NEWS RELEASE

Enbridge Increases Dividend by 12%; Strong Outlook for Growth

CALGARY, ALBERTA, December 6, 2012 Enbridge Inc. (TSX, NYSE: ENB) today announced that its Board of Directors has declared a quarterly dividend of \$0.315 per common share, payable on March 1, 2013 to shareholders of record on February 15, 2013. The dividend reflects a 12% increase from the prior quarterly rate. Enbridge also announced a guidance range for 2013 adjusted earnings of \$1.74 to \$1.90 per share.

During 2012 we have built a strong foundation for the future of Enbridge and its stakeholders, said Al Monaco, President and Chief Executive Officer, Enbridge Inc. The most important area of progress has been the continued implementation of our Operational Risk Management Plan in support of our highest priority the safe, reliable and environmentally responsible operation of our business. At the same time, in response to evolving North American energy fundamentals and the needs of our customers for access to new markets, we've received customer support for another \$14 billion of attractive investment opportunities. This brings us to a total of \$26 billion of commercially secured growth investment over 2012 to 2016. We are on schedule and on budget with substantially all of these projects, and we are well advanced with the external funding we'll require to supplement our growing internal cash flow.

The additional opportunities we've secured since our Enbridge Day investor conference in October reinforce the likelihood of exceeding the 10% plus EPS growth rate potential we discussed at that time. They also enhance the prospects that we will be successful in extending our industry leading growth rate well beyond the middle of the decade. Nearer term, as our guidance range indicates, 2013 will be another strong year for earnings growth, and we are comfortable with another substantial dividend increase given these prospects.

Enbridge's Board of Directors also declared the following quarterly dividends for Enbridge Inc. Preferred Shares. All dividends are payable on March 1, 2013 to shareholders of record on February 15, 2013:

Preferred Shares, Series A	\$	0.34375
Preferred Shares, Series B	\$	0.25
Preferred Shares, Series D	\$	0.25
Preferred Shares, Series F	\$	0.25
Preferred Shares, Series H	\$	0.25
Preferred Shares, Series J	US\$	0.25
Preferred Shares, Series L	US\$	0.25
Preferred Shares, Series N	\$	0.25
Preferred Shares, Series P	\$	0.25
Preferred Shares, Series R ¹	\$	0.2356

(1) This is the first dividend declared for Preferred Shares, Series R which were issued Dec. 5, 2012. The regular quarterly dividend payable on the Series R preferred shares, which will take effect on the June 1, 2013 dividend payment, is \$0.25 per share.
