Introductory Statement

This Amendment No. 1 amends and supplements the Issuer Tender Offer Statement on Schedule TO filed by The Dow Chemical Company (TDCC) with the Securities and Exchange Commission on September 2, 2015 (the Schedule TO).

This Schedule TO relates to the offer by TDCC to exchange all shares of common stock of Blue Cube Spinco Inc. (Splitco common stock), par value \$0.001 per share, for shares of common stock of TDCC, par value \$2.50 per share (TDCC common stock), that are validly tendered and not properly withdrawn prior to the expiration of the Exchange Offer (as defined below). Immediately following consummation of the Exchange Offer, Blue Cube Acquisition Corp., a Delaware corporation (Merger Sub), which is a wholly-owned subsidiary of Olin Corporation (Olin), will merge (the Merger) with and into Blue Cube Spinco Inc. (Splitco), whereby the separate corporate existence of Merger Sub will cease and Splitco will continue as the surviving company and a wholly-owned subsidiary of Olin and each share of Splitco common stock will be converted into the right to receive 0.87482759 shares of common stock, par value \$1 per share, of Olin (Olin common stock), upon the terms and subject to the conditions set forth in the Prospectus, dated September 2, 2015 (the Prospectus), the Letter of Transmittal and the Exchange and Transmittal Information Booklet, copies of which are attached hereto as Exhibits (a)(1)(i), (a)(1)(ii) and (a)(1)(iii), respectively (which, together with any amendments or supplements thereto, collectively constitute the Exchange Offer). In connection with the Exchange Offer, Splitco has filed under the Securities Act of 1933, as amended (the Securities Act), a registration statement on Form S-4 and Form S-1 (Registration No. 333-204006) (the Registration Statement) to register the shares of Splitco common stock offered in exchange for shares of TDCC common stock tendered in the Exchange Offer and to be distributed in any pro rata dividend to the extent that the Exchange Offer is not fully subscribed. Olin has filed under the Securities Act a registration statement on Form S-4 (Registration No. 333-203990) to register the shares of Olin common stock into which shares of Splitco common stock will be converted in the Merger.

This Amendment No. 1 shall be read together with the Schedule TO. Except as specifically provided herein, this Amendment No. 1 does not modify any of the information previously reported on the Schedule TO.

Item 4. Terms of the Transaction.

Item 4(a) of the Schedule TO, which incorporates by reference the information contained in the Exchange Offer, is hereby amended and supplemented by adding the following thereto:

The final calculated per-share value of the shares of Dow common stock and the final calculated per-share value of shares of Splitco common stock, in each case determined in the manner described in the Prospectus dated September 2, 2015 (the Prospectus), would have resulted in an exchange ratio higher than the upper limit of 2.9318. Accordingly, the final exchange ratio has been set at 2.9318 shares of Splitco common stock for each share of Dow common stock accepted in the exchange offer. Based on the final calculated per-share value of Dow common stock and the final calculated per-share value of Splitco common stock, in each case determined in the manner described in the Prospectus, tendering shareholders will receive approximately \$1.02 of Olin common stock for each \$1.00 of Dow common stock accepted for exchange.

Because the upper limit is in effect, the exchange offer has been automatically extended to 8:00 a.m., New York City time, on October 5, 2015. Accordingly, Dow shareholders may tender or withdraw their shares of Dow common stock until that time by following the procedures described in the Prospectus, the Letter of Transmittal and the Exchange and Transmittal Information Booklet. The Merger is expected to occur after the completion of the exchange offer. The transactions are subject to customary closing conditions.

Because the exchange offer will be subject to proration if it is oversubscribed, the number of shares of Dow common stock that Dow accepts in the exchange offer may be less than the number of shares validly tendered. If the exchange offer is consummated but not fully subscribed, Dow will distribute all of the shares of Splitco common stock it continues to own as a pro rata dividend to all Dow shareholders whose shares of Dow common stock remain outstanding and have not been accepted for exchange in the exchange offer.

Based on the final exchange ratio, Dow will accept for exchange a maximum of 34,108,738 shares of Dow common stock in the exchange offer.

Item 12. Exhibits.

Item 12 of the Schedule TO is amended and supplemented by adding the following exhibits thereto:
