OUTSTANDING VOTING SECURITIES AND VOTING RIGHTS

Holders of record of the Company's Common Stock, no par value, at the close of business on July 19, 2004, the record date, are entitled to notice of and to vote on the election of five Class 2 Directors and the authorization of the deletion of Section (b) of Article X of the Company's Second Amended and Restated Articles of Incorporation at the Annual Meeting and any adjournments or postponements thereof. Each share of Common Stock entitles the holder to one (1) vote per share on each matter to be voted on. On July 19, 2004, there were 22,578,179 shares of Common Stock issued and outstanding, which constituted the only outstanding voting Common Stock. The presence, in person or by proxy, of the holders of 50 percent of all the outstanding shares of Common Stock is necessary to constitute a quorum at the Annual Meeting for voting by the Common Stockholders.

VOTING PROCEDURES

Election of Five Class 2 Directors

Assuming quorum is attained, a plurality of the shares of Common Stock is required for the election of the Class 2 Directors. Accordingly, if a quorum is present, the five nominees for Class 2 Director positions who receive the greatest number of votes cast for election by the holders of record of Common Stock on July 19, 2004, shall be the duly elected Class 2 Directors upon completion of the vote tabulation at the Annual Meeting.

Deletion of Section (b) of Article X of the Company's Second Amended and Restated Articles of Incorporation

The affirmative vote of the holders of at least two-thirds of the outstanding shares of Common Stock is required to authorize the deletion of Section (b) of Article X of the Company's Second Amended and Restated Articles of Incorporation.

STOCKHOLDER LIST

PROPOSAL NO. 1

ELECTION OF FIVE CLASS 2 DIRECTORS

Pursuant to authority granted by the Second Amended and Restated Articles of Incorporation and the Amended and Restated Bylaws of the Company, the Board of Directors has determined that the Board shall be comprised of nine (9) members. The nine (9) regular members are divided into two (2) classes generally consisting of four (4) Class 1 members and five (5) Class 2 members. Class 1 and 2 Directors serve for two (2) year terms. Five Class 2 Directors are to be elected at the Annual Meeting to hold office until the 2006 annual meeting of the shareholders when their respective successors are elected and qualified, or upon their earlier retirement, resignation, or removal. Due to dividend default voting rights of the Series II Class B Convertible Preferred (Series II) Shareholders, three (3) of the Class 1 Director seats are currently filled by Series II Directors. However, the Board of Directors has declared a dividend, in part, of all arrears as of June 30, 2004, payable to the Series II Shareholders. Accordingly, as of August 27, 2004, the designated dividend payment date, the terms of the Series II Directors will terminate and the Board seats will revert to Class 1 Director seats. The three vacancies will be filled by the remaining Board members. Such appointed Directors will serve until the Class 1 Directors are up for election at the 2005 annual meeting of shareholders.

The following table sets forth the information concerning the Board's nominees for the Class 2 Director positions:

DIRECTORS, EXECUTIVE OFFICERS, AND SIGNIFICANT EMPLOYEES

The following table sets forth information concerning our Directors, executive officers, and certain of our significant employees as of the mailing date. Our Board of Directors consists of a total of nine (9) members, four (4) members of which are generally Class 1 Directors and five (5) of which are generally Class 2 Directors which serve for two-year terms. Because of dividend default voting rights, Series II Shareholders had the right to fill one-third ($\frac{1}{3}$) of the Board seats. Series II Directors serve from election until the next annual meeting. Accordingly the Board currently consists of five Class 2 Directors elected in 2002 serving until the 2004 Annual Meeting, one Class 1 Director elected in 2003 serving until the 2005 annual meeting, and three (3) Series II Directors. Due to dividend default voting rights of the Series II Shareholders, three (3) of the

Class 1 Director seats are currently filled by Series II Directors. However, the Board of Directors has declared a dividend, in part, of all arrears as of June 30, 2004, payable to the Series II Shareholders. Accordingly, as of August 27, 2004, the designated dividend payment date, the terms of the Series II Directors will terminate and the Board seats will revert to Class 1 Director seats. The three (3) vacancies will be filled by the remaining Board members. Such appointed Directors will serve until the Class 1 Directors are up for election at the 2005 annual meeting of shareholders.

