Corporate Governance

Director Independence. Under the NASDAQ Stock Market Rules, the Board has a responsibility to make an affirmative determination that those members of its Board that serve as independent directors do not have any relationships with the Company and its businesses that would impair their independence. In connection with these determinations, the Board reviews information regarding transactions, relationships and arrangements involving the Company and its businesses and each director that it deems relevant to independence, including those required by the NASDAQ Stock Market Rules.

The Board has determined that each of Dr. Dent, Mr. Johnson, Mr. Hipp and Mr. Robison is independent. The Audit Committee and the Compensation Committee are each composed entirely of directors who are independent under the NASDAQ Stock Market Rules and the applicable rules of the United States Securities and Exchange Commission (the SEC).

Director Nominations. Our Board does not have a standing Nominating Committee. As opposed to delegating such functions to a sub-group of the Board, it has been the Company's preference to involve all of the Board members in the nomination process. All of the members of the Board consider and recommend candidates for election to the Board and nominees for committee memberships and committee chairs.

Director candidates are considered based upon a variety of criteria, including demonstrated business and professional skills and experiences relevant to our business and strategic direction, concern for long-term

Table of Contents

stockholder interests, personal integrity and sound business judgment. The Board seeks men and women from diverse professional backgrounds who combine a broad spectrum of relevant industry and strategic experience and expertise that, in concert, offer us and our stockholders diversity of opinion and insight in the areas most important to us and our corporate mission. However, we do not have a formal policy concerning the diversity of the Board. All director candidates must have time available to devote to the activities of the Board. We also consider the independence of director candidates, including the appearance of any conflict in serving as a director. A director who does not meet all of these criteria may still be considered for nomination to the Board, if our independent directors believe that the candidate will make an exceptional contribution to us and our stockholders.

Generally, when evaluating and recommending candidates for election to the Board, the Board will conduct candidate interviews, evaluate biographical information and background material and assess the skills and experience of candidates in the context of the then current needs of the Company. In identifying potential director candidates, the Board may also seek input from the executive officers and may also consider recommendations by employees, community leaders, business contacts, third-party search firms and any other sources deemed appropriate by such directors. The Board will also consider director candidates recommended by stockholders to stand for election at the annual meeting of stockholders so long as such recommendations are submitted in accordance with the procedures described below under *Stockholder Recommendations For Board Candidates*.

Board Leadership Structure. Our Board does not have a policy on whether the offices of Chairman of the Board and Chief Executive Officer should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from among the independent directors. Our Board believes that it should have the flexibility to make these determinations at any given time in the way that it believes best to provide appropriate leadership for the Company at that time. Our Board has reviewed our current Board leadership structure in light of the composition of the Board, the Company's size, the nature of the Company's business, the regulatory framework under which the Company operates, and other relevant factors. Considering these factors, the Company has determined to have the same individual, Douglas VanOort, serve as Chief Executive Officer and Chairman of the Board. The Board does not have or appoint a lead independent director.

Board Role in Risk Oversight. The Board administers its risk oversight function directly and through the Audit Committee. The Board and the Audit Committee regularly discuss with management the Company's major risk exposures, their potential financial impact on the Company, and the steps taken to monitor and control those risks.

The Board and Board Committees

The Board. The Board met five (5) times for regular meetings during 2012. Four (4) of such meetings were regularly scheduled meetings and the other special board meetings and telephonic calls were held as needed. During 2012, each incumbent director attended 75% or more of the Board and applicable committee meetings for the periods during which each such director served. Directors are not required to attend annual meetings of our stockholders. We did not hold an annual meeting of stockholders in 2012.

The Board currently has three (3) standing committees: the Audit Committee, the Compensation Committee and the Compliance Committee. The Board does not have a Nominating Committee.

Board Committees. The following table sets forth the current members of each standing Committee:

Audit Committee. The Audit Committee functions pursuant to a written charter adopted by the Board, a copy of which may be found at our website www.neogenomics.com. The Audit Committee is appointed by the Board to assist the Board with a variety of matters described in its charter, which include monitoring (1) the integrity of our financial statements, (2) the effectiveness of our internal control over financial reporting, (3) the qualifications and independence of our independent registered public accounting firm, (4) the performance of our independent registered public accounting firm and (5) our compliance with legal and regulatory requirements. The Audit Committee met eight (8) times during 2012. The formal report of the Audit Committee is set forth beginning on page 11.

The Board has determined that Raymond Hipp is an audit committee financial expert as such term is defined under applicable SEC rules.

Compensation Committee. The Compensation Committee functions pursuant to a written charter adopted by the Board, a copy of which may be found at our website www.neogenomics.com. The Compensation Committee is responsible for discharging the Board's responsibilities relating to compensation of our Chief Executive Officer and our other executive officers and has overall responsibility for approving and evaluating all of our compensation plans, policies and programs as they affect our executive officers. All of the members of the committee are independent directors within the meaning of the applicable NASDAQ Stock Market Rules. The Compensation Committee met six (6) times during 2012.

Compliance Committee. Our Compliance Committee is responsible for monitoring and administering our compliance with applicable laws and regulations related to our provision of medical related services. The Compliance Committee met four (4) times during 2012.

Stockholder Recommendations For Board Candidates

The Board will consider qualified candidates for director recommended and submitted by stockholders. Submissions that meet the then current criteria for board membership are forwarded to the Board for further review and consideration. The Board will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis, accompanied by a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than five percent (5%) of our common stock for at least one (1) year as of the date that the recommendation is made. To submit a recommendation for a nomination, a stockholder may write to the Board, at our principal office, Attention: Jerome Dvonch, Corporate Secretary.

The Board will evaluate any such candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members, assuming that appropriate biographical and background material is provided for candidates recommended by stockholders and the process for submitting the recommendation is followed.

Employment Agreements and Potential Payments Upon Termination or Change in Control

The Company is a party to employment contracts with several of its officers that contain commitments as detailed below.

On March 12, 2008, we entered into an employment agreement with Robert Gasparini, our Chief Scientific Officer, to extend his employment with the Company for an additional four (4) year term. This employment agreement was retroactive to January 1, 2008 and provides that it will automatically renew after the initial four year term for one year increments unless either party provides written notice to the other party of their intention to terminate the agreement ninety (90) days before the end of the initial term (or any renewal term). The employment agreement specifies an initial base salary of \$225,000 per year with specified salary increases tied to achieving revenue goals. Mr. Gasparini is also entitled to receive cash bonuses for any given fiscal year in an amount equal to thirty percent (30%) of his base salary if he meets certain targets established by the Board. Such bonus is eligible to be increased to up to 150% of the target bonus in any fiscal year in which he meets certain performance thresholds established by the Chief Executive Officer and approved by the Board. In addition, Mr. Gasparini was granted 784,000 stock options at an exercise price of \$0.80 and with a seven year term so long as Mr. Gasparini remains an employee of the Company. The vesting period for these options was complete as of December 31, 2012. Mr. Gasparini's employment agreement also specifies that he is entitled to four (4) weeks of paid vacation per year and other insurance benefits. In the event that Mr. Gasparini is terminated without cause by the Company, the Company has agreed to pay Mr. Gasparini's base salary and maintain his benefits for a period of one (1) year. This contract renewed automatically on January 1, 2013. Per the terms of the agreement Mr. Gasparini's annual salary increased to \$275,000 on January 1, 2012 and was increased in March 2013 to \$280,000 per annum.

On March 16, 2009, the Company entered into an employment agreement with Douglas M. VanOort to employ Mr. VanOort in the capacity of Executive Chairman and interim Chief Executive Officer. Such employment agreement was amended on October 28, 2009 to appoint Mr. VanOort as Chairman and Chief Executive Officer (the employment agreement, as amended, hereafter, the Employment Agreement). The Employment Agreement had an initial term from March 16, 2009 through March 16, 2013, which subsequent to the initial term automatically renews for one year periods. Pursuant to the Employment Agreement, Mr. VanOort receives a base salary of \$325,000 per year and is eligible to receive an annual cash bonus for any given fiscal year in an amount equal to sixty percent (60%) of his base salary if he meets certain goals established for him by the Compensation Committee of the Board. Such bonus is eligible to be increased to up to 150% of the target bonus in any fiscal year in which he meets certain performance thresholds established by the Compensation Committee. Mr. VanOort is also entitled to participate in all of the Company's employee benefit plans and any other benefit programs established for officers of the Company. In the event that Mr. VanOort is terminated without cause by the Company, the Company has agreed to pay Mr. VanOort's base salary and maintain his benefits for a period of a year.

The Employment Agreement also provides that Mr. VanOort was granted an option to purchase 1,000,000 shares of the Company's common stock under the Company's Amended and Restated Equity Incentive Plan. The exercise price of such option is \$0.80 per share. 500,000 shares of common stock subject to the option vest according to the following schedule (i) 200,000 shares vested on March 16, 2011; (ii) 12,500 shares vest each

month beginning on April 16, 2011 until March 16, 2012; (iii) 8,000 shares vest each month beginning on April 16, 2012 until March 16, 2012 and (iv) 4,500 shares vest each month beginning on April 16, 2012 until March 16, 2013. 500,000 shares of common stock subject to the option vest based on the achievement of certain performance metrics by the Company. Any unvested portion of the option described above shall vest in the event of a change of control of the Company.

Either party may terminate Mr. VanOort's employment with the Company at any time upon giving sixty (60) days' advance written notice to the other party. The Company and Mr. VanOort also entered into a Confidentiality, Non-Solicitation and Non-Compete Agreement in connection with the Employment Agreement.

On March 16, 2009, the Company and the Douglas M. VanOort Living Trust entered into a Subscription Agreement (the "Subscription Agreement") pursuant to which the Douglas M. VanOort Living Trust purchased 625,000 shares of the Company's common stock at a purchase price of \$0.80 per share (the "Subscription Shares"). The Subscription Shares are subject to a two (2) year lock-up that restricts the transfer of the Subscription Shares; provided, however, that such lock-up shall expire in the event that the Company terminates Mr. VanOort's employment. The Subscription Agreement also provides for certain piggyback registration rights with respect to the Subscription Shares. In addition to the Subscription Agreement, on March 16, 2009, the Company and Mr. VanOort entered into a Warrant Agreement (the "Warrant Agreement") pursuant to which Mr. VanOort, subject to the vesting schedule described below, may purchase up to 625,000 shares of the Company's common stock at an exercise price of \$1.05 per share (the "Warrant Shares"). The Warrant Shares vest based on the following vesting schedule:

- (i) 20% of the Warrant Shares vested immediately,

- (v) 20% of the Warrant Shares will be deemed to be vested on the first day on which the closing price per share of the Company's common stock has reached or exceeded \$6.00 per share for 20 consecutive trading days.

On February 14, 2012, Mr. VanOort's annual salary was raised to \$425,000 per year and was granted a supplemental non-qualified stock option to purchase 800,000 shares of common stock at an exercise price of \$1.71 per share, which option has a five year term (the "Supplemental Options"). These Supplemental Options are scheduled to vest according to the passage of time with 200,000 shares vesting each year on the anniversary of the grant date for the first four (4) years after the grant.

In the event of a change of control of the Company in which the consideration payable to common stockholders of the Company in connection with such change of control has a deemed value of at least \$4.00 per share, the Warrant Shares and the Supplemental Options shall immediately vest in full. In the event that Mr. VanOort resigns his employment with the Company or the Company terminates Mr. VanOort's employment for cause at any time prior to the time when all Warrant Shares and Supplemental Options have vested, then the rights under the Warrant Agreement and the Supplemental Options with respect to the unvested portion of each will immediately terminate as of the date of termination.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers and directors, and persons who beneficially own more than ten percent (10%) of our outstanding common stock, to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish us with all copies of Section 16(a) forms they file.

