Net cash provided by financing activities	<b>6,214,697</b>	4,829,399	7,402,424
Cash and cash equivalents at end of period	<b>3,591,732</b>	6,146,842	3,111,967

Reference:

Our application to suspend the consolidated corporate-tax system from the fiscal year ending March 31, 2006, attributable to our system development accompanied by the planned management integration with the UFJ Group, was approved by the Japanese tax authority.

Formulas for computing ratios for the six months ended September 30, 2004 are as follows.

Basic earnings per common share - net income available to common shareholders

Net income - Total dividends on preferred stock

---

Average number of common stock during the period \*

**Diluted earnings per common share - net income available to common shareholders**

Net income - Total dividends on preferred stock + Adjustments in net income assuming dilution

---

Average number of common stock during the period \* + Number of dilutive potential common stock

**Shareholders' equity per common share**

Shareholders' equity at end of period - Number of preferred stock at end of period × Issue price

---

Number of common stock at end of period \*

\* excluding treasury stock and parent's common stock owned by subsidiaries and affiliated companies

---

This information contains forward-looking statements and other forward-looking information relating to the company and/or the group as a whole (the "forward-looking statements"). The forward-looking statements are not historical facts and include, reflect or are otherwise based upon, among other things, the company's current estimations, projections, views, policies, business strategies, targets, expectations, assumptions and evaluations with respect to general economic conditions, its results of operations, its financial condition, its management in general and other future events. Accordingly, they are inherently susceptible to uncertainties, risks and changes in circumstances and are not guarantees of future performance.

Some forward-looking statements represent targets that the company's management will strive to achieve through the successful implementation of the company's business strategies. The company may not be successful in implementing its business strategy, and actual results may differ materially, for a wide range of possible reasons.

In light of the many risks, uncertainties and possible changes, you are advised not to put undue reliance on the forward-looking statements. The company is under no obligation and expressly disclaims any obligation to update or alter the forward-looking statements, except as may be required by any applicable laws and regulations or stock exchange rules.

For detailed information relating to uncertainties, risks and changes regarding the forward-looking statements, please see the company's latest annual report and other disclosure documents.
