The following document was distributed to employees of SandRidge Energy, Inc.

SandRidge Team,

This morning we announced our agreement to acquire Bonanza Creek Energy, Inc. for approximately \$746 million in cash and stock. Bonanza Creek is a publicly traded (NYSE: BCEI), oil focused, E&P Company with DJ Basin assets targeting the Niobrara.

Over the past year we have focused our strategy to generate the strongest returns possible from our existing assets, while finding opportunities to leverage our expertise into adjacent plays. I firmly believe our people, working as a cohesive team and emphasizing our themes – resource value creation, open and honest dialogue, courageous ideas and SandRidge pride – have been key to our ability to execute our strategy. The assets and challenges may change, but with our culture and team, we can be successful in any environment.

This acquisition directly aligns with our vision and strategy to create resource value and enhance shareholder returns, while prudently managing risk. The combination of using cash and stock to acquire Bonanza Creek allows us to both enhance our asset base and maintain low leverage. Their oil focused assets will immediately add to our existing Niobrara inventory and complement our North Park Basin asset. This transaction increases our daily oil production by 80% to almost 19,000 barrels a day and provides high-return drilling locations, which are ready for immediate development. It also creates a more balanced portfolio by adding development inventory in an established basin to our emerging North Park Basin and NW STACK assets and our more mature, cash producing Mississippian properties. Further, Bonanza Creek has no outstanding debt and strong liquidity, providing us the opportunity to acquire their assets and maintain a superior financial position.

We believe the presence of Bonanza's Creek office and team in Denver will be important to our success in the DJ basin. Through the course of the transaction we have enjoyed working with their team and believe they are outstanding operators, seasoned in the DJ basin.

I am including a link to the press release issued this morning, however, here are some of the highlights of the transaction:

SandRidge will acquire all of the outstanding shares of common stock of Bonanza Creek for cash and shares of SandRidge stock valued at \$36 per share. The total consideration of approximately \$746 million consists of \$398 million in cash and remaining value in SandRidge's common stock.

SandRidge is acquiring all of Bonanza Creek's assets included here with other highlights:

Third quarter 2017 production of 15.8 MBoepd, 52% oil

Year-end 2016 proved reserves of 91 MMBoe, 55% oil

67,000 highly delineated net acres in the rural oil window of the DJ Basin

~970 2P Niobrara and Codell locations driving future oil development opportunities

Stacked pay DJ Basin assets targeting Niobrara and Codell formations

Company owned midstream infrastructure enhancing E&P operations

Mature, cash generating Cotton Valley production

Significant cost, technical and operational synergies

Zero debt and \$31 million of cash on hand as of September 30, 2017

Finding, evaluating and executing opportunities such as this is important for our future. Our incredibly talented team's expertise and ability to identify and execute on opportunities is evidence of our competitive advantage as a company. Congratulations to everyone on a job well done.

I understand that you may have questions about today's news. For those of you in OKC, we will be holding a Town Hall today at 9:30 am in the auditorium to discuss the announcement. For those unable to attend the Town Hall, please be sure to reach out to your manager with your questions, utilize the [Ask the CEO](#) feature on our intranet homepage or just pick up the phone and call me directly.

I am proud of our team's commitment to the strategic vision that will enable our company to grow and thrive for years to come. This commitment has strengthened SandRidge today and will continue to do so in the future.

Thank you again for your dedication to SandRidge.