CORPORATE GOVERNANCE

The Board of Directors has the responsibility for establishing corporate policies and for the overall performance of the Company, although it is not involved in day-to-day operations. Currently, a majority (five of nine) of the Directors serving on our Board of Directors are independent Directors as defined in Section 121(A) of the listing standards of The American Stock Exchange (the "AMEX"). The Company's current independent Directors are Clarence Zierhut, Marwan Saker, Kenneth W. Biermacher, Timothy G. Greene, and John J. McDonald, Jr. The terms of Messrs. Biermacher, Greene, and McDonald will terminate as of August 27, 2004, due to payment of all dividends in arrears to the Series II Shareholders. The remaining Board members will fill the vacancies. Management intends to recommend that the vacancies be filled by independent Directors.

The Board of Directors meets regularly throughout the year to review significant developments affecting the Company and to act upon matters requiring its approval. It also holds special meetings as required from time to time when important matters arise requiring Board action between scheduled meetings. During the last fiscal year, the Board of Directors met seven (7) times. None of the Directors attended fewer than 75 percent of the aggregate meetings of the Board of Directors or committees served thereon in 2003. The Board of Directors has established standing Executive, Audit, Compensation and Benefits, and Nominating Committees to devote attention to specific subjects and to assist it in the discharge of its responsibilities. A description of the committees and their functions, their current members, and the number of meetings held by them during the last fiscal year are described below.

Executive Committee

The Executive Committee possesses and may exercise all the powers and authority of the Board of Directors in the control and management of the business and affairs of the Company during intervals between regular meetings of the Board of Directors. These powers are limited as follows: the committee cannot fill any of its vacancies and the committee does not have the power to declare dividends, amend Bylaws, elect or remove any Officer or Director, submit to shareholders actions that require approval of shareholders, amend any resolution of the Board of Directors, act on matters assigned to other committees, create or fill any vacancies on the Board of Directors, authorize distributions, or issue shares. The Executive Committee has never met. The Executive Committee currently consists of Thomas J. Shaw and Steven R. Wisner.

Audit Committee

We have a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee represents and assists the Board of Directors in discharging its responsibilities relating to the accounting, reporting, and financial practices and legal compliance of the Company. The Audit Committee has general responsibility for oversight of the accounting and financial processes of the Company, including oversight of: (1) the integrity of the Company's financial statements and its financial reporting and disclosure practices, (2) the Company's compliance with legal and regulatory requirements, and (3) the qualification and independence of the Company's independent accountants and the performance of the audit of the Company's financial statements by the independent accountants. The Audit Committee also provides an open avenue of communication among the independent accountants, financial and senior management, and the Board of Directors. The Audit Committee met a total of five (5) times in 2003. Our amended, written Audit Committee Charter adopted by the Board of Directors on May 11, 2004, is attached hereto as Appendix 1 and is available on our website, www.vanishpoint.com. The members of the Audit Committee are independent as defined by Section 121(A) of the listing standards of the AMEX.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the audited financial statements with Management. The Audit Committee has discussed with CF & Co., L.L.P. (CF & Co.) the matters required to be discussed by SAS 61, as may be modified or supplemented. The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as may be modified or supplemented, and has discussed with the independent accountants the independent accountants independence. Based on the reviews and discussions with our independent accountants, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company s Form 10-KSB annual report for the year ended December 31, 2003, for filing with the SEC.

The Audit Committee currently consists of Messrs. Clarence Zierhut, John J. McDonald, Jr., and Marwan Saker. As of August 27, 2004, Mr. McDonald s term as a Series II Director will terminate and the Audit Committee will have one vacancy.

Compensation and Benefits Committee

The Compensation and Benefits Committee discharges the Board of Directors responsibilities relating to the compensation of our executives and Directors, prepares reports on compensation, as requested, and administers our equity and other incentive compensation plans. The Compensation and Benefits Committee met one time during the last fiscal year. The Compensation and Benefits Committee currently consists of Messrs. John J. McDonald, Jr., Clarence Zierhut, and Kenneth W. Biermacher, who were appointed in 2004. The charter is available on our website, www.vanishpoint.com. All members of our Compensation and Benefits Committee are independent as defined by the AMEX listing standards. As of August 27, 2004, the terms of Series II Directors Messrs. McDonald and Biermacher will terminate and the Compensation and Benefits Committee will have two vacancies.

The Board of Directors previously established a temporary Special Compensation Committee, prior to the appointment of independent Directors as members of this committee, for the purpose of reviewing management s recommendations for a one-time performance bonus to employees. This temporary committee consisted of Mr. Kenneth W. Biermacher, Mr. Timothy G. Greene, and Mr. John J. McDonald, Jr., all of whom are independent Directors. This temporary committee met one time.

