EXPLANATORY NOTE

On January 26, 2016, Leidos Holdings, Inc. (Leidos) announced that it had entered into a definitive agreement (the Merger Agreement), dated January 26, 2016, with Lockheed Martin Corporation (Lockheed Martin), Abacus Innovations Corporation, a Delaware corporation and a wholly owned subsidiary of Lockheed Martin (Splitco), and Lion Merger Co., a Delaware corporation and a wholly owned subsidiary of Leidos (Merger Sub), pursuant to which Leidos will combine with Lockheed Martin 's realigned Information Systems & Global Solutions business (IS&GS) (collectively, the ISGS Business) in a Reverse Morris Trust transaction (the Lockheed Martin Transaction). Leidos is filing this registration statement on Form S-4 (Reg. No. 333-210796) to register the offer and sale of its shares of its common stock, par value \$.0001 per share, which will be issued in the merger (the Merger) of Merger Sub with and into Splitco, whereby the separate corporate existence of Merger Sub will cease and Splitco will continue as the surviving company and a wholly-owned subsidiary of Leidos. The shares of Splitco common stock will be immediately converted into shares of Leidos common stock in the Merger. Splitco has filed a registration statement on Form S-4 and Form S-1 (Reg. No. 333-210797) to register the offer and sale of its shares of its common stock, par value \$0.001 per share, which common shares will be distributed to Lockheed Martin stockholders in connection with the Merger.

Based on market conditions prior to the closing of the Merger, Lockheed Martin will determine whether the shares of Splitco common stock will be distributed to Lockheed Martin stockholders in a spin-off or a split-off. In a spin-off, all Lockheed Martin stockholders would receive a pro rata number of shares of Splitco common stock. In a split-off, Lockheed Martin would offer its stockholders the option to exchange their shares of Lockheed Martin common stock for shares of Splitco common stock in an exchange offer, which shares would be converted immediately into shares of Leidos common stock in the Merger, resulting in a reduction in Lockheed Martin 's outstanding shares. If the exchange offer is undertaken and consummated but the exchange offer is not fully subscribed because less than all shares of Splitco common stock owned by Lockheed Martin are exchanged, the remaining shares of Splitco common stock owned by Lockheed Martin would be distributed on a pro rata basis to Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after the consummation of the exchange offer. Leidos is filing this registration under the assumption that the shares of Splitco common stock will be distributed to Lockheed Martin stockholders pursuant to a split-off. This registration statement also assumes that the shares of Splitco common stock will be distributed to Lockheed Martin stockholders pursuant to a split-off. Once a final decision is made regarding the manner of distribution of the shares, this registration statement, and Splitco 's registration statement on Form S-4 and Form S-1 will be amended to reflect that decision, if necessary.

SUBJECT TO COMPLETION

DATED JULY 11, 2016

PRELIMINARY PROSPECTUS OFFER TO EXCHANGE

LOCKHEED MARTIN CORPORATION

Offer to Exchange All Shares of Common Stock of

Abacus Innovations Corporation

which are owned by Lockheed Martin Corporation

and will be converted into Shares of Common Stock of

Leidos Holdings, Inc.

for

Shares of Common Stock of Lockheed Martin Corporation

Lockheed Martin Corporation (Lockheed Martin) is offering to exchange all shares of common stock of Abacus Innovations Corporation (Splitco) owned by Lockheed Martin for shares of common stock of Lockheed Martin that are validly tendered and not properly withdrawn. None of Lockheed Martin, Splitco, Leidos Holdings, Inc. (Leidos), any of their respective directors or officers or any of their respective representatives makes any recommendation as to whether you should participate in this exchange offer. You must make your own decision after reading this document and consulting with your advisors.

Immediately following the consummation of this exchange offer, a special purpose merger subsidiary of Leidos named Lion Merger Co. (Merger Sub) will be merged with and into Splitco, and Splitco, as the surviving company, will become a wholly-owned subsidiary of Leidos (the Merger). In the Merger, each issued and outstanding share of Splitco common stock will be converted into the right to receive one share of Leidos common stock. Accordingly, shares of Splitco common stock will not be transferred to participants in this exchange offer; participants instead will receive shares of Leidos common stock in the Merger. No trading market currently exists or will ever exist for shares

of Splitco common stock.

The value of Lockheed Martin common stock and Splitco common stock (by reference to Leidos common stock) will be determined by Lockheed Martin by reference to the simple arithmetic average of the daily volume-weighted average prices on each of the last three trading days ending on and including the third trading day preceding the expiration date of the exchange offer period (the Valuation Dates) of Lockheed Martin common stock and Leidos common stock on the New York Stock Exchange (NYSE). In the case of Splitco common stock, the value will be reduced by \$13.64 per share, which equals the per-share amount of the special dividend that Leidos will declare prior to the closing of the Merger. Based on an expected expiration date of August 16, 2016, the Valuation Dates will be August 9, 2016, August 10, 2016 and August 11, 2016.

This exchange offer is designed to permit you to exchange your shares of Lockheed Martin common stock for a number of shares of Splitco common stock that corresponds to a 10 percent discount in value, calculated as set forth in this document, to the equivalent amount of Leidos common stock based on the Merger exchange ratio described above.

For each \$100 in value of Lockheed Martin common stock accepted in this exchange offer, you will receive approximately \$111 in value of Splitco common stock, subject to an upper limit of 8.2136 shares of Splitco common stock per share of Lockheed Martin common stock. This exchange offer does not provide for a lower limit or minimum exchange ratio. If the upper limit is in effect, then the exchange ratio will be fixed at that limit. **IF THE UPPER LIMIT IS IN EFFECT, UNLESS YOU PROPERLY WITHDRAW YOUR SHARES, YOU ULTIMATELY WILL RECEIVE LESS THAN \$111 IN VALUE OF SPLITCO COMMON STOCK FOR EACH \$100 IN VALUE OF LOCKHEED MARTIN COMMON STOCK THAT YOU TENDER, AND YOU COULD RECEIVE MUCH LESS.**

Lockheed Martin common stock is listed on the NYSE under the symbol LMT. Leidos common stock is listed on the NYSE under the symbol LDOS. On July 8, 2016, the last reported sale price of Lockheed Martin common stock on the NYSE was \$251.90, and the last reported sale price of Leidos common stock on the NYSE was \$50.59. The market price of Lockheed Martin common stock and of Leidos common stock will fluctuate prior to the completion of this exchange offer and therefore may be higher or lower at the expiration date than the prices set forth above.

THIS EXCHANGE OFFER AND WITHDRAWAL RIGHTS WILL EXPIRE AT 8:00 A.M., NEW YORK CITY TIME, ON AUGUST 16, 2016, UNLESS THE OFFER IS TERMINATED OR EXTENDED. SHARES OF LOCKHEED MARTIN COMMON STOCK TENDERED PURSUANT TO THIS EXCHANGE OFFER MAY BE WITHDRAWN AT ANY TIME PRIOR TO THE EXPIRATION OF THIS EXCHANGE OFFER.

Lockheed Martin's obligation to exchange shares of Splitco common stock for shares of Lockheed Martin common stock is subject to the satisfaction of certain conditions, including conditions to the consummation of the Transactions, which include approval by the stockholders of Leidos of the issuance of shares of common stock of Leidos in the Merger.

The terms and conditions of this exchange offer and the Transactions are described in this document, which you should read carefully.

In reviewing this document, you should carefully consider the risk factors set forth in the section entitled Risk Factors beginning on page 37 of this document.

Neither the Securities and Exchange Commission (the SEC) nor any state securities commission has approved or disapproved of these securities or determined if this Prospectus Offer to Exchange is truthful or complete. Any representation to the contrary is a criminal offense.

QUESTIONS AND ANSWERS ABOUT THIS EXCHANGE OFFER AND THE TRANSACTIONS

The following are some of the questions that stockholders may have, and answers to those questions. These questions and answers, as well as the following summary, are not meant to be a substitute for the information contained in the remainder of this document, and this information is qualified in its entirety by the more detailed descriptions and explanations contained elsewhere in this document. You are urged to read this document in its entirety prior to making any decision.

Questions and Answers About this Exchange Offer

Q: Who may participate in this Exchange Offer?

A: Any Lockheed Martin stockholders in the United States during the exchange offer period may participate in this exchange offer. Although Lockheed Martin has mailed this document to its stockholders to the extent required by U.S. law, including stockholders located outside the United States, this document is not an offer to buy, sell or exchange and it is not a solicitation of an offer to buy, sell or exchange any shares of Lockheed Martin common stock, shares of Leidos common stock or shares of Splitco common stock in any jurisdiction in which such offer, sale or exchange is not permitted.

Countries outside the United States generally have their own legal requirements that govern securities offerings made to persons resident in those countries and often impose stringent requirements about the form and content of offers made to the general public. None of Lockheed Martin, Leidos or Splitco has taken any action under non-U.S. laws or regulations to facilitate a public offer to exchange shares of Lockheed Martin common stock, shares of Leidos common stock or shares of Splitco common stock outside the United States. Accordingly, the ability of any non-U.S. person and any U.S. person residing outside of the United States to tender shares of Lockheed Martin common stock in the exchange offer will depend on whether there is an exemption available under the laws of such person's home country that would permit such person to participate in the exchange offer without the need for Lockheed Martin, Leidos or Splitco to take any action to facilitate a public offering in that country or otherwise. For example, some countries exempt transactions from the rules governing public offerings if they involve persons who meet certain eligibility requirements relating to their status as sophisticated or professional investors.

Non-U.S. stockholders and U.S. stockholders residing outside of the United States should consult their advisors in considering whether they may participate in the exchange offer in accordance with the laws of their home countries or countries of residence, as applicable, and, if they do participate, whether there are any restrictions or limitations on transactions in the shares of Lockheed Martin common stock, Splitco common stock or Leidos common stock that may apply in such countries. None of Lockheed Martin, Leidos or Splitco can provide any assurance about whether such limitations exist. See [This Exchange Offer Certain Matters Relating to Non-U.S. Jurisdictions](#) for additional information about limitations on the exchange offer outside the United States.

Lockheed Martin believes a substantial majority of its stockholders are U.S. investors and does not expect the legal limitations described in this question and answer to cause the exchange offer to be undersubscribed.

Q: How many shares of Splitco common stock will I receive for each share of Lockheed Martin common stock that I tender?

A: This exchange offer is designed to permit you to exchange your shares of Lockheed Martin common stock for shares of Splitco common stock at a 10 percent discount, calculated as set forth in this document, to the per-share equivalent value of Splitco common stock. Stated another way, for each \$100 in value of your Lockheed Martin

common stock accepted in this exchange offer, you will receive approximately \$111 in value of Splitco common stock. The value of the Lockheed Martin common stock will be based on the calculated per-share value for the Lockheed Martin common stock on the NYSE and the value of the Splitco common stock will be based on the value for Leidos common stock on the NYSE (because each share of Splitco common stock will be exchanged for one share of Leidos common stock in the Merger), in each case determined by reference to the simple arithmetic average of the Daily VWAP on each of the Valuation Dates. In the case of Splitco common stock, the value will be reduced by \$13.64 per share, which equals the per-share amount of the Leidos Special Dividend. Please note, however, that the number of shares you can receive is subject to an upper limit of an aggregate of 8.2136 shares of Splitco common stock for each share of Lockheed Martin common stock accepted in this exchange offer. The following questions and answers describe the impact of this limit on the value you receive. This exchange offer does not provide for a lower limit or minimum exchange ratio. See [This Exchange Offer Terms of this Exchange Offer](#). Because this exchange offer is subject to proration in the event of oversubscription, Lockheed Martin in certain circumstances may accept for exchange only a portion of the shares of Lockheed Martin common stock tendered by you.

Table of Contents

Q: Is there a limit on the number of shares of Splitco common stock I can receive for each share of Lockheed Martin common stock that I tender?

A: The number of shares you can receive is subject to an upper limit of 8.2136 shares of Splitco common stock for each share of Lockheed Martin common stock accepted in this exchange offer. If the upper limit is in effect, you ultimately may receive less than \$111 in value of Splitco common stock for each \$100 in value of Lockheed Martin common stock that you tender, and you could receive much less. For example, if the calculated per-share value of Lockheed Martin common stock was \$251.90 (the highest closing price for Lockheed Martin common stock on the NYSE during the three-month period prior to commencement of this exchange offer) and the calculated per-share value of Splitco common stock was \$32.07 (the lowest closing price for Leidos common stock on the NYSE during that three-month period less \$13.64), the value of Splitco common stock received for each \$100 in value of Lockheed Martin common stock accepted for exchange would be approximately \$105.

