Reflects the grant of restricted stock by the Issuer to the Reporting Person on April 16, 2016. The restricted stock is scheduled to vest,

(1) subject to the Reporting Person's continued employment, as to one-third of the shares awarded on each of the first, second and third anniversaries of the grant date.

(2) Includes 214,167 restricted stock units which are scheduled to vest on April 16, 2017, subject to the Reporting Person's continued employment or service.

Reflects the grant of restricted stock by the Issuer to the Reporting Person on April 16, 2016. The restricted stock is subject to performance-based vesting requirements determined with respect to the Issuer's performance during fiscal year 2016. The maximum number of shares subject to the award are reported in the table above and the "target" number of shares subject to the award is two-thirds of the maximum number reported. Following the end of the performance period, the number of shares eligible to vest, based on actual performance, will be between zero and the maximum number of shares reported. The shares eligible to vest based on performance will then vest, subject to the Reporting Person's continued employment, as to one-third of such shares following the end of the performance period and as to an additional one-third of such shares on each of the second and third anniversaries of the grant date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