Nominating Committee

The Nominating Committee assists the Board of Directors by identifying qualified candidates for Director positions, recommending Director nominees for the annual meetings, recommending candidates for election by the Board of Directors to fill vacancies on the Board and recommending Director nominees for committee vacancies. The Nominating Committee was established on May 11, 2004, and therefore did not meet in 2003. The Nominating Committee consists of Messrs. Kenneth W. Biermacher, Marwan Saker, and Timothy G. Greene. As of August 27, 2004, the terms of Messrs. Biermacher and Greene as Series II Directors will terminate and the Nominating Committee will have two vacancies. The charter of the Nominating Committee is available at our website, www.vanishpoint.com. All members of our Nominating Committee are independent as defined by the AMEX s listing standards.

As set forth in Section (C)(5) of the Company s Nominating Committee Charter, it is the policy of the Nominating Committee to consider all bona fide candidates recommended by shareholders for nomination for election to the Board. The committee considers such candidates using the same screening criteria as are applied to all other potential nominees for election, provided that the shareholder nominations are submitted in a timely and complete manner.

Shareholder nominees properly submitted by any shareholder will be considered for recommendation by the Nominating Committee to the Board of Directors and for recommendation by the Board to the shareholders in our proxy statement. The procedure to be followed by shareholders in submitting such recommendations for the next annual meeting is set forth in detail herein in the Section entitled DIRECTOR NOMINATIONS TO BE CONSIDERED BY THE BOARD IN 2005.

We establish, through our Nominating Committee, selection criterion that identifies desirable skills and experience for prospective Board members, including those properly nominated by shareholders, and addresses the issues of diversity and background. The Board, with the assistance of the Nominating Committee, selects potential new Board members using the criteria and priorities established from time to time based upon the needs of the Company. The composition, skills, and needs of the Board change over time and will be considered in establishing the desirable profile of candidates for any specific opening on the Board of Directors.

Pursuant to Section (C) of the Nominating Committee Charter, at a minimum, recommended nominees by the Nominating Committee for service on the Board must be well regarded and experienced participants in their field(s) of specialty, familiar at the time of their appointment with the Company's business, willing to devote the time and attention necessary to deepen and refine their understanding of the Company and the issues facing it, and must have an understanding of the demands and responsibilities of service on a public company board of directors. The Nominating Committee will also consider such qualities as independence from the Company. Each nominee will be considered both on his or her individual merits and in relation to existing or other potential members of the Board, with a view to establishing a well-rounded, diverse, knowledgeable, and experienced Board.

The Nominating Committee considers nominees recommended by Board members, Management, and the shareholders. It is further empowered, when necessary in its judgment, to retain and compensate third party search firms to assist in identifying or evaluating potential nominees.

Communications with the Board of Directors

The Board of Directors has established a Disclosure Representative Policy and a standing Disclosure Representative position. It is the policy of the Company that the Disclosure Representative serve as the primary contact for shareholders and others desiring to communicate directly with the Board of Directors or any specified, individual Director(s). The current Disclosure Representative is Timothy G. Greene. Mr. Greene's term as a Series II Director terminates on August 27, 2004. The Company will announce the new Disclosure Representative when appointed. PROPOSAL NO. 2

AUTHORIZATION OF THE DELETION OF SECTION (b) OF ARTICLE X OF THE SECOND AMENDED AND RESTATED ARTICLES OF INCORPORATION

A proposal will be presented to authorize an amendment of the Company's Second Amended and Restated Articles of Incorporation (the "Articles of Incorporation") to delete Section (b) of Article X thereof. Currently, Section (b) of Article X reads as follows, (b) *Stockholder Nomination of Director Candidates*. Advance notice of stockholder nominations for the election of directors shall be submitted to the Board of Directors at least five days prior to the scheduled date for the next annual meeting of stockholders. We are requesting authorization to delete this provision because it is inconsistent with federal proxy rules and because it does not allow sufficient notice of such nominations to be considered by the Nominating Committee and the Board of Directors for inclusion of such nominees in the Board's proxy solicitation. In the event this proposal is approved by the affirmative vote of at least two-thirds of the outstanding shares of Common Stock entitled to vote, the Officers will take all reasonably necessary actions to file an amendment of the Company's Articles of Incorporation to delete Section (b) of Article X. If deletion of this section is authorized by the shareholders, the Company will utilize the notice periods for stockholder nominations and shareholder proposals set forth in the federal proxy rules.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE PROPOSED AUTHORIZATION TO DELETE SECTION (b) OF ARTICLE X OF THE SECOND AMENDED AND RESTATED ARTICLES OF INCORPORATION.

