(2) Fannie Mae's meeting corporate performance objectives over three-year periods. Generally, Fannie Mae's Compensation Committee determines in January of the year following completion of the cycle the number of shares of common stock each awardee is entitled to receive, and the shares are paid out in two equal annual installments beginning that January. (Footnote 2 is continued in 3 below.)

(3) For the three-year performance cycle completed in 2003, the reporting person was determined in January 2004 to be entitled to receive 23,850 shares, of which the reporting person received 11,925 shares in accordance with the program and the balance was scheduled to be received in January 2005.
