**Item 2.02 Results of Operations and Financial Condition; and**

**Item 7.01 Regulation FD Disclosure**

On February 24, 2005, ManTech International Corporation announced its financial results for the fiscal quarter ended December 31, 2004 and the fiscal year ended December 31, 2004. A copy of the February 24, 2005 press release issued in connection with the announcement is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

**Item 2.05 Costs Associated with Exit or Disposal Activities**

On February 24, 2005, ManTech reached a final corporate determination that it would exit the personnel security investigation (PSI) services business and discontinue operations at its ManTech MSM Security Services, Inc. subsidiary (MSM). ManTech reached the determination to sell its MSM business after it concluded that the MSM business no longer furthered ManTech's long-term strategic objectives. Currently, ManTech intends to sell MSM as a going-concern, and is in the process of identifying potential buyers or interested parties. Currently, ManTech expects to complete the sale or other disposition of the MSM operations by the end of 2005.

At the present time, ManTech is not disclosing an estimate of the total amount or range of amounts expected to be incurred in connection with the disposition and related activities, because ManTech is currently unable in good faith to make a determination of such an estimate. ManTech will file an amended report on Form 8-K under Item 2.05 within four business days after it makes a determination of such an estimate or range of estimates.