CHANGES IN ACCOUNTANTS IN LAST TWO FISCAL YEARS

The Company dismissed PricewaterhouseCoopers LLP ("PWC") as its independent accountants effective as of June 24, 2002, upon the recommendation of the Audit Committee and the approval of the Board of Directors. Subsequently, the Board of Directors authorized and the Company appointed CF & Co. to serve as the Company's independent accountants for the year ended December 31, 2002. Our common stockholders ratified the appointment on September 20, 2002. CF & Co.'s engagement commenced effective as of June 24, 2002.

PWC served as the Company's independent accountants for the fiscal years ended December 31, 2001, and 2000. PWC's reports on the Company's financial statements for each of the years ended December 31, 2001, and December 31, 2000 (the Reports), did not contain an adverse opinion or disclaimer of opinion and were not modified as to uncertainty, audit scope, or accounting principles except that the report for 2001 included an explanatory paragraph emphasizing: 1) the Company's limited access to the hospital market and 2) classification of a note payable. During the two fiscal years of the Company ended December 31, 2001, and the interim period through June 24, 2002, there were no disagreements with

PWC within the meaning of Instruction 4 of Item 304 of Regulation S-B on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to PWC's satisfaction, would have caused PWC to make reference to the subject matter of the disagreements in connection with its Reports and there were no reportable events (as such term is defined in Item 304(a)(1)(iv) of Regulation S-B).

A letter from PWC addressed to the SEC was included as Exhibit 16 to a Form 8-K filed on June 28, 2002. Such letter stated that PWC agreed with the above statements.

TAX FEES

The aggregate fees billed by CF & Co. for tax return preparation in fiscal 2003 and 2002 were \$10,000.00 and \$6,725.00, respectively.

PRE-APPROVAL POLICIES AND PROCEDURES

All of the non-audit related services, all of which were tax preparation services, were pre-approved by the Audit Committee.

SHAREHOLDER PROPOSALS FOR PRESENTATION AT THE 2005 ANNUAL MEETING

Any Common Stockholder of record of the Company, who desires to submit a proper proposal for inclusion in the proxy materials relating to the next Annual Meeting of shareholders, must do so in writing, addressed to the Secretary, Michele M. Larios, and the proposal must be received at the Company's principal executive offices located at 511 Lobo Lane, Little Elm, Texas 75068-0009, by April 15, 2005. Such proposals must be delivered to or mailed and received by the Company 45 days before the mailing date of the 2004 Proxy Statement (June 29, 2005). Such notice should be addressed to Michele M. Larios, Secretary, and should set forth, as to each matter the shareholder proposes to bring before the annual meeting, the following information: a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; b) the name and address of the shareholder; c) the number of shares beneficially owned by the shareholder; and d) any material interest of the shareholder in such business.

The deadline for timely submitting shareholder proposals for consideration at next year's annual meeting is June 29, 2005. Proposals received after this date will be considered untimely and may not, in the Board of Directors' discretion, be addressed at the next annual meeting. In the event the Board of Directors decides to substantially alter the date of the 2005 annual meeting, the proper deadlines for submission of shareholder proposals will be published in a Form 10-QSB.

Proxies for the 2005 annual meeting will be voted on matters that are submitted to a vote of the shareholders at the discretion of the Proxies for matters that the Company does not have notice of before June 29, 2005.

We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these requirements.

DIRECTOR NOMINATIONS TO BE CONSIDERED BY THE BOARD IN 2005

Nominations for the election of Directors may be made by shareholders entitled to vote generally in the election of Directors. In the discretion of the Nominating Committee, the committee may solicit nominations from the shareholders. In addition, a shareholder may nominate a person, on their own initiative, for consideration for recommendation by the Board to the shareholders in our proxy statement for the 2005 annual meeting. To make such a recommendation, a shareholder should deliver written notice of such shareholder's nomination, either by personal delivery or by registered or certified United States mail, postage prepaid, to Michele M. Larios, the Secretary of the Company, by April 15, 2005. Such notice shall set forth:

1. The name and address of the shareholder making the nomination and of the person to be nominated;
2. A representation that the shareholder is a holder of record of Common Stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting;

4. Such other information regarding the nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the then current proxy rules of the SEC; and
5. The consent of the nominee to serve as a Director if so recommended by the Board and duly elected at the annual meeting by the shareholders.

We evaluate Director nominees recommended by shareholders in the same manner in which we evaluate other Director nominees. Please see CORPORATE GOVERNANCE-Nominating Committee for a description of the consideration given to shareholder recommended nominees.

