---

**Amended and Restated 1996 Supplemental Non-Executive Equity Incentive Plan**

The Board approved the 1996 Supplemental Non-Executive Equity Incentive Plan in April 1996 and amended the plan to increase the number of authorized shares in July 2001. The plan was not submitted to a stockholder vote. Under the plan, stock awards and nonstatutory stock options may be granted to Company employees with a status below vice-president. Subject to certain adjustments upon a change in capitalization, as of June 30, 2006, the number of shares of our common stock issuable pursuant to options outstanding under the plan was 11,770,336 and 6,110,772 shares remained available for grant. The Compensation and Human Resources Committee is responsible for administering the plan.

The per share exercise price for the shares issuable is determined by the committee, which has generally been the fair market value of the shares on the date of grant. We generally grant options with seven-year terms. Options may not have terms longer than ten years. However, in the event a holder ceases to be an employee of the Company, such holder may be required to exercise the option or right prior to the end of the seven year period. The committee determines the vesting schedules of awards granted under the plan. Unless otherwise determined by the committee at the time of grant, any options will become exercisable in full if, within 24 months after a change in control of the Company, the option holder's employment is terminated without cause or the option holder resigns due to certain involuntary relocations or reductions in compensation.

The Board may amend, alter, suspend or terminate the plan at any time, subject to compliance with applicable rules and regulations. However, no amendment, alteration, suspension or termination of the plan may impair the rights of any holder of an option or right, unless mutually agreed between the holder and the Company.

As of the Effective Date, the 1996 Supplemental Non-Executive Equity Incentive Plan was terminated in accordance with the Plan and all outstanding options were cancelled.

**Dennis McKenna Non Statutory Stock Option Grant**

On February 1, 2006, the Company entered into an agreement to issue options to purchase 2% of the number of outstanding shares of the Company's common stock (5,368,044 non-qualified stock options) to Mr. McKenna in connection with his appointment as President, Chief Executive Officer, and Chairman of the Board of the Company. The options vest over four years (with 25% vesting after one year and quarterly vesting thereafter) and expire seven years from the date of grant. The exercise price was equal to the fair market value of the stock on the grant date. As of the Effective Date, all 5,368,044 options were cancelled in accordance with the Plan and have no value.

**ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

**Arrangements with Executive Officers**

*McKenna Employment Agreement.* In connection with his appointment as President and Chief Executive Officer of the Company, the Company and Mr. McKenna entered into an Employment Agreement dated January 27, 2006. The Employment Agreement provided for an initial salary of \$75,000 per month through the end of the Company's fiscal year 2006 and a base salary of \$50,000 per month thereafter. Commencing with the Company's fiscal year 2007, Mr. McKenna became eligible to receive an annual performance bonus, subject to meeting performance targets specified by the Board. The target bonus is 200% of his annual base salary. Upon certain equity financing transactions, Mr. McKenna is eligible to receive a transaction bonus equal to 1% of the net proceeds to the Company of the transactions. In February 2006, Mr. McKenna implemented a 10% salary reduction applicable to the Chief Executive Officer and most other executives.

Pursuant to the Employment Agreement, Mr. McKenna received restricted stock awards equal to 1% of the number of outstanding shares of the Company's common stock and options to purchase 2% of the number

of outstanding shares of the Company's common stock as of February 1, 2006. Upon certain equity financing events, Mr. McKenna is eligible to receive additional equity grants. In addition, if Mr. McKenna is involuntarily terminated without cause by the Company, in exchange for a general release of claims, he is entitled to severance payments in an amount depending on the time he has been with the Company (ranging from \$600,000 for a termination during fiscal year 2006 to \$1.2 million for a termination after November 2006). If his employment is terminated by the Company without cause or by him for good reason in connection with a change in control of the Company occurring after the end of fiscal year 2006, in exchange for a general release of claims, he will receive a severance payment of \$1.2 million and all of his equity awards will vest. The Employment Agreement terminated as of the Effective Date in accordance with the Plan.

