Item 1.01 Entry into a Material Definitive Agreement.

On May 26, 2015, Mitek Systems, Inc. (the *Company*), entered into a Share Purchase Agreement (the *Purchase Agreement*) with ID Checker NL B.V., a company incorporated under the laws of The Netherlands (*IDC*), ID Checker Holding B.V., a company incorporated under the laws of The Netherlands (*Parent*), Stichting Administratiekantoor OPID (together with Parent, *Sellers*), Pierre L.M. de Boer, an individual entering into the Purchase Agreement solely with respect to certain covenants and obligations, and Michael Hagen, an individual serving as and entering into the Purchase Agreement solely with respect to certain covenants and obligations and in the capacity of the Sellers Representative (the *Sellers Representative*). Pursuant to the Purchase Agreement, the Company will acquire all of the issued and outstanding shares of IDC and ID Checker, Inc., a wholly owned subsidiary of IDC.

As consideration for the acquisition, the Company will pay an aggregate purchase price of up to \$10,600,000, comprised of: (i) a cash payment to Sellers of \$5,600,000, subject to adjustments for transaction expenses incurred by IDC, indebtedness of IDC, and post-closing working capital adjustments (the *Cash Payment*); (ii) the issuance to Sellers of \$2,750,000 in shares of the Company's common stock (*Closing Shares*), par value \$0.001 per share (*Common Stock*); (iii) the cancellation of the outstanding balance on a promissory note issued by Parent to the Company in the principal amount of \$250,000; and (iv) the issuance of up to an aggregate of \$2,000,000 in shares of Common Stock, subject to achievement of certain revenue and net income targets for IDC for the nine-month period ending on September 30, 2015, and the twelve-month period ending on September 30, 2016 (*Earnout Shares*).

At closing, \$1,820,000 of the Cash Payment and 20% of the Closing Shares will be placed in an escrow fund to serve as collateral and partial security for working capital adjustments and certain indemnification rights. To the extent any Earnout Shares are issued to Sellers, 20% of such Earnout Shares will be placed in the escrow fund. The escrow fund will be maintained for up to 24 months following the last issuance of Earnout Shares or until such earlier time as the escrow fund is exhausted.

The Purchase Agreement contains customary representations, warranties and covenants, including covenants requiring the conduct of IDC's business in the ordinary course consistent with past practice and other restrictions on the operation of its business prior to the consummation of the transactions contemplated by the Purchase Agreement. Consummation of the transactions contemplated by the Purchase Agreement is subject to various conditions, including the absence of any law or order prohibiting such transactions or making them illegal, the absence of a material adverse effect with respect to IDC, and the accuracy of the representations and warranties made by the parties.

The Purchase Agreement has been provided pursuant to applicable rules and regulations of the Securities and Exchange Commission (the *SEC*) in order to provide investors and stockholders with information regarding its terms; however, it is not intended to provide any other factual information about the Company, IDC, their respective subsidiaries and affiliates, or any other party. In particular, the representations, warranties and covenants contained in the Purchase Agreement have been made only for the purpose of the Purchase Agreement and, as such, are intended solely for the benefit of the parties to the Purchase Agreement. In many cases, these representations, warranties and covenants are subject to limitations agreed upon by the parties and are qualified by certain disclosures exchanged by the parties in connection with the execution of the Purchase Agreement. Furthermore, many of the representations and warranties in the Purchase Agreement are the result of a negotiated allocation of contractual risk among the parties and, taken in isolation, do not necessarily reflect facts about the Company, IDC, their respective subsidiaries and affiliates or any other party. Likewise, any references to materiality contained in the representations and warranties may not correspond to concepts of materiality applicable to investors or stockholders. Finally, information concerning the subject matter of the representations and warranties may change after the date of the Purchase Agreement and these changes may not be fully reflected in the Company's public disclosures. As a result of the foregoing, investors and stockholders are strongly encouraged not to rely on the representations, warranties and covenants contained in the purchase agreement, or on any descriptions thereof, as accurate characterizations of the state of facts or condition of

the Company or any other party.

Item 3.02 Unregistered Sale of Equity Securities.

The disclosures made in response to Item 1.01 above are incorporated herein by reference.

The issuance of the Closing Shares and Earnout Shares, if any, to Sellers will be exempt from the registration requirements of the Securities Act of 1933, as amended (the *Securities Act*), pursuant to Regulation S of the Securities Act, and each of the Sellers represented to the Company that such Seller is not a US Person (as defined in Regulation S of the Securities Act) and is acquiring the Closing Shares and Earnout Shares, if any, in an offshore transaction (as defined in Regulation S of the Securities Act).
