ITEM 5. OTHER EVENTS.

On May 12, 2003, Torch Offshore, Inc. (the Company) issued a press release announcing the \$60.0 million finance facility (the Finance Facility) with Regions Bank and Export Development Canada (EDC) to fund the conversion of the *MidnightExpress* into a DP-2 offshore pipelay and construction vessel has been completed. The Finance Facility provides for a 15-month credit line equally funded by Regions Bank and EDC (\$30.0 million participation by each). At the completion of that 15-month period, any borrowings outstanding under the Finance Facility will convert to a three-year term loan. As part of the Finance Facility, Regions Bank has restructured its \$25.0 million asset-based five-year revolving credit facility with the Company to incorporate this commitment into the Regions Bank \$30.0 million portion of the Finance Facility. The \$10.0 million accounts receivable-based working capital facility from Regions Bank remains available to the Company. The Finance Facility is also supported by a Structured Finance Facility granted by Industry Canada, which will provide approximately the equivalent of \$3.7 million of interest rate buy down funds to be applied to the term loan portion of the Finance Facility.

A copy of the Company's press release announcing the above is filed as an exhibit to this Form 8-K and is incorporated herein by reference.