Based solely on our review of the copies of such forms received by us, we believe that during the fiscal year ended December 31, 2012, all filing requirements were timely satisfied except that Robert P. Gasparini filed a late Form 4 with respect to the sale of common stock from three (3) dates in the years ended December 31, 2012 and 2011.

PROPOSAL 2 ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Proposal

We are providing our stockholders with the opportunity to express their views on our named executive officers' compensation by casting their vote on this Proposal 2. This non-binding, advisory vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers as described in this proxy statement.

Our executive compensation program, which is described in detail in the *Executive and Director Compensation* section beginning on page 13, is designed to balance the goals of attracting and retaining talented executives who are motivated to achieve our annual and long-term strategic goals while keeping the program affordable and appropriately aligned with stockholder interests. We believe that our executive compensation program accomplishes these goals in a way that is consistent with our purpose and core values and the long-term interests of the Company and its stockholders.

Although the vote on this Proposal 2 regarding the compensation of our named executive officers is not binding, we value the opinions of our stockholders and will consider the result of the vote when determining future executive compensation arrangements.

If this proposal is approved, our stockholders will be approving the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K in the Company's proxy statement for the 2013 Annual Meeting of Stockholders, is hereby approved.

Vote Required for Approval

The compensation paid to our named executive officers will be considered approved if a majority of the votes cast by stockholders in person or via proxy with respect to this matter are cast in favor of the proposal. Abstentions and broker non-votes will have no effect on the outcome of the proposal. This Proposal 2 is a non-discretionary or non-routine item, meaning that brokerage firms cannot vote shares in their discretion on behalf of a client if the client has not given voting instructions. Accordingly, if you hold your shares in street name and fail to instruct your broker to vote your shares for the proposal, your shares will not be counted as votes cast for the proposal and will have no effect on the outcome of this Proposal 2.

Board Recommendation

The Board unanimously recommends a vote **FOR** this Proposal 2.

PROPOSAL 3 ADVISORY VOTE ON FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

The Proposal

As described in Proposal 2 above, our stockholders are being provided the opportunity to cast a non-binding, advisory vote on the compensation paid to the Company's named executive officers.

This Proposal 3 provides stockholders with an opportunity to cast a non-binding, advisory vote on the frequency of future advisory votes on the compensation paid to our named executive officers. Under this Proposal 3, stockholders may vote in favor of holding this advisory vote every year, every two (2) years or every three (3) years beginning with the 2014 annual meeting of stockholders or the stockholders may choose to abstain.

After careful consideration, our Board recommends that the advisory vote by our stockholders on executive compensation be held every three (3) years.

In formulating its recommendation, our Board believes that giving our stockholders the right to cast an advisory vote on the compensation of our named executive officers every three (3) years will be a good corporate governance practice and is in the best interests of our stockholders, allowing our stockholders to provide us with and direct input on our executive compensation philosophy, policies and practices. In addition, we believe that a triennial advisory vote reflects the appropriate time frame to evaluate the results of the most recent advisory vote on executive compensation, to discuss the implications of that vote with stockholders, to develop and implement any adjustments to our executive compensation programs, and for stockholders to see and evaluate the Compensation Committee's actions in context.

Although non-binding, our Board of Directors and the Compensation Committee will carefully review the voting results. Notwithstanding our Board's recommendation and the outcome of the stockholder vote, our Board may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to our compensation programs and policies.

Vote Required for Approval

If the majority of the votes cast by stockholders present in person or by proxy are cast in favor of a particular frequency alternative (whether every year, every two (2) years or every three (3) years), such frequency will be considered to be the recommendation of the stockholders on the advisory vote regarding the frequency of future advisory votes on the compensation paid to our named executive officers. Abstentions and broker non-votes will have no effect on the outcome of the proposal.

Board Recommendation

The Board unanimously recommends a vote of **EVERY THREE (3) YEARS** for this Proposal 3.

PROPOSAL 4 APPROVAL OF AMENDMENT OF EMPLOYEE STOCK PURCHASE PLAN

Effective March 1, 2013, the Board of Directors approved an amendment and restatement to the Company's existing Employee Stock Purchase Plan (the ESPP) to increase the number of shares reserved for issuance under the ESPP by 499,577 shares, subject to stockholder approval. There are currently 500,433 shares of the Company's common stock reserved under the ESPP, of which approximately 43,620 shares are available for future purchases under the ESPP. Under the ESPP as amended, approximately 543,000 shares would be available for future purchases.

The ESPP provides employees of the Company and its subsidiaries the opportunity to acquire an ownership interest in the Company through the purchase of Company common stock at a price below current market prices. Other than the increase in reserved shares described above, the amended ESPP continues to provide essentially the same substantive terms and provisions as the existing ESPP. It is the intention of the Company that the ESPP qualify as an employee stock purchase plan under Section 423 of the Internal Revenue Code of 1986, as amended (the Code). The ESPP is not subject to the provisions of the Employee Retirement Income Security Act of 1974.

The following summary description of the Company's Employee Stock Purchase Plan, as amended, is qualified in its entirety by reference to the amended ESPP, which is attached hereto as Appendix A.

Description of the Plan

Administration of the ESPP. Our Board has authority to administer, interpret and implement the terms of the ESPP. The Board may delegate its powers under the ESPP to a committee of the Board composed of at least two members, each of whom may qualify as a non-employee director for purposes of Rule 16b-3 under the Exchange Act, and outside director in accordance with Section 162(m) of the Code. References to the Board herein will mean the committee as well. The Board will have the discretion to set the terms of each offering in accordance with the provisions of the ESPP, to designate any subsidiaries of the Company to participate in the ESPP, to make all determinations regarding the ESPP, including eligibility, and otherwise administer the ESPP.

Number of Authorized Shares. A total of 1,000,000 shares of our common stock will be reserved under the amended ESPP, of which 543,000 shares will be available for future purchases under the ESPP, subject to adjustment in the event of any significant change in our capitalization, such as a stock split, a combination or exchange of shares, or a stock dividend or other distribution.

Eligibility and Participation. All of our employees generally are eligible to participate in the ESPP. However, the Board may provide with respect to any offering that employees will not be eligible to participate in the offering if they are customarily employed by us or any participating subsidiary for less than twenty (20) hours per week or less than five (5) months in any calendar year. As of April 22, 2013, approximately 275 employees would be eligible to participate in the ESPP. The Board also may exclude from an offering period highly-compensated employees or employees who have not satisfied a minimum period of employment with us which may not exceed a period of two years. In addition, an employee may not be granted rights to purchase stock under our ESPP if such employee would:

immediately after any grant of purchase rights, own stock possessing five percent (5%) or more of the total combined voting power or value of all classes of our capital stock; or

hold rights to purchase stock under all of our employee stock purchase plans that would accrue at a rate that exceeds \$25,000 worth of our stock for each calendar year.

Offering Periods. The ESPP provides for offering periods as short as one month or as long as twenty-seven (27) months. The Board may specify a maximum number of shares of common stock that any participant may purchase during an offering period. During each offering period, participants authorize payroll deductions on an after-tax basis from the participant's base pay, subject to certain limits.

Table of Contents

Exercise of Purchase Rights. Amounts deducted and accumulated by the participant are used to purchase shares of our common stock at the end of each offering period. The purchase price of the shares will not be less than ninety-five (95%) of the fair market value of our common stock on the first trading day of the offering period or on the last day of the offering period, whichever is lower. As of the Record Date, 2013, the closing price of a share of the Company's common stock on the Nasdaq Capital Market was \$4.02. Participants may withdraw from participation in the ESPP at any time during an offering period, and will be paid their accrued payroll deductions that have not yet been used to purchase shares of common stock. Participation ends automatically upon termination of employment with us.

Amendment and Termination. The Board in its discretion may amend, suspend or terminate the ESPP at any time. Unless sooner terminated, the Plan will terminate at the earlier of the time that all of the shares reserved under the ESPP have been issued under the terms of the ESPP or March 1, 2023, the tenth (10th) anniversary of the effective date of the ESPP as amended and restated. Notwithstanding the foregoing, no amendment or termination may adversely affect any outstanding rights to purchase stock under our ESPP.

Benefits Under ESPP. Benefits to be received by participants under the ESPP, including our executive officers, are not currently determinable because participation in the ESPP is voluntary and the benefits are subject to the market price of the common stock at future dates.

Federal Income Tax Considerations

THE FOLLOWING DISCUSSION ADDRESSES ONLY THE GENERAL FEDERAL INCOME TAX CONSEQUENCES UNDER THE PLAN. IT DOES NOT ADDRESS THE IMPACT OF STATE AND LOCAL TAXES, THE FEDERAL ALTERNATIVE MINIMUM TAX OR SECURITIES LAWS RESTRICTIONS, AND IS INTENDED FOR GENERAL INFORMATION PURPOSES ONLY. IT IS NOT INTENDED AS A TAX ADVICE TO PARTICIPANTS IN THE PLAN, WHO SHOULD CONSULT THEIR OWN TAX ADVISORS.

It is the intention of the Company to have the ESPP qualify as an Employee Stock Purchase Plan under Section 423 of the Code. The provisions of the ESPP, accordingly, shall be construed so as to extend and limit participation in a manner consistent with the requirements of that Section of the Code. The Company believes that the following federal income consequences normally will apply with respect to the ESPP.

The payroll deductions withheld from a participant's pay under the ESPP will be taxable income to the participant and must be included in the participant's gross income for federal income tax purposes in the year which such amounts otherwise would have been received.

A participant will not be required to recognize any income for federal income tax purposes either at the time the participant is granted an option (which will be on the first day of the offering period) or by virtue of the exercise of the option (which will take place on the last day of such offering period). The federal income tax consequences of a sale or disposition of shares acquired under the ESPP depend in part on the length of time the shares are held by a participant before such sale or disposition. If a participant sells or otherwise disposes of shares acquired under the ESPP (other than any transfer resulting from death) within two (2) years after the first day of the applicable offering period or one (1) year after the shares are acquired (the Holding Period), the participant must recognize ordinary compensation income in the year of such disposition in an amount equal to the excess of (i) the fair market value of the shares on the date such shares were acquired over (ii) the price paid for the shares by the participant. The amount of ordinary compensation income recognized by the participant will be added to the participant's basis in such shares for purposes of determining any additional gain or loss realized by the participant on the sale of the shares. Any such additional gain or loss will be taxed as capital gain or loss, long or short, depending on how long the participant held the shares.

If a participant sells shares acquired under the ESPP after the Holding Period or if the participant dies, the participant or the participant's estate must include as ordinary compensation income in the year of sale (or the taxable year ending upon death) an amount equal to the lesser of (i) the excess of the fair market value of the

Table of Contents

shares on the first day of the offering period over the option price (determined as if the option had been exercised on the first day of the offering period), or (ii) the excess of the fair market value of the shares at the time of sale of the shares or on the date of death over the price paid for the shares by the participant. Except in the case of a transfer as a result of death, the amount of ordinary income recognized by the participant will be added to the participant's basis in such shares. Any gain realized upon the sale in excess of such basis will be taxed as a long-term capital gain. Any loss realized will be treated as long-term capital loss.

The Company will not receive any income tax deduction as a result of issuing shares pursuant to the ESPP, except to the extent that a participant is required to include as ordinary income amounts arising upon the sale or disposition of such shares as discussed above.

Vote Required for Approval

The amendment to our ESPP will be approved if a majority of the votes cast by stockholders in person or via proxy with respect to this matter are cast in favor of the proposal. If the stockholders do not approve the amendment of the ESPP, it will not be implemented, but the Company reserves the right to adopt such other compensation plans and programs as it deems appropriate and in the best interests of the Company and our stockholders. The proposal to approve the Plan Amendment is a non-discretionary or non-routine item, meaning that brokerage firms cannot vote shares in their discretion on behalf of a client if the client has not given voting instructions. Accordingly, if you hold your shares in street name and fail to instruct your broker to vote your shares for the proposal, your shares will not be counted as votes cast for the proposal and will have no effect on the outcome of this Proposal 4.