Lockheed Martin set the upper limit to ensure that a change in the relative price of Lockheed Martin common stock and Leidos common stock, whether as a result of an increase in the price of Lockheed Martin common stock, a decrease in the price of Leidos common stock or a combination thereof, would not result in an unduly high number of shares of Splitco common stock being exchanged for each share of Lockheed Martin common stock accepted in this exchange offer, preventing a situation that might significantly reduce the benefits of this exchange offer to Lockheed Martin and its continuing stockholders due to a smaller number of outstanding shares being acquired by Lockheed Martin in this exchange offer.

Q: What will happen if the upper limit is in effect?

A: Lockheed Martin will announce whether the upper limit on the number of shares that can be received for each share of Lockheed Martin common stock tendered will be in effect through www.edocumentview.com/LockheedMartinExchange, through the toll-free number maintained by the information agent listed on the back cover of this document and by press release, no later than 9:00 a.m. New York City time, on the second trading day prior to the expiration date. If the upper limit is in effect at that time, then the exchange ratio will be fixed at the upper limit and you will receive 8.2136 shares of Splitco common stock for each share of Lockheed Martin common stock accepted in the exchange offer. **If the upper limit is in effect, you will receive less than \$111 in value of Splitco common stock for each \$100 in value of Lockheed Martin common stock that you tender, and you could receive much less.**

Q: How are the calculated per-share values of Lockheed Martin common stock and Splitco common stock determined for purposes of calculating the number of shares of Splitco common stock to be received in this exchange offer?

A: The calculated per-share value of a share of Lockheed Martin common stock for purposes of this exchange offer will equal the simple arithmetic average of the Daily VWAP of Lockheed Martin common stock on the NYSE on each of the Valuation Dates. The calculated per-share value of a share of Splitco common stock for purposes of this exchange offer will equal the simple arithmetic average of the Daily VWAP of Leidos common stock on the NYSE on each of the Valuation Dates (since each share of Splitco common stock will be exchanged for one share of Leidos common stock in the Merger), minus \$13.64 per share, which equals the per-share amount of the Leidos Special Dividend (as described in the section of this document entitled "The Merger Agreement - Leidos Special Dividend"). Lockheed Martin will determine such calculations of the per-share values of Lockheed Martin common stock and Splitco common stock and such determination will be final.

Q: Why is the calculated per-share value for Splitco common stock based on the trading prices for Leidos common stock?

A: There is currently no trading market for Splitco common stock and no such trading market will be established in the future. Lockheed Martin believes, however, that the trading prices for Leidos common stock are an appropriate proxy for the trading prices of Splitco common stock because (a) prior to the Distribution, Splitco will issue to Lockheed Martin a number of shares of Splitco common stock such that, subject to adjustment in accordance with the Merger Agreement, the total number of shares of Splitco common stock outstanding immediately prior to the Merger will be 76,958,918; (b) in the Merger, each share of Splitco common stock will be converted into the right to receive one share of Leidos common stock; and (c) at the Valuation Dates, it is expected that all the major conditions to the consummation of the Merger will have been satisfied and the Merger will be expected to be consummated shortly, such that investors should be expected to be valuing Splitco common stock based on the expected value of Leidos common stock after the Merger and without the entitlement to the Leidos Special Dividend. There can be no assurance, however, that Leidos common stock after the Merger will trade on the same basis as Leidos common stock trades prior to the Merger. See Risk Factors Risks Related to the Transactions The trading prices of Leidos common stock may not be an appropriate proxy for the prices of Splitco common stock.

Q: What is the daily volume-weighted average price or Daily VWAP?

A: The daily volume-weighted average price for Lockheed Martin common stock and Leidos common stock will be the VWAP of Lockheed Martin and Leidos common stock on the NYSE during the period beginning at 9:30 a.m., New York City time (or such other time as is the official open of trading on the NYSE), and ending at 4:00 p.m., New York City time (or such other time as is the official close of trading on the NYSE), except that such data will only take into account adjustments made to reported trades included by 4:10 p.m., New York City time.

Table of Contents

The Daily VWAP will be as reported by Bloomberg Finance L.P. and displayed under the heading Bloomberg VWAP on the Bloomberg pages LMT UN < Equity > VWAP with respect to Lockheed Martin common stock and LDOS UN < Equity > VWAP with respect to Leidos common stock (or their equivalent successor pages if such pages are not available). The Daily VWAPs provided by Bloomberg Finance L.P. may be different from other sources of volume-weighted average prices or investors or security holders own calculations of volume-weighted average prices.

Q: Where can I find the Daily VWAP of Lockheed Martin common stock and Leidos common stock during the exchange offer period?

A: The information agent will maintain on Lockheed Martin's behalf a website at www.edocumentview.com/LockheedMartinExchange to provide the Daily VWAP of both Lockheed Martin common stock and Leidos common stock, together with indicative calculated per-share values for shares of Lockheed Martin common stock and shares of Splitco common stock, for each day during this exchange offer. That information also will be available by contacting the information agent at the toll-free number provided on the back cover of this document during the exchange offer period.

Q: Will indicative exchange ratios be provided during the exchange offer period?

A: Yes. The website that will be maintained at www.edocumentview.com/LockheedMartinExchange will provide indicative exchange ratios during the exchange offer period. Indicative exchange ratios also will be available by contacting the information agent at the toll-free number provided on the back cover of this document during the exchange offer period. Prior to the first Valuation Date, commencing on the third trading day of this exchange offer, indicative exchange ratios for each day that will be calculated on the indicative per-share values of Lockheed Martin common stock and Leidos common stock on each day (minus, in the case of Leidos common stock, \$13.64 per share, which equals the per-share amount of the Leidos Special Dividend), calculated as though that day were the last of the three Valuation Dates for this exchange offer, will be available by 4:30 p.m., New York City time. In other words, assuming that a given day is a trading day, the indicative exchange ratio will be calculated based on the simple arithmetic average of the Daily VWAPs of Lockheed Martin common stock and Leidos common stock for that day and the two immediately preceding trading days, after taking into account the adjustment for the Leidos Special Dividend. The indicative exchange ratio also will reflect whether the upper limit on the exchange ratio, described above, would be in effect.

On the first two Valuation Dates, when the values of Lockheed Martin common stock and Leidos common stock are calculated for the purposes of this exchange offer, at the end of each day the website will be updated to show the indicative exchange ratios based on per-share values calculated by Lockheed Martin, which will be calculated as follows: (i) after the close of trading on the NYSE on the first Valuation Date, the VWAPs for that day, and (ii) after the close of trading on the NYSE on the second Valuation Date, the VWAPs for that day averaged with the VWAPs on the first Valuation Date. On the first two Valuation Dates, the indicative exchange ratios will be updated no later than 4:30 p.m., New York City time. No indicative exchange ratio will be published or announced on the third Valuation Date, but the final exchange ratio will be announced by press release and available on the website by 9:00 a.m. on the second trading day (currently expected to be August 12, 2016) immediately preceding the expiration date of this exchange offer.

In addition, for purposes of illustration, a table that indicates the number of shares of Splitco common stock that you would receive per share of Lockheed Martin common stock, calculated on the basis described above and taking into account the upper limit, assuming a range of averages of the Daily VWAPs of Lockheed Martin common stock and Leidos common stock on the Valuation Dates, is provided on page 49.

Q: How and when will I know the final exchange ratio?

A: The final exchange ratio showing the number of shares of Splitco common stock that you will receive for each share of Lockheed Martin common stock accepted in this exchange offer will be available at www.edocumentview.com/LockheedMartinExchange and separately announced by press release no later than 9:00 a.m., New York City time, on the second trading day prior to the expiration date. In addition, as described below, you also may contact the information agent to obtain indicative exchange ratios (prior to the time the final exchange ratio becomes available) and the final exchange ratio (after the time the final exchange ratio becomes available) at the toll-free number maintained by the information agent listed on the back cover of this document.

Lockheed Martin will announce whether the upper limit on the number of shares that can be received for each share of Lockheed Martin common stock tendered is in effect at www.edocumentview.com/LockheedMartinExchange and through the toll-free number maintained by the information agent listed on the back cover of this document and by press release, no later than 9:00 a.m., New York City time, on the second trading day prior to the expiration date. If the upper limit is in effect at that time, then the exchange ratio will be fixed at the upper limit.

Q: What if shares of Lockheed Martin common stock or shares of Leidos common stock do not trade on any of the Valuation Dates?

A: If a market disruption event occurs with respect to Lockheed Martin common stock or Leidos common stock on any of the Valuation Dates, the calculated per-share value of Lockheed Martin common stock and Splitco common stock will be determined using the Daily VWAP of shares of Lockheed Martin common stock and shares of Leidos common stock on the preceding trading day or days, as the case may be, on which no market disruption event occurred with respect to either Lockheed Martin common stock or Leidos common stock, so that in any case the valuation averaging period would be three days. If, however, a market disruption event occurs as specified above, Lockheed Martin may terminate this exchange offer if, in its reasonable judgment, the market disruption event has impaired the benefits of this exchange offer. For specific information as to what would constitute a market disruption event, see *This Exchange Offer Conditions for the Consummation of this Exchange Offer*.

Q: Are there circumstances under which I would receive fewer shares of Splitco common stock than I would have received if the exchange ratio were determined using the closing prices of Lockheed Martin common stock and Leidos common stock on the last trading day of the exchange offer period?

A: Yes. For example, if the trading price of shares of Lockheed Martin common stock were to increase after the final Valuation Date during the last two trading days of the exchange offer period (currently expected to be August 12, 2016 and August 15, 2016), the arithmetic average of the Daily VWAP for Lockheed Martin common stock on the Valuation Dates likely would be lower than the closing price of shares of Lockheed Martin common stock on the trading day before the expiration date of the exchange offer. As a result, you may receive fewer shares of Splitco common stock for each \$100 in value of Lockheed Martin common stock than you would have received if the price were calculated on the basis of the closing price of shares of Lockheed Martin common stock on the trading day before the expiration date or on the basis of an averaging period that included the last two trading days prior to the expiration of the exchange offer. Similarly, if the trading price of Leidos common stock were to decrease after the final Valuation Date during the last two trading days of the exchange offer period, the simple arithmetic average of the Daily VWAP for Leidos common stock on the Valuation Dates likely would be higher than the closing price of shares of Leidos common stock on the trading day before the expiration date of the exchange offer. This circumstance also could result in you receiving fewer shares of Splitco common stock for each \$100 in value of Lockheed Martin common stock than you otherwise would have received if the price were calculated on the basis of the closing price of shares of Leidos common stock on the trading day before the expiration date of the exchange offer or on the basis of an averaging period that included the last two trading days prior to the expiration of the exchange offer.

Q: Will fractional shares of Leidos be distributed?

A: Upon the consummation of this exchange offer, the exchange agent will hold the shares of Splitco common stock as agent for the Lockheed Martin stockholders who validly tendered their shares and, in case of a *pro rata* distribution, for the holders of record of Lockheed Martin common stock for the *pro rata* distribution. Immediately following the consummation of this exchange offer, Merger Sub will be merged with and into Splitco, with Splitco surviving the Merger and becoming a wholly-owned subsidiary of Leidos. Each issued and outstanding share of Splitco common stock will be converted in the Merger into the right to receive one share of Leidos common stock. In the conversion, no fractional shares of Leidos common stock will be delivered to Splitco stockholders. All fractional shares of Leidos common stock that any Splitco stockholder otherwise would be entitled to receive as a result of the Merger will be aggregated by the exchange agent on behalf of Leidos. The exchange agent will cause the whole shares obtained thereby to be sold on behalf of the Splitco stockholders that otherwise would be entitled to receive such fractional shares of Leidos common stock in the Merger, in the open market or otherwise, in each case at then-prevailing market prices as soon as practicable after the Merger and, in any case, no later than five business days after the Merger. The

exchange agent then will make available the net proceeds thereof, after deducting any brokerage or similar charges, commissions and transfer taxes, on a *pro rata* basis, without interest, but subject to any required withholding taxes, as soon as practicable to the Splitco stockholders that otherwise would be entitled to receive such fractional shares of Leidos common stock in the Merger.

