PRELIMINARY PROXY STATEMENT

SUBJECT TO COMPLETION

DATED FEBRUARY 1, 2008

[•], 2008

Dear stockholder:

I am pleased to inform you that eSpeed, Inc. (eSpeed or the Company) and BGC Partners, Inc. (BGC Partners), Cantor Fitzgerald, L.P. (Cantor BGC Partners, L.P. (BGC U.S.), BGC Global Holdings, L.P. (BGC Global) and BGC Holdings, L.P. (BGC Holdings) have entered into a definitive Agreement and Plan of Merger, dated as of May 29, 2007, as amended as of November 5, 2007 and February 1, 2008 (the merger agreement), pursuant to which BGC Partners will be merged (the merger) with and into the Company. The surviving corporation in the merger will be renamed BGC Partners, Inc. (the Combined Company). In terms of revenues, BGC Partners is one of the largest and fastest growing inter-dealer brokers of financial instruments for wholesale market participants worldwide. The Company s electronic marketplaces, licensing activities and other operations will continue to operate under the eSpeed brand within the Combined Company.

To acquire BGC Partners, the Company has agreed to issue in the merger an aggregate of 133,860,000 shares of Combined Company common stock and rights to acquire shares of Combined Company common stock. Of these shares and rights to acquire shares, it is expected that 56,000,000 will be in the form of Combined Company Class B common stock or rights to acquire Combined Company Class B common stock, and the remaining 77,860,000 shares and rights to acquire shares will be in the form of Combined Company Class A common stock or rights to acquire Combined Company Class A common stock. Current stockholders of the Company will hold the same number and class of shares of Combined Company common stock that they held in the Company prior to the merger. As of January 24, 2008, eSpeed stockholders (excluding Cantor) held approximately 30.0 million shares and options to purchase shares of eSpeed common stock which represented 58.6% of the economics of eSpeed and 12.9% of the voting rights of eSpeed as of such date, and is expected to represent 41.2% of the economics of the Combined Company and 11.8% of the voting rights of the Combined Company immediately after the merger. Following the completion of the merger, it is expected that the Combined Company Class A common stock will trade on the NASDAQ Global Market under the symbol BGCP.

After the merger, the combined businesses of the Company and BGC Partners will be held in two operating subsidiaries: (1) BGC U.S., which will hold the U.S. businesses, and (2) BGC Global, which will hold the non-U.S. businesses. The stockholders of the Company as of immediately prior to the merger will hold their interests in BGC U.S. and BGC Global after the merger through Combined Company common stock. Cantor, which is currently the sole stockholder of BGC Partners, will hold its interests in BGC U.S. and BGC Global through a combination of Combined Company common stock and interests in BGC Holdings. In addition, prior to the merger, Cantor will provide a portion of its interest in BGC Holdings to partners of Cantor who provide services primarily or exclusively to BGC U.S., BGC Global and their respective subsidiaries (the founding partners). As a result of the merger:

the stockholders of the Company as of immediately prior to the merger (including Cantor) will own equity interests representing approximately 28.0% of the economics of BGC U.S. and BGC Global after the merger as a result of their ownership of eSpeed common stock prior to the merger; and

the equity owners of BGC Partners and its subsidiaries as of immediately prior to the merger (including Cantor and its founding partners) will own equity interests representing approximately 72.0% of the economics of BGC U.S. and BGC Global after the merger as a result of their ownership of BGC Partners and its subsidiaries prior to the merger.

Table of Contents

In addition, concurrently with the merger, and, in the future, as part of its compensation process, BGC Holdings intends to issue certain restricted equity units and BGC Partners intends to issue certain restricted stock units to certain employees of BGC Partners and other persons who provide services to BGC Partners. In addition, BGC Holdings is authorized to issue additional restricted equity interests or BGC restricted stock units in connection with acquisitions and the hiring of new employees prior to the merger. These issuances would be in addition to the 133,860,000 shares of Combined Company common stock and rights to acquire Combined Company common stock to be issued in the merger and be dilutive to both holders of BGC Holdings partnership interests and holders of Combined Company capital stock. After the merger, the equity interests in BGC U.S. and BGC Global will be held by the Combined Company and by BGC Holdings. Immediately after the merger, the Combined Company will hold approximately 39.8% of the equity in BGC U.S. and BGC Global, and BGC Holdings will hold approximately 60.2% of the equity in BGC U.S. and BGC Global.

The merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger, have been approved unanimously by the eSpeed board of directors, upon a unanimous recommendation by a special committee of the eSpeed board of directors consisting exclusively of eSpeed's independent directors (the Special Committee).

Completion of the merger requires adoption of the merger agreement by eSpeed's stockholders. To obtain this required adoption, the Company will hold a special meeting of its stockholders on [●], 2008, at which the Company will ask its stockholders to adopt the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger (and consider the matters described below and other matters properly brought before the meeting). Holders of shares of eSpeed Class A common stock on the record date are each entitled to one vote per share of eSpeed Class A common stock, and holders of shares of eSpeed Class B common stock on the record date are each entitled to 10 votes per share of eSpeed Class B common stock on the matters to be considered at the special meeting. Adoption of the merger agreement requires the affirmative vote of a majority of the total combined voting power of eSpeed Class A common stock and eSpeed Class B common stock entitled to vote at the meeting, voting as a single class, in accordance with the eSpeed certificate of incorporation and Delaware law. Under the terms of the merger agreement, Cantor, which as of January 24, 2008 held 87.1% of the total combined voting power of the shares of eSpeed Class A common stock and shares of eSpeed Class B common stock, has agreed to vote its shares in favor of the merger so long as the eSpeed board of directors and the Special Committee recommend that the stockholders of eSpeed vote in favor of the merger. Accordingly, a sufficient number of the votes required to adopt the merger agreement and the transactions contemplated thereby is assured so long as the eSpeed board of directors and the Special Committee recommend that the stockholders of eSpeed vote in favor of the merger. Information about the meeting, the merger and the other business to be considered by eSpeed's stockholders is contained in the accompanying proxy statement and the documents incorporated by reference in the accompanying proxy statement, which we urge you to read. **In particular, see Risk Factors beginning on page 36.**

You are cordially invited to attend our special meeting of stockholders, which will be held at [●], [●], New York, New York, on [●], 2008 commencing at [●] local time. We look forward to greeting as many of our stockholders as are able to be with us.