The Nominating Committee considers nominees recommended by the Board, Management, and the shareholders. Furthermore, the committee is empowered, when necessary in its judgment, to retain and compensate third party search firms to assist in identifying or evaluating potential nominees.

RETRACTABLE TECHNOLOGIES, INC.

AUDIT COMMITTEE CHARTER

I. STATEMENT OF PURPOSE

A. The Audit Committee shall represent and assist the Board of Directors in discharging its responsibilities relating to the accounting, reporting, and financial practices and legal compliance of Retractable Technologies, Inc. (the Company). The Audit Committee has general responsibility for oversight of the accounting and financial processes of the Company, including oversight of: (1) the integrity of the Company's financial statements and its financial reporting and disclosure practices, (2) the Company's compliance with legal and regulatory requirements, and (3) the qualification and independence of the Company's auditors and the performance of the annual audit and interim reviews of the Company's financial statements by the independent auditors. The Audit Committee should also provide an open avenue of communication among the independent auditors, financial and senior management, and the Board of Directors.

B. While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the Company's independent auditors.

II. AUDIT COMMITTEE MEMBERS

A. The Audit Committee shall consist of at least three members appointed by the Board of Directors, one of whom shall be appointed as Chairperson. The Audit Committee shall consist entirely of independent members of the Board of Directors. Independent means a director who: (i) satisfies all criteria for independence established by the Securities and Exchange Commission (the SEC), (ii) meets The American Stock Exchange (the AMEX) definition of independence (including all criteria imposed with respect to service on an audit committee), and (iii) is otherwise free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee, all as determined by the Board of Directors.

B. Each member of the Audit Committee shall be able to read and understand fundamental financial statements, including the Company's balance sheet, statement of operations, statement of changes in stockholders' equity, cash flow statement, and related notes to financial statements as determined in the Board of Directors' judgment.

C. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's

financial sophistication, including, but not limited to, being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibilities in compliance with criteria established by AMEX and, in addition, shall have such accounting or related financial management expertise as required to be an audit committee financial expert in compliance with the criteria established by the SEC, both as determined in the Board of Directors' judgment. The identity of such financial expert and whether such financial expert meets the SEC's independence criteria shall be disclosed in the Company's annual report as filed with the SEC and such other reports as the SEC may require.

D. The members of the Audit Committee shall be elected annually by the Board of Directors and shall serve until their successors shall be duly elected and qualified. Unless a chair is elected by the full Board of Directors, the members of the Audit Committee may designate a chair by majority vote of the full Audit Committee.

III. POWERS, DUTIES, AND RESPONSIBILITIES

A. Oversight of Company Relationship with Its Independent Auditors

1. The Audit Committee of the Company shall have sole authority and responsibility to appoint and engage a public accounting firm to serve as the Company's independent auditors and to perform the Company's annual audit. This authority shall include the sole discretion to retain and discharge such independent auditors and to approve the terms and conditions of all audit engagements as well as all significant non-audit engagements with such independent auditors, including a determination of the compensation to be paid to such independent auditors.

2. The Audit Committee shall oversee the work performed by the Company's independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting). Such independent auditors shall report directly to the Audit Committee, although they shall remain accountable to the entire Board of Directors as well as to the Audit Committee.

3. The Audit Committee shall review with the independent auditors the scope of the audit, pre-approve the audit services (which may entail providing comfort letters in connection with securities underwritings) to be performed by the independent auditors, review the results of the annual audit examination, review the interim results, and any other reports of the independent auditors with respect to the Company's financial statements or policies.

4. The Audit Committee shall pre-approve all non-audit services provided to the Company by the independent auditors. Pre-approval shall be either: (i) specifically granted by the Audit Committee or (ii) granted pursuant to pre-approval policies and procedures established by the Audit Committee, provided the Audit Committee is informed of each non-audit service. In no event shall approval be granted for any non-audit service that the SEC, AMEX, or other applicable regulatory authority determines is impermissible. As may be required by the SEC, the Audit Committee shall disclose the approval of non-audit services and/or any pre-approval policies and procedures in periodic reports filed by the Company with the SEC.

5. The Audit Committee shall periodically assess the independence of the Company's auditors as defined by the rules, regulations, and standards of the SEC, the AMEX, and other applicable authorities. The Audit Committee shall, at least annually, obtain and review a report by the Company's independent auditors describing: (1) the firm's internal quality-control procedures; (2) any material issues raised by the most recent internal quality-control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (3) all relationships between the independent auditors and the Company consistent with Independence Standards Board Standard 1. Furthermore, the Audit Committee shall discuss with the independent auditors any disclosed relationships or services that may impact the objectivity and independence of the independent auditors.

