**Item 8.01 Other Events.**

On December 14, 2017, Linn Energy, Inc. (the Company) issued a press release announcing that it intends to commence a tender offer to purchase at least \$250 million of its common stock at a premium to the current market price prior to year-end 2017 and plans to separate the Company into three standalone companies by mid-2018. Additionally, the press release provides an operational update on Roan Resources LLC. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

**IMPORTANT INFORMATION ABOUT PROPOSED TENDER OFFER**

The discussion of the proposed tender offer in this Current Report on Form 8-K, including the exhibit hereto, is for informational purposes only and is neither an offer to purchase nor a solicitation of an offer to sell shares. Any tender offer will be made only pursuant to an Offer to Purchase, the related Letter of Transmittal, and other related materials mailed or otherwise delivered to stockholders. Stockholders and investors are urged to read the Company's tender offer statement on Schedule TO that will be filed contemporaneously with the SEC in connection with the tender offer, which will include as exhibits the Offer to Purchase, the related Letter of Transmittal and other offer materials, as well as any amendments or supplements to the Schedule TO when they become available, because they contain important information. Each of these documents will be filed with the SEC, and investors may obtain them for free from the SEC at its website (www.sec.gov) or from the Company's information agent for the tender offer.

**Cautionary Note Regarding Forward-Looking Statements**

Statements made in this Current Report on Form 8-K, including the exhibit hereto, that are not historical facts are forward-looking statements. These statements are based on certain assumptions and expectations made by the Company reflect management's experience, estimates and perception of historical trends, current conditions, and anticipated future developments. Such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of the Company and may cause actual results to differ materially from those implied or anticipated in the forward-looking statements, including, among others, our ability to initiate our proposed tender offer, our ability to identify and consummate strategic opportunities, our financial performance and results, availability of sufficient cash flow to execute our business plan, ability to execute planned asset sales, continued low or further declining commodity prices and demand for oil, natural gas and natural gas liquids, ability to hedge future production, ability to replace reserves and efficiently develop current reserves, the capacity and utilization of midstream facilities and the regulatory environment. These and other important factors could cause actual results to differ materially from those anticipated or implied in the forward-looking statements. Please read Risk Factors in the Company's Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and other public filings. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information or future events.
