Item 1.01 Entry into a Material Definitive Agreement

On April 4, 2011, Forest Laboratories, Inc. (Forest) issued a press release announcing that it has entered into Amendment No. 1, dated April 4, 2011 (Amendment No. 1), to the Agreement and Plan of Merger, dated as of February 22, 2011 (the Merger Agreement), by and among FL Holding CV, an entity organized under the laws of the Netherlands and a wholly-owned subsidiary of Forest (Parent), Magnolia Acquisition Corp., a Delaware corporation and a wholly-owned subsidiary of Parent (the Purchaser), Forest and Clinical Data, Inc., a Delaware corporation (Clinical Data).

Pursuant to the terms and subject to the conditions of the Merger Agreement, the Purchaser has commenced a tender offer (the Offer) to acquire (i) all of the outstanding shares of common stock, \$0.01 par value per share, of Clinical Data (Clinical Data Common Stock) for (A) \$30.00 per share of Clinical Data Common Stock (the Upfront Payment), net to the holder thereof in cash and less any withholding taxes, and (B) contingent consideration of up to \$6.00 per share (the Contingent Consideration) that may be paid pursuant to the terms of a Contingent Value Right Agreement to be entered into by Forest, FL Holding CV and Magnolia for the benefit of Clinical Data 's security holders based upon achievement of certain milestones related to Viibryd , (ii) all of the outstanding warrants to purchase shares of Clinical Data Common Stock that have exercise prices of \$36.00 per share of Clinical Data Common Stock or less (Clinical Data Warrants) for the consideration set forth in the Merger Agreement, and (iii) all of the outstanding convertible promissory notes (Clinical Data Notes) issued by Clinical Data on February 25, 2009 in the aggregate principal amount of \$50,000,000, for the consideration set forth in the Merger Agreement.

As soon as practicable after the consummation of the Offer and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Magnolia will merge with and into Clinical Data (the Merger) and Clinical Data will become a wholly-owned subsidiary of FL Holding. The Merger Agreement also provides that if the Offer is not completed, the Merger may be able to be consummated if the stockholders of Clinical Data adopt the Merger Agreement at a meeting of such stockholders (the One-Step Merger). In the Merger, each outstanding share of Clinical Data Common Stock, other than shares of Clinical Data Common Stock owned by Clinical Data, FL Holding, Magnolia or any of their respective subsidiaries or by Clinical Data stockholders who have validly exercised their appraisal rights under Delaware law, will be converted into the right to receive the consideration per share of Clinical Data Common Stock that would have been payable in the Offer. In addition, in the Merger, Clinical Data Warrants and Clinical Data Notes will be cancelled and converted into the right to receive the consideration that would have been paid for them in the Offer.

Amendment No. 1 provides that the Offer will be extended until April 11, 2011, but not to any subsequent date unless required by any rule, regulation or position of the United States Securities and Exchange Commission (the SEC) or its staff applicable to the Offer. Amendment No. 1 further provides that if the conditions to the Offer are satisfied as of the expiration of the Offer, the Purchaser will promptly accept and pay for the securities tendered. If the conditions to the Offer are not satisfied at that expiration, the Purchaser will allow the Offer to expire and terminate and will direct the depository to promptly return all tendered securities to the holders. In such case, promptly following the expiration of the Offer it is anticipated that Clinical Data will file its definitive proxy statement and mail such definitive proxy statement to its stockholders in connection with a special meeting of Clinical Data stockholders to be called in accordance with Delaware law and the rules and regulations of the SEC.

Amendment No. 1 is filed as Exhibit 2.1 and is incorporated herein by reference. The foregoing description of Amendment No. 1 and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to such document, and by the full text of the Merger Agreement, which was included as Exhibit 2.1 to Forest 's Current Report on Form 8-K filed with the SEC on February 25, 2010. A copy of the press release of Forest announcing the execution of Amendment No. 1 is included herein as Exhibit 99.1 and is incorporated herein by reference.
