PART III

Item 10. Directors, Executive Officers and Corporate Governance
Board of Directors

The Company's Board of Directors currently consists of seven members, four of whom are independent within the independence requirements of Marketplace Rule 4350(d)(2) of the NASDAQ Stock Market, Inc. Listed below are the biographical summaries and ages as of March 31, 2010 of individuals serving as directors as well as information about each individual's qualification and experience that contributes to the overall needs of the Board as determined by the Nominating and Corporate Governance Committee:

Frank L. Jaksch Jr., 41, is a co-founder of ChromaDex and has served as Co-Chairman of the Board and Chief Executive Officer since 2000. Mr. Jaksch oversees strategy, operations and marketing for the Company with a focus on scientific products and pharmaceutical and nutraceutical markets. From 1993 to 1999, Mr. Jaksch served as International Subsidiaries Manager of Phenomenex, a life science supply company where he managed the international subsidiary and international business development divisions. Mr. Jaksch earned a B.S. in Chemistry and Biology from Valparaiso University. Frank L. Jaksch Jr. is the brother of Kevin Jaksch. The Nominating and Corporate Governance Committee believes that Mr. Jaksch's years of experience working in chemistry-related industries, his extensive sales and marketing background, and his knowledge of international business allow him to bring an understanding of the industries in which the Company operates as well as scientific expertise to the Company and the Board of Directors.

Thomas C. Varvaro, 40, has served as ChromaDex's Chief Financial Officer since 2004 and Secretary since 2006. He has also served as a director since 2006. Mr. Varvaro oversees operations, accounting, information technology, inventory, distribution, and human resources management for the Company. Mr. Varvaro has developed skills in process mapping, information technology custom application design, enterprise risk systems deployment, plant automation and reporting and bar code tracking implementation from his prior business experiences. From 1998 to 2004, Mr. Varvaro was employed by Fast Heat Inc., a Chicago, Illinois based global supplier to the plastics, HVAC, packaging, and food processing industries, where he began as Controller and was promoted to Chief Information Officer and then Chief Financial Officer during his tenure. From 1993 to 1998, Mr. Varvaro was employed by Maple Leaf Bakery, USA, a Chicago, Illinois based company, during its rise to becoming a national leader in specialty food products. Mr. Varvaro served as Staff Accountant and was promoted to Assistant Controller during his tenure. He earned a B.S. in Accounting from University of Illinois, Urbana, and is a Certified Public Accountant. The Nominating and Corporate Governance Committee believes that Mr. Varvaro's 16 years of experience in accounting and management roles along with the exposure that he has had to corporate mergers and acquisitions allows him to bring financial expertise and corporate management experience to the Company and the Board.

Stephen Block, 65, has been a director of ChromaDex since 2007 and Chair of the Compensation Committee, a member of the Audit Committee and a member of the Nominating and Corporate Governance Committee since 2007. Mr. Block is also a director and Chair of the Nominating and Corporate Governance Committee and a member of the Audit Committee of Senomyx, Inc., a public biotech company. He has served on the Board of Senomyx, Inc. since 2005. He also serves as the Chairman of the Board of Blue Pacific Flavors and Fragrances, Inc., and as a director of Allylix, Inc., Vigilistics, Inc., and Masher Media, Inc. of which he was also a co-founder. He has served on the board of these privately held companies since 2007, 2008, and 2009, respectively. Mr. Block retired as Senior Vice President, General Counsel and Secretary of International Flavors and Fragrances Inc., a leading creator, manufacturer and seller of flavors and fragrances (IFF) in December 2003, having been IFF's Chief Legal Officer since 1993. During his eleven years at IFF he also led the company's Regulatory Affairs Department. Prior to 1993, Mr. Block served as Senior Vice President, General Counsel, Secretary and Director of GAF Corporation, a company specializing in specialty chemicals and building materials, and its publicly traded subsidiary International Specialty Products Inc., held various management positions with Celanese Corporation, a company specializing in synthetic fibers, chemicals and plastics, and practiced law with the New York firm of Stroock Stroock & Lavan. Mr. Block currently serves as an industry consultant and as a member of the Executive Committee of Orange County Tech Coast Angels, a leading angel investing group, and as a managing director of Venture Farm LLC, an early stage venture capital firm. Mr. Block received his B.A. *cum laude* in Russian Studies from Yale University and his law degree from Harvard Law School. The Nominating and Corporate Governance Committee believes that Mr. Block's experience as the Chief Legal Officer of one of the world's leading flavor and fragrance companies contributes to the Board's understanding of the flavor industry, including the Board's perspective on the strategic interests of potential collaborators, the regulation of the industry, and the viability of various commercial strategies. In addition, Mr. Block's experience in the area of corporate governance and public company financial reporting is especially valuable to the Board in his capacity as a member of both the Audit Committee and the Compensation Committee.