Q: What is the aggregate number of shares of Splitco common stock being offered in this exchange offer?

A: In this exchange offer, subject to adjustment as provided in the Merger Agreement, Lockheed Martin is offering 76,958,918 shares of Splitco common stock, which will constitute all of the shares of Splitco common stock that will be issued and outstanding on the date of the consummation of this exchange offer.

Table of Contents

Q: What happens if insufficient shares of Lockheed Martin common stock are tendered to allow Lockheed Martin to exchange all of the shares of Splitco common stock it holds?

A: If this exchange offer is consummated but fewer than all of the issued and outstanding shares of Splitco common stock owned by Lockheed Martin are exchanged because this exchange offer is not fully subscribed, the remaining shares of Splitco common stock owned by Lockheed Martin will be distributed on a *pro rata* basis to the Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after the consummation of this exchange offer. Any Lockheed Martin stockholder who validly tenders (and does not properly withdraw) shares of Lockheed Martin common stock for shares of Splitco common stock in the exchange offer will waive their rights with respect to those tendered shares of Lockheed Martin common stock to receive, and forfeit any rights to, shares of Splitco common stock distributed on a *pro rata* basis to Lockheed Martin stockholders in the event the exchange offer is not fully subscribed. However, any Lockheed Martin stockholder who tendered less than all of their shares of Lockheed Martin common stock would be entitled to shares of Splitco common stock distributed on a *pro rata* basis to Lockheed Martin stockholders in respect of those shares that were not tendered.

Upon the consummation of this exchange offer, Lockheed Martin will deliver to the exchange agent a global certificate representing all of the Splitco common stock being distributed in this exchange offer, with irrevocable instructions to hold the shares of Splitco common stock as agent for Lockheed Martin stockholders whose shares of Lockheed Martin common stock were validly tendered and not withdrawn in this exchange offer and, in the case of a *pro rata* distribution, Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after the consummation of this exchange offer. If there is a *pro rata* distribution, the exchange agent will calculate the exact number of shares of Splitco common stock not exchanged in this exchange offer and to be distributed on a *pro rata* basis, and that number of shares of Splitco common stock will be held as agent for the Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after the consummation of this exchange offer. See This Exchange Offer Distribution of Any Shares of Splitco Common Stock Remaining After this Exchange Offer.

Q: What happens if Lockheed Martin declares a quarterly dividend during this exchange offer?

A: Historically, Lockheed Martin has declared quarterly dividends to be paid to stockholders of record as of the first trading day of the last month of each calendar quarter. All stockholders that own Lockheed Martin common stock as of the record date for the dividend are eligible to receive the dividend.

Q: Will tendering my shares affect my ability to receive the Lockheed Martin quarterly dividend?

A: No. If a dividend is declared by Lockheed Martin with a record date before the completion of this exchange offer, you will be entitled to that dividend if you owned the shares as of the close of business on the record date even if you tender your shares of Lockheed Martin common stock. Tendering your shares of Lockheed Martin common stock in this exchange offer is not a sale or transfer of those shares until they are accepted for exchange upon completion of this exchange offer.

Q: What is the Leidos Special Dividend?

A: Leidos will declare a special dividend prior to the Merger in an amount equal to \$13.64 per share to the holders of record of Leidos common stock as of a record date prior to the closing date of the Merger. Stockholders of Lockheed Martin who receive Splitco common stock in the Distribution (whether by tendering shares of Lockheed common stock in the exchange offer or in connection with any *pro rata* distribution of any remaining shares of Splitco common stock) that will be converted into Leidos common stock in the Merger will not be entitled to receive the Leidos

Special Dividend since the record date will be prior to the date on which the Merger closes. For more information on the Leidos Special Dividend, see the section of this document entitled The Merger Agreement Leidos Special Dividend.

Q: If I participate in the exchange offer, will I be entitled to receive the Leidos Special Dividend with respect to my Splitco common stock to be converted into Leidos common stock in connection with the Merger?

A: No. The Leidos Special Dividend will be declared by Leidos prior to the Merger, as of a record date prior to the closing date of the Merger. Only those Leidos stockholders of record as of the record date will be entitled to receive payment of the Leidos Special Dividend. Each share of Splitco common stock will be converted into the right to receive one share of Leidos common stock only at the effective time of the Merger, which will occur after the record date set for payment of the Leidos Special Dividend. Unless you own Leidos common stock as of the record date set by the Leidos Board, you will not be entitled to receive payment of the Leidos Special Dividend.

Table of Contents

Q: Will all shares of Lockheed Martin common stock that I tender be accepted in this exchange offer?

A: Not necessarily. The maximum number of shares of Lockheed Martin common stock that will be accepted if the exchange offer is completed will be equal, subject to adjustment, to the 76,958,918 shares of Splitco common stock held by Lockheed Martin divided by the final exchange ratio (taking into account the upper limit if it is in effect), and could be up to all of the outstanding shares of Lockheed Martin common stock. Therefore, as illustrated in more detail below in response to *Q: How many shares of Lockheed Martin common stock will Lockheed Martin accept if this exchange offer is completed?* and in the table set forth in *This Exchange Offer Terms of this Exchange Offer Final Exchange Ratio*, the maximum number of shares of Lockheed Martin common stock that will be accepted and acquired by Lockheed Martin depends on the average of the Daily VWAP of Lockheed Martin common stock, the average of the Daily VWAP of Leidos common stock and whether the upper limit is in effect.

Depending on the number of shares of Lockheed Martin common stock validly tendered in this exchange offer and not properly withdrawn, and the calculated per-share values of Lockheed Martin common stock and Splitco common stock determined as described in this document, Lockheed Martin may have to limit the number of shares of Lockheed Martin common stock that it accepts in this exchange offer through a proration process. Any proration of the number of shares accepted in this exchange offer will be determined on the basis of the proration mechanics described in the section of this document entitled *This Exchange Offer Terms of this Exchange Offer Proration; Tenders for Exchange by Holders of Fewer than 100 Shares of Lockheed Martin Common Stock*.

An exception to proration can apply to stockholders who beneficially own *odd-lots* that is, fewer than 100 shares of Lockheed Martin common stock, whether held in registered form or through a broker or other nominee. Such beneficial owners of Lockheed Martin common stock who validly tender all of their shares, and request preferential treatment as described in *This Exchange Offer Terms of this Exchange Offer Proration; Tenders for Exchange by Holders of Fewer than 100 Shares of Lockheed Martin Common Stock*, will not be subject to proration.

In all other cases, proration for each tendering stockholder will be based on (i) the proportion that the total number of shares of Lockheed Martin common stock to be accepted bears to the total number of shares of Lockheed Martin common stock validly tendered and not properly withdrawn and (ii) the number of shares of Lockheed Martin common stock validly tendered and not properly withdrawn by that stockholder (and not on that stockholder's aggregate ownership of shares of Lockheed Martin common stock). Any shares of Lockheed Martin common stock not accepted for exchange as a result of proration will be returned to tendering stockholders promptly after the final proration factor is determined.

Q: Will I be able to sell my shares of Splitco common stock after this exchange offer is completed?

A: No. There currently is no trading market for shares of Splitco common stock and no such trading market will be established in the future. The exchange agent will hold all issued and outstanding shares of Splitco common stock as agent until the shares of Splitco common stock are converted into the right to receive shares of Leidos common stock in the Merger. See *This Exchange Offer Distribution of Any Shares of Splitco Common Stock Remaining After this Exchange Offer*.

Q: How many shares of Lockheed Martin common stock will Lockheed Martin accept if this exchange offer is completed?

A: The number of shares of Lockheed Martin common stock that will be accepted if this exchange offer is completed will depend on the final exchange ratio and the number of shares of Lockheed Martin common stock tendered and not properly withdrawn. The maximum number of shares of Lockheed Martin common stock that will be accepted if the

exchange offer is completed will be equal, subject to adjustment, to the 76,958,918 shares of Splitco common stock that Lockheed Martin offers to exchange hereby divided by the final exchange ratio (taking into account the upper limit if it is in effect), and could be up to all of the outstanding shares of Lockheed Martin common stock.

Accordingly, the largest possible number of shares of Lockheed Martin common stock that will be accepted equals 76,958,918, which is subject to adjustment, divided by the final exchange ratio. For example, assuming that the final exchange ratio is 7.7786 (the indicative exchange ratio based on the Daily VWAPs of Lockheed Martin common stock and Leidos common stock on July 6, 2016, July 7, 2016 and July 8, 2016), then Lockheed Martin would accept up to 9,893,672 shares of Lockheed Martin common stock. If, on the other hand, the upper limit is in effect, then the final exchange ratio would be 8.2136 and Lockheed Martin would accept up to 9,369,694 shares of Lockheed Martin common stock.

Q: Why is the transaction structured as a Reverse Morris Trust transaction?

A: The transaction structure was negotiated by the parties. Lockheed Martin believes the tax-efficient Reverse Morris Trust structure optimizes the value of the transaction to Lockheed Martin and its stockholders because, subject to the discussion below under [This Exchange Offer](#) [Material U.S. Federal Income Tax Consequences of the Distribution and the Merger](#), stockholders of Lockheed Martin generally will not recognize any gain or loss for U.S. federal income tax purposes as a result of this exchange offer or the Merger, except for any gain or loss attributable to the receipt of cash in lieu of fractional shares, if any, of Leidos common stock received in the Merger and the Distribution will not result in the recognition of income, gain or loss to Lockheed Martin or Splitco (except for taxable income or gain of Lockheed Martin possibly arising as a result of certain internal restructuring transactions undertaken prior to or in anticipation of the Distribution). A Reverse Morris Trust transaction structure requires, among other things, that former Lockheed Martin stockholders own more than 50% of the Leidos common stock following consummation of the Transactions.

Q: Are there any conditions to Lockheed Martin's obligation to complete this exchange offer?

A: Yes. This exchange offer is subject to various conditions listed under [This Exchange Offer](#) [Conditions for the Consummation of this Exchange Offer](#). If any of these conditions are not satisfied or waived prior to the expiration of this exchange offer, Lockheed Martin will not be required to accept shares for exchange and may extend or terminate this exchange offer.

Lockheed Martin may waive any of the conditions to this exchange offer. For a description of the material conditions precedent to this exchange offer, including satisfaction or waiver of the conditions to the consummation of the Transactions and other conditions, see [This Exchange Offer](#) [Conditions for the Consummation of this Exchange Offer](#). Leidos has no right to waive any of the conditions to this exchange offer, provided that the ability of Lockheed Martin to waive certain conditions, including certain conditions relating to the Merger Agreement, may require the consent of Leidos.

Q: When does this exchange offer expire?

A: The period during which you are permitted to tender your shares of Lockheed Martin common stock in this exchange offer will expire at 8:00 a.m., New York City time, on August 16, 2016, unless Lockheed Martin extends or terminates this exchange offer. Table of Contents

Q: Can this exchange offer be extended and under what circumstances?

A: Yes. Lockheed Martin can extend this exchange offer, in its sole discretion, at any time and from time to time. For instance, this exchange offer may be extended if any of the conditions for the consummation of this exchange offer listed under **This Exchange Offer Conditions for the Consummation of this Exchange Offer** are not satisfied or waived prior to the expiration of this exchange offer. In case of an extension of this exchange offer, Lockheed Martin will publicly announce the extension at www.edocumentview.com/LockheedMartinExchange, through the toll-free number maintained by the information agent listed on the back cover of this document and by press release no later than 9:00 a.m., New York City time, on the next business day following the previously scheduled expiration date.

Q: How do I participate in this exchange offer?

A: The procedures you must follow to participate in this exchange offer will depend on whether you hold your shares of Lockheed Martin common stock in certificated form, through a broker, dealer, commercial bank, trust company or similar institution or through an employee benefit plan such as the Lockheed Martin Savings Plans or the Sandia Savings Plan, or if your shares of Lockheed Martin common stock are held in book-entry via the Direct Registration System (**DRS**) or in uncertificated form as CDI Shares. For specific instructions about how to participate, see **This Exchange Offer Terms of this Exchange Offer Procedures for Tendering**.

Q: What if I participate in one of the Lockheed Martin Savings Plans or the Sandia Savings Plan?