At the special meeting, in addition to the adoption of the merger agreement, pursuant to which BGC Partners will be merged with and into eSpeed, and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger, you will be asked to consider and vote upon:

- (1) the approval of the amendment to the eSpeed certificate of incorporation, to be in effect as of the closing of the merger as part of the Combined Company certificate of incorporation, to authorize additional shares of Combined Company Class A common stock;
- (2) the approval of the amendment to the eSpeed certificate of incorporation, to be in effect as of the closing of the merger as part of the Combined Company certificate of incorporation, effecting changes regarding corporate opportunities;

(3) the approval of the amended and restated BGC Partners, Inc. Long Term Incentive Plan; and

(4) such other business as may properly come before the special meeting or any adjournment or postponement thereof.

WHETHER OR NOT YOU EXPECT TO ATTEND THE SPECIAL MEETING, TO ENSURE YOUR REPRESENTATION AT THE MEETING AND THE PRESENCE OF A QUORUM, PLEASE COMPLETE, DATE, SIGN AND MAIL PROMPTLY THE ENCLOSED PROXY CARD, for which a return envelope is provided. No postage need be affixed to the return envelope if it is mailed in the United States.

Whether or not you are able to attend the special meeting in person, it is important that your shares be represented. You can vote your shares by completing and returning the enclosed proxy card by mail. Please vote as soon as possible.

The eSpeed board of directors unanimously recommends that eSpeed's stockholders vote **FOR** the adoption of the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger, and the other proposals to be considered at the special meeting as described above. I join our board of directors in its recommendations.

Sincerely,

Howard W. Lutnick
*Chairman of the Board of Directors,
Chief Executive Officer and President*

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MATTERS TO BE CONSIDERED

The following questions and answers address briefly some questions you may have regarding the special meeting of stockholders and the matters to be considered at such meeting. Please refer to the more detailed information contained elsewhere in this proxy statement, the annexes to this proxy statement and the documents incorporated by reference in this proxy statement. Please refer to [Summary](#) [Glossary](#) for a glossary of certain defined terms.

All information contained in this proxy statement concerning BGC Partners, BGC U.S., BGC Global and BGC Holdings, and their affiliates and designees, has been supplied by BGC Partners and has not been independently verified by us. All information contained in this proxy statement concerning Cantor (our majority stockholder) has been supplied by Cantor and has not been independently verified by us.

Our principal executive offices are located at 110 East 59th Street, New York, New York 10022, and our telephone number is (212) 610-2200.

Q: Why am I receiving this proxy statement?

A: eSpeed and BGC Partners have agreed to combine their businesses under the terms of the merger agreement that is described in this proxy statement. A copy of the merger agreement is attached to this proxy statement as Annex A. In order to complete the merger, eSpeed stockholders must adopt the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger. Pursuant to the NASDAQ rules, stockholder approval is required when the issuance may equal or exceed 20% of the outstanding shares of eSpeed common stock, or rights to acquire eSpeed common stock, prior to the merger. eSpeed stockholders are also being asked to vote on the other proposals described below, most of which are typically considered at our annual meeting.

Q: On what matters am I being asked to vote on at the special meeting?

A: As an eSpeed stockholder, you are being asked to vote on:

- (1) the adoption of the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger;
- (2) the approval of the amendment to the eSpeed certificate of incorporation to authorize additional shares of Class A common stock;
- (3) the approval of the amendment to the eSpeed certificate of incorporation effecting changes regarding corporate opportunities;
- (4) the approval of the amended and restated BGC Partners, Inc. Long Term Incentive Plan; and
- (5) such other business as may properly come before the special meeting or any adjournment or postponement thereof.

Q: How does the eSpeed board of directors recommend that I vote on the matters to be considered at the special meeting?

Edgar Filing: ESPEED INC - Form PRER14A

- A: A special committee of the eSpeed board of directors, consisting exclusively of eSpeed's independent directors, which we refer to as the Special Committee, recommended that the eSpeed board of directors approve the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger, and recommends that eSpeed's stockholders vote in favor of the adoption of the merger agreement and the transactions contemplated thereby.

Table of Contents

The eSpeed board of directors has unanimously approved the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger, and recommends that eSpeed's stockholders vote:

- (1) **FOR** the proposal to adopt the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger;
- (2) **FOR** the approval of the amendment to the eSpeed certificate of incorporation to authorize additional shares of Class A common stock;
- (3) **FOR** the approval of the amendment to the eSpeed certificate of incorporation effecting changes regarding corporate opportunities; and
- (4) **FOR** the approval of the amended and restated BGC Partners, Inc. Long Term Incentive Plan.

Q: What will happen in the merger?

A: In the merger, BGC Partners will merge with and into eSpeed, and eSpeed will be the surviving corporation, which will be renamed BGC Partners, Inc. eSpeed stockholders will continue to hold the same number and class of shares of Combined Company common stock as they did in eSpeed immediately prior to the merger. As of January 24, 2008, eSpeed stockholders (excluding Cantor) held approximately 30.0 million shares and options to purchase shares of eSpeed common stock which represented 58.6% of the economics of eSpeed and 12.9% of the voting rights of eSpeed as of such date, and is expected to represent 41.2% of the economics of the Combined Company and 11.8% of the voting rights of the Combined Company immediately after the merger. The former stockholders of BGC Partners (including Cantor, the founding partners and the restricted equity partners, which we refer to as restricted equity partners), will own approximately 72.0% of the economics of the Combined Company. eSpeed stockholders, other than Cantor and its affiliates, will have a reduced economic and voting interest in the Combined Company after the merger, which will be further reduced upon exchange of BGC Holdings limited partnership interests exchangeable for Combined Company Class A common stock or Combined Company Class B common stock. References to economics of an entity in this proxy statement refer to an interest in the income stream of such entity. Following the completion of the merger, it is expected that the Combined Company Class A common stock will trade on the NASDAQ Global Market under the symbol BGCP. Following the closing of the merger, we currently expect to conduct a primary and secondary offering of the Combined Company Class A common stock. The timing, the size and the price of such offering have not yet been determined.

Q: What vote of stockholders is required to adopt the merger agreement and the transactions contemplated thereby?

