ITEM 8.01. Other Events.

FMC Corporation announced today that its Board of Directors authorized the repurchase of up to \$250 million of the Company's common stock. The Company's Board also announced its plan to increase quarterly dividends by 17 percent, from \$0.18 to \$0.21 per quarter, commencing with the next quarterly dividend, expected to be paid in July 2007.

The new \$250 million share repurchase program replaces the \$150 million program authorized in February 2006 under which approximately 1.7 million shares have been repurchased at a cost of \$110 million, including \$20 million of repurchases in the quarter ended March 31, 2007. Although the share repurchase program does not include a specific timetable or price targets and may be suspended or terminated at any time, the Company expects that the program will be accomplished over the next two years.

A copy of the press release announcing these events is filed as Exhibit 99.1 to this Form 8-K