A: If you have one or more accounts in a Lockheed Martin Savings Plan and your account(s) holds units of the Employee Stock Ownership Fund (the **ESOP Fund**) or the Company Stock Fund (the **LM Plan Company Stock Fund**) under a Lockheed Martin Savings Plan, you may elect either to keep or to exchange some or all of the shares attributable to the units held in your account for shares of Splitco common stock. You will receive instructions by letter or email (as permitted by the Lockheed Martin Savings Plans) informing you how to make an election. If you do not make a timely election in accordance with the instructions by the deadline set forth in the instructions, none of the shares held for your account attributable to the units of the ESOP Fund and/or the LM Plan Company Stock Fund will be exchanged for shares of Splitco common stock in the exchange offer and your holdings of units of the ESOP Fund and/or the LM Plan Company Stock Fund will remain unchanged. If you timely elect to exchange shares attributable to units of the ESOP Fund and/or the LM Plan Company Stock Fund for Splitco common stock, each such share of Splitco common stock will be converted in the Merger into Leidos common stock and you will receive units of a unitized stock fund holding Leidos common stock based on an exchange ratio of one share of Leidos common stock for each share of Splitco common stock. For a more detailed description of how to tender your shares of Lockheed Martin common stock attributable to the units held in your account if you participate in the Lockheed Martin Savings Plans, and the applicable deadline for directing the trustee to tender such shares, please refer to the specific instructions regarding how to tender such shares, if any, under the Lockheed Martin Savings Plans. If you hold units in the ESOP Fund and/or the LM Plan Company Stock Fund, you will receive the instructions from Computershare on behalf of the trustee of the Lockheed Martin Savings Plans. For specific instructions about how to participate in this exchange offer, see **This Exchange Offer Terms of this Exchange Offer Procedures for Tendering Shares Held in Lockheed Martin Savings Plans**.

If you have an account in the Sandia Savings Plan and your account holds units of the Company Common Stock Fund (the **Sandia Plan Company Stock Fund**) under the Sandia Savings Plan, the independent fiduciary for the Sandia Savings Plan will determine whether to exchange shares attributable to units in the Sandia Plan Company Stock Fund for Splitco common stock, and you will not be able to make your own election to exchange such shares. If the independent fiduciary timely elects to exchange shares attributable to units in the Sandia Plan Company Stock Fund for Splitco common stock in accordance with the procedures described in this document, each such share of Splitco

common stock will be converted in the Merger into Leidos common stock and will be immediately liquidated and reinvested in Lockheed Martin common stock. You will receive a notice from the plan administrator of the Sandia Savings Plan if the independent fiduciary elects to exchange such shares. If the independent fiduciary does not timely elect to exchange shares attributable to units in the Sandia Plan Company Stock Fund for Splitco common stock, none of the shares held for your account attributable to the units of the Sandia Plan Company Stock Fund will be exchanged for shares of Splitco common stock in the exchange offer and your holdings of units of the Sandia Plan Company Stock Fund will remain unchanged.

Q: How do I tender my shares of Lockheed Martin common stock after the final exchange ratio has been determined?

A: If you wish to tender your shares after the final exchange ratio has been determined, you generally will need to do so by means of delivering a notice of guaranteed delivery and complying with the guaranteed delivery procedures described in the section entitled *This Exchange Offer Terms of this Exchange Offer Procedures for Tendering Guaranteed Delivery Procedures*. If you hold shares of Lockheed Martin common stock through a broker, dealer, commercial bank, trust company or similar institution, that institution must tender your shares on your behalf.

If your shares of Lockheed Martin common stock are held through an institution and you wish to tender your Lockheed Martin common stock after The Depository Trust Company has closed, the institution must deliver a notice of guaranteed delivery to the exchange agent via facsimile prior to 8:00 a.m., New York City time, on the expiration date, which is August 16, 2016, unless this exchange offer is extended or terminated.

After the final exchange ratio has been determined, to tender shares of Lockheed Martin common stock held in the Lockheed Martin Savings Plans or the Sandia Savings Plan, the trustee or the independent fiduciary, as applicable, must deliver a notice of guaranteed delivery to the exchange agent via facsimile prior to 8:00 a.m., New York City time, on the expiration date.

Table of Contents

If you hold units of the ESOP Fund and/or the LM Plan Company Stock Fund in a Lockheed Martin Savings Plan account, you must tender your shares attributable to the units by the deadline set forth in the trustee's instructions. It is possible that the final exchange ratio will not have been determined at the time of such deadline.

Q: Can I tender only a portion of my shares of Lockheed Martin common stock in this exchange offer?

A: Yes. You may tender all, some or none of your shares of Lockheed Martin common stock.

Q: What do I do if I want to retain all of my shares of Lockheed Martin common stock?

A: If you want to retain all of your shares of Lockheed Martin common stock, you do not need to take any action. However, after the Transactions, the Splitco Business will no longer be owned by Lockheed Martin, and as a holder of Lockheed Martin common stock you no longer will hold shares in a company that owns the Splitco Business (unless the exchange offer is consummated but is not fully subscribed and the remaining shares of Splitco common stock are distributed on a *pro rata* basis to Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after consummation of the exchange offer).

Q: Can I change my mind after I tender my shares of Lockheed Martin common stock?

A: Yes. You may withdraw your tendered shares at any time before this exchange offer expires. See [This Exchange Offer Terms of this Exchange Offer Procedures for Tendering Withdrawal Rights](#). If you change your mind again, you can re-tender your shares of Lockheed Martin common stock by once again following the tender procedures prior to the expiration of this exchange offer.

Q: Will I be able to withdraw the shares of Lockheed Martin common stock I tender after the final exchange ratio has been determined?

A: Yes. The final exchange ratio used to determine the number of shares of Splitco common stock that you will receive for each share of Lockheed Martin common stock accepted in this exchange offer will be announced no later than 9:00 a.m., New York City time, on the second trading day prior to the expiration date of this exchange offer, which is August 12, 2016, unless this exchange offer is extended or terminated. You have the right to withdraw shares of Lockheed Martin common stock you have tendered at any time before 8:00 a.m., New York City time, on the expiration date, which is August 16, 2016. See [This Exchange Offer Terms of this Exchange Offer](#). If the upper limit on the number of shares of Splitco common stock that can be received for each share of Lockheed Martin common stock tendered is in effect at the expiration of the exchange offer period, then the exchange ratio will be fixed at the upper limit.

Q: How do I withdraw my tendered Lockheed Martin common stock after the final exchange ratio has been determined?

A: If you are a registered stockholder of Lockheed Martin common stock (which includes persons holding certificated shares and book-entry shares held through DRS or CDI Shares) and you wish to withdraw your shares after the final exchange ratio has been determined, then you must deliver a written notice of withdrawal or a facsimile transmission notice of withdrawal to the exchange agent prior to 8:00 a.m., New York City time, on the expiration date of this exchange offer. The information that must be included in that notice is specified under [This Exchange Offer Terms of this Exchange Offer Procedures for Tendering Withdrawal Rights](#).

If you hold your shares of Lockheed Martin common stock through a broker, dealer, commercial bank, trust company or similar institution, you should consult that institution on the procedures with which you must comply and the time by which such procedures must be completed in order for that institution to provide a written notice of withdrawal or facsimile notice of withdrawal to the exchange agent on your behalf before 8:00 a.m., New York City time, on the expiration date. If you hold your shares through such an institution, that institution must deliver the notice of withdrawal with respect to any shares you wish to withdraw. In such a case, as a beneficial owner and not a registered stockholder, you will not be able to provide a notice of withdrawal for such shares directly to the exchange agent.

If you hold units of the ESOP Fund and/or the LM Plan Company Stock Fund in a Lockheed Martin Savings Plan account and you wish to withdraw shares attributable to the units that you have tendered, you must withdraw such shares by the deadline set forth in the trustee's instructions and it is possible that such deadline may occur before the final exchange ratio has been determined. You should refer to the procedures and deadlines set forth in the trustee's informational materials provided to you. If you hold units of the ESOP Fund and/or the LM Plan Company Stock Fund in a Lockheed Martin Savings Plan, the trustee must deliver the notice of withdrawal with respect to any shares you wish to withdraw, and you will not be able to provide a notice of withdrawal for such shares directly to the exchange agent. If you hold units of the Sandia Plan Company Stock Fund in a Sandia Savings Plan account, the independent fiduciary will determine whether to withdraw shares attributable to the units that it tendered, if any, after the exchange ratio has been determined by the deadline for withdrawals described in this document.

Table of Contents

If your shares of Lockheed Martin common stock are held through an institution and you wish to withdraw shares of Lockheed Martin common stock after The Depository Trust Company has closed, the institution must deliver a written notice of withdrawal to the exchange agent prior to 8:00 a.m., New York City time, on the expiration date, in the form of The Depository Trust Company's notice of withdrawal and you must specify the name and number of the account at The Depository Trust Company to be credited with the withdrawn shares and must otherwise comply with The Depository Trust Company's procedures. Shares can be properly withdrawn only if the exchange agent receives a withdrawal notice directly from the relevant institution that tendered the shares through the Depository Trust Company. See [This Exchange Offer](#) [Terms of this Exchange Offer](#) [Procedures for Tendering](#) [Withdrawing Your Shares After the Final Exchange Ratio Has Been Determined](#).

Q: Will I be subject to U.S. federal income tax on the shares of Splitco common stock that I receive in this exchange offer or on the shares of Leidos common stock that I receive in the Merger?

A: Stockholders of Lockheed Martin generally will not recognize any gain or loss for U.S. federal income tax purposes as a result of this exchange offer or the Merger, except for any gain or loss attributable to the receipt of cash in lieu of fractional shares, if any, of Leidos common stock received in the Merger. The material U.S. federal income tax consequences of the exchange offer and the Merger are described in more detail under [This Exchange Offer](#) [Material U.S. Federal Income Tax Consequences of the Distribution and the Merger](#).

Q: Are there any material differences between the rights of Lockheed Martin stockholders and Leidos stockholders?

A: Yes. Lockheed Martin is a Maryland corporation and Leidos is a Delaware corporation, and each is subject to different laws and organizational documents. Lockheed Martin stockholders, whose rights are currently governed by Lockheed Martin's organizational documents and Maryland law, will, with respect to shares validly tendered and exchanged immediately following this exchange offer, become stockholders of Leidos and their rights will be governed by Leidos' organizational documents and Delaware law. The material differences between the rights associated with shares of Lockheed Martin common stock and shares of Leidos common stock that may affect Lockheed Martin stockholders whose shares are accepted for exchange in this exchange offer and who will obtain shares of Leidos common stock in the Merger relate to, among other things, anti-takeover provisions of the applicable state corporation law and the charters of Lockheed Martin and Leidos, removal of directors, amendment of bylaws and limitations of liability of directors and officers. For a further discussion of the material differences between the rights of Lockheed Martin stockholders and Leidos stockholders, see [Comparison of Rights of Lockheed Martin Stockholders and Leidos Stockholders](#).

Q: Are there any appraisal rights for Lockheed Martin stockholders?

A: No. There are no appraisal rights available to Lockheed Martin stockholders in connection with this exchange offer, and no appraisal rights will be available in the Merger.

Q: What will Lockheed Martin do with the shares of Lockheed Martin common stock that are tendered, and what is the impact of the exchange offer on Lockheed Martin's share count?

A: The shares of Lockheed Martin common stock that are tendered and accepted for exchange in the exchange offer will become authorized but unissued shares of Lockheed Martin common stock. Any shares of Lockheed Martin common stock acquired by Lockheed Martin in the exchange offer will reduce the total number of shares of Lockheed Martin common stock outstanding, although Lockheed Martin's actual number of shares outstanding on a given date reflects a variety of factors, such as share repurchases, equity incentive awards and option exercises.

Q: Who do I contact for information regarding this exchange offer?

A: You may call the information agent, Georgeson LLC, at (866) 482-4931, to ask any questions about this exchange offer or to request additional documents, including copies of this document and the letter of transmittal (including the instructions thereto). Alternatively, you may contact the information agent at the following e-mail address: LockheedMartinExchange@georgeson.com.

Questions and Answers About the Transactions

Q: What are the key steps of the Transactions?

A: Below is a summary of the key steps of the Transactions. A step-by-step description of material events relating to the Transactions is set forth under The Transactions.

Lockheed Martin will transfer the Splitco Business to Splitco following the Internal Reorganization.

