## Edgar Filing: ANSELL LTD - Form 6-K

This Form 6-K contains forward-looking statements within the meaning of the Securities Exchange Act of 1934 as amended, and information that is based on management's beliefs as well as assumptions made by and information currently available to management. When used in this Form 6-K, the words anticipate, approach, begin, believe, continue, expect, forecast, going forward, improved, likely, look forward, outlook, plans, potential, proposal, should and would and similar expressions are intended to identify forward-looking statements. These forward-looking statements necessarily make assumptions, some of which are inherently subject to uncertainties and contingencies that are beyond the Company's control. Should one or more of these uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, expected, estimated or projected. Specifically, the ability of the Company to realize its ongoing commitment to increasing shareholder value through its ongoing restructuring, asset dispositions, strategic review and implementation, and cost cutting initiatives, may be affected by many factors including: uncertainties and contingencies such as economic conditions both in the world and in those areas where the Company has or will have substantial operations; foreign currency exchange rates; pricing pressures on products produced by its subsidiaries; growth prospects; positioning of its business segments; future production output capacity; and the success of the Company's business strategies, including further structural and operational changes, business dispositions, internal reorganizations, cost cutting, and consolidations.

**WUHAN JISSBON SANITARY PRODUCTS COMPANY LTD.**

Ansell Limited (ASX:ANN) confirms that the previously announced acquisition of 75% of Wuhan Jissbon Sanitary Products Company Ltd. (Jissbon), a leading Chinese condom marketer for US\$18 million, has now been settled.

Doug Tough, Ansell's CEO, who was in Wuhan China for the closing, noted that this was Ansell's first acquisition since 2000 and is a meaningful move into the expanding Chinese consumer market and lays the groundwork for future growth. Jissbon has approximately a 10% share of the Chinese retail condom market.

Under the agreement, Ansell has an option to buy the remaining 25% of the Jissbon business.
