SCHEDULE 13D

**Item 1. Security and Issuer**

The class of equity securities to which this Schedule 13D (this Schedule 13D ) relates is the common stock, par value \$0.001 per share ( Shares ), of Inhibitex, Inc., a Delaware corporation (the Issuer ). The principal executive office of the Issuer is located at 9005 Westside Parkway, Alpharetta, GA 30009.

**Item 2. Identity and Background**

This Schedule 13D is being jointly filed by Inta Acquisition Corporation ( Purchaser ), a Delaware corporation wholly owned by Bristol-Myers Squibb Company, and Bristol-Myers Squibb Company ( Parent ), a Delaware corporation.

Parent s principal executive offices are located at 345 Park Avenue, New York, New York 10154-0037. The telephone number of Parent is (212) 546-4000. Parent is a global biopharmaceutical company whose mission is to discover, develop and deliver innovative medicines that help patients prevail over serious diseases. Parent is engaged in the discovery, development, licensing, manufacturing, marketing, distribution and sale of pharmaceuticals products on a global basis.

Purchaser s principal offices are located at 345 Park Avenue, New York, New York 10154-0037. The telephone number of Purchaser is (212) 546-4000. Purchaser is a wholly-owned subsidiary of Parent. Purchaser was formed solely for the purpose of effecting the transactions contemplated by the Merger Agreement (defined below) and has not engaged in any activities except in connection with these transactions.

Parent and Purchaser are collectively hereinafter referred to as the Reporting Persons .

The Reporting Persons have entered into a Joint Filing Agreement, a copy of which is filed with this Schedule 13D as Exhibit 3.

The name, business address, present principal occupation or employment and citizenship of each director and executive officer of each of Parent and Purchaser is set forth on Schedule A. During the preceding five years, none of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the persons listed on Schedule A, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws, or finding any violation with respect to such laws.

**Item 3. Source and Amount of Funds**

On January 7, 2012, Parent, Purchaser and Issuer, entered into an Agreement and Plan of Merger (the **Merger Agreement** ). Pursuant to the terms of the Merger Agreement, Purchaser and Parent commenced a tender offer (the **Offer** ) to purchase all of the outstanding Shares at a price of \$26.00 net per Share in cash, less any applicable withholding taxes and without interest (the **Offer Price** ), upon the terms and subject to the conditions set forth in the Offer to Purchase for Cash, dated January 13, 2012, (the **Offer to Purchase** ) and in the related Letter of Transmittal (the **Letter of Transmittal** ). The closing of the Offer is conditioned upon, among other things, there being validly tendered, in accordance with the terms of the Offer, a number of Shares which, together with Shares then owned by Parent and Purchaser (if any), represents a majority of the issued and outstanding Shares plus all Shares which the Issuer may be required to issue to holders of the Issuer's stock options and warrants, as the closing of the Offer. Based on information provided to Purchaser and Parent by the Issuer, and assuming no additional Shares or stock options are issued after January 11, 2012, the aggregate number of shares that Purchaser must acquire in the Offer in order to satisfy this condition equals approximately 49,170,603 Shares, which is approximately 58% of the outstanding Shares as of January 11, 2012. The Offer is described in a Tender Offer Statement on Schedule TO (as amended or supplemented from time to time, the **Schedule TO** ), filed by Parent and Purchaser with the Securities and Exchange Commission (the **SEC** ) on January 13, 2012. The Offer to Purchase and Letter of Transmittal are filed as Exhibits (a)(1)(A) and (a)(1)(B) to the Schedule TO, respectively, and are incorporated by reference herein.

Pursuant to the Merger Agreement, following the consummation of the Offer and the satisfaction or waiver of each of the applicable conditions set forth in the Merger Agreement, Purchaser and the Issuer will merge (the **Merger** ), with the Issuer as the surviving corporation in the Merger continuing as a wholly-owned subsidiary of Parent (the **Surviving Corporation** ). As a result of the Merger, each outstanding share of Issuer voting common stock (other than Shares owned by Parent, Purchaser or the Issuer, or by any stockholder of the Issuer who or which is entitled to and properly exercises appraisal rights under Delaware law) will be converted into the right to receive the Offer Price at the effective time of the Merger (the **Effective Time** ). The consummation of the Merger is subject to certain closing conditions, including approval by the Issuer's stockholders, if required.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached as Exhibit 1 and is incorporated herein by reference.

Concurrently with the execution of the Merger Agreement, each of Gabriele Cerrone, Panetta Partners, Ltd., Russell H. Plumb, New Enterprise Associates 10, Limited Partnership, New Enterprise Associates 11, Limited Partnership, NEA Ventures 2002, L.P., and Michael James Barrett (each, a **Stockholder** ) entered into a Tender and Support Agreement, dated January 7, 2012, with the Issuer, Parent and Purchaser. Pursuant to the Support Agreement, each Stockholder has agreed, among other things, subject to the termination of the Support Agreement (i) to tender pursuant to the Offer (and not withdraw, except under certain circumstances) all Shares beneficially owned by such Stockholder as promptly as practicable (but in no event later than 10 days after the commencement of the Offer) and not to exercise any appraisal rights in connection with the Merger, (ii) not to transfer any of such Stockholder's equity interests in the Company, including any Shares, other than in accordance with the terms and conditions set forth in the Support Agreement, (iii) not to take any action that would interfere with the performance of such Stockholder's obligations under, or the transactions contemplated by, the Support Agreement, (iv) to vote such Stockholder's Shares in support of the Merger in the event that stockholder approval is required to consummate the Merger, (v) to vote against any action or agreement that would materially impede, interfere with or prevent the Offer or the Merger, (vi) not to solicit, initiate, propose or knowingly encourage, facilitate or participate in discussions with third parties regarding other proposals to acquire the Company and (vii) to elect to exercise any of the Stockholder's warrants and/or vested options, on a net exercise basis, following the acceptance of the Offer and to transfer those newly-issued Shares to the Purchaser. The Support Agreement will terminate upon the earliest of (a) the termination of the Merger Agreement, (b) the Effective Time, (c) the Offer having been