Table of Contents

In connection with the transfer of the Splitco Business to Splitco, Splitco will issue to Lockheed Martin additional shares of Splitco common stock. Following this issuance, subject to adjustment in accordance with the Merger Agreement, Lockheed Martin will own 76,958,918 shares of Splitco common stock, which will constitute all of the outstanding stock of Splitco. In addition, Splitco will incur new indebtedness in an aggregate principal amount of approximately \$1,841,450,000. Splitco will use a portion of the proceeds of this loan to pay to Lockheed Martin the Splitco Special Cash Payment in connection with the transfer of the Splitco Business to Splitco. Splitco will use the balance to pay certain fees and expenses related to such indebtedness.

Lockheed Martin will offer to Lockheed Martin stockholders the right to exchange all or a portion of their shares of Lockheed Martin common stock for shares of Splitco common stock at a 10 percent discount, calculated as set forth in this document, to the equivalent per-share value of Leidos common stock based on the conversion in the Merger of each share of Splitco common stock into one share of Leidos common stock. If the exchange offer is consummated but is not fully subscribed, Lockheed Martin will distribute the remaining shares of Splitco common stock on a *pro rata* basis to Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after the consummation of the exchange offer. Any Lockheed Martin stockholder who validly tenders (and does not properly withdraw) shares of Lockheed Martin common stock for shares of Splitco common stock in the exchange offer will waive their rights with respect to such tendered shares to receive, and forfeit any rights to, shares of Splitco common stock distributed on a *pro rata* basis to Lockheed Martin stockholders in the event the exchange offer is not fully subscribed.

Prior to the closing of the Merger, the Leidos Borrower will incur new indebtedness in the form of a \$690,000,000 Term Loan A Facility and a \$750,000,000 Revolving Credit Facility. The proceeds of the Term Loan A Facility and up to \$50,000,000 of borrowings under the Revolving Credit Facility, together with cash on hand at Leidos (which shall not exceed \$500,000,000), will be used to pay the Leidos Special Dividend, and additional proceeds of borrowings under the Revolving Credit Facility will be used to (i) repay in full all outstanding indebtedness for borrowed money of Splitco (if any) (other than the debt incurred by Splitco described above), (ii) repay in full all indebtedness, and terminate all commitments, under the Amended and Restated Four Year Credit Agreement, dated as of March 11, 2011, among Leidos, as borrower, Leidos, Inc., as guarantor, and Citibank, N.A., as administrative agent, the lenders, other agents and other parties party thereto from time to time and (iii) pay the fees, costs and expenses associated therewith.

Immediately after the Distribution, Merger Sub will merge with and into Splitco, whereby the separate corporate existence of Merger Sub will cease and Splitco will continue as the surviving company and as a wholly-owned subsidiary of Leidos. In the Merger, each share of Splitco common stock will be converted into the right to receive one share of Leidos common stock, as described in the section of this document entitled The Merger Agreement Merger Consideration. Immediately after the consummation of the Merger, approximately 50.5 percent of the outstanding shares of Leidos common stock is expected to be held by pre-Merger Splitco (former Lockheed Martin) stockholders and approximately 49.5 percent of the outstanding shares of Leidos common stock is expected to be held by pre-Merger Leidos stockholders on a fully diluted basis.

Q: What will Leidos stockholders receive in connection with the Merger?

A: Prior to the Merger, Leidos will declare the Leidos Special Dividend, the payment of which will be conditioned on completion of the Merger. All shares of Leidos common stock issued and outstanding immediately before the Merger will remain issued and outstanding immediately after the consummation of the Merger. Immediately after consummation of the Merger, approximately 49.5 percent of the outstanding shares of Leidos common stock is expected to be held by pre-Merger Leidos stockholders on a fully diluted basis.

Leidos stockholders will not receive separate merger consideration as part of the Merger and no additional shares of Leidos common stock will be issued to Leidos stockholders pursuant to the Merger. Leidos stockholders will receive the commercial benefit of owning an equity interest in Splitco, which will include the Splitco Business as it exists following consummation of the Separation Agreement with Lockheed Martin and payment of the Splitco Special Cash Payment to Lockheed Martin. Leidos stockholders will thus hold an interest in a company with expanded opportunities in the government services industry, additional expertise in information technology operations, financial and HR enterprise resource planning (ERP) outsourcing, data center consolidation and facilities management, and enhanced EBITDA margins and revenue growth opportunities. See [Leidos Reasons for the Transactions](#).

As a result of the Merger, Leidos stockholders' ownership of Leidos common stock will also mean that they own an interest in a company with increased levels of indebtedness. In connection with the Merger, Leidos will incur new indebtedness of \$690,000,000 in the form of a term loan facility and a new revolving credit facility, which is expected to have \$750,000,000 of unused availability immediately following consummation of the transactions. In addition, Leidos will guarantee the indebtedness that Splitco will incur in connection with the Transactions, consisting of up to \$1,841,450,000 in the form of 3-year Term Loan A Facility in an aggregate principal amount of up to \$400,000,000, a 5-year Term Loan A Facility in an aggregate principal amount of up to \$310,000,000 and a 7-year Term Loan B Facility in an aggregate principal amount of up to approximately \$1,131,450,000. See [Debt Financing](#).

Q: What are the material U.S. federal income tax consequences to Leidos and its stockholders resulting from the Transactions?

A: Leidos will not recognize any gain or loss for U.S. federal income tax purposes as a result of the Merger. Because Leidos stockholders will not participate in the Distribution or the Merger, Leidos stockholders generally will not recognize gain or loss upon either the Distribution (including this exchange offer) or the Merger. The material U.S. federal income tax consequences of the Distribution and the Merger are described in more detail in This Exchange Offer Material U.S. Federal Income Tax Consequences of the Distribution and the Merger.

Q: What is the estimated total value of the consideration to be paid by Leidos in the Transactions?

A: Subject to adjustment under certain circumstances as set forth in the Merger Agreement, Leidos will issue 76,958,918 shares of Leidos common stock in the Merger. Based upon the reported closing sale price of \$50.59 per share for Leidos common stock on the NYSE on July 8, 2016, and after taking into account the Leidos Special Dividend of \$13.64 per share, the total value of the shares to be issued by Leidos and the cash to be received by Lockheed Martin in the Transactions would have been approximately \$4,644 million. The actual value of the Leidos common stock to be issued in the Merger will depend on the market price of shares of Leidos common stock at the time of the Merger.

Table of Contents

Q: Are there possible adverse effects on the value of Leidos common stock ultimately to be received by Lockheed Martin stockholders who participate in the exchange offer?

A: This exchange offer is designed to permit Lockheed Martin stockholders to exchange their shares of Lockheed Martin common stock for a number of shares of Splitco common stock that corresponds to a 10 percent discount, calculated as set forth in this document, to the equivalent amount of Leidos common stock based on one share of Leidos common stock for each share of Splitco common stock as specified in the Merger Agreement. The existence of a discount, along with the issuance of shares of Leidos common stock pursuant to the Merger, may affect negatively the market price of Leidos common stock. The market price of Leidos common stock also will be affected by the performance of the Splitco Business and other risks associated with the Transactions. This risk and other risk factors associated with the Transactions are described in more detail in the section of this document entitled Risk Factors.

Q: How will the Transactions impact the future liquidity and capital resources of Leidos?

A: Leidos will incur indebtedness of \$690,000,000 in connection with the Transactions in the form of a term loan facility and will also enter into a new revolving credit facility which is expected to have \$750,000,000 of unused availability immediately after consummation of the Transactions (the Leidos Debt Financing).

Splitco will incur new indebtedness of up to \$1,841,450,000 in connection with the Transactions in the form of 3-year Term Loan A Facility in an aggregate principal amount of up to \$400,000,000, a 5-year Term Loan A Facility in an aggregate principal amount of up to \$310,000,000 and a 7-year Term Loan B Facility in an aggregate principal amount of up to approximately \$1,131,450,000 (the Splitco Debt Financing ; and together with the Leidos Debt Financing, the Debt Financings).

The Debt Financings could materially and adversely affect the liquidity, results of operations and financial condition of Leidos. Leidos also expects to incur significant one-time costs in connection with the Transactions, which may have an adverse impact on Leidos liquidity, cash flows and operating results in the periods in which they are incurred. Finally, Leidos management will be required to devote a significant amount of time and attention to the process of integrating the operations of Leidos business and the Splitco Business. If Leidos management is not able to manage the integration process effectively, or if any significant business activities are interrupted as a result of the integration process, Leidos business could suffer and its stock price may decline. See Risk Factors for a further discussion of the material risks associated with the Transactions.

Upon the consummation of the Transactions, the Leidos Debt Financing is expected to be guaranteed by Splitco and the Splitco Debt Financing is expected to be guaranteed by Leidos and its subsidiaries.

Q: How do the Transactions impact Leidos dividend policy?

A: In connection with the Transactions, prior to the consummation of the Merger and subject to applicable law, Leidos shall declare the Leidos Special Dividend, the payment of which will be conditioned on completion of the Transactions. The Leidos Special Dividend will be funded by a combination of new borrowings and cash on hand. With the exception of the payment of the Leidos Special Dividend, the Transactions are not expected to affect Leidos dividend policy. See Historical Per Share Data, Market Price and Dividend Data Leidos Dividend Policy for a further discussion of Leidos current dividend policy.

Q: What will Lockheed Martin receive in the Transactions?

A: Immediately prior to the Distribution and in connection with the transfer of the Splitco Business to Splitco, Lockheed Martin will receive the Splitco Special Cash Payment, the proceeds of which will be used to pay dividends, repurchase its stock or retire outstanding indebtedness.

Q. What will Lockheed Martin stockholders receive in the Transactions?

A. In the exchange offer, Lockheed Martin will offer to Lockheed Martin stockholders the right to exchange all or a portion of their shares of Lockheed Martin common stock for shares of Splitco common stock at a 10 percent discount, calculated as set forth in this document, to the per-share value of Leidos common stock based on one share of Leidos common stock for each share of Splitco common stock as specified in the Merger Agreement, subject to proration in the event of oversubscription. In all cases, the exchange agent will hold all issued and outstanding shares of Splitco common stock as agent until the shares of Splitco common stock are converted into the right to receive shares of Leidos common stock in the Merger. Lockheed Martin stockholders will not be able to trade shares of Splitco common stock during this period or at any time before or after the consummation of the Merger. In the Merger, each share of Splitco common stock will be converted into the right to receive one share of Leidos common stock, as described in the section of this document entitled "The Merger Agreement - Merger Consideration."

If the exchange offer is consummated but is not fully subscribed, Lockheed Martin will distribute the remaining shares of Splitco common stock owned by Lockheed Martin on a *pro rata* basis to Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after the consummation of this exchange offer. Any Lockheed Martin stockholder who validly tenders (and does not properly withdraw) shares of Lockheed Martin common stock for shares of Splitco common stock in the exchange offer will waive their rights with respect to such tendered shares to receive, and forfeit any rights to, shares of Splitco common stock distributed on a *pro rata* basis to Lockheed Martin stockholders in the event the exchange offer is not fully subscribed.

Q: Are there any conditions to the consummation of the Transactions?

A: Yes. The consummation of the Transactions is subject to a number of conditions, including:

the approval by Leidos stockholders of the Share Issuance;

Table of Contents

the termination or expiration of the waiting period under the HSR Act (which period has expired), and the receipt of any governmental approvals required under the antitrust laws in the United Kingdom;

the approval for listing on the NYSE of the shares of Leidos common stock to be issued in the Merger;

the effectiveness under the Securities Act of Splitco's registration statement on Form S-4 and Form S-1 (Reg. No. 333-210797) and Leidos' registration statement on Form S-4 (Reg. No. 333-210796), and the absence of any stop order issued by the SEC or any pending proceeding before the SEC seeking a stop order with respect thereto;

the receipt of the Lockheed Martin Tax Opinions by Lockheed Martin and the receipt of the Leidos Tax Opinion by Leidos;

the receipt by Lockheed Martin, Splitco and Leidos of customary solvency opinions;

the incurrence of debt by Splitco pursuant to the Splitco Credit Facility;

the receipt of the Splitco Special Cash Payment by Lockheed Martin;

the completion of the various transaction steps contemplated by the Merger Agreement and the Separation Agreement, including the Separation and the Distribution; and

other customary conditions.