Board Recommendation

The Board unanimously recommends a vote FOR approval of this Proposal 4.

PROPOSAL 5 AMENDMENT OF THE AMENDED AND RESTATED EQUITY INCENTIVE PLAN

The Company currently maintains the NeoGenomics, Inc. Amended and Restated Equity Incentive Plan, as most recently amended and restated March 3, 2009 (the Current Plan). The Board of Directors believes that the Current Plan has been effective in attracting and retaining highly-qualified employees and other key contributors to the Company's business, and that the awards granted under the Current Plan have provided an incentive that aligns the economic interests of plan participants with those of our stockholders. The Compensation Committee of the Board (the Committee) has reviewed the Current Plan to determine whether it remains a flexible and effective source of incentive compensation in terms of the number of shares of stock available for awards and in terms of its design, as well as whether it generally conforms with best practices in today's business environment.

Based on its review, the Committee recommended that the Current Plan be amended and restated to:

add 500,000 shares of the Company's stock to the reserve available for new awards;

update the annual individual award limits to reflect changes in the Company's market capitalization and better manage deductibility of performance-based awards granted under the Plan;

add clawback provisions requiring repayment of certain awards in the event of a financial restatement of the Company due to material noncompliance with applicable reporting standards; and

update and streamline certain administrative practices.

Accordingly, the Board of Directors approved, and recommends that the Company's stockholders approve, the NeoGenomics, Inc. Amended and Restated Equity Incentive Plan, as amended and restated effective April 16, 2013 (the Restated Plan). Upon approval of the Restated Plan by the Company's stockholders, the Restated Plan will replace the Current Plan and no new awards will be made under the terms of the Current Plan. However, any outstanding awards previously granted under the Current Plan will continue in effect after approval of the Restated Plan and will not be deemed amended or modified by the adoption and approval of the Restated Plan. If the Restated Plan is not approved by the Company's stockholders, the Current Plan will remain in effect according to its terms and the Company may continue to grant awards under that plan.

Stockholder approval of the Restated Plan also is desired to ensure the tax deductibility by the Company of certain performance-based awards granted under the Restated Plan for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), and to meet applicable NASDAQ listing requirements.

The material features of the Restated Plan are summarized below. The summary is qualified in its entirety by reference to the specific provisions of the Restated Plan, the full text of which is set forth as Appendix B to this proxy statement.

Administration

The Restated Plan is administered by the Committee. Subject to the express provisions of the Restated Plan, the Committee has the authority, in its discretion, to interpret the Restated Plan, establish rules and regulations for its operation, select eligible individuals to receive awards and determine the form and amount and other terms and conditions of such awards.

Summary of Award Terms and Conditions

Awards under the Restated Plan may include incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock awards, stock bonus awards, deferred stock awards and other stock-based awards.

Stock Options

Edgar Filing: NEOGENOMICS INC - Form DEF 14A

The Committee may grant to a participant options to purchase Company common stock that qualify as incentive stock options for purposes of Section 422 of the Code (incentive stock options), options that do not

Table of Contents

qualify as incentive stock options (nonqualified stock options) or a combination thereof. The terms and conditions of stock option grants, including the quantity, price, vesting periods, and other conditions on exercise will be determined by the Committee and will be reflected in a written award agreement or notice.

The exercise price for stock options will be determined by the Committee in its discretion, but with respect to incentive stock options may not be less than 100% of the fair market value of one share of the Company's common stock on the date when the stock option is granted. Additionally, in the case of incentive stock options granted to a holder of more than ten percent (10%) of the total combined voting power of all classes of stock of the Company on the date of grant, the exercise price may not be less than 110% of the fair market value of one share of common stock on the date the stock option is granted. On April 22, 2013, the market price per share of the Company's common stock was \$4.02 based on the closing price of the common stock on the NASDAQ Capital Market on such date.

Stock options must be exercised within a period fixed by the Committee that may not exceed ten (10) years from the date of grant, except that in the case of incentive stock options granted to a holder of more than ten percent (10%) of the total combined voting power of all classes of stock of the Company on the date of grant, the exercise period may not exceed five (5) years. The Restated Plan provides for earlier termination of stock options upon the participant's termination of service, unless extended by the Committee, but in no event may the options be exercised after the scheduled expiration date of the options.

At the Committee's discretion, payment for shares of common stock on the exercise of stock options may be made in cash, shares of the Company's common stock held by the participant or in any other form of consideration acceptable to the Committee (including one or more forms of cashless or net exercise).

Stock Appreciation Rights

The Committee may grant to a participant an award of stock appreciation rights, which entitles the participant to receive, upon its exercise, a payment equal to (i) the excess of the fair market value of a share of common stock on the exercise date over the stock appreciation right exercise price, multiplied by (ii) the number of shares of common stock with respect to which the stock appreciation right is exercised. The terms and conditions of awards of stock appreciation rights, including the quantity, price, vesting periods, and other conditions on exercise will be determined by the Committee and will be reflected in a written award agreement or notice.

The exercise price for a stock appreciation right will be determined by the Committee in its discretion, but may not be less than 100% of the fair market value of one share of the Company's common stock on the date when the stock appreciation right is granted. Stock appreciation rights must be exercised within a period fixed by the Committee that may not exceed ten (10) years from the date of grant. Upon exercise of a stock appreciation right, payment may be made in cash, shares of Company stock or a combination of cash and stock.

Restricted Stock

The Committee may award to a participant shares of common stock subject to specified restrictions (restricted shares). Restricted shares are subject to forfeiture if the participant does not meet certain conditions such as continued employment over a specified forfeiture period and/or the attainment of specified performance targets over the forfeiture period. The terms and conditions of restricted share awards are determined by the Committee and will be reflected in a written award agreement or notice.

Stock Bonus Awards

The Committee may award to a participant shares of common stock in the form of a stock bonus award that are not subject to any restrictions or forfeiture requirements. The terms and conditions of stock bonus awards are determined by the Committee and will be reflected in a written award agreement or notice.

Table of Contents

Deferred Stock Awards

The Committee may award to a participant deferred stock awards representing the right to receive shares of common stock (or the value of such shares) in the future subject to the achievement of one or more goals relating to the completion of service by the participant and/or the achievement of performance or other objectives. The terms and conditions of deferred stock awards are determined by the Committee and will be reflected in a written award agreement or notice.

Other Stock-Based Awards

The Committee may grant equity-based or equity-related awards, referred to as other stock-based awards, other than options, stock appreciation rights, restricted shares, stock bonus awards or deferred stock awards. Such awards may include stock purchase rights, phantom stock arrangements or awards valued in whole or in part by reference to the Company's common stock. The terms and conditions of each other stock-based award will be determined by the Committee and will be reflected in a written award agreement or notice. Payment under any other stock-based awards will be made in common stock or cash, as determined by the Committee.

Performance Goals

With respect to any Awards that are intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code, the Award shall be subject to the attainment of one or more preestablished performance objectives which shall relate to corporate, subsidiary, division, group or unit performance based on one or more of the following measures:

Gross revenue

Earnings per share or ratios of earnings to equity or assets

Net profits

Stock price

Market share

Sales

Costs

Awards that are designed to qualify as performance-based compensation may not be adjusted upward. However, the Committee has the discretion to adjust these awards downward and may grant awards that do not qualify as performance-based compensation.

Effect of a Change in Control or Similar Corporate Transactions

In the event of a merger, reorganization or consolidation between the Company and another person or entity (other than an affiliate) resulting in the Company's stockholders prior to the transaction holding less than a majority of the outstanding voting stock of the surviving entity immediately after the transaction, or in the event of a sale of substantially all of the Company's assets, outstanding awards will be subject to the specific terms as may be set forth in the applicable award agreement, which may include assumption or substitution of such awards with equivalent awards, accelerated vesting, or settlement in cash or cash equivalents.

Eligibility and Limitation on Awards

The Committee may grant awards to any employee, non-employee director or consultant of the Company or any of its participating subsidiaries. While the selection of participants is within the discretion of the Committee, it is currently expected that participants will be primarily [officers and key senior level employees, as well as non-employee directors of the Company]. It is presently contemplated that approximately 275 persons will be eligible to receive awards under the Restated Plan.

Table of Contents

The maximum awards that can be granted under the Restated Plan to a single participant in any 12-month period in the form of options or stock appreciation rights may not exceed 500,000 shares. In addition, to the extent such awards are intended to qualify as performance-based compensation under Section 162(m) of the Code, the maximum awards that can be granted under the Restated Plan to a single participant in any 12-month period in the form of restricted shares, stock bonus awards, deferred stock awards or other stock-based awards is 500,000 shares.

Awards Granted under the Restated Plan

The future amounts that will be received by participants under the Restated Plan are not determinable. The stock awards granted to the Company's named executive officers under the Current Plan and outstanding as of December 31, 2012 are set forth in the Outstanding Equity Awards at Fiscal Year-End Table found under Executive and Director Compensation. As of April 22, 2013, (i) the Company's executive officers as a group (6 officers) held outstanding stock option grants for 2,750,500 shares, (ii) the Company's non-employee directors as a group (1 director) held outstanding stock option grants for 400,000 shares, and (iii) our employees other than our executive officers (66 employees) held outstanding stock option grants for 2,557,299 shares.

Shares Subject to the Restated Plan

The number of shares of the Company's common stock reserved for issuance with respect to awards under the Current Plan is 6,500,000, of which approximately 525,895 shares remain available for new awards. The Board has authorized, subject to stockholder approval, an additional 500,000 shares of the Company's common stock to be available for new awards under the Restated Plan, so that the aggregate number of shares reserved for issuance under the Restated Plan is 7,000,000 with approximately 1,025,895 shares being available for new awards.

Shares of common stock underlying awards granted under the Restated Plan or the Current Plan that expire or are forfeited or terminated for any reason (as a result, for example, of the lapse of an option or a forfeiture of restricted shares), as well as any shares underlying an award that is settled in cash rather than stock, will be available for future grants under the Restated Plan. In addition, shares of stock that are surrendered to or withheld by us in payment or satisfaction of the exercise price of an award or any tax withholding obligation with respect to an award will be available for future grants. Shares to be issued under the Restated Plan will be authorized but unissued shares of common stock or shares of stock reacquired by the Company.

Anti-Dilution Protections

In the event of a change in the outstanding shares of Company common stock, without the receipt of consideration by the Company, by reason of a stock dividend, stock split, reverse stock split or distribution, recapitalization, merger, reorganization, reclassification, consolidation, split-up, spin-off, combination of shares, exchange of shares or other similar event, the Committee is empowered to make appropriate and equitable adjustments to (i) the number and kind of shares of stock available under the Restated Plan, (ii) the number and kind of shares of stock subject to outstanding awards, (iii) the per-share exercise or other purchase price under any outstanding award, and (iv) the annual award or other maximum award limits applicable under the Restated Plan.

Clawback Provisions

The Restated Plan provides that in the event of a restatement of the Company's financials due to material noncompliance with any financial reporting requirements under the law, a participant will be required to reimburse the Company for any amounts earned or payable in connection with an incentive award under the plan to the extent required by law and any applicable Company policies.

