Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On August 9, 2015, Rentech Nitrogen Partners, L.P. (the Partnership) entered into an Agreement and Plan of Merger (the Merger Agreement) with CVR Partners, LP (Parent), Lux Merger Sub 1 LLC (Merger Sub 1), Lux Merger Sub 2 LLC (Merger Sub 2) and Rentech Nitrogen GP, LLC (Partnership GP). Upon the terms and conditions set forth in the Merger Agreement, Merger Sub 1 will merge with and into the Partnership GP with the Partnership GP surviving the merger and Merger Sub 2 will simultaneously merge with and into the Partnership with the Partnership surviving the merger (the Mergers).

At the effective time of the Mergers (the Effective Time), each common unit representing limited partner interests in the Partnership (Partnership Common Units) issued and outstanding immediately prior to the Effective Time, other than certain units held by affiliates of Parent, will be converted into the right to receive (i) 1.04 common units representing limited partner interests in Parent (Parent Common Units) and (ii) \$2.57 in cash, without interest. In addition, at the Effective Time, all of the member interests in the Partnership GP outstanding immediately prior to the Effective Time will be automatically cancelled for no consideration. The merger consideration does not include any consideration attributable to Pasadena Holdings (as defined below). Phantom units granted and outstanding under the Partnership's equity plans and held by an employee who will continue in the employment of a Parent-affiliated entity upon closing of the Mergers will be cancelled and replaced with new incentive awards of substantially equivalent value and on similar terms. Each phantom unit granted and outstanding and held by (x) an employee who will not continue in employment of a Parent-affiliated entity, or (y) a director of Partnership GP will, upon closing of the Mergers, vest in full and be entitled to receive the merger consideration.

The Partnership and Parent have each made certain representations and warranties and agreed to certain covenants in the Merger Agreement. Each of the Partnership and Parent has agreed, among other things, subject to certain exceptions, to conduct its respective business in the ordinary course during the period from the date of the Merger Agreement to the earlier of the Effective Time and the termination of the Merger Agreement.

The closing of the Mergers is subject to the satisfaction or waiver of certain conditions, including, among others:

(i) the approval of the Merger Agreement and the Mergers by a majority of the outstanding Partnership Common Units (the Partnership Unitholder Approval);

(ii) the expiration or termination of all applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended;

(iii) the declaration of the effectiveness of the registration statement on Form S-4 to be filed by Parent in connection with the Mergers by the Securities and Exchange Commission; and

(iv) the sale of all of the limited liability company interests in Rentech Nitrogen Pasadena Holdings, LLC (Pasadena Holdings) to a third party or the spin-out of Pasadena Holdings to the Partnership's unitholders.

The Merger Agreement contains certain termination rights for the Partnership and Parent, including, among others, if (i) the Mergers are not consummated on or before April 30, 2016, which, in certain circumstances, may be extended to May 31, 2016 (the Outside Date); and (ii) if the Partnership Unitholder Approval is not obtained at the meeting held to vote thereon. The Merger Agreement also provides that (A) the Partnership may terminate the Merger Agreement to enter into a superior proposal, provided that the Partnership pays the Termination Fee and Parent Expenses Amount (as described below) and (B) Parent may terminate the Merger Agreement if the board of directors of the Partnership GP (the Partnership Board) changes its recommendation to Partnership unitholders to approve the Merger Agreement, provided that the Partnership pays the Termination Fee and Parent Expenses Amount.

The Merger Agreement provides for the payment of a termination fee of \$31.2 million (the Termination Fee) by the Partnership to Parent and/or the reimbursement of expenses in the amount of \$10.0 million (the Parent Expenses Amount) by the Partnership to Parent upon the termination of the Merger Agreement under specified

circumstances. Among these circumstances, if the Merger Agreement is terminated because the Outside Date occurs and the sale or spin-out of Pasadena Holdings has not occurred by such date other than as a result of a breach by Parent, then Parent will be entitled to the Parent Expenses Amount. If the Partnership enters into an alternative proposal within 12 months of such termination, then Parent will be entitled to the Termination Fee. If the Merger Agreement is terminated because the Partnership Unitholder Approval has not been obtained, then Parent will be entitled to the Parent Expenses Amount. If an alternative proposal has been communicated to the Partnership Board prior to the Partnership Unitholder Meeting and the Partnership enters into an alternative proposal within 12 months of such termination date, then Parent will be entitled to the Termination Fee.

Voting and Support Agreement

Simultaneously with the execution of the Merger Agreement, Parent entered into a Voting and Support Agreement (the Voting Agreement) with Rentech, Inc. and certain of its subsidiaries (the Partnership Majority Unitholders). The Partnership Majority Unitholders collectively hold 59.7% of the outstanding Partnership Common Units, which is sufficient to provide the Unitholder Approval. Pursuant to the Voting Agreement, the Partnership Majority Unitholders have agreed to vote all of their Partnership Common Units in favor of the Mergers and the adoption of the Merger Agreement at the meeting of the Partnership's unitholders called therefor. However, the Partnership Majority Unitholders will not be required to vote in favor of the Mergers if (i) the Partnership Board changes its recommendation to the Partnership unitholders regarding the Mergers and the Merger Agreement in accordance with the Merger Agreement or (ii) if a governmental authority of competent jurisdiction enters an order restraining, enjoining or otherwise prohibiting the Partnership Majority Unitholders or their affiliates from consummating the transactions contemplated by the Merger Agreement. The voting obligations will terminate upon the earliest to occur of (a) the consummation of the Mergers and (b) the termination of the Merger Agreement in accordance with its terms.

Among other things, the Partnership Majority Unitholders further agreed, subject to certain exceptions, (i) to non-solicitation provisions with respect to alternative proposals, and (ii) to transfer restrictions relating to their Partnership Common Units.

Registration Rights Agreement

Simultaneously with the execution of the Merger Agreement, Parent, the sole member of the Parent's general partner (the Sole Member) and the Partnership Majority Unitholders entered into a Registration Rights Agreement (the Registration Rights Agreement). Among other things, subject to the terms of the Registration Rights Agreement, (i) after the closing of the Mergers, Parent will cause a shelf registration statement covering all Parent Common Units received by the Partnership Majority Unitholders in the Mergers to become effective no later than the 120 days following the closing date of the Mergers and (ii) the Partnership Majority Unitholders will have unlimited piggyback registration rights and four demand take-down rights to sell Parent Common Units in over-night offerings, bought deals or other underwritten offerings.

Transaction Agreement

Simultaneously with the execution of the Merger Agreement, Parent, the Sole Member and the Partnership Majority Unitholders entered into a Transaction Agreement. Among other things, pursuant to the Transaction Agreement, (i) the Parent Common Units received by the Partnership Majority Unitholders in the Mergers will be subject to a six-month lock-up, (ii) the Partnership Majority Unitholders will be subject to one-year standstill provisions and (iii) the Partnership Majority Unitholders will have the right to appoint two directors to the Board of Directors of the general partner of Parent as long as they and certain of their permitted assignees hold at least 15% of the outstanding Parent Common Units and one director to the Board of Directors so long as they and their permitted assignees hold at least 7.5% of the outstanding Parent Common Units.