To the extent permitted by applicable law, Lockheed Martin and Splitco, on the one hand, and Leidos and Merger Sub, on the other hand, may waive the satisfaction of the conditions to their respective obligations to consummate the Transactions. In addition, the waiver by Lockheed Martin or Splitco of conditions to their respective obligations under the Separation Agreement requires the consent of Leidos. If Leidos waives the satisfaction of a material condition to the consummation of the Transactions, Leidos will evaluate the facts and circumstances at that time and re-solicit stockholder approval of the issuance of shares of Leidos common stock in the Merger if required to do so by law or the rules of the NYSE.

This document describes these conditions in more detail under "The Merger Agreement - Conditions to the Merger."

Q: When will the Transactions be completed?

A: The Transactions are expected to be completed in the third or fourth quarter of 2016. However, it is possible that the Transactions could be completed at a later time or not at all, and the Merger Agreement provides that Lockheed Martin or Leidos may terminate the Merger Agreement if the Merger is not consummated on or before January 25, 2017. For a discussion of the conditions to consummate of the Transactions and the circumstances under which the Merger Agreement may be terminated by the parties, see "The Merger Agreement - Conditions to the Merger" and "The

Merger Agreement Termination, respectively.

Q: Are there risks associated with the Transactions?

A: Yes. The material risks and uncertainties associated with the Transactions are discussed in the section of this document entitled *Risk Factors* and the section of this document entitled *Cautionary Statement on Forward-Looking Statements*. Those risks include, among others, the possibility that the Transactions may not be completed or may not achieve the intended benefits, the possibility that Leidos may fail to realize the anticipated benefits of the Merger and the value of any Leidos common stock to be received in the Transactions, the uncertainty that Leidos will be able to integrate the Splitco Business successfully, the possibility that Leidos may be unable to provide benefits and services or access to equivalent financial strength and resources to the Splitco Business that historically have been provided by Lockheed Martin, the possibility that the Transactions may be treated by the IRS as taxable to Lockheed Martin and/or Lockheed Martin stockholders, the additional long-term indebtedness and liabilities that Leidos and its subsidiaries will have following consummation of the Transactions and the substantial dilution to the ownership interest of current Leidos stockholders following consummation of the Merger resulting from the Transactions.

Q: What stockholder approvals are needed in connection with the Transactions?

A: Leidos cannot complete the Transactions unless the proposal relating to the Share Issuance is approved by the affirmative vote of a majority of votes cast by Leidos stockholders on the proposal at the 2016 annual meeting.

Q: Where will the Leidos shares to be issued in the Merger be listed?

A: Leidos common stock is listed on the NYSE under the symbol *LDOS*. After the consummation of the Transactions, all shares of Leidos common stock issued in the Merger, and all other outstanding shares of Leidos common stock, will continue to be listed on the NYSE and trade under the same symbol.

Abacus Innovations Corporation, a Delaware corporation incorporated on January 19, 2016, referred to in this document as Splitco, is a direct, wholly-owned subsidiary of Lockheed Martin that was organized specifically for the purpose of effecting the Separation. Splitco has engaged in no business activities to date and it has no material assets or liabilities of any kind, other than those incident to its formation and in connection with the Transactions. Prior to the closing of this exchange offer, Splitco will

own, directly and through the Splitco Subsidiaries, the Splitco Business and will incur indebtedness in the Splitco Debt Financing. The Splitco Business means the business and operations of Lockheed Martin's Information Systems & Global Solutions (IS&GS) business segment as it was reported in Lockheed Martin's Annual Report on Form 10-K for the year ended December 31, 2015, as summarized in the section of this document entitled "Information on the Splitco Business."

The Transactions

On January 26, 2016, Lockheed Martin and Leidos announced that they, along with Splitco and Merger Sub, had entered into the Merger Agreement, and that Lockheed Martin and Splitco had entered into the Separation Agreement, which together provide for the combination of Leidos' business and the Splitco Business. In the Transactions, Lockheed Martin will transfer the Splitco Business to Splitco. Prior to the Distribution, Splitco will incur new indebtedness and will pay to Lockheed Martin the Splitco Special Cash Payment.

On the closing date of the Merger, Lockheed Martin will distribute shares of Splitco common stock to its participating stockholders in the exchange offer. If the exchange offer is consummated but is not fully subscribed, Lockheed Martin will distribute the remaining shares of Splitco common stock on a *pro rata* basis to Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after the consummation of the exchange offer. Any Lockheed Martin stockholder who validly tenders (and does not properly withdraw) shares of Lockheed Martin common stock for shares of Splitco common stock in the exchange offer will waive their rights with respect to such tendered shares to receive, and forfeit any rights to, shares of Splitco common stock distributed on a *pro rata* basis to Lockheed Martin stockholders in the event the exchange offer is not fully subscribed. If there is a *pro rata* distribution, the exchange agent will calculate the exact number of shares of Splitco common stock not exchanged in the exchange offer and to be distributed on a *pro rata* basis, and the number of shares of Leidos common stock into which the remaining shares of Splitco common stock will be converted in the Merger will be transferred to Lockheed Martin stockholders (after giving effect to the consummation of the exchange offer) as promptly as practicable thereafter.

Immediately after the Distribution and on the closing date of the Merger, Merger Sub will merge with and into Splitco, whereby the separate corporate existence of Merger Sub will cease and Splitco will continue as the surviving company and a wholly-owned subsidiary of Leidos. In the Merger, subject to adjustment in accordance with the Merger Agreement, each share of Splitco common stock will be converted into the right to receive one share of Leidos common stock, as described in the section of this document entitled "The Merger Agreement—Merger Consideration."

Subject to adjustment under certain circumstances as set forth in the Merger Agreement, Leidos will issue 76,958,918 shares of Leidos common stock in the Merger. Based upon the reported closing sale price of \$50.59 per share for Leidos common stock on the NYSE on July 8, 2016, and after taking into account the Leidos Special Dividend of \$13.64 per share, the total value of the shares to be issued by Leidos and the cash expected to be received by Lockheed Martin in the Transactions would have been approximately \$4,644 million. The actual value of the Leidos common stock to be issued in the Merger will depend on the market price of shares of Leidos common stock at the time of the Merger.

After the Merger, Leidos will own and operate the Splitco Business through Splitco, which will be Leidos wholly-owned subsidiary, and will also continue its current businesses. All shares of Leidos common stock, including those issued in the Merger, will be listed on the NYSE under Leidos' current trading symbol—LDOS.

Below is a step-by-step description of the sequence of material events relating to the Transactions.

Step 1 Separation

Lockheed Martin will transfer the Splitco Business to Splitco following the Internal Reorganization.

Table of Contents

Step 2 Issuance of Splitco Common Stock to Lockheed Martin, Incurrence of Splitco Debt and Splitco Cash Payment

In connection with the transfer of the Splitco Business to Splitco, Splitco will issue to Lockheed Martin additional shares of Splitco common stock. Following this issuance, subject to adjustment in accordance with the Merger Agreement, Lockheed Martin will own 76,958,918 shares of Splitco common stock, which will constitute all of the outstanding stock of Splitco. In addition, Splitco will incur new indebtedness in an aggregate principal amount of approximately \$1,841,450,000. Splitco will use a portion of the proceeds of this loan to pay to Lockheed Martin the Splitco Special Cash Payment in connection with the transfer of the Splitco Business to Splitco. Splitco will use the balance to pay certain fees and expenses related to such indebtedness.

Step 3 Distribution Exchange Offer

Lockheed Martin will offer to Lockheed Martin stockholders the right to exchange all or a portion of their shares of Lockheed Martin common stock for shares of Splitco common stock at a 10 percent discount, calculated as set forth in this document, to the equivalent per-share value of Leidos common stock, after giving effect to the amount of the Leidos Special Dividend, based on the conversion in the Merger of each share of Splitco common stock into one share of Leidos common stock. If the exchange offer is consummated but is not fully subscribed, Lockheed Martin will distribute the remaining shares of Splitco common stock on a *pro rata* basis to Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after the consummation of the exchange offer. Any Lockheed Martin stockholder who validly tenders (and does not properly withdraw) shares of Lockheed Martin common stock for shares of Splitco common stock in the exchange offer will waive their rights with respect to such tendered shares to receive, and forfeit any rights to, shares of Splitco common stock distributed on a *pro rata* basis to Lockheed Martin stockholders in the event the exchange offer is not fully subscribed.

Step 4 Incurrence of Leidos Debt

Prior to the closing of the Merger, the Leidos Borrower will incur new indebtedness in the form of a \$690,000,000 Term Loan A Facility and a \$750,000,000 Revolving Credit Facility. The proceeds of the Term Loan A Facility and up to \$50,000,000 of borrowings under the Revolving Credit Facility, together with cash on hand at Leidos (which shall not exceed \$500,000,000), will be used to pay the Leidos Special Dividend, and additional proceeds of borrowings under the Revolving Credit Facility will be used to (i) repay in full all outstanding indebtedness for borrowed money of Splitco (if any) (other than the debt incurred by Splitco described above in Step 2), (ii) repay in full all indebtedness, and terminate all commitments, under the Amended and Restated Four Year Credit Agreement dated as of March 11, 2011, among Leidos, as borrower, Leidos, Inc., as guarantor, and Citibank, N.A., as administrative agent, the lenders, other agents and other parties party thereto from time to time and (iii) pay the fees, costs and expenses associated therewith.

Step 5 Merger

Immediately after the Distribution, Merger Sub will merge with and into Splitco, whereby the separate corporate existence of Merger Sub will cease and Splitco will continue as the surviving company and as a wholly-owned subsidiary of Leidos. In the Merger, each share of Splitco common stock will be converted into the right to receive one share of Leidos common stock, as described in the section of this document entitled *The Merger Agreement Merger Consideration*. Immediately after the consummation of the Merger, approximately 50.5 percent of the outstanding shares of Leidos common stock is expected to be held by pre-Merger Splitco (former Lockheed Martin) stockholders and approximately 49.5 percent of the outstanding shares of Leidos common stock is expected to be held by pre-Merger Leidos stockholders on a fully diluted basis.

Set forth below are diagrams that graphically illustrate, in simplified form, the existing corporate structures, the corporate structures immediately following the Separation and the Distribution but before the Merger and the corporate structures immediately following the consummation of the Merger.

Table of Contents

After completion of all of the steps described above, Leidos wholly-owned subsidiary, Splitco, will hold the Splitco Business directly and through its subsidiaries and will continue as the obligor under the new indebtedness to be incurred by Splitco on or about the date of the Distribution, which, after the consummation of the Merger, is expected to be guaranteed by Leidos.

In connection with the Transactions, on the date of the Distribution, Lockheed Martin or its subsidiaries and Splitco or the Splitco Subsidiaries will enter into the Additional Agreements relating to, among other things, intellectual property, real property, shared contracts, supply arrangements, contract novation and transition services. See Other Agreements Additional Agreements.

Accordingly, subject to such adjustment, the total number of shares of Splitco common stock to be exchanged for shares of Lockheed Martin common stock in this exchange offer will be equal to 76,958,918 shares.

Table of Contents**Terms of this Exchange Offer**

Lockheed Martin is offering to exchange all issued and outstanding shares of Splitco common stock for shares of Lockheed Martin common stock. You may tender all, some or none of your shares of Lockheed Martin common stock. This document and related documents are being sent to persons who directly held shares of Lockheed Martin common stock on or about July 7, 2016, and brokers, banks and similar persons whose names or the names of whose nominees appear on Lockheed Martin's stockholder list or, if applicable, who are listed as participants in a clearing agency's security position listing for subsequent transmittal to beneficial owners of Lockheed Martin common stock. Participants in the Lockheed Martin Savings Plans and the Sandia Savings Plan who have holdings in the ESOP Fund, the LM Plan Company Stock Fund or the Sandia Plan Company Stock Fund will receive information from the trustee or the independent fiduciary, as applicable.

Lockheed Martin common stock validly tendered and not properly withdrawn will be accepted for exchange on the terms and conditions of this exchange offer and subject to the limitations described below, including the proration provisions. See **This Exchange Offer Terms of this Exchange Offer**. Lockheed Martin will promptly return any shares of Lockheed Martin common stock that are not accepted for exchange following the expiration of this exchange offer and the determination of the final proration factor, if any, described in the section of this document entitled **This Exchange Offer Terms of this Exchange Offer**.