Amendment and Termination

The Board may suspend, terminate, modify or amend the Restated Plan, provided that any amendment that would (i) increase the aggregate number of shares of stock which may be issued under the Restated Plan, (ii) change the method of determining the exercise price of option awards, or (iii) materially modify the eligibility requirements for the Restated Plan, will be subject to the approval of the Company's stockholders, except for modifications or adjustments relating to the anti-dilution protection described above. The Board expressly reserves the right under the Restated Plan to approve, without obtaining stockholder approval, a cancellation and reissuance or other exchange of an outstanding option or stock appreciation right, the amendment of any option or stock appreciation right to lower the exercise price, or any other amendment, adjustment or action taken with respect to an outstanding option or stock appreciation right that constitutes a repricing under any applicable rule of any stock exchange which lists the Company's common stock. Any such exchange, amendment, adjustment or action constituting a repricing must be approved by at least a two-thirds (2/3) majority of the non-employee, independent members of the Board.

In addition, no suspension, termination, modification or amendment of the Restated Plan may terminate a participant's existing award or materially and adversely affect a participant's rights under such award without the participant's consent. However, these provisions do not limit the Board's authority to amend or revise the Restated Plan to comply with applicable laws or governmental regulations.

Federal Income Tax Consequences

THE FEDERAL INCOME TAX CONSEQUENCES OF THE ISSUANCE AND EXERCISE OF AWARDS UNDER THE RESTATED PLAN ARE AS DESCRIBED BELOW. THE FOLLOWING INFORMATION IS ONLY A SUMMARY OF THE TAX CONSEQUENCES OF THE AWARDS, AND PARTICIPANTS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS WITH RESPECT TO THE TAX CONSEQUENCES INHERENT IN THE OWNERSHIP OR EXERCISE OF THE AWARDS, AND THE OWNERSHIP AND DISPOSITION OF ANY UNDERLYING SECURITIES.

Incentive Stock Options. A participant who is granted an incentive stock option will not recognize any taxable income for federal income tax purposes on either the grant or exercise of the incentive stock option. If the participant disposes of the shares purchased pursuant to the incentive stock option more than two years after the date of grant and more than one year after the exercise of the option by the participant (the required statutory holding period), (i) the participant will recognize long-term capital gain or loss, as the case may be, equal to the difference between the selling price and the exercise price; and (ii) the Company will not be entitled to a deduction with respect to the shares of stock so issued. If the holding period requirements are not met, any gain realized upon disposition will be taxed as ordinary income to the extent of the lesser of (1) the excess of the fair market value of the shares at the time of exercise over the exercise price, and (2) the gain on the sale. Also in that case, the Company will be entitled to a deduction in the year of disposition in an amount equal to the ordinary income recognized by the participant. Any additional gain will be taxed as short-term or long-term capital gain depending upon the holding period for the stock. A sale for less than the exercise price results in a capital loss. The excess of the fair market value of the shares on the date of exercise over the exercise price is, however, includable in the participant's income for alternative minimum tax purposes.

Nonqualified Stock Options. A participant who is granted a nonqualified stock option under the Restated Plan will not recognize any income for federal income tax purposes on the grant of the option. Generally, on the exercise of the option, the participant will recognize taxable ordinary income equal to the excess of the fair market value of the shares on the exercise date over the option price for the shares, subject to certain limits on the deductibility of compensation under the Code. The Company generally will be entitled to a deduction on the date of exercise in an amount equal to the ordinary income recognized by the participant. Upon disposition of the shares purchased pursuant to the stock option, the participant will recognize long-term or short-term capital gain or loss, as the case may be, equal to the difference between the amount realized on such disposition and the basis for such shares, which basis includes the amount previously recognized by the participant as ordinary income.

Table of Contents

Stock Appreciation Rights. A participant who is granted stock appreciation rights will normally not recognize any taxable income on the receipt of the award. Upon the exercise of a stock appreciation right, (i) the participant will recognize ordinary income equal to the amount received (the increase in the fair market value of one share of our stock from the date of grant of the award to the date of exercise), and (ii) the Company will be entitled to a deduction on the date of exercise in an amount equal to the ordinary income recognized by the participant.

Restricted Stock. A participant will not be taxed at the date of an award of restricted shares, but will be taxed at ordinary income rates on the fair market value of any restricted shares as of the date that the restrictions lapse, unless the participant, within thirty (30) days after transfer of such restricted shares to the participant, elects under Section 83(b) of the Code to include in income the fair market value of the restricted shares as of the date of such transfer. The Company will be entitled to a corresponding deduction, subject to certain limits on the deductibility of compensation under the Code. Any disposition of shares after the restrictions lapse will be subject to the regular rules governing long-term and short-term capital gains and losses, with the basis for this purpose equal to the fair market value of the shares at the end of the restricted period (or on the date of the transfer of the restricted shares, if the employee elects to be taxed on the fair market value upon such transfer). To the extent dividends are payable during the restricted period under the applicable award agreement, any such dividends will be taxable to the participant at ordinary income tax rates and will be deductible by the Company unless the participant has elected to be taxed on the fair market value of the restricted shares upon transfer, in which case they will thereafter be taxable to the participant as dividends and will not be deductible by the Company.

Deferred Stock Awards. A participant will normally not recognize taxable income upon grant of a deferred stock award, and the Company will not be entitled to a deduction until the lapse of the applicable restrictions. Upon the lapse of the restrictions and the issuance of the underlying shares or settlement of the award, the participant will recognize ordinary taxable income in an amount equal to the fair market value of the common stock or other value received and the Company will be entitled to a deduction in the same amount, subject to certain limits on deductibility of compensation under the Code. Any disposition of shares after restrictions lapse will be subject to the regular rules governing long-term and short-term capital gains and losses, with the basis for this purpose equal to the fair market value of the shares at the end of the restricted period.

Stock Bonus Awards and Other Stock-Based Awards. Normally, a participant will not recognize taxable income upon the grant of stock bonus awards or other stock-based awards under the Restated Plan unless and until the conditions and requirements for the grants have been satisfied and the payment determined. Once subject to tax, any cash received and the fair market value of any common stock received will constitute ordinary income to the participant. The Company also will then be entitled to a deduction in the same amount, subject to certain limits on deductibility of compensation under the Code.

Effective Date

The Restated Plan will be effective as of April 16, 2013, if approved by the stockholders of the Company. If not approved by the stockholders, no awards will be made under the Restated Plan and the Current Plan will continue in effect, subject to its existing terms and conditions. Following approval, the Restated Plan will be effective for a period of ten (10) years, unless terminated earlier by the Board.

Vote Required for Approval

The amendment to our Employee Stock Purchase Plan will be approved if a majority of the votes cast by stockholders in person or via proxy with respect to this matter are cast in favor of the proposal. The proposal to approve the Restated Plan is a non-discretionary or non-routine item, meaning that brokerage firms cannot vote shares in their discretion on behalf of a client if the client has not given voting instructions. Accordingly, if you hold your shares in street name and fail to instruct your broker to vote your shares for the proposal, your

shares will not be counted as votes cast for the proposal and will have no effect on the outcome of this Proposal 5. If the stockholders do not approve the Restated Plan, it will not be implemented, but the Company reserves the right to adopt such other compensation plans and programs as it deems appropriate and in the best interests of the Company and its stockholders.

Board Recommendation

The Board unanimously recommends a vote FOR approval of this Proposal 5.

(i) unless a different percentage is designated by the Board with respect to a particular Offering, with a percentage not exceeding ten percent (10.0%) of such Employee's Earnings during the period which begins on the Offering Date (or such later date as the Board determines for a particular Offering) and ends on the date stated in the Offering, which date shall be no later than the end of the Offering; or

(ii) with a maximum dollar amount designated by the Board that, as the Board determines for a particular Offering, (1) shall be withheld, in whole or in part, from such Employee's Earnings during the period which begins on the Offering Date (or such later date as the Board determines for a particular Offering) and ends on the date stated in the Offering, which date shall be no later than the end of the Offering, and/or (2) shall be contributed, in whole or in part, by such Employee during such period.

(b) The Board shall establish one or more Purchase Dates during an Offering on which Rights granted under the Plan shall be exercised and purchases of Shares carried out in accordance with such Offering. Unless the Board provides otherwise with respect to a particular Offering, the Purchase Date shall be the last business day of the applicable Offering period.

(c) In connection with each Offering made under the Plan, the Board may specify a maximum amount of Shares that may be purchased by any Participant as well as a maximum aggregate amount of Shares that may be purchased by all Participants pursuant to such Offering. In addition, in connection with each Offering that contains more than one Purchase Date, the Board may specify a maximum aggregate amount of Shares which may be purchased by all Participants on any given Purchase Date under the Offering. If the aggregate purchase of Shares upon exercise of Rights granted under the Offering would exceed any such maximum aggregate amount, the Board shall make a pro rata allocation of the Shares available in as nearly a uniform manner as shall be practicable and as it shall deem to be equitable.

(d) The purchase price of Shares acquired pursuant to Rights granted under the Plan shall be not less than the lesser of:

(i) an amount equal to ninety-five percent (95%) of the Fair Market Value of the Shares on the Offering Date; or

(ii) an amount equal to ninety-five percent (95%) of the Fair Market Value of the Shares on the Purchase Date.

8. PARTICIPATION; WITHDRAWAL; TERMINATION.

(a) An Eligible Employee may become a Participant in the Plan pursuant to an Offering by delivering a participation agreement to the Company within the time specified in the Offering, in such form as the Company provides. Each such agreement shall authorize payroll deductions of up to the maximum percentage specified by the Board of such Employee's Earnings during the Offering (as defined in each Offering). The payroll deductions made for each Participant shall be credited to a bookkeeping account for such Participant under the Plan and either may be deposited with the general funds of the Company or may be deposited in a separate account in the name of, and for the benefit of, such Participant with a financial institution designated by the Company. To the extent provided in the Offering, a Participant may reduce (including to zero) or increase such payroll deductions.

Table of Contents

To the extent provided in the Offering, a Participant may begin such payroll deductions after the beginning of the Offering. A Participant may make additional payments into his or her account only if specifically provided for in the Offering and only if the Participant has not already had the maximum permitted amount withheld during the Offering.

(b) At any time during an Offering, a Participant may terminate his or her payroll deductions under the Plan and withdraw from the Offering by delivering to the Company a notice of withdrawal in such form as the Company provides. Such withdrawal may be elected at any time prior to the end of the Offering except as provided by the Board in the Offering. Upon such withdrawal from the Offering by a Participant, the Company shall distribute to such Participant all of his or her accumulated payroll deductions (reduced to the extent, if any, such deductions have been used to acquire Shares for the Participant) under the Offering, without interest unless otherwise specified in the Offering, and such Participant's interest in that Offering shall be automatically terminated. A Participant's withdrawal from an Offering will have no effect upon such Participant's eligibility to participate in any other Offerings under the Plan but such Participant will be required to deliver a new participation agreement in order to participate in subsequent Offerings under the Plan.

(c) Rights granted pursuant to any Offering under the Plan shall terminate immediately upon cessation of any participating Employee's employment with the Company or a designated Affiliate for any reason (subject to any post-employment participation period required by law) or other lack of eligibility. The Company shall distribute to such terminated Employee all of his or her accumulated payroll deductions (reduced to the extent, if any, such deductions have been used to acquire Shares for the terminated Employee) under the Offering, without interest unless otherwise specified in the Offering. If the accumulated payroll deductions have been deposited with the Company's general funds, then the distribution shall be made from the general funds of the Company, without interest. If the accumulated payroll deductions have been deposited in a separate account with a financial institution as provided in subsection 8(a), then the distribution shall be made from the separate account, without interest unless otherwise specified in the Offering.

(d) Rights granted under the Plan shall not be transferable by a Participant otherwise than by will or the laws of descent and distribution, or by a beneficiary designation as provided in Section 15 and, otherwise during his or her lifetime, shall be exercisable only by the person to whom such Rights are granted.

