Item 8.01. Other Events

ProBuild Acquisition

On April 13, 2015, Builders FirstSource, Inc. (Builders) entered into a Securities Purchase Agreement (the Securities Purchase Agreement) with ProBuild Holdings LLC, a Delaware limited liability company (ProBuild), and the holders of securities of ProBuild named as parties thereto (collectively, the Sellers). Headquartered in Denver, Colorado, ProBuild is one of the nation's largest professional building materials suppliers. Pursuant to the Securities Purchase Agreement, Builders will acquire all of the operating affiliates of ProBuild through the purchase of all of the issued and outstanding equity interests of ProBuild for approximately \$1.63 billion, subject to certain adjustments (the ProBuild Acquisition).

Filed with this Current Report are the audited combined financial statements (and notes thereto) of ProBuild Holdings, Inc., an affiliate of ProBuild, for the years ended December 31, 2014, 2013 and 2012. As described in note 1 thereto, the audited combined financial statements reflect the financial statements of ProBuild Holdings, Inc. and those of ProBuild and other commonly-controlled entities and reflect all of the operations of the business expected to be acquired by Builders. Net liabilities of approximately \$648.4 million, included in the audited combined financial statements of ProBuild Holdings, Inc., which will not be assumed in the ProBuild Acquisition, primarily relate to long-term debt and related accrued interest, cash, income tax receivables and deferred tax liabilities.

Also filed with this Current Report is the unaudited pro forma condensed combined financial information of Builders, giving effect to the ProBuild Acquisition and the related acquisition financing transactions (the Pro Forma Financial Information). The pro forma adjustments and the purchase price allocation as presented in the Pro Forma Financial Information are based on estimates and certain limited information that is currently available. Accordingly, the Pro Forma Financial Information is preliminary and subject to change as additional information becomes available and as additional analyses are performed. The final purchase price allocation may be different than that reflected in the pro forma purchase price allocation presented in the Pro Forma Financial Information included in Exhibit 99.2 to this Current Report on Form 8-K, and this difference may be material.