A: Stockholders holding a majority of the collective voting power represented by the shares of our Class A common stock and Class B common stock issued and outstanding on the record date, voting as a single class, which we refer to as the Total Voting Power, must vote **FOR** the adoption of the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger, for the merger agreement and the transactions contemplated thereby to be adopted.

Under the terms of the merger agreement, Cantor, which as of January 24, 2008 held 87.1% of the Total Voting Power, has agreed to vote its shares in favor of the adoption of the merger agreement and the transactions contemplated thereby so long as the eSpeed board of directors and the Special Committee recommend that eSpeed's stockholders vote in favor of the adoption of the merger agreement and the transactions contemplated thereby. Accordingly, a sufficient number of the votes required to adopt the merger agreement and the transactions contemplated thereby is assured so long as the eSpeed board of directors and the Special Committee recommend that the stockholders of eSpeed vote in favor of the adoption of the merger agreement and the transactions contemplated thereby.

Q: What vote of stockholders is required to approve the other matters to be considered at the special meeting?

A: The affirmative vote of the holders of a majority of the Total Voting Power present in person or represented by proxy at the special meeting and entitled to vote is required to approve the other matters to be considered at the special meeting.

Q: When and where is the special meeting?

A: The special meeting will be held at [•], [•], New York, New York on [•], 2008, at [•] local time.

Q: Who is entitled to vote?

A: Stockholders of record as of the close of business on [•], 2008, the record date for the special meeting, are entitled to receive notice of and to vote at the special meeting. On the record date, approximately [•] shares of our Class A common stock, held by approximately [•] stockholders of record, and [•] shares of our Class B common stock, held by one stockholder of record, were outstanding and entitled to vote at the special meeting. You may vote all shares you owned as of the close of business on the record date. All shares of Class A common stock are entitled to one vote per share. All shares of Class B common stock are entitled to 10 votes per share.

Q: If my shares are held in street name by my broker, bank or other nominee, will it vote my shares for me?

A: Yes, but only if you provide instructions to your broker, bank or other nominee on how to vote. You should follow the proxy submission instructions provided by your nominee regarding how to instruct it to vote your shares. Without those instructions, your shares will not be voted.

Q: How do I cause my shares to be voted without attending the special meeting?

A: If you hold shares in your name as the stockholder of record, then you received this proxy statement and a proxy card from us. To submit a proxy by mail, complete, sign and date the proxy card and return it in the postage-paid envelope provided. If you hold shares in street name through a broker, bank or other nominee, then you received this proxy statement from your nominee, along with the nominee's form of proxy submission instructions. In either case, you may submit a proxy for your shares by mail without attending the special meeting.

Q: What does it mean if I get more than one proxy card or form of proxy submission instructions?

A: If you have shares of our Class A common stock or Class B common stock that are registered differently or are in more than one account, you will receive more than one proxy card or form of proxy submission instructions. Please follow the directions for submitting a proxy on each of the proxy cards or form of proxy submission instructions you receive to ensure that all of your shares are voted.

Q: How do I vote in person at the special meeting?

A: If you hold shares in your name as the stockholder of record, you may vote those shares in person at the special meeting by giving us a signed proxy card or ballot before voting is closed. If you want to do that, please bring proof of identification with you to the special

Edgar Filing: ESPEED INC - Form PRER14A

meeting. Even if you plan to attend the special meeting, we recommend that you submit a proxy card for your shares in advance as described above, so your vote will be counted even if you later decide not to attend.

If you hold shares in street name through a broker, bank or other nominee, you may vote those shares in person at the special meeting only if you obtain and bring with you a signed proxy from your nominee giving you the right to vote the shares. To do this, you should contact your nominee.

Table of Contents

Q: Can I change my vote?

A: After you submit a proxy card for your shares, you may change your vote at any time before voting is closed at the special meeting. If you hold shares in your name as the stockholder of record, you should write to our Secretary at our principal executive offices, eSpeed, Inc., Attention: Secretary, 110 East 59th Street, New York, New York 10022, stating that you want to revoke your proxy and that you need another proxy card. Attendance at the special meeting will not by itself constitute revocation of a proxy. If you hold your shares in street name through a broker, bank or other nominee, you should follow your nominee's proxy submission instructions. If you attend the special meeting, you may vote by ballot as described above, which will cancel your previous vote. Your last proxy submission or vote, as the case may be, before voting is closed at the special meeting is the vote that will be counted.

Q: What is a quorum for the special meeting?

A: A quorum of the holders of the outstanding shares of our Class A common stock and Class B common stock, treated as one class, must be present for the special meeting to be held. A quorum is present if a majority of the Total Voting Power is present, in person or represented by proxy, at the special meeting.

Q: How are votes counted?

A: You may vote **FOR**, **AGAINST** or **ABSTAIN** on the vote with respect to the matters to be considered at the special meeting. An abstention will not count as a vote cast **FOR** a proposal, but will count for the purpose of determining whether a quorum is present. A broker non-vote generally occurs when a broker, bank or other nominee holding shares on your behalf does not vote on a proposal because the nominee has not received your voting instructions and lacks discretionary power to vote the shares. Like abstentions, broker non-votes will not count as votes cast **FOR** a proposal, but will count for the purpose of determining whether a quorum is present.

The affirmative vote of a majority of the Total Voting Power is required to adopt the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger. As a result, abstentions and broker non-votes on the proposal to adopt the merger agreement and the transactions contemplated thereby will have the same effect as a vote **AGAINST** the adoption of the merger agreement and the transactions contemplated thereby. Under the terms of the merger agreement, Cantor, which as of January 24, 2008 held 87.1% of the Total Voting Power, has agreed to vote its shares in favor of the adoption of the merger agreement and the transactions contemplated thereby so long as the eSpeed board of directors and the Special Committee recommend that the stockholders of eSpeed vote in favor of the adoption of the merger agreement and the transactions contemplated thereby. Accordingly, a sufficient number of the votes required to adopt the merger agreement and the transactions contemplated thereby is assured so long as the eSpeed board of directors and the Special Committee recommend that the stockholders of eSpeed vote in favor of the adoption of the merger agreement and the transactions contemplated thereby.

