For your vote to be counted, you will need to communicate your voting decision before the date of the Annual Meeting. Table of Contents

If you hold your shares through a bank or broker, please follow their instructions.

Revoking Your Proxy

Stockholders of record may revoke their proxies by attending the Annual Meeting and voting in person, by filing an instrument in writing revoking the proxy or by filing another duly executed proxy bearing a later date with our Secretary before the vote is counted or by voting again using the telephone or Internet before the cutoff time (your latest telephone or Internet proxy is the one that will be counted). If you hold shares through a bank or broker, you may revoke any prior voting instructions by contacting that firm.

Votes Required to Adopt Proposals

Each share of our common stock outstanding on the Record Date is entitled to one vote on any proposal presented at the Annual Meeting:

For Proposal One, the election of directors, the three nominees receiving the greatest number of votes will be elected as directors.

For Proposal Two, a majority of the votes properly cast is required to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

Effect of Abstentions and Broker Non-Votes

Votes withheld from any nominee, abstentions and broker nonvotes (*i.e.*, where a broker has not received voting instructions from the beneficial owner and for which the broker does not have discretionary power to vote on a particular matter) are counted as present for purposes of determining the presence of a quorum. Shares voting withheld have no effect on the election of directors. Abstentions have no effect on the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

Under the rules that govern brokers holding shares for their customers, brokers who do not receive voting instructions from their customers have the discretion to vote uninstructed shares on routine matters, but do not have discretion to vote such uninstructed shares on non-routine matters. Only Proposal Two, the ratification of the appointment of Deloitte & Touche LLP, is considered a routine matter where brokers are permitted to vote shares held by them without instruction. If your shares are held through a broker, those shares will not be voted in the election of directors unless you affirmatively provide the broker instructions on how to vote. Proposal One is not considered a routine matter and brokers are not permitted to vote shares held by them and broker nonvotes will have no effect.

Voting Instructions

If you complete and submit your proxy voting instructions, the persons named as proxies will follow your instructions. If you submit proxy voting instructions but do not direct how your shares should be voted on each item, the persons named as proxies will vote **FOR** the election of the nominees for director and **FOR** the ratification of the

appointment of Deloitte & Touche LLP as our independent registered public accounting firm. The persons named as proxies will vote on any other matters properly presented at the Annual Meeting in accordance with their best judgment, although we have not received timely notice of any other matters that may be properly presented for voting at the Annual Meeting.

Voting Results

We will announce preliminary results at the Annual Meeting. We will report final results by filing a Form 8-K within four business days after the Annual Meeting. If final results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.

Table of Contents**Notice of Internet Availability of Proxy Materials**

In accordance with the rules of the Securities and Exchange Commission (the "SEC"), we have elected to furnish our proxy materials, including this Proxy Statement and our 2015 Annual Report, primarily via the Internet. On or about April 1, 2016, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") that contains instructions on how to access our proxy materials on the Internet, how to vote at the meeting, and how to request printed copies of the proxy materials and 2015 Annual Report. Stockholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of our annual meetings.

Additional Solicitation/Costs

We are paying for the distribution of the proxy materials and solicitation of the proxies. As part of this process, we reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to our stockholders. Proxy solicitation expenses that we will pay include those for preparation, mailing, returning and tabulating the Notice and proxies. Our directors, officers and employees may also solicit proxies on our behalf in person, by telephone, email or facsimile, but they do not receive additional compensation for providing those services.

Emerging Growth Company

As a company with less than \$1.0 billion in revenue during our last fiscal year, we qualify as an emerging growth company as defined in the Jumpstart Our Business Startups Act of 2012, or the JOBS Act. An emerging growth company may take advantage of specified reduced reporting requirements that are otherwise applicable generally to public companies. These provisions include:

- (1) an exemption from compliance with the auditor attestation requirement on the effectiveness of our internal control over financial reporting;
- (2) an exemption from compliance with any requirement that the Public Company Accounting Oversight Board may adopt regarding mandatory audit firm rotation or a supplement to the auditor's report providing additional information about the audit and the financial statements;
- (3) reduced disclosure about our executive compensation arrangements; and
- (4) exemptions from the requirements to obtain a non-binding advisory vote on executive compensation or a stockholder approval of any golden parachute arrangements.

We will remain an emerging growth company until the earliest to occur of: the last day of the fiscal year in which we have more than \$1.0 billion in annual revenue; the end of the fiscal year in which the market value of our common stock that is held by non-affiliates exceeds \$700 million as of the end of the second quarter of that fiscal year; the issuance, in any three-year period, by us of more than \$1.0 billion in non-convertible debt securities; and the last day of the fiscal year ending after the fifth anniversary of our initial public offering. We may choose to take advantage of some, but not all, of the available benefits under the JOBS Act. We have chosen to irrevocably opt out of the extended transition periods available under the JOBS Act for complying with new or revised accounting standards, but we intend to take advantage of certain of the other exemptions discussed above. Accordingly, the information contained herein may be different than the

information you receive from other public companies in which you hold stock.

PROPOSAL ONE:

ELECTION OF DIRECTORS

Number of Directors; Board Structure

Our Board is divided into three staggered classes of directors. One class is elected each year at the annual meeting of stockholders for a term of three years. The term of the Class I directors expires at the Annual Meeting. The term of the Class II directors expires at the 2017 annual meeting and the term of the Class III directors expires at the 2018 annual meeting. After the initial terms expire, directors are expected to be elected to hold office for a three-year term or until the election and qualification of their successors in office.

Nominees

Our Board has nominated William Christ, Chris Elshaw and Pamela Netzky for election as Class I directors to hold office until the 2019 annual meeting of stockholders or until their successors are duly elected and qualified, subject to their earlier resignation or removal. Each of the nominees is a current member of our Board and has consented to serve if elected.

