Item 8.01 Other Events.

On August 20, 2015, Teradata Corporation (the Company) issued a press release announcing that the Board of Directors of the Company had authorized the repurchase of up to an additional \$500 million of the Company's shares through August 20, 2018 under its general open market share repurchase program, incremental to the amount still remaining under the current share repurchase program authorization that expires on December 15, 2017. Under the program, the Company may repurchase its common stock on the open market at management's discretion, in accordance with applicable securities rules regarding issuer repurchases. The Company has approximately \$860 million available under the open market share repurchase program as a result of the increased share repurchase authorization. The Company also maintains an open market dilution offset program under which the Company repurchases shares in the open market to offset shares purchased by employees from the Company under various employee benefit plans. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