The affirmative vote of the holders of a majority of the Total Voting Power present in person or represented by proxy at the special meeting and entitled to vote is required to approve the matters to be considered at the special meeting.

If you sign your proxy card without indicating your vote, your shares will be voted **FOR** the proposal to adopt the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger, **FOR** the approval of the amendment to the eSpeed certificate of incorporation to authorize additional shares of Class A common stock, **FOR** the approval of the amendment to the eSpeed certificate of incorporation effecting changes regarding corporate opportunities, **FOR** the approval of the amended and restated BGC Partners, Inc. Q: Who will bear the cost of this solicitation?

A: We will pay the cost, if any, of soliciting stockholder proxies. We will, upon request, reimburse stockholders who are brokers, banks or other nominees for their reasonable expenses in sending proxy materials to the beneficial owners of the shares they hold of record. We will solicit proxies by mail and may also solicit them in person or by telephone, e-mail, facsimile or other electronic means of communication.

Table of Contents

Value of the Transaction (see page 124)

The dollar value of the merger is based on the number of shares of Combined Company common stock and rights to acquire shares of Combined Company common stock being issued multiplied by the average price of eSpeed common stock at the closing date of the transaction. As the price of eSpeed common stock fluctuates, the total dollar value of the transaction fluctuates, and therefore, the dollar value of the merger will not be fixed until the merger closes. As of May 29, 2007 (the date of execution of the merger agreement) and as of January 24, 2008, the dollar value of the transaction was \$1,231,512,000 and \$1,560,807,600, respectively, based on the average price of eSpeed Class A common stock on such dates.

The Special Meeting (see page 69)

The special meeting will be held at [•], [•], New York, New York on [•], 2008, starting at [•] local time. You are entitled to notice of, and to vote at, the special meeting if you owned eSpeed Class A common stock or Class B common stock at the close of business on [•], 2008, the record date. As of the record date, there were [•] shares of eSpeed Class A common stock issued and outstanding and [•] shares of eSpeed Class B common stock issued and outstanding.

Each share of eSpeed Class A common stock is entitled to one vote on each proposal at the special meeting, and each share of eSpeed Class B common stock is entitled to 10 votes on each proposal at the special meeting. Stockholders holding a majority of the Total Voting Power must vote **FOR** the adoption of the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger, for the merger agreement and the transactions contemplated thereby to be adopted. The affirmative vote of the holders of a majority of the Total Voting Power present in person or represented by proxy at the special meeting and entitled to vote is required to approve the other matters to be considered at the special meeting. A quorum will be present if a majority of the Total Voting Power is present, in person or represented by proxy, at the special meeting.

Under the terms of the merger agreement, Cantor, which as of January 24, 2008 held 87.1% of the Total Voting Power, has agreed to vote its shares in favor of the adoption of the merger agreement and the transactions contemplated thereby so long as the eSpeed board of directors and the Special Committee recommend that the stockholders of eSpeed vote in favor of the adoption of the merger agreement and the transactions contemplated thereby. Accordingly, a sufficient number of the votes required to adopt the merger agreement and the transactions contemplated thereby is assured so long as the eSpeed board of directors and the Special Committee recommend that the stockholders of eSpeed vote in favor of the adoption of the merger agreement and the transactions contemplated thereby.

Reasons for the Merger; Risks of the Merger (see pages 89 and 36)

The Special Committee, by unanimous vote, at a meeting held on May 29, 2007, determined that the merger agreement and the transactions contemplated by the merger agreement, including the merger, are fair to, advisable and in the best interests of the Company and the holders of eSpeed Class A common stock (other than Cantor and its affiliates). In addition, the Special Committee recommended that the eSpeed board of directors approve the merger agreement and the transactions contemplated thereby, including the merger and the issuance of shares of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger, and recommended that the Company's common stockholders vote in favor of the adoption of the merger agreement and the transactions contemplated thereby. In reaching its conclusion, the Special Committee consulted with its financial and legal advisors, considered eSpeed's prospects, including the uncertainties and risks facing it, considered the prospects of BGC Partners and considered the interests of the holders of eSpeed Class A common stock (other than Cantor and its affiliates).

Table of Contents

In reaching such determination and recommendation, the Special Committee considered a variety of factors that it believed weighed favorably towards the merger, including the following material factors (which are not listed in any relative order of importance):

financial terms of the merger;

challenges facing eSpeed;

prospects of BGC Partners;

financial benefits;

continuation of interests of holders of eSpeed Class A common stock;

certain provisions of the merger agreement and the related agreements; and

alignment of management interests.

In addition to the above mentioned benefits, the Special Committee also considered the following factors in the course of its deliberations:

intentions of eSpeed's controlling stockholder;

expected impact of the announcement of the merger in the market and on business operations of eSpeed; and

results of due diligence investigation.

The Special Committee weighed these factors against a number of other material factors identified in its deliberations as potentially weighing negatively against the merger, including the following factors (which are not listed in any relative order of importance):

the risk of not realizing all the anticipated cost savings and revenue enhancements;

the challenges inherent in the operation of the businesses of eSpeed in conjunction with those of BGC Partners;

the transaction costs associated with the merger and costs relating to the operation of the businesses of eSpeed in conjunction with those of BGC Partners;

Edgar Filing: ESPEED INC - Form PRER14A

the risk of liabilities associated with the BGC business, including certain regulatory and litigation matters and other contingent liabilities;

the continuing role of Cantor as controlling stockholder and the known and potential conflicts of interests of certain of the directors and executive officers of the Combined Company;

certain terms of the merger agreement and the related agreements;

that the merger is not subject to a vote by the holders of a majority of the shares of Company Class A common stock other than those held by Cantor and its affiliates;

the possibility that the merger might not be consummated despite the parties' efforts or that the closing of the merger may be unduly delayed; and

the fact that the eSpeed Class A common stock had traded in the past at prices in excess of \$9.75 per share.

As discussed in Proposal 1 The Merger Reasons for the Merger; Recommendation of the Merger by the Special Committee and the eSpeed Board of Directors, after consideration of these material factors, the Special Committee determined such risks could be mitigated or managed by eSpeed or BGC Partners or, following the

Table of Contents

merger, by the Combined Company, were reasonably acceptable under the circumstances, or, in light of the anticipated benefits, and that, overall, these risks were significantly outweighed by the potential benefits of the merger.

