The Partnership may redeem some or all of the notes at any time at a redemption price that includes a make-whole premium, as described in the supplement to the indenture. The notes are not guaranteed by any of the subsidiaries of the Partnership.

The following are events of default with respect to the notes:

- (1) default in any payment of interest on the notes when due that continues for 30 days;

If an Event of Default occurs and is continuing, the trustee or the holders of not less than 25% in principal amount of the notes outstanding may declare the principal of and premium, if any, and accrued but unpaid interest on all the notes to be due and payable. Upon such a declaration, such principal, premium, if any, and interest will be due and payable immediately. If an event of default relating to certain events of bankruptcy, insolvency or reorganization with respect to the Partnership occurs and is continuing, the principal of, and premium, if any, and accrued and unpaid interest on all the notes will become and be immediately due and payable without any declaration or other act on the part of the trustee or any holders of the notes.
