**Item 8.01 Other Events.**

On October 12, 2011, AVI BioPharma, Inc. (the Company) received notice from the U.S. Department of Defense (DoD) that the Company's proposal for the full clinical development of its influenza drug candidate, AVI-7100, for post-exposure prophylaxis did not qualify for a contract award. The DoD previously had informed the Company that its prophylaxis proposal met the technical requirements for acceptance and additional consideration; however, following an integrated assessment of all of the evaluation factors, the DoD determined that the prophylaxis proposal was not within the required competitive range for a contract award.