Despite the reasons for the merger, there are risks related to the merger, as discussed under the heading "Risk Factors - Risks Related to the Merger" immediately following this summary, and these risks may cause us not to realize the full benefits of the merger, and could adversely impact our revenues and as a result could adversely affect our business, financial condition and results of operations. See "Risk Factors - Risks Related to the Merger."

Interests of Directors, Executive Officers and Certain Beneficial Owners in the Merger (see page 103)

The current directors and executive officers of eSpeed, the future directors and executive officers of the Combined Company and certain beneficial owners of eSpeed common stock may have interests in the merger that are different from, or in addition to, yours and the interests of the current directors and executive officers of eSpeed, the future directors and officers of the Combined Company and certain beneficial owners of eSpeed common stock may conflict with the interests of the unaffiliated eSpeed stockholders, including the following:

The merger agreement provides that, prior to completion of the merger, upon the request of BGC Partners, eSpeed will provide each of Howard W. Lutnick, Lee M. Amaitis, Shaun D. Lynn, Stephen M. Merkel and Robert K. West with a letter agreement setting forth an annual base salary of \$1,000,000 per year (except for Mr. West whose letter shall provide for an annual base salary of \$550,000) and annual cash target bonuses of up to the percentages set forth below:

400% of annual base salary for Mr. Lutnick;

375% of annual base salary for Mr. Amaitis;

300% of annual base salary for Mr. Lynn;

100% of annual base salary for Mr. Merkel; and

100% of annual base salary for Mr. West.

In addition to the target cash bonuses set forth above, the executive officers will be eligible for incentive compensation to be paid in the form of equity, partnership units or otherwise.

The merger agreement provision described in the preceding bullet point with respect to Messrs. Amaitis and Lynn is expected to be implemented prior to the merger through employment agreements between BGC Partners and each of Messrs. Amaitis and Lynn, which agreements will be assumed at completion of the merger by the Combined Company, with base salary and bonus provisions consistent with the letter agreements described above.

BGC Partners and eSpeed have agreed that, prior to the completion of the merger, BGC Partners may enter into (which it is expected to do) change of control employment agreements with each of Messrs. Lutnick, Lynn, Merkel and Amaitis, which agreements will be assumed at completion of the merger by the Combined Company, and will relate to a change of control of BGC Partners, or, after the merger, the Combined Company, other than the merger contemplated by the merger agreement.

Edgar Filing: ESPEED INC - Form PRER14A

Prior to the completion of the merger, Cantor will redeem all of the Cantor limited partnership interests held by founding partners in exchange for (1) a portion of the BGC Holdings limited partnership interests that Cantor will receive in the separation, and (2) rights to receive from Cantor, over time, shares of Combined Company Class A common stock, which we refer to as the distribution rights.

In connection with the separation, Cantor will receive BGC Holdings limited partnership interests. After the first anniversary of the completion of the merger, the BGC Holdings limited partnership interests held by Cantor will be exchangeable with the Combined Company for Combined Company

Class B common stock (or, at Cantor's option or if there are no additional authorized but unissued shares of Combined Company Class B common stock, Combined Company Class A common stock) on a one-for-one basis (subject to customary anti-dilution adjustments). Cantor will, however, be able to exchange up to 20 million of its BGC Holdings limited partnership interests prior to the first anniversary of the completion of the merger for shares of Combined Company Class A common stock in connection with a broad-based public offering including all the shares of Combined Company Class A common stock received upon such exchange, underwritten by a nationally recognized investment banking firm.

Cantor intends to provide all founding partners with the right to immediately exchange 20% of their BGC Holdings founding partner interests for restricted shares of Combined Company Class A common stock, on a one-for-one basis (subject to customary anti-dilution adjustments), with one-third of the shares received by a founding partner upon exchange becoming saleable on each of the first, second and third anniversaries of the completion of the merger, subject to applicable law. Cantor has also agreed to provide certain additional exchange rights to Messrs. Amaitis and Lynn. From time to time, Cantor may provide founding partners with the right to exchange their remaining BGC Holdings founding partner interests for Combined Company Class A common stock, on a one-for-one basis (subject to customary anti-dilution adjustments), on terms and conditions to be determined by Cantor, provided that the terms and conditions of such exchange cannot in any way diminish or adversely affect the rights of the Combined Company or its subsidiaries (it being understood that an obligation by the Combined Company to deliver shares of Combined Company Class A common stock upon exchange will not be deemed to diminish or adversely affect the rights of the Combined Company or its subsidiaries).

In connection with the separation and prior to the merger, Messrs. Amaitis, Lynn and Merkel as well as two other individuals who are employed by one or more of our affiliates, will use some of the proceeds that they receive in respect of the redemption of their Cantor limited partnership interests to repay certain loans made or guaranteed by Cantor. See [Certain Relationships and Related Transactions Before and After the Merger](#) [Repayment of Existing Loans and Required Capital Contributions](#).

Concurrently with the merger, BGC Holdings expects to issue certain restricted equity interests (which we refer to as REUs) to certain employees of BGC Partners and other persons who provide services to BGC Partners. REUs may also be issued in connection with acquisitions or the hiring of new employees. In addition, BGC Partners will issue to certain employees and other persons who provide services to BGC Partners certain BGC Partners restricted stock units, which we refer to as BGC RSUs.

The eSpeed board of directors has determined that Cantor is a deputized director of eSpeed for purposes of Rule 16b-3 under the Exchange Act with respect to the transactions contemplated by the separation and the merger. The eSpeed board of directors' intent in determining that Cantor is a deputized director is that Cantor's acquisitions or dispositions of shares of eSpeed capital stock or interests in eSpeed capital stock from or to eSpeed or its majority-owned subsidiaries will be eligible for the Rule 16b-3 exemption from the short-swing profits liability provisions of Section 16(b) of the Exchange Act.

