**GRAVITY ISSUES BUSINESS UPDATES**

**Termination of the license and distribution agreement for *Ragnarok Online II* with Gungho.**

Seoul, South Korea January 26, 2016 GRAVITY Co., Ltd. (NasdaqCM: GRVY) ( Gravity or Company ) announced today that its Board of Directors has approved a termination of the license and distribution agreement for *Ragnarok Online II* with Gungho Online Entertainment Inc. ( Gungho ), its majority shareholder. Gravity and Gungho entered into the license and distribution agreement on September 29, 2006, which granted Gungho the exclusive right to service *Ragnarok Online II* in Japan. However, *Ragnarok Online II* has not yet been launched in Japan and has had limited success in certain jurisdictions where the game has been launched. Therefore, in relation to *Ragnarok Online II* in Japan, after discussions with Gungho and due consideration, the Company s board of directors unanimously approved the termination of the license agreement with Gungho.

As part of the termination, US\$5 million in initial payments received from Gungho will be refunded in a manner mutually agreed by the parties. The Company also anticipates recognizing an impairment loss on intangible assets of approximately Won 4,605 million, which represents the total remaining capitalized development cost of *Ragnarok Online II*.

Currently, *Ragnarok Online II* is offered globally except for Japan and China. For service in China, a new version of *Ragnarok Online II* developed by Dream Square under a license from the Company is planned to be launched in the first quarter of 2017.

**Gravity enters into a memorandum of understanding to license *Ragnarok Online* to Dream Square.**

Gravity signed a memorandum of understanding (the MOU ) with Shanghai The Dream Network Technology Co., Ltd. ( Dream Square ), dated January 15, 2016.

The MOU sets forth the parties intention for Gravity to grant Dream Square the right to exclusively develop and distribute in China mobile games and web games based on the intellectual property of *Ragnarok Online* for 5 years. Pursuant to the MOU, and subject to the signing of a definitive agreement, Gravity may receive up to more than US\$10 million in minimum guaranteed royalties and royalties on gross sales. The terms and conditions of such definitive agreement are currently being negotiated between the parties.

Pursuant to an existing agreement, two *Ragnarok Online* IP-based mobile games developed by Dream Square are expected to be launched in China during 2016.

**Gravity to expand its business in Taiwan in 2016**

Gravity plans to expand its business in Taiwan in 2016, through direct game service and new launchings.

In November 2015, Gravity set up a representative office in Taipei City, Taiwan. Initiating direct game service in Taiwan, Gravity plans to launch *Ragnarok Prequel*, a web game developed by Dream Square, under the name of *Xianjing RO Chuanshuo WEB*, in the first quarter of 2016. Also, the Company expects to launch a mobile game, developed by a third party, in the second quarter of 2016.

In addition, Gravity plans to launch *Ragnarok Prequel* in more markets, including North America, Hong Kong and Thailand, during 2016.
