On August 2, 2018, PGT Innovations, Inc., a Delaware corporation (the Company), issued a press release announcing that a special purpose wholly owned subsidiary of the Company priced an offering of \$315.0 million aggregate principal amount of 6.75% senior notes due 2026 in an offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act). The notes were offered to finance, together with cash on hand, the acquisition of Western Window Systems (the Western Window Acquisition), which was previously announced on July 24, 2018, and is expected to close in the middle of August 2018. If the Western Window Acquisition is consummated and certain other conditions are satisfied, the net proceeds from the offering will be released from escrow to fund the Western Window Acquisition, and the Company will become the obligor under the notes. A copy of the press release, which was issued pursuant to and in accordance with Rule 135c under the Securities Act, is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Neither the press release nor this Current Report on Form 8-K constitutes an offer to sell or the solicitation of an offer to buy the notes. The notes and related guarantees are being offered only to qualified institutional buyers in reliance on the exemption from registration set forth in Rule 144A under the Securities Act, and outside the United States in reliance on the exemption from registration set forth in Regulation S under the Securities Act. The notes and the related guarantees have not been and will not be registered under the Securities Act, or the securities laws of any state or other jurisdiction, and may not be offered or sold in the United States without registration or an applicable exemption from the Securities Act and applicable state securities or blue sky laws and foreign securities laws.