Upon the termination of employment or bankruptcy of a founding partner, or upon mutual agreement of Cantor and the general partner of BGC Holdings, BGC Holdings will redeem any BGC Holdings founding partner interests held by such founding partner. However, in such circumstances, Cantor has a right of first refusal to acquire such founding partner interests. Any BGC Holdings founding partner interests acquired by Cantor, while not exchangeable in the hands of the founding partner absent a determination by Cantor to the contrary (as Cantor is expected to do from time to time as described above), will be exchangeable by Cantor, generally commencing one year after the completion of the

merger, for shares of Combined Company Class B common stock, or at Cantor's election, shares of Combined Company Class A common stock, in each case, on a one-for-one basis (subject to customary anti-dilution adjustments) on the same basis as the Cantor interests and will be designated as BGC Holdings exchangeable limited partnership interests when acquired by Cantor. In addition, Cantor will have a right of first refusal with respect to any BGC Holdings working partner interests and REU interests (that have not become exchangeable), that (A) are called for redemption upon termination of employment or bankruptcy of a working partner or termination of employment or bankruptcy of a restricted equity partner or (B) are called for redemption by BGC Holdings, in each case if BGC Holdings elects to transfer the right to purchase such interest to a BGC Holdings partner rather than redeem such interest itself.

Opinion of Financial Advisor to eSpeed's Special Committee (see page 94)

The financial advisor to eSpeed's Special Committee, Sandler O'Neill + Partners, L.P., which we refer to as Sandler O'Neill, delivered an opinion, as of May 29, 2007 and subject to the assumptions and qualifications stated in the opinion, regarding the fairness from a financial point of view of the Exchange Ratios (as defined below under Proposal 1 The Merger Opinion of Financial Advisor to the Special Committee) to holders of eSpeed Class A common stock other than Cantor and its affiliates.

The full text of this fairness opinion is attached as Annex J to this proxy statement. You are urged to read the opinion carefully and in its entirety for a description of the procedures followed, matters considered and limitations on the review undertaken.

Structure of the Merger (see page 75)

The merger agreement provides that BGC Partners will be merged with and into eSpeed, with eSpeed surviving the merger. The Combined Company will be renamed BGC Partners, Inc. Following the completion of the merger, it is expected that the Combined Company Class A common stock will trade on the NASDAQ Global Market under the symbol BGCP. The dollar value of the merger is based on the number of shares of Combined Company common stock and rights to acquire shares of Combined Company common stock being issued multiplied by the average price of eSpeed Class A common stock at the closing date of the transaction. As the price of eSpeed common stock fluctuates, the total dollar value of the transaction fluctuates, and therefore, the dollar value of the merger will not be fixed until the merger closes. As of May 29, 2007 (the date of the merger agreement) and as of January 24, 2008, the dollar value of the transaction was \$1,231,512,000 and \$1,560,807,600, respectively, based on the average price of eSpeed Class A common stock on such dates.

To acquire BGC Partners, eSpeed has agreed to issue in the merger an aggregate of 133,860,000 shares of Combined Company common stock and rights to acquire shares of Combined Company common stock. Of these shares and rights to acquire shares, 56,000,000 will be in the form of Combined Company Class B common stock or rights to acquire Combined Company Class B common stock, and the remaining 77,860,000 will be in the form of Combined Company Class A common stock or rights to acquire Combined Company Class A common stock. Specifically, in the merger:

each of the BGC Partners Class A units, 21,968,971 of which will be outstanding immediately prior to the merger, will be converted into Combined Company Class A common stock (and the issued and outstanding shares of eSpeed Class A common stock and options to purchase eSpeed Class A common stock will remain outstanding as Combined Company Class A common stock, 32,451,646 (including 1,150,783 of stock options) of which were issued and outstanding as of January 24, 2008);

all of the issued and outstanding shares of eSpeed Class B common stock will remain outstanding as Combined Company Class B common stock or, at Cantor's election prior to the closing of the merger, be converted into shares of Combined Company Class A common stock, 19,497,800 of which were issued and outstanding as of January 24, 2008;

Table of Contents

the one BGC Partners Class C unit which will be issued and outstanding immediately prior to the merger will be converted into 100 shares of Combined Company Class B common stock or, at Cantor's election prior to the closing of the merger, 100 shares of Combined Company Class A common stock; and

(1) the 68,073,666 units of BGC Holdings exchangeable limited partnership interests which will be issued and outstanding immediately prior to the merger will be exchangeable with the Combined Company for Combined Company Class B common stock or Combined Company Class A common stock in accordance with the terms of the BGC Holdings limited partnership agreement and (2) the 43,817,263 units of BGC Holdings founding partner interests which will be issued and outstanding immediately prior to the merger will not be exchangeable with the Combined Company unless otherwise determined by Cantor in accordance with the terms of the BGC Holdings limited partnership agreement.

Cantor currently intends to elect to have the BGC Partners Class B units and the BGC Partners Class C unit converted in the merger into Combined Company Class A common stock.

Concurrently with or immediately after the merger, the Combined Company will contribute its assets and liabilities to BGC U.S. and BGC Global in exchange for limited partnership interests in these entities. As a result of this contribution, the Combined Company will receive limited partnership interests in each of these entities.

Current stockholders of the Company will hold the same number and class of shares of Combined Company common stock that they held in the Company prior to the merger. As of January 24, 2008, eSpeed stockholders (excluding Cantor) held approximately 30.0 million shares and options to purchase shares of eSpeed common stock which represented 58.6% of the economics of eSpeed and 12.9% of the voting rights of eSpeed as of such date, and is expected to represent 41.2% of the economics of the Combined Company and 11.8% of the voting rights of the Combined Company immediately after the merger. eSpeed stockholders, other than Cantor and its affiliates, will have a reduced economic and voting interest in the Combined Company after the merger, which will be further reduced upon exchange of BGC Holdings limited partnership interests that are exchangeable for Combined Company Class A common stock or Combined Company Class B common stock. Following the closing of the merger, we currently expect to conduct a primary and secondary offering of the Combined Company Class A common stock, but the timing, the size and the price of such offering have not yet been determined.

Immediately after the merger, it is expected there will be approximately 54,420,617 fully diluted shares of Combined Company Class A common stock outstanding, of which 23,989,120 shares will be held by Cantor. Each share of Class A common stock will generally be entitled to one vote on matters submitted to the Combined Company's stockholders. In addition, immediately after the merger, Cantor will hold 19,497,900 shares of Combined Company Class B common stock (which represents all of the outstanding Combined Company Class B common stock), representing, together with the Combined Company Class A common stock held by Cantor, approximately 88.2% of the Combined Company's voting power. Each share of Class B common stock will generally be entitled to the same rights as a share of Class A common stock, except that, on matters submitted to a vote of the Combined Company's stockholders, each share of Class B common stock will be entitled to 10 votes. The Class B common stock generally will vote together with the Class A common stock on all matters submitted to a vote of the Combined Company's stockholders.