For the purposes of illustration, the table below indicates the number of shares of Splitco common stock that you would receive per share of Lockheed Martin common stock validly tendered and accepted in this exchange offer, calculated on the basis described in the section of this document entitled **This Exchange Offer Terms of this Exchange Offer** and taking into account the upper limit, assuming a range of averages of the Daily VWAP of Lockheed Martin common stock and Leidos common stock on the Valuation Dates. The first row of the table below shows the indicative calculated per-share values of Lockheed Martin common stock and Splitco common stock and the indicative exchange ratio that would have been in effect following the official close of trading on the NYSE on July 8, 2016, based on the Daily VWAPs of Lockheed Martin common stock and Leidos common stock on July 6, 2016, July 7, 2016 and July 8, 2016. In the case of Splitco common stock, the value will be reduced by \$13.64 per share, which equals the per-share amount of the Leidos Special Dividend. The table also shows the effects of a five percent increase or decrease in either or both the calculated per-share values of Lockheed Martin common stock and Leidos common stock (before adjustment for the Leidos Special Dividend) based on changes relative to the values as of July 8, 2016.

- (1) The calculated per-share value of Splitco common stock for purposes of this exchange offer will equal the simple arithmetic average of the Daily VWAP of Leidos common stock on the NYSE on each of the Valuation Dates, minus \$ 13.64 per share, which equals the per-share amount of the Leidos Special Dividend.
- (2) The Calculated Value Ratio equals (i) the calculated per-share value of Splitco common stock multiplied by the exchange ratio, divided by (ii) the calculated per-share value of Lockheed Martin common stock.
- (3) In this scenario, the upper limit is in effect. Absent the upper limit, the exchange ratio would have been 8.3558 shares of Splitco common stock per share of Lockheed Martin common stock validly tendered and accepted in this exchange offer. In this scenario, Lockheed Martin would announce that the upper limit on the number of shares that can be received for each share of Lockheed Martin common stock tendered is in effect at the expiration of the exchange offer period no later than 9:00 a.m., New York City time, on the second trading day prior to the expiration date and that the exchange ratio would be fixed at the upper limit.
- (4) In this scenario, the upper limit is in effect. Absent the upper limit, the exchange ratio would have been 8.7736 shares of Splitco common stock per share of Lockheed Martin common stock validly tendered and accepted in this exchange offer. In this scenario, Lockheed Martin would announce that the upper limit on the number of shares that can be received for each share of Lockheed Martin common stock tendered is in effect at the expiration of the exchange offer period no later than 9:00 a.m., New York City time, on the second trading day prior to the expiration date and that the exchange ratio would be fixed at the upper limit.

Table of Contents

During the three-month period of April 9, 2016 through July 8, 2016, the highest closing price of Lockheed Martin common stock on the NYSE was \$251.90 and the lowest closing price of Leidos common stock on the NYSE was \$45.71 (or \$32.07 after deducting the amount of the Leidos Special Dividend). If the calculated per-share values of Lockheed Martin common stock and Splitco common stock were calculated based on these closing prices and after giving effect to the amount of the Leidos Special Dividend, you would receive only the upper limit of 8.2136 shares of Splitco common stock for each share of Lockheed Martin common stock tendered, and the value of such shares of Splitco common stock, based on the Leidos common stock price, would have been greater than the value of Lockheed Martin common stock accepted for exchange (approximately \$105 of Splitco common stock for each \$100 in value of Lockheed Martin common stock accepted for exchange), but would represent less than the 10 percent discount in value contemplated at the inception of this exchange offer.

Extension; Amendment; Termination

This exchange offer, and your withdrawal rights, will expire at 8:00 a.m., New York City time, on August 16, 2016, unless Lockheed Martin extends this exchange offer. You must tender your shares of Lockheed Martin common stock prior to this time if you want to participate in this exchange offer. Lockheed Martin may extend, amend or terminate this exchange offer as described in this document.

Conditions for Consummation of this Exchange Offer

the effectiveness under the Securities Act of Splitco's registration statement on Form S-4 and Form S-1 (Reg. No. 333-210797) and Leidos' registration statement on Form S-4 (Reg. No. 333-210796), and the absence of any stop order issued by the SEC or any pending proceeding before the SEC seeking a stop order with respect thereto;

the receipt of the Lockheed Martin Tax Opinions by Lockheed Martin and the receipt of the Leidos Tax Opinion by Leidos;

Lockheed Martin may waive any of the conditions to this exchange offer prior to the expiration of this exchange offer. Proration; Tenders for Exchange by Holders of Fewer than 100 Shares of Lockheed Martin Common Stock

If, upon the expiration of this exchange offer, Lockheed Martin stockholders have validly tendered and not properly withdrawn more shares of Lockheed Martin common stock than Lockheed Martin is able to accept for exchange (taking into account the exchange ratio and the total number of shares of Splitco common stock owned by Lockheed Martin), Lockheed Martin will accept for exchange the shares of Lockheed Martin common stock validly tendered and not properly withdrawn by each tendering stockholder on a *pro rata* basis, based on the proportion that the total number of shares of Lockheed Martin common stock to be accepted bears to the total number of shares of Lockheed Martin common stock validly tendered and not properly withdrawn (calculated to six decimal points), and subject to any adjustment necessary to ensure the exchange of all shares of Splitco common stock owned by Lockheed Martin, except for tenders of odd-lots, as described below.

Lockheed Martin will announce the preliminary proration factor at www.edocumentview.com/LockheedMartinExchange, through the toll-free number maintained by the information agent listed on the back cover of this document and by press release as promptly as practicable after the expiration date. Upon determining the number of shares of Lockheed Martin common stock validly tendered for exchange, Lockheed Martin will announce the final results, including the final proration factor.

Beneficial holders of odd-lots that is, fewer than 100 shares of Lockheed Martin common stock, whether held in registered form or through a broker or other nominee who validly tender all of their shares and request preferential treatment will not be subject to proration if this exchange offer is oversubscribed. Beneficial holders of 100 or more shares of Lockheed Martin common stock are not eligible for the foregoing odd-lots preference.

In the case of Lockheed Martin stockholders who hold their odd-lot shares in registered form, you can elect not to be subject to proration by completing the box in the applicable letter of transmittal entitled *Odd-Lot Shares*. If your odd-lot shares are held by a broker or other nominee for your account, you can contact the broker or nominee and request this preferential treatment. All of your odd-lot shares will be accepted for exchange without proration if Lockheed Martin completes this exchange offer. The foregoing odd-lots preference does not apply to shares of Lockheed Martin common stock held in the ESOP Fund or the LM Plan Company Stock Fund under the Lockheed Martin Savings Plans or the Sandia Plan Company Stock Fund under the Sandia Savings Plan. Thus, if a participant in a Lockheed Martin Savings Plan tenders all of his or her shares of Lockheed Martin common stock (or if the independent fiduciary for the Sandia Savings Plan tenders shares of Lockheed Martin common stock) held under the plan, those shares will be subject to proration even if the participant holds units under the plan representing fewer than 100 shares.

Fractional Shares

Upon the consummation of this exchange offer, the exchange agent will hold the shares of Splitco common stock as agent for the Lockheed Martin stockholders who validly tendered their shares and, in case of a *pro rata* distribution, for the holders of record of Lockheed Martin common stock for the *pro rata* distribution. Immediately following the consummation of this exchange offer, Merger Sub will be merged with and into Splitco, with Splitco surviving the Merger and becoming a wholly-owned subsidiary of Leidos. Each issued and outstanding share of Splitco common stock will be converted in the Merger into the right to receive one share of Leidos common stock. In the conversion, no fractional shares of Leidos common stock will be delivered to Splitco stockholders. All fractional shares of Leidos common stock that any Splitco stockholder otherwise would be entitled to receive as a result of the Merger will be aggregated by the exchange agent on behalf of Leidos. The exchange agent will cause the whole shares obtained thereby to be sold on behalf of the Splitco stockholders that otherwise would be entitled to receive such fractional shares of Leidos common stock in the Merger, in the open market or otherwise, in each case at then-prevailing market

prices as soon as practicable after the Merger and, in any case, no later than five business days after the Merger. The exchange agent then will make available the net proceeds thereof, after deducting any required brokerage or similar charges, commissions and transfer taxes, on a *pro rata* basis, without interest, but subject to any required withholding taxes, as soon as practicable to the Splitco stockholders that otherwise would be entitled to receive such fractional shares of Leidos common stock in the Merger.

Delivery of Shares of Splitco Common Stock

Upon the consummation of this exchange offer, Lockheed Martin will deliver to the exchange agent a global certificate representing all of the Splitco common stock being distributed in this exchange offer, with irrevocable instructions to hold the shares of Splitco common stock as agent for the holders of shares of Lockheed Martin common stock validly tendered and not withdrawn in this exchange offer and, in the case of a *pro rata* distribution, Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after the consummation of this exchange offer. Leidos will deposit in a reserve account with its transfer agent for the benefit of persons who received shares of Splitco common stock in this exchange offer book-entry authorizations representing shares of Leidos common stock, with irrevocable instructions to hold the shares of Leidos common stock in trust for the Splitco stockholders. Shares of Leidos common stock will be delivered promptly following the expiration of this exchange offer, the acceptance of Lockheed Martin common stock for exchange, the determination of the final proration factor, if any, and the effectiveness of the Merger, pursuant to the procedures determined by the exchange agent and Leidos' transfer agent. See *This Exchange Offer Terms of this Exchange Offer Exchange of Shares of Lockheed Martin Common Stock*.

Withdrawal Rights

You may withdraw your tendered shares of Lockheed Martin common stock at any time prior to the expiration of this exchange offer by following the procedures described herein. If you change your mind again, you may re-tender your Lockheed Martin common stock by once again following the exchange offer procedures prior to the expiration of this exchange offer.

If you hold units of the ESOP Fund and/or the LM Plan Company Stock Fund in a Lockheed Martin Savings Plan account and you wish to withdraw shares attributable to the units that you have tendered, you must withdraw such shares by the deadline set forth in the trustee's instructions, as applicable, and it is possible that such deadline may

occur before the final exchange ratio has been determined. You should refer to the procedures and deadlines set forth in the trustee's informational materials provided to you. If you hold units of the ESOP Fund and/or the LM Plan Company Stock Fund in a Lockheed Martin Savings Plan, the trustee must deliver the notice of withdrawal with respect to any shares you wish to be withdrawn, and you will not be able to provide a notice of withdrawal for such shares directly to the exchange agent. If you hold units of the Sandia Plan Company Stock Fund in a Sandia Savings Plan account, the independent fiduciary will determine whether to withdraw shares attributable to the units that it tendered, if any, after the exchange ratio has been determined by the deadline for withdrawals described in this document.

Distribution of Any Shares of Splitco Common Stock Remaining After this Exchange Offer

If this exchange offer is consummated but fewer than all of the issued and outstanding shares of Splitco common stock are exchanged because the exchange offer is not fully subscribed, Lockheed Martin will distribute the remaining shares of Splitco common stock on a *pro rata* basis to Lockheed Martin stockholders whose shares of Lockheed Martin common stock remain outstanding after the consummation of this exchange offer. The record date for the *pro rata* distribution, if any, will be announced by Lockheed Martin. Any Lockheed Martin stockholder who validly tenders (and does not properly withdraw) shares of Lockheed Martin common stock for shares of Splitco common stock in the exchange offer will waive their rights with respect to such tendered shares to receive, and forfeit any rights to, shares of Splitco common stock distributed on a *pro rata* basis to Lockheed Martin stockholders in the event the exchange offer is not fully subscribed.

If there is a *pro rata* distribution, the exchange agent will calculate the exact number of shares of Splitco common stock not exchanged in the exchange offer and to be distributed on a *pro rata* basis, and the number of shares of Leidos common stock into which the remaining shares of Splitco common stock will be converted in the Merger will be transferred to Lockheed Martin stockholders (after giving effect to the consummation of the exchange offer) as promptly as practicable thereafter.

If this exchange offer is terminated by Lockheed Martin without the exchange of shares, but the conditions for the consummation of the Transactions have otherwise been satisfied, Lockheed Martin intends to distribute all shares of Splitco common stock owned by Lockheed Martin on a *pro rata* basis to Lockheed Martin stockholders with a record date to be announced by Lockheed Martin.

