Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 10, 2018, at the Dorman Products, Inc. (the Company) 2018 Annual Meeting of Shareholders, shareholders approved the Dorman Products, Inc. 2018 Stock Option and Stock Incentive Plan (the 2018 Plan). A summary of the material terms of the 2018 Plan is incorporated herein by reference from pages 55-64 of the Company's proxy statement for the 2018 Annual Meeting of Shareholders, as filed with the SEC on March 29, 2018 (the 2018 Proxy Statement). The summary of the 2018 Plan included in the 2018 Proxy Statement is not intended to be complete and is qualified in its entirety by reference to the 2018 Plan, which is attached as Exhibit A to the 2018 Proxy Statement, and is incorporated by reference herein.

Also on May 10, 2018, the Compensation Committee of the Board of Directors of the Company approved forms of award agreements to be used for the grant of stock options, restricted stock (both time and performance-based) and restricted stock units (both time and performance-based) to directors and executive officers under the 2018 Plan (the Award Agreements). The Award Agreements were adopted in order to facilitate the Company's grant of equity awards with a variety of terms and vesting criteria as permitted by the 2018 Plan. The forms of Award Agreements are attached hereto as Exhibits 10.1, 10.2, 10.3, 10.4, 10.5 and 10.6.

The forms of Award Agreements include provisions that provide the following:

The exercise price of an option may be paid in any combination of: cash; by check payable to the order of the Company; by the delivery of shares of common stock then owned by the optionee (or by attestation of such ownership); or via cashless exercise.

If a participant's employment is terminated, outstanding vested and unvested awards will be subject to the following treatment:

Reason for Termination	Effect on Awards
Death or Disability	All unvested restricted stock awards and restricted stock units that vest in whole or in part based on performance will vest pro rata at the end of the performance period to the extent the performance target(s) for the performance period are met. All other unvested restricted stock awards and restricted stock units will become vested. Stock options will be exercisable for one year unless the award has an earlier expiration date.
For Cause Termination	All outstanding awards, whether or not vested, earned or exercisable, will be forfeited.
Other Termination Events	Unvested, unearned or unexercisable awards will be forfeited.

Exercisable stock options will be exercisable for a 30-day period unless the award has an earlier expiration date.

Upon a change in control, as defined in the 2018 Plan, all outstanding options will automatically accelerate and become fully exercisable and the restrictions and conditions on outstanding restricted stock and restricted stock units will immediately lapse (with performance-based restricted stock awards and performance-based restricted stock unit awards vesting at maximum performance level). In addition the stock option award agreements authorize the Compensation Committee, in the event of a change in control, to take such actions with respect to the applicable option as it deems appropriate pursuant to the 2018 Plan.

Participants holding restricted shares will have all the rights of a shareholder with respect to such shares, including, but not limited to, the right to vote such shares and receive all dividends and other distributions paid with respect to them. Cash dividends declared or paid on restricted shares will be deferred until the lapsing of any restrictions imposed on such restricted shares.

Restricted stock units will be granted with dividend equivalent rights. Dividend equivalents will vest and be paid only if and to the extent the underlying restricted stock units vest and are paid. Dividend equivalents will be payable in cash.

The form of performance-based restricted stock award agreement and the form of performance-based restricted stock unit award agreement each set forth a list of performance criteria that may be utilized by the Compensation Committee in connection with issuing performance-based awards.

The foregoing is only a summary of certain terms and conditions of the Award Agreements and is qualified in its entirety by reference to such forms, copies of which are attached hereto as Exhibits 10.1, 10.2, 10.3, 10.4, 10.5 and 10.6 and incorporated herein by reference.