Unless you direct otherwise through your proxy voting instructions, the persons named as proxies will vote all proxies received FOR the election of each nominee. If any nominee is unable or unwilling to serve at the time of the Annual Meeting, the persons named as proxies may vote for a substitute nominee chosen by the present Board. In the alternative, the proxies may vote only for the remaining nominees, leaving a vacancy on the Board. The Board may fill such vacancy at a later date or reduce the size of the Board. We have no reason to believe that any of the nominees will be unwilling or unable to serve if elected as a director.

Recommendation of the Board

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE NOMINEES.

The biographies of each of the nominees, continuing directors and executive officers below contain information regarding each such person's service as a director, business experience, director positions held currently or at any time during the last five years and the experiences, qualifications, attributes or skills that caused our Board to determine that the person should serve as a director of the company. In addition to the information presented below regarding each nominee's and continuing director's specific experience, qualifications, attributes and skills that led the Board to the conclusion that he or she should serve as a director, we also believe that each of our directors has a reputation for integrity, honesty and adherence to high ethical standards. Each of our directors has demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to our company and our Board. Finally, we value our directors' experience in relevant areas of business management and on other boards of directors and board committees.

Our corporate governance guidelines also dictate that a majority of the Board be comprised of independent directors whom the Board has determined have no material relationship with the company and who are otherwise independent directors under the published listing requirements of the New York Stock Exchange (the "NYSE").

CORPORATE GOVERNANCE

Our Board, which is elected by our stockholders, is responsible for directing and overseeing our business and affairs. In carrying out its responsibilities, the Board selects and monitors our top management, provides oversight of our financial reporting processes and determines and implements our corporate governance policies. A copy of our corporate governance guidelines can be found on our website at <https://investors.amplifysnackbrands.com>.

Our Board and management are committed to good corporate governance to ensure that we are managed for the long-term benefit of our stockholders, and we have a variety of policies and procedures to promote such goals. To that end, during the past year, our management periodically reviewed our corporate governance policies and practices to ensure that they remain consistent with the requirements of the Sarbanes-Oxley Act of 2002 (the Sarbanes-Oxley Act), SEC rules and the listing standards of NYSE.

Besides verifying the independence of the members of our Board and committees (which is discussed in the section titled "Independence of the Board of Directors" below), at the direction of our Board, we also:

Periodically review and make necessary changes to the charters for our audit, compensation and nominating and corporate governance committees;

Have established disclosures control policies and procedures in accordance with the requirements of the Sarbanes-Oxley Act and the rules and regulations of the SEC;

Have a procedure for receipt and treatment of anonymous and confidential complaints or concerns regarding audit or accounting matters in place; and

Have a code of business conduct and ethics that applies to our officers, directors and employees. In addition, we have adopted a set of corporate governance guidelines. The nominating and corporate governance committee is responsible for reviewing our corporate governance guidelines from time to time and reporting and making recommendations to the Board concerning corporate governance matters. Our corporate governance guidelines address such matters as:

Director Independence Independent directors must constitute at least a majority of our Board;

Monitoring Board Effectiveness The Board must conduct an annual self-evaluation of the Board and its committees;

Board Access to Independent Advisors Our Board as a whole, and each of its committees separately, have authority to retain independent experts, advisors or professionals as each deems necessary or appropriate; and

Board Committees All members of the audit, compensation and nominating and corporate governance committees are independent in accordance with applicable SEC and NYSE criteria.

Table of Contents

Meetings of the Board of Directors

Our Board held seven meetings in fiscal year 2015. Each director attended at least 75% of all meetings of the Board and the committees on which they served that were held during fiscal year 2015. Under our corporate governance guidelines, directors are expected to spend the time needed and meet as frequently as our Board deems necessary or appropriate to discharge their responsibilities. Directors are also expected to make efforts to attend our annual meeting of stockholders, all meetings of the Board and all meetings of the committees on which they serve.

Code of Business Conduct and Ethics

Our Board has adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, including our Chief Executive Officer, Chief Financial Officer, and other executive and senior financial officers. A copy of our code of business conduct and ethics is available on our Internet website at <https://investors.amplifysnackbrands.com> and may also be obtained without charge by contacting our Secretary at Amplify Snack Brands, Inc., 500 West 5th Street, Suite 1350, Austin, Texas 78701. We intend to disclose any amendments to our code of business conduct and ethics, or waivers of its requirements, on our website or in filings under the Securities Exchange Act of 1934, as amended (the Exchange Act), as required by the applicable rules and exchange requirements. During fiscal year 2015, no waivers were granted from any provision of the code of business conduct and ethics.

Independence of the Board of Directors

Our Board has undertaken a review of the independence of each director. Based on information provided by each director concerning his or her background, employment, and affiliations, our Board has determined that Ms. Hudson and Messrs. Christ, Barber, Elshaw and Haley do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is independent as that term is defined under the applicable rules and regulations of the SEC, and the listing standards of the NYSE. In making these determinations, our Board considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director, and the transactions involving them described in the section titled Related Party Transactions. Mr. Christ is a member of the audit committee and is not considered an independent director under NYSE listing standards for purposes of the audit committee as that term is defined in Rule 10A-3(b) of the Exchange Act as discussed in the section titled Audit Committee.