Immediately after the merger, the Combined Company will hold, directly or indirectly, the BGC Holdings general partnership interest and the BGC Holdings special voting limited partnership interest, which entitles the holder thereof to remove and appoint the general partner of BGC Holdings, and will serve as the general partner of BGC Holdings, which will entitle the Combined Company to control BGC Holdings. BGC Holdings, in turn, will hold the BGC U.S. general partnership interest and the BGC U.S. special voting limited partnership interest, which

Table of Contents

entitles the holder thereof to remove and appoint the general partner of BGC U.S., and the BGC Global general partnership interest and the BGC Global special voting limited partnership interest, which entitles the holder thereof to remove and appoint the general partner of BGC Global, and will serve as the general partner of each of BGC U.S. and BGC Global, which will entitle BGC Holdings (and thereby the Combined Company) to control each of BGC U.S. and BGC Global. BGC Holdings will hold its BGC Global general partnership interest through a company incorporated in the Cayman Islands, BGC Global Holdings GP Limited. In addition, it is expected the Combined Company will indirectly through wholly-owned subsidiaries hold BGC U.S. limited partnership interests and BGC Global limited partnership interests consisting of approximately 73,918,517 units and 73,918,517 units, representing approximately 39.8% and 39.8% of the outstanding BGC U.S. limited partnership interests and BGC Global limited partnership interests, respectively. The Combined Company will be a holding company that will hold these interests, will serve as the general partner of BGC Holdings, and, through BGC Holdings, will act as the general partner of each of BGC U.S. and BGC Global. As a result of the Combined Company's ownership of the general partnership interest in BGC Holdings and BGC Holdings' general partnership interest in each of BGC U.S. and BGC Global, it is anticipated that the Combined Company will consolidate BGC U.S.'s and BGC Global's results for financial reporting purposes.

Founding partners and working partners, which we refer to collectively as founding/working partners and as BGC Holdings founding/working partners, and restricted equity partners will directly and Cantor will indirectly hold BGC Holdings limited partnership interests. BGC Holdings, in turn, will hold BGC U.S. limited partnership interests and BGC Global limited partnership interests and, as a result, founding/working partners, restricted equity partners and Cantor will indirectly have interests in BGC U.S. limited partnership interests and BGC Global limited partnership interests.

After the first anniversary of the completion of the merger, the BGC Holdings limited partnership interests held by Cantor will be exchangeable with the Combined Company for Combined Company Class B common stock (or, at Cantor's option or if there are no additional authorized but unissued shares of Combined Company Class B common stock, Combined Company Class A common stock) on a one-for-one basis (subject to customary anti-dilution adjustments). Cantor will, however, be able to exchange up to an aggregate of 20 million of its BGC Holdings limited partnership interests prior to the first anniversary of the completion of the merger for shares of Combined Company Class A common stock in connection with a broad-based public offering including all shares of Combined Company Class A common stock received upon such exchange, underwritten by a nationally recognized investment banking firm.

The BGC Holdings limited partnership interests that Cantor transfers to founding partners in redemption of their current limited partnership interests in Cantor at the time of the separation will not be exchangeable with the Combined Company unless (1) Cantor reacquires such interests from the founding partners (which it has the right to do under certain circumstances), in which case such interests will be exchangeable with the Combined Company for Combined Company Class A common stock or Class B common stock, or (2) Cantor determines that such interests can be exchanged by such founding partners with the Combined Company for Combined Company Class A common stock, generally on a one-for-one basis (subject to customary anti-dilution adjustments), on terms and conditions to be determined by Cantor, provided that such terms and conditions do not have an adverse effect on the Combined Company (which exchange of certain interests Cantor expects to permit from time to time). Cantor intends to provide all founding partners with the right to immediately exchange 20% of their BGC Holdings founding partner interests for restricted shares of Combined Company Class A common stock on a one-for-one basis (subject to customary anti-dilution adjustments), with one-third of the shares received by a founding partner upon exchange becoming saleable on each of the first, second and third anniversaries of the completion of the merger, subject to applicable law. Cantor has also granted certain additional exchange rights to Messrs. Amaitis and Lynn. No working partner interests will be issued at the time of the separation and merger. Any working partner interests that are issued will not be exchangeable with the Combined Company unless otherwise determined by BGC Partners with the written consent of the affirmative vote of the majority of units underlying BGC Holdings

Table of Contents

exchangeable limited partnership interests outstanding as of the applicable record date, which we refer to as a BGC Holdings exchangeable limited partnership interest majority in interest, in accordance with the terms of the BGC Holdings limited partnership agreement.

With each exchange, BGC Partners' indirect interest in BGC U.S. and BGC Global will proportionately increase because, immediately following an exchange, BGC Holdings will redeem the BGC Holdings unit so acquired for the BGC U.S. limited partnership interest and the BGC Global limited partnership interest underlying such BGC Holdings unit. The acquired BGC U.S. limited partnership interest and BGC Global limited partnership interest will be appropriately adjusted to reflect the impact of certain litigation matters and the intention of the parties to the BGC Holdings limited partnership agreement for BGC Holdings (and not BGC Partners) to realize the economic benefits and burdens of such litigation matters.

The profit and loss of BGC U.S., BGC Global and BGC Holdings, as the case may be, will generally be allocated based on the total number of BGC U.S. units, BGC Global units and BGC Holdings units, as the case may be, outstanding, other than in the case of certain litigation matters, as described in Related Agreements Amended and Restated Limited Partnership Agreements of BGC U.S. and BGC Global.

