Item 2.05 Costs Associated with Exit or Disposal Activities

On June 30, 2010, ADPT Corporation (the Company) completed its actions and notified affected employees in connection with a restructuring plan (the Restructuring Plan) adopted by the Company on May 6, 2010. The execution of the Restructuring Plan was substantially contingent upon the sale of the Company's data storage hardware and software solutions and products business to PMC-Sierra, Inc., (which transaction was consummated on June 8, 2010) and is intended to allow the Company to reduce its operating expenses following such sale. The possibility of the execution of the Restructuring Plan was disclosed in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2010, which was filed with the Securities and Exchange Commission on May 27, 2010.

The Company expects to incur a restructuring charge in the range of \$3.9 million to \$4.5 million associated with the Restructuring Plan, of which the Company expects between \$3.7 million and \$4.3 million will be related to severance and related benefits and \$0.2 million will be related to the closure of a facility. Between \$2.2 million and \$2.7 million of the restructuring charge is expected to be recorded in the first quarter of fiscal 2011, while the remaining restructuring charges are expected to be recorded during the remaining quarters in fiscal 2011. Substantially all of these charges will result in cash expenditures.