Legal Limitations; Certain Matters Relating to Non-U.S. Jurisdictions

This document is not an offer to sell or exchange and it is not a solicitation of an offer to buy any shares of Lockheed Martin common stock, Splitco common stock or Leidos common stock in any jurisdiction in which the offer, sale or exchange is not permitted. It will not be possible to trade the shares of Splitco common stock after the consummation of this exchange offer and prior to the consummation of the Merger or during any other period. Countries outside the United States generally have their own legal requirements that govern securities offerings made to persons resident in those countries and often impose stringent requirements about the form and content of offers made to the general public. None of Lockheed Martin, Splitco or Leidos have taken any action under non-U.S. regulations to facilitate a public offer to exchange shares of Lockheed Martin common stock, Splitco common stock or Leidos common stock outside the United States. Accordingly, the ability of any non-U.S. person or any U.S. person residing outside of the United States to tender shares of Lockheed Martin common stock in the exchange offer will depend on whether there is an exemption available under the laws of such person's home country or country of residence, as applicable, that would permit the person to participate in the exchange offer without the need for Lockheed Martin, Leidos or Splitco to take any action to facilitate a public offering in that country. For example, some countries exempt transactions from the rules governing public offerings if they involve persons who meet certain eligibility requirements relating to their status as sophisticated or professional investors.

Non-U.S. stockholders and U.S. stockholders residing outside of the United States should consult their advisors in considering whether they may participate in the exchange offer in accordance with the laws of their home countries or countries of residence, as applicable, and, if they do participate, whether there are any restrictions or limitations on transactions in the shares of Lockheed Martin common stock, Splitco common stock or Leidos common stock that may apply in such countries. Lockheed Martin, Leidos and Splitco cannot provide any assurance about whether such limitations may exist. See *This Exchange Offer Certain Matters Relating to Non-U.S. Jurisdictions* for additional information about limitations on the exchange offer outside the United States.

Risk Factors

In deciding whether to tender your shares of Lockheed Martin common stock in this exchange offer, you should carefully consider the matters described in the section Risk Factors, as well as other information included in this document and the other documents to which you have been referred.

Opinion of Leidos Financial Advisor

Leidos has retained Citigroup Global Markets Inc., referred to as Citi, as its financial advisor in connection with the proposed Merger. In connection with this engagement, Citi delivered a written opinion, dated January 25, 2016, to the Leidos Board as to the fairness, from a financial point of view and as of the date of the opinion, to Leidos of the exchange ratio provided for pursuant to the Merger Agreement. For purposes of Citi's financial analyses and opinion, the term exchange ratio means, after giving effect to the Distribution and certain related transactions contemplated by the Separation Agreement, 1.020202 (which represents the number of shares of Leidos common stock to be issued in the Merger, divided by the number of fully diluted shares of Leidos common stock as of the date of Citi's opinion). The description of Citi's opinion, dated January 25, 2016, to the Leidos Board set forth below is qualified in its entirety by reference to the full text of such opinion. **Citi's opinion was provided for the information of the Leidos Board (in its capacity as such) in connection with its evaluation of the exchange ratio provided for pursuant to the Merger Agreement from a financial point of view to Leidos and did not address any other terms, aspects or implications of the Merger or any related transactions, including, without limitation, the Distribution relating to the Splitco Business contemplated to be effected prior to consummation of the Merger or any conversion or exchange ratio determined in connection with such Distribution. Citi expressed no view as to, and its opinion did not address, the underlying business decision of Leidos to effect the Merger or related transactions, the relative merits of the Merger or related transactions as compared to any alternative business strategies that might exist for Leidos or the effect of any other transaction in which Leidos might engage. Citi's opinion is not intended to be and does not constitute a recommendation to any stockholder as to how such stockholder should vote or act on any matters relating to the proposed Merger, any related transaction or otherwise.**

Debt Financing

On January 26, 2016, in connection with their entry into the Merger Agreement, Leidos and Splitco entered into separate commitment letters with the Commitment Parties pursuant to which the Commitment Parties agreed to provide debt financing for the Transactions. Pursuant to, and subject to the terms and conditions of, the Leidos Commitment Letter, the Commitment Parties will provide a new senior secured credit facility to the Leidos Borrower in an aggregate principal amount of up to \$1,440,000,000, which is currently expected to consist of a Term Loan A Facility in an aggregate principal amount of up to \$690,000,000 and a revolving credit facility in an aggregate principal amount of up to \$750,000,000. Pursuant to, and subject to the terms and conditions of, the Splitco Commitment Letter, the Commitment Parties will provide a new senior secured credit facility to Splitco of up to \$1,841,450,000, which is currently expected to consist of a three-year Term Loan A Facility in an aggregate principal amount of up to \$400,000,000, a five-year Term Loan A Facility in an aggregate principal amount of up to \$310,000,000 and a Term Loan B Facility in an aggregate principal amount of up to \$1,131,450,000. See Debt Financing for further information.

Interests of Leidos Directors and Executive Officers in the Transactions

Certain of Leidos' directors and executive officers have financial interests in the Transactions that may be different from, or in addition to, the interests of Leidos stockholders generally. The members of the Leidos Board were aware of and considered these interests, among other matters, in reaching the determination to approve the terms of the

Merger Agreement and the Transactions, including the Merger, and in recommending to Leidos stockholders that they vote to approve the Share Issuance.

Board of Directors and Management of Leidos Following the Transactions

Following the consummation of the exchange offer, Merger Sub will merge with and into Splitco, whereby the separate corporate existence of Merger Sub will cease and Splitco will continue as the surviving company and a wholly-owned subsidiary of Leidos. Directors of Leidos serving on its board of directors immediately before the consummation of the Merger are expected to continue to serve as directors of Leidos immediately following the closing of the Merger.

Table of Contents

In connection with the Transactions and following the consummation of the Merger, the size of the Leidos Board will be increased to include three additional directors to be designated by Lockheed Martin. The Merger Agreement provides that, thereafter, at the following annual election of directors of Leidos, the Leidos Board will take all actions necessary to include each of the Lockheed Martin designees as nominees for the Leidos Board for election by Leidos stockholders, subject in all events to the fiduciary duties of the Leidos Board, the requirements of the NYSE and all other applicable laws. Following the consummation of the Merger, the executive officers of Leidos immediately prior to the consummation of the Merger are expected to be the executive officers of Leidos immediately following the consummation of the Merger.

Leidos Stockholder Approval

Leidos cannot complete the Transactions unless the proposal relating to the Share Issuance is approved by the affirmative vote of a majority of votes cast on the proposal at the 2016 annual meeting, either in person or by proxy (assuming a quorum is present).

Leidos Stockholders Meeting

Under the terms of the Merger Agreement, Leidos has agreed to call, give notice of, convene and hold an annual meeting of its stockholders for the purpose of, among other things, voting upon the proposal to approve the Share Issuance. The Leidos Board has called an annual meeting of Leidos stockholders to be held on August 8, 2016, for Leidos stockholders of record on June 30, 2016. The definitive proxy statement was mailed to Leidos stockholders on or about July 7, 2016.

As of June 30, 2016, Leidos' directors and executive officers held 1.61 percent of the shares entitled to vote at Leidos 2016 annual meeting of stockholders. As of June 30, 2016, Splitco's directors, executive officers and their affiliates owned an aggregate of less than one percent shares of Leidos common stock entitled to vote at Leidos' 2016 annual meeting of stockholders.

Accounting Treatment and Considerations

Accounting Standard Codification 805, Business Combinations, requires the use of the acquisition method of accounting for business combinations. In applying the acquisition method, it is necessary to identify both the accounting acquiree and the accounting acquiror. In a business combination effected through an exchange of equity interests, such as the Merger, the entity that issues the interests (Leidos, in this case) is generally the acquiring entity. In identifying the acquiring entity in a combination effected through an exchange of equity interests, however, all pertinent facts and circumstances must be considered, including the following:

Issuance of equity by Leidos. Leidos expects to issue approximately 77 million shares of Leidos common stock in the Merger.

Incurrence of debt by Leidos and Splitco. Approximately \$2.531 billion of indebtedness is expected to be incurred under the Facilities (as defined in the section of this document entitled "Debt Financing"). After the Merger, Splitco will be a wholly-owned subsidiary of Leidos, Splitco's indebtedness is expected to be guaranteed by Leidos and Leidos' indebtedness incurred to finance the Transactions is expected to be guaranteed by Splitco.

The relative voting interests of Leidos stockholders after the consummation of the Transactions. In this case, Lockheed Martin stockholders participating in the exchange offer (and *pro rata* distribution, if any) are expected to receive approximately 50.5 percent of the equity ownership and associated voting rights in Leidos after the consummation of the Transactions on a fully diluted basis.

The composition of the governing body of Leidos after the consummation of the Transactions. The Leidos Board currently consists of 10 directors and will increase following consummation of the Merger in accordance with the terms of the Merger Agreement, which provides that the Leidos Board will cause the number of directors comprising the Leidos Board to be increased to no more than 13 directors and cause three directors designated by Lockheed Martin to be appointed to the Leidos Board to serve until the next annual meeting of the Leidos stockholders.

Table of Contents

The composition of the senior management of Leidos after the consummation of the Transactions. In this case, Leidos executive officers immediately following the Merger are expected to consist of Leidos executive officers immediately prior to the Merger.

Leidos management has determined that Leidos will be the accounting acquiror in the Merger based on the facts and circumstances outlined above and the detailed analysis of the relevant GAAP guidance. Consequently, Leidos will apply acquisition accounting to the assets and liabilities of Splitco acquired or assumed upon the consummation of the Merger. The historical financial statements of Leidos for periods ended prior to the consummation of the Merger will reflect only the operations and financial condition of Leidos. Subsequent to the consummation of the Merger, the financial statements of Leidos will include the combined operations and financial condition of Leidos and Splitco.

Federal Securities Law Consequences; Resale Restriction

Leidos common stock issued in the Merger will not be subject to any restrictions on transfer arising under the Securities Act, except for shares issued to any Lockheed Martin stockholder who may be deemed to be an affiliate of Splitco for purposes of Rule 145 under the Securities Act.

No Appraisal or Dissenters Rights

None of Leidos, Merger Sub, Lockheed Martin or Splitco stockholders will be entitled to exercise appraisal rights or to demand payment for their shares in connection with the Transactions.

Material U.S. Federal Income Tax Consequences of the Distribution and the Merger

It is intended that the Distribution, together with certain related transactions, will qualify as a tax-free reorganization within the meaning of Section 368(a)(1)(D) of the Code and a tax-free distribution within the meaning of Section 355 of the Code and that the Merger will qualify as a tax-free reorganization within the meaning of Section 368(a) of the Code. On the basis that the Distribution and the Merger are so treated, U.S. Holders (as defined in This Exchange Offer Material U.S. Federal Income Tax Consequences of the Distribution and the Merger) of Lockheed Martin common stock generally will not recognize gain or loss for U.S. federal income tax purposes by reason of the Distribution or the Merger, in each case, except for any gain or loss recognized with respect to any cash received in lieu of a fractional share of Leidos common stock.

The consummation of the Distribution, the Merger and the related transactions are conditioned upon the receipt of opinions of tax counsel to the effect that such transactions qualify for their intended tax treatment. An opinion of tax counsel neither binds the IRS nor precludes the IRS or the courts from adopting a contrary position. Lockheed Martin does not intend to obtain a ruling from the IRS on the tax consequences of the Distribution or the Merger. If the Distribution and/or the Merger fails to qualify for the intended tax treatment, Lockheed Martin and/or its stockholders will be subject to substantial U.S. federal income taxes.

The tax consequences to you of the Distribution and Merger will depend on your particular circumstances. You should read the discussion in the section of this document entitled This Exchange Offer Material U.S. Federal Income Tax Consequences of the Distribution and the Merger and consult your own tax advisor for a full understanding of the tax consequences to you of the Distribution and Merger.

- (b) The impact of Lockheed Martin's postretirement benefit plans can cause its operating profit, net earnings, cash flows and amounts recorded on its Balance Sheets to fluctuate. Accordingly, Lockheed Martin's earnings were affected by FAS/CAS pension income of \$246 million and \$119 million in the three months ended March 27, 2016 and March 29, 2015, respectively, and \$471 million and \$376 million in 2015 and 2014 and expense of \$482 million in 2013. - (c) The increase in total assets from 2014 to 2015 was primarily attributable to Lockheed Martin's acquisition of Sikorsky, a global company primarily engaged in the design, manufacture and support of military and commercial helicopters, from United Technologies Corporation, which resulted in an increase in total assets of \$11.7 billion.
- (d) The increase in total debt and total liabilities from 2014 to 2015 was primarily a result of the debt incurred to fund the Sikorsky acquisition, as well as the issuance of debt in February of 2015 for general corporate purposes.