Board's Role in Risk Oversight

Our Board's role in overseeing the management of our risks is conducted primarily through committees of our Board, as disclosed in the descriptions of each of the committees below and in the charters of each of the committees. Our full Board (or the appropriate board committee in the case of risks that are under the purview of a particular committee) discusses with management our major risk exposures, their potential impact on our company, and the steps we take to manage them. When a board committee is responsible for evaluating and overseeing the management of a particular risk or risks, the chairperson of the relevant committee reports on the discussion to the full Board during the committee reports portion of the next Board meeting. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

Risks Related to Compensation Policies and Practices

As part of its oversight function, our Board, and our compensation committee in particular, along with our management team, considers potential risks when reviewing and approving various compensation plans, including executive compensation. Based on this review, our Board has concluded that such compensation plans, including executive compensation, do not encourage risk taking to a degree that is reasonably likely to have a materially adverse impact on us or our operations.

Board Leadership Structure

We believe that the structure of our Board and its committees provides strong overall management of our company. Our Chairman of our Board and our Chief Executive Officer roles are separate. This structure enables each person to focus on different aspects of company leadership. Our Chief Executive Officer is responsible for setting the strategic direction of our company, the general management and operation of the business and the guidance and oversight of senior management. The Chairman of our Board monitors the content, quality and timeliness of information sent to our Board and is available for consultation with our Board regarding the oversight of our business affairs.

We believe this structure of a separate Chairman of our Board and Chief Executive Officer, reinforces the independence of our Board as a whole and results in an effective balancing of responsibilities, experience and independent perspective that meets the current corporate governance needs and oversight responsibilities of our Board.

Committees of the Board of Directors

Our Board has established an audit committee, a compensation committee, and a nominating and corporate governance committee. The composition and responsibilities of each committee are described below. Members serve on these committees until their resignation or until otherwise determined by our Board. Each of the audit, compensation, and nominating and corporate governance committees operates pursuant to a separate written charter adopted by our Board that is available to stockholders on our Internet website at <https://investors.amplifysnackbrands.com>.

Audit Committee

Our audit committee consists of Messrs. Christ, Elshaw, and Haley, with Mr. Haley serving as Chair. Under the NYSE listing standards and applicable SEC rules, we are required to have three members of the audit committee. Subject to phase-in rules, the NYSE and Rule 10A-3 of the Exchange Act requires that the audit committee of a listed company be comprised solely of independent directors. We have twelve months from the date our securities were first listed on the NYSE to comply with the audit committee independence requirements. Mr. Christ, who is not an independent director for audit committee purposes because of his association with TA Associates, will serve on the audit committee until an additional independent director is appointed. The other members named in this committee are independent. Each member of our audit committee meets the financial literacy requirements of the listing standards of the NYSE. Mr. Haley is an audit committee financial expert within the meaning of Item 407(d) of Regulation S-K under the 1933 Securities Act, as amended, (the "Securities Act"). Our audit committee, among other things:

selects a qualified firm to serve as the independent registered public accounting firm to audit our consolidated financial statements;

helps to ensure the independence and performance of the independent registered public accounting firm;

discusses the scope and results of the audit with the independent registered public accounting firm, and reviews, with management and the independent registered public accounting firm, our interim and year-end results of operations;

develops procedures for employees to submit concerns anonymously about questionable accounting or audit matters;

reviews our policies on risk assessment and risk management;

reviews related party transactions;

Table of Contents

obtains and reviews a report by the independent registered public accounting firm at least annually, that describes our internal control procedures, any material issues with such procedures and any steps taken to deal with such issues; and

approves (or, as permitted, pre-approves) all audit and all permissible non-audit services, other than *de minimis* non-audit services, to be performed by the independent registered public accounting firm.

Our audit committee operates under a written charter that satisfies the applicable rules of the SEC and the listing standards of the NYSE. Our audit committee held six meetings during fiscal year 2015.

Compensation Committee

Our compensation committee consists of Messrs. Barber, Elshaw, and Ms. Hudson, with Ms. Hudson serving as Chairperson. The composition of our compensation committee meets the requirements for independence under the listing standards of the NYSE and SEC rules and regulations. Each member of the compensation committee is also a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Exchange Act, and an outside director, as defined pursuant to Section 162(m) of the Code. The purpose of our compensation committee is to discharge the responsibilities of our Board relating to compensation of our executive officers. Our compensation committee, among other things:

reviews, approves and determines, or make recommendations to our Board regarding, the compensation of our executive officers;

administers our stock and equity incentive plans, including approval of all equity grants;

reviews and approves and makes recommendations to our Board regarding incentive compensation and equity plans; and

establishes and reviews general policies relating to compensation and benefits of our employees.

Our compensation committee operates under a written charter that satisfies the applicable rules of the SEC and the listing standards of the NYSE.

Our compensation committee held five meetings during fiscal year 2015.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee consists of Messrs. Barber, Christ, Elshaw and Haley and Ms. Hudson, with Mr. Christ serving as Chairman. The composition of our nominating and corporate governance committee meets the requirements for independence under the listing standards of the NYSE and SEC rules and regulations. Our nominating and corporate governance committee, among other things:

identifies, evaluates and selects, or makes recommendations to our Board regarding, nominees for election to our Board and its committees;

evaluates the performance of our Board and of individual directors;

considers and makes recommendations to our Board regarding the composition of our Board and its committees;

reviews developments in corporate governance practices;

evaluates the adequacy of our corporate governance practices and reporting; and

develops and makes recommendations to our Board regarding corporate governance guidelines and governance matters.

Table of Contents

The nominating and corporate governance committee operates under a written charter that satisfies the applicable listing requirements and rules of the NYSE. Our nominating and corporate governance committee held two meetings during fiscal year 2015.

Identifying and Evaluating Director Nominees

The Board has delegated to the nominating and corporate governance committee the responsibility of identifying suitable candidates for nomination to the Board (including candidates to fill any vacancies that may occur) and assessing their qualifications in light of the policies and principles in these corporate governance guidelines and the committee's charter. The nominating and corporate governance committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the nominating and corporate governance committee deems to be appropriate in the evaluation process. The nominating and corporate governance committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board. Based on the results of the evaluation process, the nominating and corporate governance committee recommends candidates for the Board's approval as director nominees for election to the Board.

