Item 7.01. Regulation FD Disclosure.

On June 23 and 24, 2010, Philip Morris International Inc. (the Company) is holding a two-day investor meeting (2010 Investor Day). In connection with the 2010 Investor Day, the Company is issuing a press release (the Press Release) on June 23, 2010 announcing key highlights of the presentations made during the 2010 Investor Day.

A copy of the Press Release is attached as Exhibit 99.1 and is incorporated herein by reference into Item 7.01 of this Current Report on Form 8-K.

In accordance with General Instruction B.2 of Form 8-K, the information in Item 7.01 in this Current Report on Form 8-K, including Exhibit 99.1 hereto, shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, except for the portion incorporated by reference in Item 8.01 below or as expressly set forth by specific reference in such filing or document.

Item 8.01. Other Events

During the 2010 Investor Day, the Company revised its 2010 earnings per share forecast as set forth in the following excerpt from the Press Release:

PMI revised its forecast for 2010 full-year reported diluted earnings per share to a range of \$3.70 to \$3.80, based on prevailing exchange rates. Reported diluted earnings per share are projected to increase by approximately 14% to 17%, compared to \$3.24 in 2009, up from the 10% to 13% range projected in April 2010. This higher projection, compared to the April 2010 guidance, reflects an improved business outlook, in particular with regards to Japan, and the positive impact of the reversal of certain tax provisions, offset by adverse currency of \$0.20 per share. This guidance excludes the impact of any potential future acquisitions, asset impairment and exit cost charges, and any unusual events.

The foregoing excerpt is incorporated by reference into Item 8.01 of this Current Report on Form 8-K and is being filed pursuant to Item 8.01.

Item 9.01. Exhibits.

(d) Exhibits

99.1 Philip Morris International Inc. Press Release, dated June 23, 2010.