Reid Dabney, 58, has served as a director of ChromaDex and has chaired the Audit Committee since October 2007. Since November 2008, he has also served as a Managing Director of Monarch Bay Associates, LLC. From March 2005 to November 2008, Mr. Dabney served as Cecors, Inc.'s (CEOS.OB) (a Software As A Service (SaaS) technology provider's) Senior Vice President and Chief Financial Officer. From July 2003 to November 2005, Mr. Dabney was engaged by CFO911 as a business and financial consultant. From January 2003 to August 2004, Mr. Dabney served as Vice President of National Securities, a broker-dealer firm specializing in raising equity for private operating businesses that have agreed to become public companies through reverse merger transactions with publicly traded shell companies. Mr. Dabney received a B.A. from Claremont McKenna College and an M.B.A. in Finance from the University of Pennsylvania's Wharton School. Mr. Dabney also holds Series 7, 24 and 63 licenses from the Financial Industry Regulatory Authority (FINRA). The Nominating and Corporate Governance Committee believes that Mr. Dabney's experience as CFO of a public company and his extensive experience dealing with financial markets qualify him to chair the Audit Committee and that Mr. Dabney brings financial, merger and acquisition experience, and a background working with public marketplaces to the Board.

Hugh Dunkerley, 36, has served as a director of ChromaDex since December 2005. From October 2002 to December 2005, Mr. Dunkerley served as Director of Corporate Development at ChromaDex. Mr. Dunkerley has been Manager of Capital Markets for the FDIC, Division of Resolutions and Receiverships, since February 2009. He was President and Chief Executive Officer of Cecors, Inc. (OTCBB:CEOS.OB), a Software As A Service (SaaS) technology provider, from October 31, 2007 to February 17, 2009. He had served as Cecor's Chief Operating Officer from June 2007 to October 31, 2007 and as Vice President of Corporate Finance from June 2006 to June 2007. From January 2006 to July 2006, Mr. Dunkerley served as Vice President of Small-Mid Cap Equities at Hunter Wise Financial Group, LLC, specializing in investment banking advisory services to US and EU companies. Mr. Dunkerley received his undergraduate degree from the University of Westminster, London and earned a MBA from South Bank University, London. Mr. Dunkerley also holds Series 7 and 66 licenses from FINRA. The Nominating and Corporate Governance Committee believe that Mr. Dunkerley's experience as CEO of a public company and his extensive financial market experience qualify him to sit on the Nominating and Corporate Governance Committee and that Mr. Dunkerley brings financial and mergers and acquisitions experience, and experience with public marketplaces and regulatory oversight to the Board. His previous experience as an employee of the Company also allows him to provide a unique perspective of and extensive knowledge on the industries in which the Company operates.

Mark S. Germain, 59, has served as Co-Chairman of the Board of Directors since he co-founded ChromaDex in 2000 and he has served on the Audit Committee since October 2007. Mr. Germain has extensive experience as a merchant banker in the biotech and life sciences industries. He has been involved as a founder, director, Chairman of the Board of, and/or investor in over twenty companies in the biotech field, and assisted many of them in arranging corporate partnerships, acquiring technology, entering into mergers and acquisitions, and executing financings and going public transactions. He graduated from New York University School of Law, Order of the Coif, in 1975 and was a partner in a New York law firm practicing corporate and securities law before entering the private sector in 1986. Between 1986 and 1991, he served businesses in senior executive capacities, including as president of a public company sold in 1991. In addition to his role as a Co-Chairman of the Company, Mr. Germain is currently a director of the following publicly traded companies: Omnimmune Holdings, Inc. (OTCBB: OMMHE.OB), a biotechnology company, Stem Cell Innovations, Inc. (OTC:SCLL.PK), a cell biology company, Collexis Holdings, Inc. He is also a co-founder and director of a number of private companies in the biotechnology field. The Nominating and Corporate Governance Committee believes that Mr. Germain's past experience as the president of a public company and as the board member of other public companies bring financial expertise, industry knowledge, and merger and acquisition experience to the Board.