terminated or the expiration date of the Offer having occurred, in each case without acceptance for payment of the Stockholder's Shares pursuant to the Offer, (d) the date of any material modification, waiver or amendment to any provision of the Merger Agreement that reduces the amount, changes the form or otherwise adversely affects the consideration payable to the Stockholder pursuant to the Merger Agreement, and (e) the mutual written consent of the Company, Parent, Purchaser and the Stockholders. Collectively, the Stockholders had beneficial ownership, as of January 6, 2012, of an aggregate of 15,114,678 Shares (including Shares represented by the Issuer's warrants and vested and unvested options they hold), or approximately 17% of the Shares (taking into account, for purposes of determining the aggregate Shares, the Company's outstanding shares and assuming the exercise of only the warrants and vested and unvested options held by the Stockholders). The proxy voting provisions described in clauses (iv) and (v) in this paragraph relate only to the outstanding common stock held by the Stockholders, which as of January 6, 2012, was equal to 11,366,692 Shares or 14% of the Shares then outstanding.

The foregoing description of the Support Agreement does not purport to be complete and is qualified in its entirety by reference to the Support Agreement, which is attached as Exhibit 2 and incorporated herein by reference.

The proposed transaction values the equity of the Issuer at approximately \$2.5 billion. Parent will have sufficient funds to consummate the purchase of Shares in the Offer and the Merger and the other transactions described above, and will cause Purchaser to have sufficient funds available to consummate such transactions.

Shared voting power with respect to the Shares beneficially owned by the Stockholders may be deemed to have been acquired through execution of the Support Agreement.

Schedule B lists the names and number of Shares that are beneficially held by each Stockholder and subject to this Schedule 13D.

#### **Item 4. Purpose of the Transaction**

The purpose of the Offer is to acquire control of, and the entire equity interest in, the Issuer. If the Offer is consummated, Purchaser will be entitled to designate a number of persons to the board of directors that reflects Purchaser's proportionate voting interest in the Issuer. The purpose of the Merger is to acquire all outstanding Shares not tendered and purchased pursuant to the Offer. All Shares acquired by Purchaser pursuant to the Offer will be retained by Purchaser pending the Merger. After the consummation of the Offer, Purchaser intends to consummate the Merger as promptly as practicable, subject to the satisfaction of certain conditions. Upon the consummation of the Merger, (i) the Surviving Corporation will become a wholly-owned subsidiary of Parent and (ii) each outstanding share of Issuer voting common stock (other than Shares owned by Parent, Purchaser or the Issuer, or by any stockholder of the Issuer who or which is entitled to and properly exercises appraisal rights under Delaware law) will be converted into the right to receive the Offer Price.

At the Effective Time and pursuant to the Merger Agreement, the Issuer's certificate of incorporation will be amended and restated in its entirety to read identically to the certificate of incorporation of Purchaser as in effect immediately prior to the Effective Time, except that the name of the Surviving Corporation will be Inhibitex, Inc., and the by-laws of Purchaser as in effect immediately prior to the Effective Time will become the by-laws of the Surviving Corporation. The directors of Purchaser immediately prior to the Effective Time will become the directors of the Surviving Corporation and, subject to certain exceptions, the officers of Purchaser will become the officers of the Surviving Corporation.

Following the Merger, the Shares will no longer be traded on The Nasdaq Stock Market, there will be no public market for the Shares and registration of the shares of Shares under the Securities Exchange Act of 1934 will be terminated.

Item 3 is incorporated by reference into this Item 4.

Except as set forth in this Schedule 13D and in connection with the Offer and the Merger described above, Parent has no plan or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

**Item 5. Interest in Securities of the Issuer**  
**(a) and (b)**

Other than those Shares that may be deemed to be beneficially owned by operation of the Support Agreement, the Reporting Persons, do not beneficially own any Shares.

As a result of the Support Agreement, and assuming no further exercise of the Stockholders' options or warrants, Parent may be deemed to have the power to vote up to 11,366,692 Shares in favor of approval of the Merger or in connection with certain other matters described in Item 3 above, and thus, each Reporting Person may be deemed to be the beneficial owner of 11,366,692 Shares. All Shares that may be deemed to be beneficially owned by the Reporting Persons constitute approximately 14% of the issued and outstanding Shares as of January 6, 2012 (as represented by the Issuer in the Merger Agreement).

The Reporting Persons (i) are not entitled to any rights as a stockholder of the Issuer as to the Shares covered by the Support Agreement, except as otherwise expressly provided in the Support Agreement and (ii) disclaim all beneficial ownership of such Shares.

Except as set forth in this Item 5(a), none of Parent and, to the knowledge of the Reporting Persons, any persons named in Schedule A beneficially owns any Shares.

**(c)**

Except for the agreements described in this Schedule 13D, to the knowledge of the Reporting Persons, no transactions in the class of securities reported have been effected during the past 60 days by any person named in Schedule A or Item 5(a).

**(d)**

To the knowledge of the Reporting Persons, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities of the Issuer reported herein.

**(e)**

Inapplicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

Except for the agreements described in this Schedule 13D, to the knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise), among the Reporting Persons or, to the knowledge of any of the Reporting Persons, any other person or entity referred to in Item 2 (including those listed on Schedule A), or between such persons and any other person, with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding proxies.