Minimum Qualifications

Our nominating and corporate governance committee uses a variety of methods for identifying and evaluating director nominees and will consider all facts and circumstances that it deems appropriate or advisable. In its identification and evaluation of director candidates, our nominating and corporate governance committee will consider the current size and composition of our Board and the needs of our Board and the respective committees of our Board. Some of the qualifications that our nominating and corporate governance committee considers include, without limitation, issues of character, ethics, integrity, judgment, diversity of experience, independence, skills, education, expertise, business acumen, length of service, understanding of our business and industry, potential conflicts of interest and other commitments. Nominees must also have proven achievement and competence in their field, the ability to offer advice and guidance to our management team, the ability to make significant contributions to our success, and an understanding of the fiduciary responsibilities that are required of a director. Director candidates must have sufficient time available in the judgment of our nominating and corporate governance committee to perform all board of director and committee responsibilities. Members of our Board are expected to prepare for, attend, and participate in all board of director and applicable committee meetings. Other than the foregoing, there are no stated minimum criteria for director nominees, although our nominating and corporate governance committee may also consider such other factors as it may deem, from time to time, are in our and our stockholders' best interests.

Although our Board does not maintain a specific policy with respect to board diversity, our Board believes that our Board should be a diverse body, and our nominating and corporate governance committee considers a broad range of backgrounds and experiences. In making determinations regarding nominations of directors, our nominating and corporate governance committee may take into account the benefits of diverse viewpoints. Our nominating and corporate governance committee also considers these and other factors as it oversees the annual Board and committee evaluations. After completing its review and evaluation of director candidates, our nominating and corporate governance committee recommends to our full Board the director nominees for selection.

Stockholder Recommendations

Stockholders may submit recommendations for director candidates to the nominating and corporate governance committee by sending the individual's name and qualifications to our Secretary at Amplify Snack Brands, Inc., 500 West 5th Street, Suite 1350, Austin, Texas 78701, who will forward all recommendations to the nominating and

corporate governance committee. The nominating and corporate governance committee will evaluate any candidates recommended by stockholders against the same criteria and pursuant to the same policies and procedures applicable to the evaluation of candidates proposed by directors or management.

OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

EXECUTIVE COMPENSATION

Overview

Our compensation programs are designed to:

attract, motivate and retain employees at the executive level who contribute to our long-term success;

provide compensation packages to our executives that are competitive, reward the achievement of our business objectives and effectively align their interests with those of our stockholders; and

increase the incentive to achieve key strategic performance measures by linking incentive award opportunities to the achievement of performance objectives and by providing a portion of total compensation for executive officers in the form of ownership in the company.

Our compensation committee is primarily responsible for developing and implementing our compensation policies and establishing and approving the compensation for all of our executive officers. The compensation committee oversees our compensation and benefit plans and policies, administers our equity incentive plans and reviews and

approves annually all compensation decisions relating to all of our executive officers, including our Chief Executive Officer. The compensation committee considers recommendations from our Chief Executive Officer regarding the compensation of our executive officers other than himself. Our compensation committee has the authority under its charter to engage the services of a consulting firm or other outside advisor to assist it in designing our compensation programs and in making compensation decisions. In 2015, the compensation committee retained Aon Hewitt as its independent compensation consultant.

Executive Compensation Components

Our executive compensation consists of base salary, cash incentive bonuses, long-term incentive compensation, and broad-based benefits programs. We have not adopted any formal guidelines for allocating total compensation between long-term and short-term compensation, cash compensation and non-cash compensation, or among

Table of Contents

different forms of non-cash compensation. The compensation committee considers a number of factors in setting compensation for our executive officers, including Company performance, as well as the executive's performance, experience, responsibilities and the compensation of executive officers in similar positions at comparable companies.

Summary Compensation Table 2015

The following table presents information regarding the compensation awarded to, earned by, and paid to each individual who served as our principal executive officer and the two most highly-compensated executive officers (other than the principal executive officer) as of the last day of the fiscal year ended December 31, 2015 (such individuals collectively referred to as our Named Executive Officers). The following table also presents information regarding the compensation awarded to, earned by, and paid to each of our Named Executive Officer during the fiscal year ended December 31, 2014.

Pursuant to SEC rules, these amounts exclude the impact of estimated forfeitures related to service-based vesting conditions. The assumptions used in calculating the aggregate grant date fair value of the shares reported in the Stock Awards column are set forth in our financial statements included in our 2015 Annual Report for the fiscal year ended December 31, 2015. The amounts reported in this column reflect the accounting cost for these shares and do not correspond to the actual economic value that may be received by the Named Executive Officers for the shares.
- (2) Messrs. Ennis, Goldberg and Shiver each received a one-time lump sum performance bonus equal to \$500,000, \$350,000 and \$300,000, respectively, for exceptional performance during the fiscal year ended December 31, 2015. In addition, in July 2015, Mr. Ennis received a one-time retention bonus equal to \$415,000 for completing one year of employment with the Company.

Bonuses

In connection with our Public Offering in August 2015, we paid one-time lump sum performance bonuses equal to \$500,000, \$350,000 and \$300,000 to Messrs. Ennis, Goldberg and Shiver, respectively. We determined that these performance bonuses were warranted based on the exceptional leadership of each of Messrs. Ennis, Goldberg and Shiver, who drove the Company's continued growth trajectory during 2015 while also preparing the Company for its Public Offering. Our Board reviewed the efforts of these individuals during this time period and determined their performance, in this unique situation, to be above and beyond what was expected as part of their existing employment arrangements (as described below). As such, our Board approved these one-time, transaction-related bonuses, which were derived based on a calculation of (i) one times the base salary for Mr. Ennis, and (ii) one times the base salary plus \$50,000 for Messrs. Goldberg and Shiver. In 2015, Mr. Ennis was also paid a one-time retention bonus equal to \$415,000, for completing one year of employment with the Company in July 2015, as provided for in his Prior Agreement (as defined below).