9. EXERCISE.

(a) On each Purchase Date specified therefor in the relevant Offering, each Participant's accumulated payroll deductions and other additional payments specifically provided for in the Offering (without any increase for interest) will be applied to the purchase of Shares up to the maximum amount of Shares permitted pursuant to the terms of the Plan and the applicable Offering, at the purchase price specified in the Offering. No fractional Shares shall be issued upon the exercise of Rights granted under the Plan unless specifically provided for in the Offering.

(b) Unless otherwise specifically provided in the Offering, the amount, if any, of accumulated payroll deductions remaining in any Participant's account after the purchase of Shares that is equal to the amount required to purchase one or more whole Shares on the final Purchase Date of the Offering shall be distributed in full to the Participant at the end of the Offering, without interest. If the accumulated payroll deductions have been deposited with the Company's general funds, then the distribution shall be made from the general funds of the Company, without interest. If the accumulated payroll deductions have been deposited in a separate account with a financial institution as provided in subsection 8(a), then the distribution shall be made from the separate account, without interest unless otherwise specified in the Offering.

(c) No Rights granted under the Plan may be exercised to any extent unless the Shares to be issued upon such exercise under the Plan (including Rights granted thereunder) are covered by an effective registration statement pursuant to the Securities Act and the Plan is in material compliance with all applicable state, foreign and other securities and other laws applicable to the Plan. If on a Purchase Date in any Offering hereunder the

Table of Contents

Plan is not so registered or in such compliance, no Rights granted under the Plan or any Offering shall be exercised on such Purchase Date, and the Purchase Date shall be delayed until the Plan is subject to such an effective registration statement and such compliance, except that the Purchase Date shall not be delayed more than twelve (12) months and the Purchase Date shall in no event be more than twenty-seven (27) months from the Offering Date. If, on the Purchase Date of any Offering hereunder, as delayed to the maximum extent permissible, the Plan is not registered and in such compliance, no Rights granted under the Plan or any Offering shall be exercised and all payroll deductions accumulated during the Offering (reduced to the extent, if any, such deductions have been used to acquire Shares) shall be distributed to the Participants, without interest unless otherwise specified in the Offering. If the accumulated payroll deductions have been deposited with the Company's general funds, then the distribution shall be made from the general funds of the Company, without interest. If the accumulated payroll deductions have been deposited in a separate account with a financial institution as provided in subsection 8(a), then the distribution shall be made from the separate account, without interest unless otherwise specified in the Offering.

10. COVENANTS OF THE COMPANY.

(a) During the terms of the Rights granted under the Plan, the Company shall ensure that the amount of Shares required to satisfy such Rights are available.

(b) The Company shall seek to obtain from each federal, state, foreign or other regulatory commission or agency having jurisdiction over the Plan such authority as may be required to issue and sell Shares upon exercise of the Rights granted under the Plan. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the lawful issuance and sale of Shares under the Plan, the Company shall be relieved from any liability for failure to issue and sell Shares upon exercise of such Rights unless and until such authority is obtained.

11. USE OF PROCEEDS FROM SHARES.

Proceeds from the sale of Shares pursuant to Rights granted under the Plan shall constitute general funds of the Company.

12. RIGHTS AS A STOCKHOLDER.

A Participant shall not be deemed to be the holder of, or to have any of the rights of a holder with respect to, Shares subject to Rights granted under the Plan unless and until the Participant's Shares acquired upon exercise of Rights under the Plan are recorded in the books of the Company.

13. ADJUSTMENTS UPON CHANGES IN SECURITIES.

(a) If any change is made in the Shares subject to the Plan, or subject to any Right, without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company), the Plan will be appropriately and equitably adjusted in the class(es) and maximum number of Shares subject to the Plan pursuant to subsection 4(a), and the outstanding Rights will be appropriately and equitably adjusted in the class(es), number of Shares and purchase limits of such outstanding Rights. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. (The conversion of any convertible securities of the Company shall not be treated as a transaction that does not involve the receipt of consideration by the Company.)

(b) In the event of: (i) a dissolution, liquidation, or sale of all or substantially all of the assets of the Company; (ii) a merger or consolidation in which the Company is not the surviving corporation; or (iii) a reverse merger in which the Company is the surviving corporation but the Shares outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or

otherwise, then: (1) any surviving or acquiring corporation shall assume Rights outstanding under the Plan or shall substitute similar rights (including a right to acquire the same consideration paid to Stockholders in the transaction described in this subsection 13(b)) for those outstanding under the Plan, or (2) in the event any surviving or acquiring corporation refuses to assume such Rights or to substitute similar rights for those outstanding under the Plan, then, as determined by the Board in its sole discretion, such Rights may continue in full force and effect, the Offering may be terminated and accumulated payroll deductions refunded to the Participants, or the Participants' accumulated payroll deductions (exclusive of any accumulated interest which cannot be applied toward the purchase of Shares under the terms of the Offering) may be used to purchase Shares immediately prior to the transaction described above under the ongoing Offering and the Participants' Rights under the ongoing Offering thereafter terminated.

14. AMENDMENT OF THE PLAN.

(a) The Board at any time, and from time to time, may amend the Plan. However, except as provided in Section 13 relating to adjustments upon changes in securities and except as to minor amendments to benefit the administration of the Plan, to take account of a change in legislation or to obtain or maintain favorable tax, exchange control or regulatory treatment for Participants or the Company or any Affiliate, no amendment shall be effective unless approved by the stockholders of the Company to the extent stockholder approval is necessary for the Plan to satisfy the requirements of Section 423 of the Code, Rule 16b-3 under the Exchange Act and any Nasdaq or other securities exchange listing requirements.

(b) It is expressly contemplated that the Board may amend the Plan in any respect the Board deems necessary or advisable to provide Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to Employee Stock Purchase Plans and/or to bring the Plan and/or Rights granted under it into compliance therewith.

(c) Rights and obligations under any Rights granted before amendment of the Plan shall not be impaired by any amendment of the Plan, except with the consent of the person to whom such Rights were granted, or except as necessary to comply with any laws or governmental regulations, or except as necessary to ensure that the Plan and/or Rights granted under the Plan comply with the requirements of Section 423 of the Code.

15. DESIGNATION OF BENEFICIARY.

(a) A Participant may file a written designation of a beneficiary who is to receive any Shares and/or cash, if any, from the Participant's account under the Plan in the event of such Participant's death subsequent to the end of an Offering but prior to delivery to the Participant of such Shares and cash. In addition, a Participant may file a written designation of a beneficiary who is to receive any cash from the Participant's account under the Plan in the event of such Participant's death during an Offering.

(b) The Participant may change such designation of beneficiary at any time by written notice. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company shall deliver such Shares and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its sole discretion, may deliver such Shares and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

16. TERMINATION OR SUSPENSION OF THE PLAN.

(a) The Board in its discretion may suspend or terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate at the time that all of the Shares subject to the Plan's reserve, as increased and/or adjusted from time to time, have been issued under the terms of the Plan. No Rights may be granted under the Plan while the Plan is suspended or after it is terminated.

Table of Contents

(b) Rights and obligations under any Rights granted while the Plan is in effect shall not be impaired by suspension or termination of the Plan, except as expressly provided in the Plan or with the consent of the person to whom such Rights were granted, or except as necessary to comply with any laws or governmental regulation, or except as necessary to ensure that the Plan and/or Rights granted under the Plan comply with the requirements of Section 423 of the Code.

17. EFFECTIVE DATE OF PLAN.

Table of Contents

The Committee shall have authority in its discretion to interpret the provisions of the Plan and to decide all questions of fact arising in its application. Except as otherwise expressly provided in the Plan, the Committee shall have authority to select the persons to whom Awards shall be made under the Plan; to determine whether and to what extent Awards shall be made under the Plan; to determine the types of Award to be made and the amount, size, terms and conditions of each such Award; to determine the time when the Awards shall be granted; to determine whether, to what extent and under what circumstances Common Stock and other amounts payable with respect to an Award under the Plan shall be deferred either automatically or at the election of the Participant; to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable; and to make all other determinations necessary or advisable for the administration and interpretation of the Plan. Notwithstanding anything in the Plan to the contrary, in the event that the Committee determines that it is advisable to grant Awards which shall not qualify for the exception for performance-based compensation from the tax deductibility limitations of Section 162(m) of the Code, the Committee may make such grants or Awards, or may amend the Plan to provide for such grants or Awards, without satisfying the requirements of Section 162(m) of the Code.

Notwithstanding anything in the Plan to the contrary, the Committee also shall have authority in its sole discretion to vary the terms of the Plan to the extent necessary to comply with foreign, federal, state or local law or to meet the objectives of the Plan. The Committee may, where appropriate, establish one or more sub-plans for this purpose.

All decisions made by the Committee pursuant to the provisions of the Plan shall be final and binding on all persons who participate in the Plan.

All expenses and liabilities incurred by the Committee in the administration and interpretation of the Plan shall be borne by the Company. The Committee may employ attorneys, consultants, accountants or other persons in connection with the administration and interpretation of the Plan. The Company, and its officers and directors, shall be entitled to rely upon the advice, opinions or valuations of any such persons.

The Committee intends that all Options granted under the Plan not be considered to provide for the deferral of compensation under Section 409A of the Code and that any other Award that does provide for such deferral of compensation shall comply with the requirements of Section 409A of the Code and, accordingly, this Plan shall be so administered and construed. Further, the Committee may modify the Plan and any Award to the extent necessary to fulfill this intent.

Section 4. Common Stock Subject to the Plan.

4.1 Share Reserve. Subject to adjustment as provided in Section 22, the maximum aggregate number of shares of Common Stock reserved and available for issuance under the Plan shall be 7,000,000 shares of Common Stock, of which 5,974,105 shares of Common Stock are subject to outstanding Awards as of the Effective Date. All such shares of Common Stock available for issuance under the Plan shall be available for issuance as Incentive Stock Options.

4.2 Source of Shares. Such shares may consist in whole or in part of authorized and unissued shares or treasury shares or any combination thereof as the Committee may determine. Except as otherwise provided herein, any shares subject to an option or right granted or awarded under the Plan which for any reason expires or is terminated unexercised, becomes unexercisable, or is forfeited or otherwise terminated, surrendered or cancelled as to any shares, or if any shares are not delivered because an Award under the Plan is settled in cash or the shares are used to satisfy the applicable tax withholding obligation, such shares shall not be deemed to have been delivered for purposes of determining the maximum number of shares of Common Stock available for issuance under the Plan and shall again become eligible for issuance under the Plan. If the exercise price of any Stock Option granted under the Plan is satisfied by tendering shares of Common Stock to the Company (whether by actual delivery or by attestation and whether or not such surrendered shares were acquired pursuant to any

Table of Contents

Award granted under the Plan), only the number of shares of Common Stock issued net of the shares of Common Stock tendered shall be deemed delivered for purposes of determining the maximum number of shares of Common Stock available for issuance under the Plan. No Awards may be granted following the termination or expiration of the Plan (in accordance with Section 23 of the Plan).

4.3 Code Section 162(m) Limitation. The total number of shares of Common Stock for which Stock Options and Stock Appreciation Rights may be granted to any employee during any 12 month period shall not exceed 500,000 shares in the aggregate (as adjusted pursuant to Section 22). The total number of shares of Common Stock for which Restricted Stock Awards, Deferred Stock Awards, Stock Bonus Awards and Other Stock-Based Awards that are subject to the attainment of performance criteria in order to protect against the loss of deductibility under Section 162(m) of the Code may be granted to any employee during any twelve month period shall not exceed 500,000 shares in the aggregate (as adjusted pursuant to Section 22). This Section 4.3 shall not become applicable until such time as the Company becomes subject to the reporting obligations of Section 12 of the Exchange Act.

