders and the previous Capital Distributions do not exceed 1% of the prevailing Exchange Price, and as such the adjusted Exchange Price, as at 15 May 2006 is £4.64.