Table of Contents

In addition, with respect to the fiscal year ended December 31, 2015, Messrs. Ennis, Goldberg and Shriver each earned an annual performance bonus under the Company's bonus plan, based on the Company's achievement of net revenue and EBITDA targets. Based on the Company's achievement of the relevant performance goals for 2015, our Board determined that the bonuses would be paid at 151.3% of target for each of Messrs. Ennis, Goldberg and Shriver.

Changes in Compensation for our Named Executive Officers

On March 24, 2016, the compensation committee of the Board approved, effective January 1, 2016: (i) an increase to the target annual cash incentive bonus (as a percentage of each named executive officer's annual base salary) for Mr. Ennis, Mr. Goldberg and Mr. Shriver from 50%, 50% and 50%, respectively, to 85%, 60% and 60%, respectively and (ii) an increase in the annual base salary for Mr. Shriver from \$250,000 to \$300,000.

Employment Agreements and Termination of Employment and Change in Control Arrangements

We had initially entered into employment agreements with each of our Named Executive Officers prior to our Public Offering (collectively, the "Prior Agreements"), which were replaced with new employment agreements, as further described below, in connection with our Public Offering. These new employment agreements set forth the terms and conditions of employment of each Named Executive Officer, including initial base salary, target annual bonus opportunity and standard employee benefit plan participation. These new employment agreements also contain provisions that provide for certain payments and benefits in the event of a termination of employment.

New Employment Agreements for our Named Executive Officers

In July 2015, we entered into new employment agreements with each of Messrs. Ennis, Goldberg and Shriver, effective as of the completion of our initial offering, pursuant to which the executives will continue to serve as our Chief Executive Officer, Chief Financial Officer and Executive Vice President of Sales, respectively. The terms of the new employment agreements are substantially similar to each other and provide for at-will employment. The agreements also set forth initial base salaries of \$500,000, \$300,000 and \$250,000 for Messrs. Ennis, Goldberg and Shriver, respectively, annual target bonuses of 50% of each executive's applicable base salary, eligibility to participate in benefit plans generally and reimbursement of up to \$1,100 per month for automobile-related expenses and mobile telephone charges. The base salary for Mr. Shriver and the annual target bonuses for Messrs. Ennis, Goldberg and Shriver were increased in 2016, as described above.

Involuntary Termination of Employment

Pursuant to the new employment agreements, in the event the applicable Named Executive Officer is terminated by us without cause (as defined in the agreement) or he resigns for good reason (as defined in the agreement), subject to the delivery of a fully effective release of claims and continued compliance with applicable restrictive covenants, the Named Executive Officer will be entitled to (i) a cash severance equal to 100% of his base salary (payable in 12 equal installments) and (ii) up to 12 monthly cash payments equal to our monthly contribution for health insurance for the Named Executive Officer.

Involuntary Termination of Employment in Connection with a Change in Control

In the event the applicable Named Executive Officer is terminated by us without cause or he resigns for good reason, each within 24 months following a change in control (as defined in the agreement), subject to the delivery of a fully effective release of claims and continued compliance with applicable restrictive covenants, the Named Executive

Officer will not be entitled to the severance benefits described above, but will instead be entitled to the following: (i) a cash severance equal to 200% of his base salary (payable in 24 equal installments), (ii) up to 24 monthly cash payments equal to our monthly contribution for health insurance for the Named Executive Officer and (iii) full accelerated vesting of all outstanding and unvested equity awards of the Company held by the Named Executive Officer.

Table of Contents

The payments and benefits provided under the new employment agreements in connection with a change in control may not be eligible for federal income tax deduction for the Company pursuant to Section 280G of the Internal Revenue Code. These payments and benefits may also be subject to an excise tax under Section 4999 of the Internal Revenue Code. If the payments or benefits payable to each Named Executive Officer in connection with a change in control would be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code, then those payments or benefits will be reduced if such reduction would result in a higher net after-tax benefit to him.

Pursuant to the new employment agreements, each of the Named Executive Officers will be subject to standard perpetual confidentiality and nondisclosure, assignment of IP work product and 18-month post-termination noncompetition and non-solicitation of employees, independent contractors and customers covenants.

Change in Control

The new employment agreements also provide that in the event of a change in control where the parties thereto do not provide for the assumption, continuation or substitution of equity awards of the Company, any and all outstanding and unvested equity awards held by the applicable Named Executive Officer with vesting, conditions or restrictions that are solely time-based, will become fully vested as of the effective time of the change in control.

Section 401(k) Plan

We maintain a tax-qualified retirement plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax-advantaged basis. Plan participants are able to defer eligible compensation subject to applicable annual Code limits. We have the ability to make discretionary contributions to the 401(k) plan but have not done so to date. The 401(k) plan is intended to be qualified under Section 401(a) of the Code with the 401(k) plan's related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan.