Section 5. Eligibility to Receive Awards. An Award may be granted to any employee, director, or officer of, or key adviser or consultant to, the Company or any Subsidiary, who is responsible for or contributes to the management, growth or success of the Company or any Subsidiary, provided that bona fide services shall be rendered by consultants or advisers to the Company or its Subsidiaries and, unless otherwise approved by the Committee, such services must not be in connection with the offer and sale of securities in a capital-raising transaction and must not directly or indirectly promote or maintain a market for the Company's securities. Subject to the preceding sentence, the Committee shall have the sole authority to select the persons to whom an Award is to be granted hereunder and to determine what type of Award is to be granted to each such person. No person shall have any right to participate in the Plan. Any person selected by the Committee for participation during any one period will not by virtue of such participation have the right to be selected as a Participant for any other period.

Section 6. Stock Options. A Stock Option may be an Incentive Stock Option or a Non-Qualified Stock Option. Only employees of the Company or any Parent Company or Subsidiary of the Company are eligible to receive Incentive Stock Options. To the extent that any Stock Option does not qualify as an Incentive Stock Option, it shall constitute a separate Non-Qualified Stock Option. Stock Options may be granted alone or in addition to other Awards granted under the Plan. The terms and conditions of each Stock Option granted under the Plan shall be specified by the Committee, in its sole discretion, and shall be set forth in a written Stock Option agreement between the Company and the Participant in such form as the Committee shall approve from time to time or as may be reasonably required in view of the terms and conditions approved by the Committee from time to time. No person shall have any rights under any Stock Option granted under the Plan unless and until the Company and the person to whom such Stock Option shall have been granted shall have executed and delivered an agreement expressly granting the Stock Option to such person and containing provisions setting forth the terms and conditions of the Stock Option. The terms and conditions of any Stock Option granted hereunder need not be identical to those of any other Stock Option granted hereunder. The Stock Option agreements shall contain in substance the following terms and conditions and may contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable.

6.1 Type of Option. Each Stock Option agreement shall designate the Stock Option represented thereby as intended to be an Incentive Stock Option or a Non-Qualified Stock Option, as the case may be.

6.2 Option Price. The Incentive Stock Option exercise price shall be fixed by the Committee but shall in no event be less than 100% (or 110% in the case of an employee referred to in Section 6.8(ii) below) of the Fair Market Value of the shares of Common Stock subject to the Incentive Stock Option on the date the Incentive Stock Option is granted. The Non-Qualified Stock Option exercise price shall be fixed by the Committee and may be equal to, subject to compliance with Section 409A of the Code if applicable, more than or less than 100% of the Fair Market Value of the shares of Common Stock subject to the Non-Qualified Stock Option at the time the Stock Option is granted, but in no event less than the par value of the Common Stock.

Table of Contents

6.3 Exercise Term. Each Stock Option agreement shall state the period or periods of time within which the Stock Option may be exercised, in whole or in part, which shall be such period or periods of time as may be determined by the Committee, provided that no Stock Option shall be exercisable after ten years from the date of grant thereof (or, in the case of an Incentive Stock Option granted to an employee referred to in Section 6.8(ii) below, such term shall in no event exceed five years from the date on which such Incentive Stock Option is granted). The Committee shall have the power to permit an acceleration of previously established exercise period or periods upon such circumstances and subject to such terms and conditions as the Committee deems appropriate.

6.4 Payment for Shares. A Stock Option shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Stock Option agreement by the Participant entitled to exercise the Stock Option and full payment for the shares of Common Stock with respect to which the Stock Option is exercised has been received by the Company. The Committee, in its sole discretion, may permit all or part of the payment of the exercise price to be made, to the extent permitted by applicable statutes and regulations, either: (i) in cash, by check or wire transfer, or (ii) in any other form of legal consideration as provided for under the terms of the Stock Option. No shares of Common Stock shall be issued to any Participant upon exercise of a Stock Option until the Company receives full payment therefor as described above. However, Participant shall have no rights as a stockholder prior to such time at which certificates representing such Common Stock have been delivered to the Participant. No adjustment will be made for a dividend or other right for which the record date is prior to the date on which the Common Stock is issued, except as provided in Section 22 of the Plan. Each exercise of a Stock Option shall reduce, by an equal number, the total number of shares of Common Stock that may thereafter be purchased under such Stock Option.

6.5 Rights upon Termination. Except as otherwise set forth in the Participant's Stock Option agreement, in the event that a Participant's service with the Company or any Subsidiary, whether as an employee, officer, director, adviser or consultant, terminates for any reason, other than due to the Participant's death or Disability, any rights of the Participant under any Stock Option shall immediately terminate; provided, however, that the Participant (or any successor or legal representative) shall have the right to exercise the Stock Option to the extent that the Stock Option was exercisable at the time of termination, until the earlier of (i) the date that is three months after the effective date of such termination, or such other date as determined by the Committee in its sole discretion, or (ii) the expiration of the term of the Stock Option.

Except as otherwise set forth in the Participant's Stock Option agreement, in the event that a Participant's service terminates because such Participant dies or suffers a Disability prior to the expiration of the Stock Option and without the Participant's having fully exercised the Stock Option, the Participant or his or her successor or legal representative shall be fully vested in the Stock Option and shall have the right to exercise the Stock Option within the next 12 months following such termination, or such other period as determined by the Committee in its sole discretion, but not later than the expiration of the term of the Stock Option.

6.6 Exercise of Unvested Options. The Stock Option agreement may, but need not, include a provision whereby the Participant may elect at any time before the Participant's termination to exercise the Stock Option as to any part or all of the shares of Common Stock subject to the Stock Option prior to the full vesting of the Stock Option. Without limiting the generality of the foregoing, the Committee may provide that if the Stock Option is exercised prior to having fully vested, shares issued upon such exercise shall remain subject to vesting at the same rate as under the Stock Option so exercised and shall be subject to a right, but not an obligation, of repurchase by the Company with respect to all unvested Shares (including any securities issued with respect to such shares in accordance with Section 22 of the Plan) or to any other restriction the Committee determines to be appropriate. For purposes of facilitating the enforcement of any such right of repurchase, at the request of the Committee, the Participant shall enter into joint escrow instructions with the Company and deliver each certificate for his or her unvested shares of Common Stock with a stock power, duly endorsed in blank. The Company's rights under this Section 6.6 shall be freely assignable, in whole or in part.

6.7 This Section intentionally left blank.

6.8 Special Incentive Stock Option Rules. Notwithstanding the foregoing, in the case of an Incentive Stock Option, each Stock Option agreement shall contain such other terms, conditions and provisions as the Committee determines necessary or desirable in order to qualify such Stock Option as an Incentive Stock Option under the Code including, without limitation, the following:

(i) To the extent that the aggregate Fair Market Value (determined as of the time the Stock Option is granted) of the Common Stock, with respect to which Incentive Stock Options granted under this Plan (and all other plans of the Company and its Subsidiaries and Parent Company) become exercisable for the first time by any person in any calendar year, exceeds maximum annual limitation described in Section 422(d) of the Code (which amount is \$100,000 as of the Effective Date), such Stock Options shall be treated as Non-Qualified Stock Options.

(ii) No Incentive Stock Option shall be granted to any employee if, at the time the Incentive Stock Option is granted, the employee (by reason of the attribution rules applicable under Section 424(d) of the Code) owns more than 10% of the combined voting power of all classes of stock of the Company or any Parent Company or Subsidiary unless at the time such Incentive Stock Option is granted the Stock Option exercise price is at least 110% of the Fair Market Value (determined as of the time the Incentive Stock Option is granted) of the shares of Common Stock subject to the Incentive Stock Option and such Incentive Stock Option by its terms is not exercisable after the expiration of five years from the date of grant.

If an Incentive Stock Option is exercised after the expiration of the exercise periods that apply for purposes of Section 422 of the Code, such Stock Option shall thereafter be treated as a Non-Qualified Stock Option.

Section 7. Stock Appreciation Rights. Stock Appreciation Rights entitle Participants to increases in the Fair Market Value of shares of Common Stock. The terms and conditions of each Stock Appreciation Right granted under the Plan shall be specified by the Committee, in its sole discretion, and shall be set forth in a written agreement between the Company and the Participant in such form as the Committee shall approve from time to time or as may be reasonably required in view of the terms and conditions approved by the Committee from time to time. The agreements shall contain in substance the following terms and conditions and may contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable.

7.1 Award. Stock Appreciation Rights shall entitle the Participant, subject to such terms and conditions determined by the Committee, to receive upon exercise thereof an Award equal to all or a portion of the excess of: (i) the Fair Market Value of a specified number of shares of Common Stock at the time of exercise over (ii) a specified price which shall not be less than 100% of the Fair Market Value of the Common Stock at the time the right is granted. Such amount may be paid by the Company in cash, Common Stock (valued at its then Fair Market Value) or any combination thereof, as the Committee may determine. In the event of the exercise of a Stock Appreciation Right that is fully or partially settled in shares of Common Stock, the number of shares reserved for issuance under this Plan shall be reduced by the number of shares issued upon exercise of the Stock Appreciation Right.

7.2 Term. Each agreement shall state the period or periods of time within which the Stock Appreciation Right may be exercised, in whole or in part, subject to such terms and conditions prescribed for such purpose by the Committee, provided that no Stock Appreciation Right shall be exercisable after ten years from the date of grant thereof. The Committee shall have the power to permit an acceleration of previously established exercise terms upon such circumstances and subject to such terms and conditions as the Committee deems appropriate.

7.3 Rights upon Termination. Except as otherwise set forth in the Participant's Stock Appreciation Rights agreement, in the event that a Participant's service with the Company or any Subsidiary, whether as an employee, officer, director, adviser or consultant terminates for any reason, other than due to the Participant's death or Disability, any rights of the Participant under any Stock Appreciation Right shall immediately terminate; provided, however, the Participant (or any successor or legal representative) shall have the right to exercise the

Stock Appreciation Right to the extent that the Stock Appreciation Right was exercisable at the time of termination, until the earlier of (i) the date that is three months after the effective date of such termination, or such other date as determined by the Committee in its sole discretion, or (ii) the expiration of the term of the Stock Appreciation Right.

In the event that a Participant's service terminates because such Participant dies or suffers a Disability prior to the expiration of his or her Stock Appreciation Right and without having fully exercised his or her Stock Appreciation Right, the Participant or his or her successor or legal representative shall be fully vested in the Stock Appreciation Right and shall have the right to exercise any Stock Appreciation Right within the next 12 months following such event, or such other period as determined by the Committee in its sole discretion, but not later than the expiration of the Stock Appreciation Right.

Section 8. Restricted Stock Awards. Restricted Stock Awards shall consist of shares of Common Stock restricted against transfer (Restricted Stock) and subject to a substantial risk of forfeiture. The terms and conditions of each Restricted Stock Award granted under the Plan shall be specified by the Committee, in its sole discretion, and shall be set forth in a written agreement between the Company and the Participant in such form as the Committee shall approve from time to time or as may be reasonably required in view of the terms and conditions approved by the Committee from time to time. The agreements shall contain in substance the following terms and conditions and may contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable.

8.1 Vesting Period. Restricted Stock Awards shall be subject to the restrictions described in the preceding paragraph over such vesting period as the Committee determines. To the extent the Committee deems necessary or appropriate to protect against loss of deductibility pursuant to Section 162(m) of the Code, Restricted Stock Awards to any Participant may also be subject to certain conditions with respect to attainment of one or more preestablished performance objectives which shall relate to corporate, subsidiary, division, group or unit performance in terms of growth in gross revenue, earnings per share or ratios of earnings to equity or assets, net profits, stock price, market share, sales or costs. In order to take into account unforeseen events or changes in circumstances, such objectives may be adjusted by the Committee in its sole discretion; provided, to the extent the Committee deems it necessary or appropriate to protect against loss of deductibility pursuant to Section 162(m) of the Code, such objectives may only be adjusted by the Committee to the extent permitted by Section 162(m) of the Code.

