**Item 1.01. Entry into a Material Definitive Agreement.**

On March 5, 2014, Esterline Technologies Corporation ( Esterline ) entered into a Consent Agreement (CA) with the U.S. Department of State s Directorate of Defense Trade Controls Office of Defense Trade Controls Compliance (DTCC) to resolve alleged International Traffic in Arms Regulations (ITAR) civil violations. The CA settles the pending ITAR compliance matter with DTCC previously reported by Esterline that resulted from voluntary reports Esterline filed with DTCC that disclosed possible technical and administrative violations of the ITAR. The CA has a three-year term and provides for: (i) a payment of \$20 million, \$10 million of which is suspended and eligible for offset credit based on verified expenditures for past and future remedial compliance measures; (ii) the appointment of an external Special Compliance Official to oversee compliance with the CA and the ITAR; (iii) two external audits of the company s ITAR compliance program; and (iv) continued implementation of ongoing remedial compliance measures and additional remedial compliance measures related to automated systems and ITAR compliance policies, procedures, and training.

The settlement amount in the CA is consistent with the amount proposed by DTCC in August 2013, for which Esterline estimated and recorded a \$10 million charge in the fiscal quarter ended July 26, 2013. The \$10 million portion of the settlement that is not subject to suspension will be paid in installments, with \$4 million paid in March 2014, and \$2 million paid in each of March 2015, 2016 and 2017. We expect recent investments made in our ITAR compliance program will be eligible for credit against the suspended portion of the settlement amount, which include: additional staffing, ongoing implementation of a new software system, employee training, and establishment of a regular compliance audit program and corrective action process. Esterline expects these recent and future investments in remedial compliance measures will be sufficient to cover the \$10 million suspended payment.

The foregoing description of the CA is qualified in its entirety by reference to the CA, a copy of which is filed as Exhibit 10.1 to this report and incorporated herein by reference.