Director Compensation

Prior to our Public Offering in August 2015, we did not have a formal policy or plan under which to make equity award grants or to pay cash retainers to our non-employee directors. Non-employee directors who were not affiliated with TA Associates generally received a cash fee of \$15,000 for every meeting attended in person and \$5,000 for every meeting attended telephonically, as well as an initial equity grant of 180,444 shares of restricted stock. Employee directors did not receive additional compensation for service as a member of our Board. In July 2015, our Board adopted a non-employee director compensation policy, effective as of the date of our Public Offering, which is designed to provide a total compensation package that enables us to attract and retain, on a long-term basis, high-caliber non-employee directors. Under this policy, all non-employee directors will be paid cash compensation as

set forth below:

Board of Directors	Annual Retainer	
All non-employee members	\$	55,000
	Additional Annual Retainers	
Chairperson of the board of directors	\$	35,000
Audit Committee Chairperson	\$	15,000
Audit Committee member	\$	2,500
Compensation Committee Chairperson	\$	10,000
Compensation Committee member	\$	2,500
Nominating and Corporate Governance Committee Chairperson	\$	5,000
Nominating and Corporate Governance Committee member	\$	2,500

In addition, under the policy, we will reimburse all reasonable out-of-pocket expenses incurred by non-employee directors in attending Board or committee meetings.

The assumptions used in calculating the aggregate grant date fair value of shares reported in the Stock Awards column are set forth in our financial statements included in our 2015 Annual Report for the fiscal year ended December 31, 2015. The amounts reported in this column reflect the accounting cost for these shares and do not correspond to the actual economic value that may be received by the directors for the shares.

Senior Advisor Agreements for Andrew Friedman and Pamela Netzky

Prior to July 2014, Mr. Friedman and Ms. Netzky served as our Chief Executive Officer and President, respectively. In July 2014, the Company entered into an agreement with each of Mr. Friedman and Ms. Netzky for the position of

Table of Contents

Senior Advisor. The terms of the agreements were until December 31, 2015. The agreements set forth each individual's initial annual base salary of \$200,000 and eligibility to participate in our benefit plans generally. The agreements also provided for each individual's eligibility to receive a cash payment of up to \$10 million (the "Cash Payment"), based on achievement by the Company of certain contribution margin metrics during the period commencing on January 1, 2015 and ending on December 31, 2015. In March 2016, we made a payment of \$9,250,000 to each of Mr. Friedman and Ms. Netzky as full payment of the Cash Payments. Furthermore, in connection with the payments, the agreements provided each individual with an additional tax benefit equal to (i) in the case of the taxable year in which the Cash Payment is paid or any subsequent taxable year, the net excess (if any) of (A) the taxes that would have been paid by the Company in respect of such taxable year calculated without taking into account the payment of the Cash Payment over (B) the actual taxes payable by the Company in respect of such taxable year and (ii) in the case of any taxable year prior to the year in which the Cash Payment is paid, the amount of any tax refund resulting from carrying back any operating losses to the extent attributable to the Cash Payment. In December 2014, Mr. Friedman and Ms. Netzky each entered into an agreement with the Company, pursuant to which each individual received an advancement of \$750,000 of the Cash Payment in 2014. The agreements did not subject Mr. Friedman or Ms. Netzky to any clawback provisions with respect to the advanced Cash Payment and neither individual had any obligation to repay such amount to the Company under any circumstances.

Mr. Friedman and Ms. Netzky are each subject to standard perpetual confidentiality and nondisclosure and assignment of intellectual property work product covenants, as well as noncompetition and non-solicitation of employees, independent contractors and customers covenants through the later of (1) seven years after July 17, 2014 and (2) 18 months after Mr. Friedman or Ms. Netzky, as applicable, ceases to provide services to the Company.

For each of Mr. Friedman and Ms. Netzky, in the event of a termination due to death, by the Company without cause or by the individual for good reason, and subject to his or her, as applicable, delivery of a fully effective release of claims, the individual would have been entitled to continued base salary through December 31, 2015 (paid in accordance with the Company's standard payroll procedures) and a monthly payment equal to the executive's COBRA premium through December 31, 2015. In addition, each individual would have remained eligible to receive the Cash Payment as if he or she were still providing services to the Company.

Table of Contents

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, we believe that for 2015, except for two late filings (one Form 3 and Form 4) for one of our directors, all required reports were filed on a timely basis under Section 16(a).

RELATED PARTY TRANSACTIONS

Certain Relationships and Transactions

Other than the transactions discussed below and the compensation agreements, equity compensation policies, grants of certain equity awards and other arrangements which are discussed above in Executive Compensation, in 2015, there was not, and there is not currently proposed, any transaction or series of similar transactions to which we were or will be a party for which the amount involved exceeds or will exceed \$120,000 and in which any director, executive officer, holder of 5% or more of any class of our capital stock or any member of their immediate family had or will have a direct or indirect material interest.

The May 2015 Special Dividend

In May 2015, SkinnyPop made a distribution of \$22.3 million to us which we distributed to our parent, which subsequently distributed such proceeds to its unit holders. We refer to this distribution as the May 2015 Special Dividend. The May 2015 Special Dividend was paid to provide a return on investment and liquidity to our equityholders and was not used to pay any part of the consideration of the purchase of SkinnyPop. We paid for the May 2015 Special Dividend with the proceeds from borrowings under our third amended credit facility.

The Board considered a number of different factors in making its determination to declare and distribute May 2015 Special Dividend using proceeds from the Company's third amended credit facility. As an overall objective, the Board desired to provide its stockholders with a modest return on equity capital in a manner that also optimized the Company's balance sheet from a corporate finance perspective. Given the Company's historical levels of operating cash flow less capital expenditures, the Board believed that incurring additional indebtedness at historically-favorable market rates would allow the Company to reduce its cost of capital, while at the same time preserving the Company's ability to fund future acquisitions and meet the Company's future growth objectives. The Board reviewed various analyses (some of which were prepared for the Board by independent third party advisors) regarding the Company's expected pro forma interest and fixed charge coverage ratios and the Company's ongoing ability to meet its pro forma debt service requirements for the foreseeable future. After considering all of these factors, the Board determined to pay the May 2015 Special Dividend, and to fund the dividend using proceeds from the Company's third amended credit facility.

