Item 2.02. Results of Operations and Financial Condition.

Wal-Mart Stores, Inc. is furnishing the following information:

We will issue a press release (the "Press Release") on May 12, 2005 that will disclose information regarding our results of operations for our fiscal quarter ended April 30, 2005. A copy of the Press Release is being furnished and included herewith as Exhibit 99.1.

The Press Release contains a non-GAAP financial measure (as that term is defined in Item 10(e) of the Commission's Regulation S-K). A statement providing a reconciliation from that non-GAAP financial measure to the most directly comparable financial measure calculated in accordance with generally accepted accounting principles is also included in the Press Release. Management included the non-GAAP financial measure in the Press Release because it believes such measure provides investors with an important perspective on the contribution of certain items to our earnings per share as calculated in accordance with GAAP.