8.2 Restriction upon Transfer. Shares awarded, and the right to vote such shares and to receive dividends thereon, may not be sold, assigned, transferred, exchanged, pledged, hypothecated or otherwise encumbered, except as herein provided or as provided in any agreement entered into between the Company and a Participant in connection with the Plan, during the vesting period applicable to such shares. Notwithstanding the foregoing, and except as otherwise provided in the Plan, the Participant shall have all the other rights of a stockholder including, but not limited to, the right to receive dividends and the right to vote such shares, until such time as the Participant disposes of the shares or forfeits the shares pursuant to the agreement relating to the Restricted Stock Award.

8.3 Certificates. Any stock certificate issued in respect of shares awarded to a Participant shall be registered in the name of the Participant and deposited with the Company, or its designee, and shall bear the following legend:

THE SHARES OF STOCK REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE TERMS AND CONDITIONS CONTAINED IN THE NEOGENOMICS, INC. AMENDED AND RESTATED EQUITY INCENTIVE PLAN, AS AMENDED, AND A RESTRICTED STOCK AWARD AGREEMENT ENTERED INTO BETWEEN THE REGISTERED OWNER AND NEOGENOMICS, INC. RELEASE FROM SUCH TERMS AND CONDITIONS SHALL BE OBTAINED ONLY IN ACCORDANCE WITH THE PROVISIONS OF THE PLAN AND AGREEMENT, A COPY OF EACH OF WHICH IS ON FILE IN THE OFFICE OF THE SECRETARY OF NEOGENOMICS, INC.

Each Participant, as a condition of any Restricted Stock Award, shall have delivered a stock power, endorsed in blank, relating to the Common Stock covered by such Award.

Section 9. Stock Bonus Awards. Stock Bonus Awards shall consist of awards of shares of Common Stock. To the extent the Committee deems necessary or appropriate to protect against the loss of deductibility pursuant to Section 162(m) of the Code, the Committee may, in its sole discretion, grant a Stock Bonus Award based upon corporate, division, subsidiary, group or unit performance in terms of growth in gross revenue, earnings per share or ratios of earnings to equity or assets, net profits, stock price, market share, sales or costs or, with respect to Participants not subject to Section 162(m) of the Code, such other measures or standards determined by the Committee in its discretion. In order to take into account unforeseen events or changes in circumstances, such performance objectives may be adjusted; provided, to the extent the Committee deems it necessary or appropriate to protect against loss of deductibility pursuant to Section 162(m) of the Code, such performance objectives may only be adjusted by the Committee to the extent permitted by Section 162(m) of the Code.

The terms and conditions of each Stock Bonus Award granted under the Plan shall be specified by the Committee, in its sole discretion, and shall be set forth in a written agreement between the Company and the Participant in such form as the Committee shall approve from time to time or as may be reasonably required in view of the terms and conditions approved by the Committee from time to time. In addition to any applicable performance goals, shares of Common Stock subject to a Stock Bonus Award may be: (i) subject to additional restrictions (including, without limitation, restrictions on transfer) or (ii) granted directly to a person free of any restrictions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable.

Section 10. Deferred Stock Awards. Deferred Stock Awards under the Plan shall entitle Participants to future payments of shares of Common Stock (or, in the discretion of the Committee, the cash value of a share of Common Stock) upon the expiration of a specified period of time (Deferral Period) and upon the satisfaction of certain conditions during the Deferral Period. The terms and conditions of each Deferred Stock Award granted under the Plan shall be specified by the Committee, in its sole discretion, and shall be set forth in a written agreement between the Company and the Participant in such form as the Committee shall approve from time to time or as may be reasonably required in view of the terms and conditions approved by the Committee from time to time. The agreements shall contain in substance the following terms and conditions and may contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable.

10.1 Vesting Period. Upon the expiration of the Deferral Period (or the Additional Deferral Period referred to in Section 10.2 below, where applicable) with respect to each Deferred Stock Award and the satisfaction of any other applicable limitations, terms or conditions, such Deferred Stock Award shall become vested in accordance with the terms of the agreement relating to the Deferred Stock Award. To the extent the Committee deems necessary or appropriate to protect against loss of deductibility pursuant to Section 162(m) of the Code, Deferred Stock Awards to any Participant may also be subject to certain conditions with respect to attainment of one or more pre-established performance objectives which shall relate to corporate, subsidiary, division, group or unit performance in terms of growth in gross revenue, earnings per share or ratios of earnings to equity or assets, net profits, stock price, market share, sales or costs. In order to take into account unforeseen events or changes in circumstances, such performance objectives may be adjusted by the Committee in its sole discretion; provided, to the extent the Committee deems it necessary or appropriate to protect against loss of deductibility pursuant to Section 162(m) of the Code, such performance objectives may only be adjusted by the Committee to the extent permitted by Section 162(m) of the Code. The Participant shall not be a stockholder with respect to any shares subject to a Deferred Stock Award until such shares vest and are issued to the Participant in accordance with the terms of the Deferred Stock Award agreement.

10.2 Additional Deferral Period. A Participant may request to defer (and, based thereon, the Committee may at any time defer) the receipt of all or any part of a Deferred Stock Award for an additional specified period or until a specified event (Additional Deferral Period). Except as otherwise agreed to by the Committee, the terms of any such additional deferral request shall be subject to the requirements of Section 409A of the Code and the regulations thereunder.

Section 11. Other Stock-Based Awards. Other Stock-Based Awards may be awarded, subject to limitations under applicable law and this Plan, that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, shares of Common Stock, as deemed by the Committee to be consistent with the purposes of the Plan. Other Stock-Based Awards may be awarded either alone or in addition to or in tandem with any other Awards under the Plan or any other plan of the Company. The terms and conditions of each Other Stock-Based Award granted under the Plan shall be specified by the Committee, in its sole discretion, and shall be set forth in a written agreement between the Company and the Participant in such form as the Committee shall approve from time to time or as may be reasonably required in view of the terms and conditions approved by the Committee from time to time.

To the extent the Committee deems it necessary or appropriate to protect against loss of deductibility pursuant to Section 162(m) of the Code, Other Stock-Based Awards to any Participant may also be subject to certain conditions with respect to attainment of one or more pre-established performance objectives which shall relate to corporate, subsidiary, division, group or unit performance in terms of growth in gross revenue, earnings per share or ratio of earnings to equity or assets, net profits, stock price, market share, sales or costs. In order to take into account unforeseen events or changes in circumstances, such performance objectives may be adjusted; provided, to the extent the Committee deems it necessary or appropriate to protect against loss of deductibility pursuant to Section 162(m) of the Code, such performance objectives may only be adjusted by the Committee to the extent permitted by Section 162(m) of the Code.

Section 12. Loans. The Committee may, subject to the Sarbanes-Oxley Act of 2002 and otherwise in its sole discretion and to further the purpose of the Plan, provide for loans to persons in connection with all or any part of an Award under the Plan. Any loan made pursuant to this Section 12 shall be evidenced by a loan agreement, promissory note or other instrument in such form and which shall contain such terms and conditions (including without limitation, provisions for interest, payment, schedules, collateral, forgiveness, acceleration of such loans or parts thereof or acceleration in the event of termination) as the Committee shall prescribe from time to time. Notwithstanding the foregoing, each loan shall comply with all applicable laws, regulations and rules of any governmental agency having jurisdiction.

Section 13. Securities Law Requirements. No shares of Common Stock shall be issued upon the exercise or payment of any Award unless and until:

- (i) The shares of Common Stock underlying the Award have been registered under the Securities Act of 1933, as amended (the "Act"), or the Company has determined that an exemption from the registration requirements under the Act is available or the registration requirements of the Act do not apply to such exercise or payment;
- (ii) The Company has determined that all applicable listing requirements of any stock exchange or quotation system on which the shares of Common Stock are listed have been satisfied; and
- (iii) The Company has determined that any other applicable provision of state or Federal law, including without limitation applicable state securities laws, has been satisfied.

Section 14. Representations of Participant; Legends. Regardless of whether the offering and sale of shares of Common Stock has been registered under the Act or has been registered or qualified under the securities laws of any state, the Company may impose restrictions upon the sale, pledge, or other transfer of such shares, including the placement of appropriate legends on stock certificates, if, in the judgment of the Company and its counsel, such restrictions are necessary or desirable in order to achieve compliance with the provisions of the Act, the securities laws of any state, or any other law. As a condition to the Participant's receipt of shares, the Company may require the Participant to represent that such shares are being acquired for investment, and not with a view to the sale or distribution thereof, except in compliance with the Act, and to make such other representations as are deemed necessary or appropriate by the Company and its counsel. Stock certificates evidencing shares acquired pursuant to an unregistered transaction to which the Act applies shall bear a restrictive legend substantially in the following form and such other restrictive legends as are required or deemed advisable under the Plan or the provisions of any applicable law:

THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE ACT), OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE. THESE SHARES HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO OR FOR SALE IN CONNECTION WITH ANY DISTRIBUTION THEREOF, AND MAY NOT BE SOLD, MORTGAGED, PLEDGED, HYPOTHECATED OR OTHERWISE TRANSFERRED WITHOUT AN EFFECTIVE REGISTRATION UNDER THE ACT AND QUALIFICATION UNDER ANY APPLICABLE STATE SECURITIES LAWS, OR WITHOUT AN OPINION OF COUNSEL ACCEPTABLE TO THE COMPANY AND ITS COUNSEL THAT SUCH REGISTRATION OR QUALIFICATION IS NOT REQUIRED.

Any determination by the Company and its counsel in connection with any of the matters set forth in this Section 14 shall be conclusive and binding on all persons.

The Company may, but shall not be obligated to, register or qualify the sale of shares under the Act or any other applicable law.

Section 15. Single or Multiple Agreements. Multiple forms of Awards or combinations thereof may be evidenced by a single agreement or multiple agreements, as determined by the Committee.

Section 16. Rights of a Stockholder. The recipient of any Award under the Plan, unless otherwise expressly provided by the Plan, shall have no rights as a stockholder with respect thereto unless and until shares of Common Stock are issued to him.

Section 17. No Right to Continue Employment or Service. Nothing in the Plan or any instrument executed or Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company, Parent Company or any Subsidiary in the capacity in effect at the time the Award was granted or shall affect the right of the Company, Parent Company or any Subsidiary to terminate (i) the employment of an employee with or without notice and with or without cause, (ii) the service of a consultant or adviser pursuant to the terms of such consultant's or adviser's agreement with the Company, Parent Company or any Subsidiary, if any or (iii) the service of a director pursuant to the Bylaws of the Company, Parent Company or any Subsidiary and any applicable provisions of the corporate law of the state in which the Company, Parent Company or any Subsidiary is incorporated, as the case may be.

Section 18. Withholding. The Company's obligations hereunder in connection with any Award shall be subject to applicable foreign, federal, state and local withholding tax requirements. Foreign, federal, state and local withholding tax due under the terms of the Plan may be paid in cash or shares of Common Stock (either through the surrender of already-owned shares of Common Stock that the Participant has held for the period required to avoid a charge to the Company's reported earnings or the withholding of shares of Common Stock otherwise issuable upon the exercise or payment of such Award) having a Fair Market Value equal to the

required withholding and upon such other terms and conditions as the Committee shall determine; provided, however, the Committee, in its sole discretion, may require that such taxes be paid in cash; and provided, further, any election by a Participant subject to Section 16 of the Exchange Act to pay his or her withholding tax in shares of Common Stock shall be subject to and must comply with the rules promulgated under Section 16 of the Exchange Act.