*Employment Continuation Agreements.* We have entered into employment continuation agreements with each of our executive officers (other than Mr. McKenna) and senior vice presidents with the goal of encouraging the continued employment of key executives in the event of a potential change in control of the Company. Under the agreements, each executive officer and senior vice president is entitled to a termination payment equal to two years of his or her salary if employment with the Company is terminated within 24 months after a change in control (with the exception of one senior vice president who is entitled to a payment equal to six months of salary) and is granted full vesting of any outstanding options and restricted stock effective after a change in control.

*Vice President Severance Benefits Plan.* Under the Company's Vice President Severance Benefits Plan, effective as of August 2003, eligible employees in the position of vice president may receive benefits if permanently laid off pursuant to a Company initiated reduction in force. If entitled to benefits under the plan, a participant will receive a severance benefit equal to 8 weeks of base pay, as defined in the plan, plus an amount equal to one week of base pay for each year of service, up to a total maximum payment of 24 weeks of base pay, but only if such participant executes a termination agreement and general release form including a six month non-solicitation period. In certain circumstances, eligible participants also receive reimbursement of a portion of COBRA benefits coverage.

*Bishop Termination Agreement.* On April 14, 2006, we entered into a Termination Agreement and General Release (the "Termination Agreement") with Mr. Robert R. Bishop, the Company's former Chief Executive Officer and Chairman of the Board and Vice Chairman of the Board, and sent to him a severance letter (the "Severance Letter"), pursuant to which Mr. Bishop resigned as an employee of the Company effective April 14, 2006 and received his Notice of Termination Date of June 13, 2006 ("Termination Date"). In connection with his departure from the Company, Mr. Bishop received his base salary and benefits for the 60-day period from April 14, 2006 until his Termination Date, and, in exchange for entering into the Termination Agreement, which contained a general release by Mr. Bishop of his claims against the Company, he was to receive as severance benefits his base salary for 24 weeks following his Termination Date in accordance with the Company's Vice President Severance Benefits Plan described above. No severance payments were made under the Termination Agreement following the Company's bankruptcy filing on May 8, 2006 and this agreement terminated in accordance with the Plan.

*Executive Loan.* In September 2000, we made Dr. Pratt, former Chief Operating Officer and Executive Vice President, a five-year relocation loan secured by his California residence. The loan was intended to provide a retention incentive and was approved by the Compensation and Human Resources Committee of the Board. Since the loan was extended, federal legislation has been enacted prohibiting such extensions of credit to executive officers and accordingly, no future extensions of credit will be made by the Company, although we honored our contractual obligations under pre-existing extensions of credit.

Dr. Pratt received a \$500,000 loan at no interest to be forgiven in monthly installments over five years subject to continued employment with the Company. To the extent that Dr. Pratt is subject to income tax as a result of the interest free nature of the loan, we agreed to pay Dr. Pratt an amount, which after the imposition of taxes on the amount, will equal the amount of the income taxes arising due to the interest free nature of the loan or the forgiveness of principal and interest under the loan. Dr. Pratt's maximum aggregate indebtedness to the Company during fiscal 2006 under this relocation loan was \$25,000. The \$500,000 loan was fully forgiven in accordance with its terms in September 2005.

### **Fees Paid to the Independent Registered Public Accounting Firm**

As disclosed in the Company's Current Report on Form 8-K filed June 23, 2006, in June 2006, the Company's Audit Committee made the decision to change independent accountants and that decision was approved, ratified and adopted by the Company's Board of Directors. As a result, on June 19, 2006, the Company dismissed its previous independent registered public accounting firm, Ernst & Young LLP and engaged KPMG LLP as its independent registered public accounting firm for the fiscal year ending June 30, 2006, and to perform procedures related to the financial statements included in the Company's quarterly reports on Form 10-Q, beginning with, and including, the quarter ended March 31, 2006. In deciding to select KPMG, the Audit Committee considered KPMG's experience and expertise related to public companies undergoing bankruptcy and reorganization as well as reviewed auditor independence issues and existing commercial relationships with KPMG.