B. Audit Practices and Financial Reporting Matters

1. The Audit Committee shall obtain and review all reports and other information that the independent auditors are required by law, rule, or regulation to submit to the Audit Committee, including periodic reports on: (1) all critical accounting policies and practices to be used by the Company, (2) all alternative treatments of financial information within generally accepted accounting principles (GAAP) in effect from time to time that have been discussed with management, the ramification of the use of such alternative disclosures and treatment, and the treatment preferred by the independent auditors, and (3) other material written communications between the independent auditors and management of the Company.

2. The Audit Committee shall discuss with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit and certain information related to the auditors' judgments about the quality, not just the acceptability, of the Company's accounting principles.

3. The Audit Committee shall review and discuss with management and the independent auditors the Company's annual audited financial statements and quarterly financial statements, including a discussion of the Company's disclosures under Management's Discussion and Analysis or Plan of Operation and a discussion with the independent auditors of their judgments as to the quality of the Company's accounting principles.

4. The Audit Committee shall review with management and the independent auditors the results of any significant matters identified as a result of the independent auditors' interim review procedures prior to the filing of each quarterly report.

5. The Audit Committee shall review changes in the accounting policies of the Company and accounting and financial reporting proposals that may have a significant impact on the Company's financial reports, and make reports on the foregoing to the Board of Directors.

6. The Audit Committee shall review as necessary and appropriate with the independent auditors any audit problems or difficulties and management's response, including any restrictions on the scope of the independent auditors' activities or access to information and any significant disagreements with management.

C. Company Governance Policies and Compliance

1. The Audit Committee shall prepare the report that SEC rules require to be included in the Company's annual proxy statement.

2. The Audit Committee shall review and discuss with management financial risk exposures and measures management has taken to monitor and control such exposures.

3. The Audit Committee shall annually review and assess the adequacy of this Charter and make recommendations to the Board of Directors necessary to provide for the continued adequacy of the Charter to achieve its stated purpose.

4. The Audit Committee shall review with management and the independent auditors any correspondence with regulators or governmental agencies and any employee complaints or published reports, which raise material issues regarding the Company's financial statements or accounting policies.

5. The Audit Committee shall establish and maintain procedures for (a) the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls, or auditing matters, and (b) the confidential, anonymous submission by employees of the Company of concerns of questionable accounting or auditing matters.

6. The Audit Committee shall review and approve any related party transactions.

7. The Audit Committee shall obtain reports from management that the Company is in conformity with applicable legal requirements and the Company's Amended and Restated Bylaws and advise the Board with respect to the Company's policies and procedures regarding compliance therewith.

D. General Powers

1. The Audit Committee shall have the ability (but not the obligation) to conduct or authorize, if it considers appropriate, investigations into any matters within the scope of its responsibilities.

2. The Audit Committee shall have the authority (without separate approval from the Board of Directors) to obtain advice, services, and assistance from outside legal, accounting, or other advisors, as the Audit Committee deems necessary to assist it in carrying out its responsibilities, and to determine the compensation for any such advisors.

3. The Audit Committee shall perform such activities consistent with this Charter, the Company's Amended and Restated Bylaws, and applicable law as the Board of Directors or the Audit Committee deems necessary or appropriate.

4. The Audit Committee may otherwise make regular reports and recommendations to the Board of Directors within the scope of its functions.

5. Any expenses arising from Audit Committee activities relating to powers, duties, or responsibilities set forth in this Charter shall be borne by the Company.

IV. AUDIT COMMITTEE MEETINGS

A. The Audit Committee shall meet as often as it determines, but not less frequently than quarterly. The meetings may be either in person or telephonic and at such times and places as the Board of Directors or the Audit Committee determines. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee.

B. The majority of the members of the Audit Committee shall constitute a quorum for Audit Committee meetings and, unless otherwise required by this Charter or the Company's Amended and Restated Bylaws, action may be taken by majority vote of the members present at such meetings. Minutes shall be maintained of each meeting.

C. At the next meeting of the Board of Directors following any meeting of the Audit Committee, a report of the Audit Committee findings and actions shall be rendered by the Chairman of the Audit Committee.

The above constitutes the complete Audit Committee Charter of Retractable Technologies, Inc. effective as of May 11, 2004.
