About McDermott

Leading provider of integrated engineering, procurement, construction and installation services for oil and gas field developments worldwide

At any given time, 40 or fewer active contracts typically spanning a duration of one to three years, performed in a variety of jurisdictions

and each ranging from less than \$50 million to more than \$2 billion in total contract value

Engaged and Highly Qualified Board

Board consists of highly qualified, independent directors with a breadth and variety of experience

Committed to thoughtful Board refreshment process, demonstrated by the recent appointment of a new, independent director with Middle East expertise

Stockholder input is a priority for the Board as evidenced by fall 2015 outreach to approximately 40% of our outstanding common stock, leading to meetings with stockholders representing approximately 30% of our outstanding common stock led by the Chair of our Compensation Committee and the Chair of our Governance Committee

**Strong Compensation Practices**

Significant emphasis on variable, at risk compensation that aligns pay with performance

**Rigorous**

financial performance metrics directly linked to Company strategy with disclosed performance goals

Compensation program reflects adherence to strong compensation governance practices

**Improved Financial and Operating Performance**

TSR for FY 2015 was 15%, as compared to our proxy peer group's TSR of -33%

FY 2015 operating income of \$91.2 million, which exceeded FY 2014 of \$8.6 million and FY 2013 of (\$456.7) million
