United States Federal Income Tax Consequences: Payments of interest on the Notes are potentially subject to the FATCA withholding discussed on page S-32 of the accompanying prospectus supplement. Payments of gross proceeds from a sale or other disposition of the Notes may also be subject to FATCA withholding unless such disposition occurs before January 1, 2017. Holders should read the discussion of FATCA withholding under United States Federal Income Tax Consequences Withholdable Payments to Foreign Financial Institutions and Other Foreign Entities on page S-32 of the accompanying prospectus supplement and consult their own tax advisors regarding the relevant U.S. law and other official guidance on FATCA withholding.

Plan of Distribution: The Notes described herein are being purchased by the agent named in the below table (the Agent), as principal, on the terms and conditions described in the prospectus supplement under the caption Plan of Distribution of Medium-Term Notes (Conflicts of Interest).

Agent	Aggregate Principal Amount of Notes to be Purchased
Goldman, Sachs & Co.	\$ 500,000,000
Total:	\$ 500,000,000

The Agent expects to deliver the Notes in book-entry form only through the facilities of The Depository Trust Company against payment in New York, New York on or about the fourth business day following the date of this Pricing Supplement. Trades of securities in the secondary market generally are required to settle in three business days, referred to as T+3, unless the parties to a trade agree otherwise. Accordingly, by virtue of the fact that the initial delivery of the Notes will not be made on a T+3 basis, investors who wish to trade the Notes before a final settlement will be required to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement.

The prospectus, prospectus supplement and this pricing supplement may be used by the Company, BNY Mellon Capital Markets, LLC and any other affiliate controlled by the Company in connection with offers and sales relating to the initial sales of securities and any market-making transaction involving the securities after the initial sale. These transactions may be executed at negotiated prices that are related to market prices at the time of purchase or sale, or at other prices. The Company and its affiliates may act as principal or agent in these transactions.

Edgar Filing: Bank of New York Mellon Corp - Form 424B2

The Agent and its affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging,

financing and brokerage activities. The Agent and its affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking services for the Company, for which they received or will receive customary fees and expenses.

We estimate that we will pay approximately \$90,000 for expenses, excluding underwriting discounts and commissions.

In the ordinary course of their various business activities, the Agent and its affiliates have made or held, and may in the future make or hold, a broad array of investments including serving as counterparties to certain derivative and hedging arrangements, and may have actively traded, and, in the future may actively trade, debt and equity securities (or related derivative securities), and financial instruments (including bank loans) for their own account and for the accounts of their customers and may have in the past and at any time in the future hold long and short positions in such securities and instruments. Such investment and securities activities may have involved, and in the future may involve, securities and instruments of the Company.