The following diagram illustrates the expected ownership structure of the Combined Company after the merger. References to economics of an entity in this proxy statement refer to an interest in the income stream of such entity. References to Public Stockholders includes Combined Company stockholders other than Cantor. The following diagram does not reflect the various subsidiaries of the Combined Company, BGC U.S., BGC Global, BGC Holdings or Cantor, the issuance of BGC Holdings REUs or BGC RSUs or the results of any exchange of BGC Holdings exchangeable limited partnership interests, or, to the extent applicable, BGC Holdings founding partner interests or BGC Holdings REUs:

* Shares of Class B common stock are convertible into shares of Class A common stock at any time in the discretion of the holder on a one-for-one basis. Accordingly, if Cantor converted all of its Class B common stock into Class A common stock, Cantor would hold 59.8% of the voting power and the public stockholders would hold 40.2% of the voting power (and the indirect economic interests in BGC U.S. and BGC Global would remain unchanged).

Material U.S. Federal Income Tax Consequences (see page 110)

Because eSpeed common stock held by eSpeed stockholders immediately prior to the merger will not be exchanged in the merger, eSpeed stockholders will not recognize any gain or loss for U.S. federal income tax purposes as a result of the merger. In addition, we do not anticipate that eSpeed will currently recognize any material amount of income or gain for U.S. federal income tax purposes as a result of the merger.

Accounting Treatment (see page 110)

The merger will be accounted for by eSpeed as a combination of entities under common control in accordance with generally accepted accounting principles in the United States, which we refer to as U.S. GAAP.

Regulatory Approvals (see page 110)

The merger is subject to the receipt of approvals of certain regulatory agencies, including the Financial Industry Regulatory Authority, which we refer to as FINRA, and the U.K. Financial Services Authority, which we refer to as the FSA (in respect of the change of control for all FSA-regulated entities and the conversion of BGC Financial, Inc. into a limited liability company). Consents from the Sydney Futures Exchange and the Hong Kong Monetary Authority are also required to consummate the separation transactions in Australia and Hong Kong, respectively. Consummation of the merger is also subject to approvals of, or filings with, securities commissions of certain states and other jurisdictions in which subsidiaries of BGC Partners and eSpeed conduct business.

Conditions to the Merger (see page 120)

A number of conditions to each party's obligation to close must be satisfied or waived before the merger will be completed. These include among others:

the adoption of the merger agreement and the transactions contemplated thereby, including the merger and the issuance of Combined Company common stock and rights to acquire Combined Company common stock as consideration in the merger, by the eSpeed stockholders;

the NASDAQ listing of the Combined Company Class A common stock to be issued in the merger;

the receipt of required governmental approvals, including the approval of FINRA, the FSA and other regulatory approvals;

the lack of any order, injunction, ruling, decree or judgment by a court or agency;

the absence of legal prohibitions restraining, enjoining or preventing the consummation of the merger or any of the transactions contemplated by the merger agreement being in effect;

the separation occurring according to the terms of the separation agreement;

the accuracy and correctness of the other party's or parties' representations and warranties, subject to certain qualifications described in the merger agreement, and the receipt of a certificate from the other party to that effect; and

the other party or parties' covenants and agreements having been performed on or before the closing date of the merger in accordance with the merger agreement, and the receipt of a certificate from the other party to that effect.

The obligations of eSpeed to complete the merger are also subject to the following conditions:

the estimated closing net equity and the estimated closing cash of BGC Partners being at least equal to the target closing net equity of \$146.5 million and the target closing cash of \$25.0 million of BGC Partners, respectively, and the receipt of a certificate from BGC Partners to that effect; and

the estimated closing indebtedness of BGC Partners being equal to or less than the \$150.0 million target closing indebtedness of BGC Partners.

The obligations of BGC Partners to complete the merger are also subject to the receipt of an opinion from BGC Partners' counsel, Wachtell, Lipton, Rosen & Katz, dated the closing date of the merger, confirming that the merger qualifies as an exchange for purposes of Section 351(a) of the Internal Revenue Code, as amended, which we refer to as the Code.

Each of the parties may waive the conditions to the performance of its obligations under the merger agreement.

Absence of Dissenters' Rights of Appraisal (see page 110)

Under the Delaware General Corporation Law, which we refer to as the DGCL, which governs the merger, eSpeed stockholders are not entitled to dissenters' rights of appraisal in connection with the merger.

Management Before and After the Merger (see page 155)

Following the merger, the Combined Company board of directors will consist of six directors, all of whom will be the directors of eSpeed immediately prior to the merger. The initial term of the directors will end with the first annual meeting of stockholders to be held by the Combined Company. Thereafter, if re-elected, the directors will serve one year terms.

Upon completion of the merger, Howard W. Lutnick, Chairman, Chief Executive Officer and President of the Company, will be appointed Chairman and Co-Chief Executive Officer of the Combined Company; Lee M. Amaitis, Chairman and Chief Executive Officer of BGC Partners and Vice Chairman of the Company, will be appointed Co-Chief Executive Officer of the Combined Company; Shaun D. Lynn, President of

Termination of the Merger Agreement (see page 121)

BGC Partners and eSpeed (acting at the direction of the Special Committee) may mutually agree in writing by action of their respective boards of directors, at any time before the effective time of the merger, whether before or after eSpeed stockholder adoption, to terminate the merger agreement. Also, either BGC Partners or eSpeed (acting at the direction of the Special Committee) may terminate the merger agreement in several circumstances, including if:

the merger is not consummated on or before April 30, 2008, which we refer to as the Outside Date, unless either BGC Partners or eSpeed exercises its option to extend the Outside Date for an additional period not to exceed 120 days if all other conditions to consummation of the transactions contemplated by the merger agreement were satisfied or were capable of being satisfied, and the sole reason that such transactions has not been satisfied is because the closing condition related to required government approvals has not been satisfied, except that this right to terminate the merger agreement is not available to any party to the merger agreement whose failure to perform any material covenant or obligation under the merger agreement has been the primary cause of or resulted in the failure of the transactions contemplated by the merger agreement to occur on or before such date; or

any injunction permanently restrains, enjoins or prohibits the consummation of the transactions contemplated by the merger agreement.

BGC Partners may also terminate the merger agreement if eSpeed materially breaches any representation, warranty, covenant or agreement contained in the merger agreement, which breach by its nature is not curable within 45 days of written notice to eSpeed of such breach.

eSpeed may also terminate the merger agreement if BGC Partners, Cantor, BGC U.S. and BGC Global or BGC Holdings breaches any representation, warranty, covenant or agreement contained in the merger agreement, which breach by its nature is not curable within 45 days of written notice to the aforementioned parties of such breach.