Registration Rights Agreement

We have entered into a Registration Rights Agreement with certain holders of our common stock. The Registration Rights Agreement provides such stockholders with rights with respect to the registration of their shares under the Securities Act. The registration rights set forth in the Registration Rights Agreement will terminate, with respect to any particular stockholder, with the prior written consent of TA Associates in connection with a Change of Control (as defined in the Registration Rights Agreement), on the date such stockholder does not beneficially own any shares subject to the agreement, or, if earlier, when such stockholder is able to freely trade its shares without restriction on the basis of the volume limitations under Rule 144 of the Securities Act. We will pay the registration expenses (other than underwriting discounts, selling commissions and stock transfer taxes) of the holders of the shares registered pursuant to the registrations described below. In an underwritten offering, the managing underwriter, if any, has the right, subject to specified conditions, to limit the number of shares such holders may include.

Stockholders Agreement

We and entities affiliated with TA Associates have entered into a stockholders agreement which we refer to as our stockholders agreement. Under our stockholders agreement, TA Associates has the right to designate three of the members of our Board if TA Associates owns at least 50% or more of the shares they held immediately following

Table of Contents

the Public Offering regardless of the percentage such shares represent of our total outstanding shares, two members of our Board if TA Associates owns between 25% and 50% of the shares they held immediately following the Public Offering regardless of the percentage such shares represent of our total outstanding shares and one member of our Board if TA Associates owns between 12.5% and 25% of the shares they held immediately following the Public Offering regardless of the percentage such shares represent of our total outstanding shares.

Our stockholders agreement provides that so long as the entities affiliated with TA Associates hold at least 25% of the shares they held immediately following our Public Offering regardless of the percentage such shares represent of our total outstanding shares, we, and our subsidiaries, shall not take the following actions (or enter into an agreement to take such actions) without the approval of at least one director designated by TA Associates:

increase or decrease the authorized number of members of our Board;

amend our amended and restated certificate of incorporation or amended and restated bylaws or the organizational documents of any of our subsidiaries;

issue, create or assume any debt or equity security or debt obligation, or refinance, repurchase or prepay any security (other than repurchases of our common stock in accordance with agreements previously approved by our Board, including at least one director designated by TA Associates) or debt obligation;

pay or declare any dividend or make any distribution on, or repurchase or redeem shares of our common stock (other than repurchases of our common stock in accordance with agreements previously approved by our Board, including at least one director designated by TA Associates);

effect any sale, liquidation or dissolution of the Company, or sell, transfer or otherwise dispose of any of the material assets or properties of the Company or any of its subsidiaries, or merge with or into, or consolidate with, another entity or effect any recapitalization, reorganization, change of form of organization, forward or reverse split, dividend or similar transaction;

acquire any business, material assets or property for consideration in excess of \$15,000,000, whether by acquisition of assets, capital stock or otherwise, and whether in consideration of the payment of cash, the issuance of capital stock or otherwise or make any investment in any person or entity in an amount in excess of \$15,000,000;

hire or terminate any our executive officers, or enter into, amend or modify or waive any material term of any employment agreement or material term of employment with any of our executive officers; or

take any action to initiate, to cause or that would result in, the voluntary bankruptcy, insolvency, dissolution, liquidation or winding up of the Company or any of its subsidiaries.

Tax Receivable Agreement

The former holders of existing units in our previous parent company entered into a tax receivable agreement giving them the right to receive future payments. In 2015, all of the former holders of existing units in our previous parent company collectively assigned their interests to a new counterparty. This tax receivable agreement provides that we will be obligated to make annual payments to the counterparty equal to 85% of the U.S. federal, state and local tax benefits realized by us and our subsidiaries from the utilization of certain tax attributes that were generated when we were acquired by affiliates of TA Associates in July 2014. We will retain approximately 15% of the U.S. federal, state and local tax benefits realized from the utilization of such tax attributes. Unless earlier terminated in accordance with its terms, the tax receivable agreement will continue in force and effect until there is no further potential for tax benefit payments to be made by us to the counterparty in respect of the historical U.S. federal, state and local tax benefits that are the subject of the agreement. Based on current tax rules and regulations as of the date of this prospectus, we would expect the potential for tax benefit payments to cease no later than 2030 (or approximately fifteen years after the date of this offering).

Table of Contents

The amount payable to the holders of existing units in the previous parent company under the tax receivable agreement will be based on an annual calculation of the reduction in our U.S. federal, state and local taxes resulting from the utilization of these tax attributes. For purposes of determining the reduction in taxes resulting from the utilization of pre-IPO tax attributes, we are required to assume that pre-IPO tax attributes are utilized before any other attributes. We expect that the payments that we may make under the tax receivable agreement may be substantial. Assuming no material changes in the relevant tax law and that we earn sufficient taxable income to realize all tax benefits that are subject to the tax receivable agreement, we expect that the reduction in tax payments for us associated with the federal, state and local tax benefits described above would aggregate to approximately \$113.1 million through 2030. Under such scenario we would be required to pay the holders of existing units in our previous parent company 85% of such amount, or \$96.1 million through 2030. The actual amounts may materially differ from these hypothetical amounts, as potential future reductions in tax payments for us and tax receivable agreement payments by us will be calculated using prevailing tax rates applicable to us over the life of the tax receivable agreement and will be dependent on us generating sufficient future taxable income to realize the benefit. Payments will be made by us on an annual basis (assuming we earn sufficient taxable income in a given fiscal year so as to realize tax benefits) and generally within 60 days following the filing by us of our U.S. federal income tax return for the preceding fiscal year. In addition, if the IRS were to successfully challenge the tax benefits that give rise to any payments under the tax receivable agreement, our future payments under the tax receivable agreement to the counterparty would be reduced by the amount of such payments, but the tax receivable agreement does not require the counterparty to reimburse us for the amount of such payments to the extent they exceed any future amounts payable under the tax receivable agreement.