Section 19. Indemnification. No member of the Board or the Committee, nor any officer or employee of the Company or a Subsidiary or Parent Company acting on behalf of the Board or the Committee, shall be personally liable for any action, determination or interpretation taken or made in good faith with respect to the Plan, and all members of the Board or the Committee and each and any officer or employee of the Company or any Subsidiary or Parent Company acting on their behalf shall, to the extent permitted by law, be fully indemnified and protected by the Company in respect of any such action, determination or interpretation.

Section 20. Non-Assignability. No right or benefit hereunder shall in any manner be subject to the debts, contracts, liabilities or torts of the person entitled to such right or benefit. No Award under the Plan shall be assignable or transferable by the Participant except by will, by the laws of descent and distribution and by such other means as the Committee may approve from time to time, and all Awards shall be exercisable, during the Participant's lifetime, only by the Participant.

However, the Participant, with the approval of the Committee, may transfer a Non-Qualified Stock Option for no consideration to or for the benefit of the Participant's Immediate Family (including, without limitation, to a trust for the benefit of the Participant's Immediate Family or to a partnership or limited liability company for one or more members of the Participant's Immediate Family), subject to such limits as the Committee may establish, and the transferee shall remain subject to all the terms and conditions applicable to the Non-Qualified Stock Option prior to such transfer. The foregoing right to transfer a Non-Qualified Stock Option shall apply to the right to consent to amendments to the Stock Option agreement and, in the discretion of the Committee, shall also apply to the right to transfer ancillary rights associated with the Non-Qualified Stock Option. The term "Immediate Family" shall mean the Participant's spouse, parents, children, stepchildren, adoptive relationships, sisters, brothers and grandchildren (and, for this purpose, shall also include the Participant).

At the request of the Participant and subject to the approval of the Committee, Common Stock purchased upon exercise of a Non-Qualified Stock Option may be issued or transferred into the name of the Participant and his or her spouse jointly with rights of survivorship.

Except as set forth above or in a Stock Option agreement, any attempted assignment, sale, transfer, pledge, mortgage, encumbrance, hypothecation, or other disposition of an Award under the Plan contrary to the provisions hereof, or the levy of any execution, attachment, or similar process upon an Award under the Plan shall be null and void and without effect.

Section 21. Nonuniform Determinations. The Committee's determinations under the Plan (including without limitation determinations of the persons to receive Awards, the form, amount and timing of such Awards, the terms and provisions of such Awards and the agreements evidencing same, and the establishment of values and performance targets) need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, Awards under the Plan, whether or not such persons are similarly situated.

Section 22. Adjustments. In the event of any change in the outstanding shares of Common Stock, without the receipt of consideration by the Company, by reason of a stock dividend, stock split, reverse stock split or distribution, recapitalization, merger, reorganization, reclassification, consolidation, split-up, spin-off, combination of shares, exchange of shares or other change in corporate structure affecting the Common Stock and not involving the receipt of consideration by the Company, the Committee shall make appropriate and equitable adjustments in (a) the aggregate number of shares of Common Stock (i) available for issuance under the Plan, (ii) for which grants or Awards may be made to any Participant or to any group of Participants (e.g.,

Table of Contents

Outside Directors), (iii) which are available for issuance under Incentive Stock Options, (iv) covered by outstanding unexercised Awards and grants denominated in shares or units of Common Stock, (b) the exercise or other applicable price related to outstanding Awards or grants and (c) the appropriate Fair Market Value and other price determinations relevant to outstanding Awards or grants and shall make such other adjustments as may be appropriate under the circumstances; provided, that the number of shares subject to any Award or grant always shall be a whole number.

Section 23. Termination and Amendment; Expiration. The Board may terminate or amend the Plan or any portion thereof at any time and the Committee may amend the Plan to the extent provided in Section 3, without approval of the stockholders of the Company, unless stockholder approval is required by applicable stock exchange or NASDAQ or other quotation system rules, applicable Code provisions, or other applicable laws or regulations. Notwithstanding the foregoing or any other provisions of the Plan, the Board expressly reserves the right to approve, without obtaining stockholder approval, a cancellation and reissuance or other exchange of an outstanding Option or Stock Appreciation Right, the amendment of any Option or Stock Appreciation Right to lower the exercise price, or any other amendment, adjustment or action taken with respect to an outstanding Option or Stock Appreciation Right that constitutes a repricing under any applicable rule of any stock exchange which lists Common Stock; provided, however, that any such exchange, amendment, adjustment or action constituting a repricing shall be approved by at least a two-thirds (2/3) majority of the non-employee, independent members of the Board. No amendment, termination or modification of the Plan shall affect any Award theretofore granted in any material adverse way without the consent of the recipient. Unless earlier terminated by the Board in accordance with this Section 23, the Plan will expire on the tenth anniversary of the Effective Date.

Section 24. Severability. If any provision of the Plan is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, and the Plan shall be reformed, construed and enforced in such jurisdiction so as to best give effect to the intent of the Company under the Plan.

Section 25. Effect on Other Plans. Participation in this Plan shall not affect an employee's eligibility to participate in any other benefit or incentive plan of the Company or any Subsidiary and any Awards made pursuant to this Plan shall not be used in determining the benefits provided under any other plan of the Company or any Subsidiary unless specifically provided.

Section 26. Effective Date of the Plan. This Plan, as amended and restated herein, is effective as of April 16, 2013 (the Effective Date), subject to approval of the stockholders of the Company to the extent required by applicable Code provisions or other applicable law.

Section 27. Governing Law. This Plan and all agreements executed in connection with the Plan shall be governed by, and construed in accordance with, the laws of the State of Nevada, without regard to its conflicts of law doctrine.

Section 28. Gender and Number. Words denoting the masculine gender shall include the feminine gender, and words denoting the feminine gender shall include the masculine gender. Words in the plural shall include the singular, and the singular shall include the plural.

Section 29. Acceleration of Exercisability and Vesting. The Committee shall have the power to accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest.

Section 30. Modification of Awards. Within the limitations of the Plan and subject to Sections 22 and 35, the Committee may modify outstanding Awards or accept the cancellation of outstanding Awards for the granting of new Awards in substitution therefor. Notwithstanding the preceding sentence, except for any

Table of Contents

adjustment described in Section 22 or 35, no modification of an Award shall, without the consent of the Participant, alter or impair any rights or obligations under any Award previously granted under the Plan in any material adverse way without the affected Participant's consent. For purposes of the preceding sentence, any modification to any of the following terms or conditions of an outstanding unexercised Award or grant shall be deemed to be a material modification: (i) the number of shares of Common Stock covered by such Award or grant, (ii) the exercise or other applicable price or Fair Market Value determination related to such Award or grant, (iii) the period of time within which the Award or grant vests and is exercisable and the terms and conditions of such vesting and exercise, (iv) the type of Award, and (v) the restrictions on transferability of the Award or grant and of any shares of Common Stock issued in connection with such Award or grant (including the Company's right of repurchase, if any).

Section 31. No Strict Construction. No rule of strict construction shall be applied against the Company, the Committee, or any other person in the interpretation of any of the terms of the Plan, any agreement executed in connection with the Plan, any Award granted under the Plan, or any rule, regulation or procedure established by the Committee.

Section 32. Successors. This Plan is binding on and will inure to the benefit of any successor to the Company, whether by way of merger, consolidation, purchase, or otherwise.

Section 33. Plan Provisions Control. The terms of the Plan govern all Awards granted under the Plan, and in no event will the Committee have the power to grant any Award under the Plan which is contrary to any of the provisions of the Plan. In the event any provision of any Award granted under the Plan shall conflict with any term in the Plan, the term in the Plan shall control.

Section 34. Headings. The headings used in the Plan are for convenience only, do not constitute a part of the Plan, and shall not be deemed to limit, characterize, or affect in any way any provisions of the Plan, and all provisions of the Plan shall be construed as if no captions had been used in the Plan.

Section 35. Merger or Asset Sale. Upon the effectiveness of (i) a merger, reorganization or consolidation between the Company and another person or entity (other than a holding company or a Subsidiary or Parent Company) as a result of which the holders of the Company's outstanding voting stock immediately prior to the transaction hold less than a majority of the outstanding voting stock of the surviving entity immediately after the transaction, or (ii) the sale of all or substantially all of the assets of the Company to an unrelated person or entity (in each case, a Transaction), unless provision is made in connection with, and by the parties subject to, the Transaction for (x) the assumption of all outstanding Awards, or (y) the substitution of such Awards with new Awards of the successor entity or parent thereof, with appropriate and equitable adjustment as to the number and kind of shares and, if appropriate, the per share exercise prices, or (z) the equitable settlement of such Awards in cash or cash equivalents (i.e., cash out provision), this Plan and all outstanding Awards granted hereunder, except with respect to specific Awards as the Committee otherwise determines, shall terminate. In the event of such termination, and to the extent applicable, each Participant shall be permitted to exercise prior to the anticipated effective date of the Transaction all outstanding Awards held by such Participant which are then vested and exercisable; provided, however, that the Participant may, but will not be required to, condition such exercise upon the effectiveness of the Transaction. In the Board's sole discretion, the vesting and exercisability of all, or a specified portion of, outstanding Awards may be accelerated.

Section 36. Compliance with Section 409A. The Plan and Awards made under the Plan are intended to comply with, or be exempt from, the requirements of Section 409A of the Code, and the Plan and any Award agreements shall be interpreted in a manner consistent with such intent. In addition, and notwithstanding any provision of the Plan to the contrary, the Company reserves the right to amend the Plan or any Award granted under the Plan, by action of the Committee, without the consent of any affected Participant, to the extent deemed necessary or appropriate for purposes of maintaining compliance with Section 409A of the Code and the regulations promulgated thereunder. All Awards granted under the Plan that constitute non-qualified deferred

compensation pursuant to Section 409A of the Code (each, a Section 409A Covered Award) shall be paid in a manner intended to comply with Section 409A of the Code. In no event whatsoever shall the Company be liable for any additional tax, interest or penalties that may be imposed on a Participant by Section 409A of the Code or any damages for failing to comply with Section 409A of the Code or this Section 36.

Notwithstanding anything in the Plan or in an Award agreement to the contrary, the following provisions shall apply to Section 409A Covered Awards:

(i) A termination of service shall not be deemed to have occurred for purposes of any provision of a Section 409A Covered Award providing for payment upon or following a termination of the Participant's service unless such termination is also a Separation from Service within the meaning of Section 409A of the Code and, for purposes of any such provision of a Section 409A Covered Award, references to a termination, termination of employment or like terms shall mean Separation from Service. Notwithstanding any provision to the contrary in the Plan or Award agreement, if the Participant is deemed on the date of the Participant's termination of service to be a specified employee within the meaning of that term under Section 409A(a)(2)(B) of the Code, then with regard to any payment under a Section 409A Covered Award, to the extent required to be delayed in compliance with Section 409A(a)(2)(B) of the Code, such payment shall not be made prior to the earlier of (x) the expiration of the six (6)-month period measured from the date of the Participant's Separation from Service, and (y) the date of the Participant's death.

(ii) Whenever a payment under a Section 409A Covered Award specifies a payment period with reference to a number of days, the actual date of payment within the specified period shall be within the sole discretion of the Company.

(iii) If under the Section 409A Covered Award an amount is to be paid in two or more installments, for purposes of Section 409A of the Code, each installment shall be treated as a separate payment.

Section 37. Recovery of Compensation in Connection with Financial Restatement. Notwithstanding any other provision of this Plan or any applicable Award agreement to the contrary, if the Board determines that the Company is required to restate its financial statements due to material noncompliance with any financial reporting requirement under the law, whether such noncompliance is the result of misconduct or other circumstances, a Participant shall be required to reimburse the Company for any amounts earned or payable with respect to an Award to the extent required by and otherwise in accordance with applicable law and any Company policies adopted or implemented by the Board or Committee from time to time.
