Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 5(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Pursuant to a Tender Offer Agreement dated October 7, 2007, by and between SAP AG and Business Objects S.A. ("Business Objects"), SAP France S.A. ("SAP France"), a wholly owned subsidiary of SAP AG, commenced a tender offer on December 4, 2007 for all of the outstanding ordinary shares, nominal value 0.10 euro per share (the "Shares"), of Business Objects, including ordinary shares represented

(1) by American Depositary Shares ("ADSs"), as well as the outstanding warrants to acquire Shares ("Warrants") and convertible bonds convertible or exchangeable into new or existing Shares ("ORNANES," and together with the Shares, ADSs and Warrants, "Securities"), issued by Business Objects through concurrent offers in the United States (the "U.S. Offer") and in France (the "French Offer" and together with the U.S. Offer, the "Offers").

The initial offering period for the U.S. Offer expired at 9:00 a.m. New York City time on Tuesday, January 15, 2008, at which time

(2) approximately 87,640,403 Shares (comprised of 74,687,474 Shares and 12,952,929 ADSs) had been validly tendered and not withdrawn pursuant to the Offers, which were accepted for purchase by SAP France.

(3) The reported Securities are owned directly by SAP France, which is a wholly owned subsidiary of SAP AG. SAP AG is indirect beneficial owner of the reported Securities.

The Offers for all outstanding Warrants of Business Objects included warrants to acquire Shares issued on June 5, 2007 ("2007 Warrants"), on July 20, 2006 ("2006 Warrants"), on July 21, 2005 ("2005 Warrants"), on June 15, 2004 ("2004 Warrants") and on July 22, 2003 ("2003 Warrants").

(4)

The original terms of the Warrants provide for the following vesting schedule: (a) 2007 Warrants: 15,000 Shares on or after July 1, 2007, 60,000 Shares on or after June 1, 2008, 75,000 Shares on or after June 1, 2009, and 60,000 Shares on or after June 1, 2010; (b) 2006 Warrants: 15,000 Shares on or after June 1, 2007, 15,000 Shares on or after June 1, 2008, and 15,000 Shares on or after June 1, 2009; (c)

(5) 2005 Warrants: 30,000 Shares on or after June 1, 2006, 30,000 Shares on or after June 1, 2007, and 30,000 Shares on or after June 1, 2008; (d) 2004 Warrants: 35,000 Shares on or after July 1, 2004, 65,000 Shares on or after June 1, 2005, 50,000 Shares on or after June 1, 2006 and 45,000 Shares on or after June 1, 2007; and (e) 2003 Warrants: 17,500 Shares on or after June 1, 2004, 17,500 Shares on or after June 1, 2005, and 10,000 Shares on or after June 1, 2006.

(6) The 2007 Warrants expire on June 5, 2014. The 2006 Warrants expire on July 20, 2013. The 2005 Warrants expire on July 21, 2012. The 2004 Warrants expire on June 15, 2009. The 2003 Warrants expire on January 27, 2009.

(7) The exercise price for the 2007 Warrants is 29.99 euros per Share. The exercise price for the 2006 Warrants is 22.31 euros per Share. The exercise price for the 2005 Warrants is 23.13 euros per Share. The exercise price for the 2004 Warrants is 17.04 euros per Share. The exercise price for the 2003 Warrants is 19.45 euros per Share.

Pursuant to the terms of a prospectus (the "French Prospectus") approved under visa number 07-140 issued May 3, 2007 by the Autorite des marches financiers (the "AMF"), an English translation of the terms and conditions of which was filed by Business Objects with the US Securities and Exchange Commission (the "SEC") on Form 8-K on May 16, 2007, the ORNANES are, subject to certain specified conditions at specified times, exercisable after May 11, 2009 or during the period during which a registration statement becomes or is declared effective by the SEC and is available for use in connection with the exercise of the conversion right, until the seventh French business day preceding the redemption date at maturity.

(8)

Upon conversion of each ORNANE, 42.15 euros would be payable in cash, and the amount payable in shares would be 0.202325238 Shares. The consideration payable in Shares (0.202325238 Shares per ORNANE) is calculated by taking (A) the product of (1) the issue price of the ORNANES (42.15 euros) and (2) the interpolated conversion ratio (1.201605219) minus (B) the issue price of the ORNANES (42.15 euros) divided by (C) the offer price per Share (42.00 euros). Thus the formula is $((42.15 \times 1.201605219) - 42.15) / 42.00$.

(9)

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *See* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