Payment under the tax receivable agreement may be accelerated in the event of certain mergers, stock or asset sales, other forms of combinations or other changes of control or upon a breach by us of our material obligations under the tax receivable agreement (such as by failing to make a payment within three months of the date on which such payment is due). Such accelerated payment would be based on the present value of projected future payments under the tax receivable agreement as of the date of the accelerating event. Such projected future payments could differ from the payments that would otherwise have resulted under the tax receivable agreement from our actual tax benefits realized from utilizing the pre-IPO tax attributes.

Our obligation to make timely payments under the tax receivable agreement is not conditioned upon, and will not be modified based upon, our historical net income for any previous period or our ability to generate net income in any future period. If, however, we fail to make any payments on a timely basis under the tax receivable agreement because we do not have sufficient funds to make such payment despite using reasonable best efforts to obtain funds to make such payment (including by causing our subsidiaries to distribute or lend funds to us for such payment and accessing any sources of available credit to fund such payment), such failure will not be deemed to be a breach of a material obligation under the tax receivable agreement that would give rise to an acceleration of our payment obligations under the agreement. To the extent that we are unable to make timely payments under the tax receivable agreement for this or any other reason, the unpaid amounts will be deferred and will accrue interest until paid by us.

Other Transactions

We have granted stock options and other equity awards to our executive officers and certain of our directors. See the sections titled [Outstanding Equity Awards at Fiscal Year-End Table 2015](#) and [Director Compensation Table 2015](#) for a description of these options and equity awards.

We have entered into arrangements with certain of our executive officers that, among other things, provide for certain severance and change in control benefits.

We believe the terms of the transactions described above were comparable to terms we could have obtained in arm's-length dealings with unrelated third parties.

Indemnification of Officers and Directors

We have adopted an amended and restated certificate of incorporation which contains provisions that limit the liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Consequently, our directors are not personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as directors, except liability for the following:

any breach of their duty of loyalty to our company or our stockholders;

Table of Contents

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or

any transaction from which they derived an improper personal benefit.

Any amendment to, or repeal of, these provisions will not eliminate or reduce the effect of these provisions in respect of any act, omission or claim that occurred or arose prior to that amendment or repeal. If the Delaware General Corporation Law is amended to provide for further limitations on the personal liability of directors of corporations, then the personal liability of our directors will be further limited to the greatest extent permitted by the Delaware General Corporation Law.

Our amended and restated bylaws provide that we will indemnify, to the fullest extent permitted by law, any person who is or was a party or is threatened to be made a party to any action, suit or proceeding by reason of the fact that he or she is or was one of our directors or officers or is or was serving at our request as a director or officer of another corporation, partnership, joint venture, trust or other enterprise. Our amended and restated bylaws provide that we may indemnify to the fullest extent permitted by law any person who is or was a party or is threatened to be made a party to any action, suit or proceeding by reason of the fact that he or she is or was one of our employees or agents or is or was serving at our request as an employee or agent of another corporation, partnership, joint venture, trust or other enterprise. Our amended and restated bylaws provide that we must advance expenses incurred by or on behalf of a director or officer in advance of the final disposition of any action or proceeding, subject to very limited exceptions.

We have entered into indemnification agreements with each of our directors and executive officers that may be broader than the specific indemnification provisions contained in the Delaware General Corporation Law. These indemnification agreements require us, among other things, to indemnify our directors and executive officers against liabilities that may arise by reason of their status or service. These indemnification agreements also require us to advance all expenses incurred by the directors and executive officers in investigating or defending any such action, suit or proceeding. We believe that these agreements are necessary to attract and retain qualified individuals to serve as directors and executive officers.

The limitation of liability and indemnification provisions that are included in our amended and restated certificate of incorporation, amended and restated bylaws and indemnification agreements that we enter into with our directors and executive officers may discourage stockholders from bringing a lawsuit against our directors and executive officers for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against our directors and executive officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder's investment may be harmed to the extent that we pay the costs of settlement and damage awards against directors and executive officers as required by these indemnification provisions. At present, we are not aware of any pending litigation or proceeding involving any person who is or was one of our directors, officers, employees or other agents or is or was serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, for which indemnification is sought, and we are not aware of any threatened litigation that may result in claims for indemnification.

We have obtained insurance policies under which, subject to the limitations of the policies, coverage is provided to our directors and executive officers against loss arising from claims made by reason of breach of fiduciary duty or other wrongful acts as a director or executive officer, including claims relating to public securities matters, and to us with respect to payments that may be made by us to these directors and executive officers pursuant to our

indemnification obligations or otherwise as a matter of law.

Certain of our non-employee directors may, through their relationships with their employers, be insured and/or indemnified against certain liabilities incurred in their capacity as members of our Board.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our company pursuant to the foregoing provisions, we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Procedures for Approval of Related Party Transactions

The audit committee has the primary responsibility for reviewing and approving or disapproving related party transactions, which are transactions between us and related persons in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which a related person has or will have a direct or indirect material interest. For purposes of this policy, a related person is defined as a director, executive officer, nominee for director, or greater than 5% beneficial owner of our common stock, in each case since the beginning of the most recently completed year, and their immediate family members. Our audit committee charter provides that the audit committee shall review and approve or disapprove any related party transactions. In June 2015, we adopted formal standards, policies and procedures governing the review and approval of related party transactions.

TRANSACTION OF OTHER BUSINESS

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons appointed in the accompanying proxy intend to vote the shares represented thereby in accordance with their best judgment on such matters, under applicable laws.
