**Item 2.03 Creation of a Direct Financial Obligation**

American Airlines, Inc. ( *American* ), a wholly-owned subsidiary of AMR Corporation ( *AMR* ), and Wilmington Trust Company, as loan trustee (the *Loan Trustee* ), entered into seventy-five (75) separate participation agreement amendments (each, a *Participation Agreement Amendment* ) to existing participation agreements entered into by American on September 9, 2013 or September 16, 2013, as the case may be (each such existing participation agreement, an *Existing Participation Agreement*, and as amended by the related *Participation Agreement Amendment*, an *Amended Participation Agreement* ), in connection with the financing of the Aircraft (as defined hereafter). The other parties to the *Participation Agreement Amendments* are Wilmington Trust Company, as subordination agent (the *Subordination Agent* ); as pass through trustee under the existing pass through trust formed by American (the *Class A Trustee* ) on July 31, 2013 in connection with the issuance and sale of American Airlines, Inc. Pass Through Certificates, Series 2013-2A (the *Class A Certificates* ); and as pass through trustee under the pass through trust newly formed by American (the *Class B Trustee* and, together with the *Class A Trustee*, the *Trustees* ) on the date hereof in connection with the issuance and sale of American Airlines, Inc. Pass Through Certificates, Series 2013-2B (the *Class B Certificates* ). The *Participation Agreement Amendments* provide for the issuance by American of series B equipment notes (the *Series B Equipment Notes* ), pursuant to seventy-five (75) separate indenture amendments (each, an *Indenture Amendment* ) to existing indenture and security agreements entered into by the Company on September 9, 2013 or September 16, 2013, as the case may be, with the *Loan Trustee* (each such existing indenture, an *Existing Indenture*, and as amended by the related *Indenture Amendment*, an *Amended Indenture* ) in connection with the financing of the Aircraft, in the aggregate principal amount of \$521,038,000. The *Series B Equipment Notes* are secured by 41 Boeing 737-823 aircraft, 14 Boeing 757-223 aircraft, one Boeing 767-323ER aircraft and 19 Boeing 777-223ER aircraft, each currently owned by American (each such aircraft, an *Aircraft* and, collectively, the *Aircraft* ). The *Aircraft* also secure the series A equipment notes previously issued pursuant to the *Existing Indentures*. The *Existing Participation Agreement*, the *Existing Indenture*, the *Participation Agreement Amendment*, the *Indenture Amendment*, the series A equipment note and the *Series B Equipment Note* with respect to the *Aircraft* bearing U.S. Registration Number N907AN are filed herewith as Exhibits 4.6, 4.7, 4.8, 4.9, 4.10 and 4.11, respectively. The *Existing Participation Agreement*, the *Existing Indenture*, the *Participation Agreement Amendment*, the *Indenture Amendment*, the series A equipment note and the *Series B Equipment Note* with respect to the other seventy-four (74) *Aircraft* are substantially identical in all material respects, except for the differences set forth in Schedule I filed herewith as Exhibit 99.2.

The *Series B Equipment Notes* have been purchased by the *Class B Trustee*, using the proceeds from the sale of a total of \$521,038,000 of *Class B Certificates*. The *Series B Equipment Notes* bear interest at the rate of 5.60% per annum. The *Class B Certificates* rank generally junior to the *Class A Certificates*.

The interest on the issued and outstanding *Series B Equipment Notes* is payable semi-annually on each January 15 and July 15, beginning on January 15, 2014. The principal payments on the issued and outstanding *Series B Equipment Notes* are scheduled for payment on January 15 and July 15 in certain years, commencing on January 15, 2014. Final payments will be due, depending on the *Aircraft*, on July 15, 2015, July 15, 2016, January 15, 2017, January 15, 2019 and July 15, 2020. Maturity of the *Series B Equipment Notes* may be accelerated upon the occurrence of certain events of default, including failure by American (in some cases after notice or the expiration of a grace period, or both) to make payments under the applicable *Indenture* when due or to comply with certain covenants, as well as certain events during American's current bankruptcy proceeding and certain bankruptcy and insolvency events involving American after American emerges from its current bankruptcy proceeding. The *Series B Equipment Notes* issued with respect to each *Aircraft* will be secured by a lien on such *Aircraft* and also will be cross-collateralized by the other *Aircraft* financed pursuant to the *Amended Participation Agreements* and the *Amended Indentures*.

The *Class B Certificates* were sold in a private placement to qualified institutional buyers as defined in, and in reliance on, Rule 144A under the Securities Act of 1933, as amended. Pursuant to a registration rights agreement, which American entered into upon the issuance of the *Class B Certificates*, American expects to file an exchange offer

registration statement or, under specific circumstances, a shelf registration statement with respect to the Class B Certificates. In addition, the Class B Certificates may be sold only to qualified institutional buyers, as defined in Rule 144A under the Securities Act of 1933, as amended, for so long as they are outstanding.

The foregoing description of the Amended Participation Agreements, the Amended Indentures and the other agreements and instruments is qualified in its entirety by reference to such agreements and instruments, copies of which are filed herewith as exhibits and are incorporated by reference herein.

**Item 8.01 Other Events**

American is filing herewith a press release issued on November 27, 2013 by American as Exhibit 99.1, which is included herein. This press release was issued to announce the closing of the transactions described under Item 2.03 above.

**Item 9.01 Financial Statements and Exhibits.**
