ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On November 11, 2009, two indirect subsidiaries of Las Vegas Sands Corp. (the "Company"), Venetian Orient Limited ("Venetian Orient") and Venetian Macau Limited ("Venetian Macau"), received, for acceptance, the final draft of the Land Concession Agreement (the "Parcels 5&6 Land Concession") from the government of the Macau Special Administrative Region of the People's Republic of China ("Macau"). Pursuant to the Parcels 5&6 Land Concession, Venetian Orient was awarded a concession by way of a lease to a portion of the east side of the reclaimed land between the islands of Taipa and Coloane (which we refer to as the "Cotai Strip") in Macau, including the site on which Venetian Orient is building an integrated resort in phases (the "Land"). Phase I of the integrated resort is expected to feature approximately 300,000 square feet of gaming space, two hotel towers with over 3,700 Sheraton, Shangri-La and Traders-branded hotel rooms, retail, entertainment and dining facilities, MICE space and a multi-purpose theater. Phase II is expected to include a 2,300 room Sheraton-branded hotel tower and Phase III is expected to include a luxury St. Regis-branded hotel and mixed use tower. On November 16, 2009, we accepted the terms and conditions of the Parcels 5&6 Land Concession and made an initial land concession premium payment of 700,000,000 patacas (approximately \$87.5¹ million).

The Parcels 5&6 Land Concession will not become effective until the date it is published in Macau's Official Gazette (the "Publication Date"), which is part of the standard Macau land grant process. The initial term of the Parcels 5&6 Land Concession is 25 years from the Publication Date, and it may be successively renewed for an unlimited number of ten year terms in accordance with applicable Macau laws. Under the Parcels 5&6 Land Concession, Venetian Orient is obligated to complete the development of the Land within 48 months of the Publication Date, which is expected to occur in the first quarter of 2010. Venetian Orient is obligated to pay land premiums in consideration of the Parcels 5&6 Land Concession aggregating a total of 1,870,402,962 patacas (approximately \$233.5 million), inclusive of the 700,000,000 patacas initial premium payment described above. The remainder of the land premium in the amount of 1,170,402,962 patacas (approximately \$146.1 million) will accrue interest at the rate of 5%, and will be payable in seven semi-annual installments in the amount of 184,333,117 patacas each (or approximately \$23.0 million), with the first installment payment due on the six month anniversary of the Publication Date. In addition, the Parcels 5&6 Land Concession requires Venetian Orient to pay an annual rent of 4,504,020 patacas (approximately \$0.6 million) during the period in which the Land is under development, and an annual rent of 16,872,880 patacas (approximately \$2.1 million) after completion of the development of the Land. Venetian Orient is obligated to obtain a bank guarantee in the above referenced amount of 4,504,020 patacas to secure the annual rent payment amount due during the period in which the Land is under development. The Parcels 5&6 Land Concession may be forfeited or rescinded upon the occurrence of various events, including the failure to pay land premium installment payments or annual rent when due, the failure to comply with certain of the Parcels 5&6 Land Concession's terms, such as an unauthorized change to the permitted use of the Land or the unauthorized transfer of the rights arising under the land concession to a third party.