Kevin M. Jaksch, 39, has served as a director of ChromaDex since 2000. Since 2000, Mr. Jaksch has served as Vice President and Branch Manager at Charles Schwab & Co., Inc. (NYSE: SCHW). Mr. Jaksch has been a registered representative for 17 years and a registered principal for 14 years overseeing two offices with over four billion in assets. Mr. Jaksch has broad experience in the financial markets and financial advising. Mr. Jaksch earned a B.A. in Communications from the University of Southern California in Los Angeles. Kevin Jaksch is the brother of Frank L. Jaksch Jr. The Nominating and Corporate Governance Committee believes that Mr. Jaksch's experience trading in and working with financial markets provides unique knowledge of the investor side of the financial markets as well financial expertise to the Board.

Pursuant to this agreement, Mr. Jaksch is entitled to receive a base salary of \$150,000 per year, subject to certain milestones. One of the milestones provided that, following the Merger, Mr. Jaksch would be entitled to a base salary of \$175,000. The Merger occurred on June 20, 2008, as a result of which Mr. Jaksch's base salary was increased to \$175,000 per year. Mr. Jaksch's current salary is \$175,000 per year. whatever bonus he would have been entitled to for the year in which such termination occurs, and he will be deemed to have been employed for the entirety of such year. As used herein, "Good Reason" means any of the following: (A) the assignment of duties materially inconsistent with those of other employees in similar employment positions, and Mr. Jaksch provides written notice to ChromaDex within 60 days of such assignment that such duties are materially inconsistent with those duties of such similarly-situated employees and ChromaDex fails to release Mr. Jaksch from his obligation to perform such inconsistent duties and to re-assign Mr. Jaksch to his customary duties within 20 business days after ChromaDex's receipt of such notice; or (B) if, without the consent of Mr. Jaksch, Mr. Jaksch's normal place of work is or becomes situated more than 50 linear miles from Mr. Jaksch's personal residence as of the effective date of his employment agreement, or (C) a failure by ChromaDex to comply with any other material provision of the employment agreement which has not been cured within 60 days after notice of such noncompliance has been given by Mr. Jaksch to ChromaDex, or if such failure is not capable of being cured in such time, a cure shall not have been diligently pursued by ChromaDex within such 60 day period. Severance will then consist of 16 weeks of paid salary, unless Mr. Jaksch signs a release, in which case he will receive compensation equal to the lesser of the remainder of the term of the agreement, or up to 12 months paid salary.

In the event Mr. Jaksch's employment terminates as a result of his death or disability, he, or his estate, as the case may be, will be entitled to his accrued but unpaid base salary, stock vested through the date of his termination and, notwithstanding any policy of ChromaDex to the contrary, any bonus that would be due to him for the fiscal year in which termination pursuant to death or disability took place. employment agreement which has not been cured within 60 days after notice of such noncompliance has been given by Mr. Varvaro to ChromaDex, or if such failure is not capable of being cured in such time, a cure will not have been diligently pursued by ChromaDex within such 60 day period. Severance will then consist of 16 weeks of paid salary, unless Mr. Varvaro signs a release, in which case he will receive compensation equal to the lesser of the remainder of his agreement or 12 months paid salary.

In the event Mr. Varvaro is terminated as a result of his death or disability he will be entitled to his accrued but unpaid base salary, stock vested through the date of his termination and, notwithstanding any policy of ChromaDex to the contrary, any bonus that would be due to him for the fiscal year in which termination pursuant to death or disability took place at the option of the Board. Mr. Varvaro's bonus will be either prorated or paid in full to him, or his estate, as the case may be, at the time he would have received such bonus had he remained an employee of ChromaDex.
