Item 4.01 Change in Registrants Certifying Accountant

On June 6, 2014 (the "Resignation Date"), Turner, Jones & Associates, P.L.L.C. (the "Former Auditor") resigned as the independent registered public accounting firm of Next Generation Management Corp. (f/k/a Next Generation Energy Corp.) (the "Company").

The report of the Former Auditor on the Company's financial statements for the years ended December 31, 2013 and 2012 and did not contain an adverse opinion or disclaimer of opinion, and such reports were not qualified or modified as to uncertainty, audit scope, or accounting principle except that such report contained an explanatory paragraph in respect to our uncertainty as to the Company's ability to continue as a going concern.

During the years ended December 31, 2013 and 2012 and through the Resignation Date, the Company has not had any disagreements with the Former Auditor on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the Former Auditor's satisfaction, would have caused them to make reference thereto in their reports on the Company's financial statements for such years.

During the years ended December 31, 2013 and 2012 and through the Resignation Date, there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company has requested that our Former Auditor furnish us with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements. The Company will amend this Form 8-K to receive such letter upon receipt from the Former Auditor.

Item 4.02 Non-Reliance on Previously Issued Financial Statements and Related Audit Report or Completed Interim Review

In January 2014, the Former Auditor notified the Company's sole officer and director of misstatements in the Company's previously reported financial statements for the fiscal years ended December 31, 2012 and 2011 that required correction relating to the valuation of the Company's oil and gas leases.

Upon receipt of the notification from the Former Auditor in January 2014, 2014, the sole Director determined that the Company's previously filed financial statements for each of the years and quarters in the fiscal years ended December 31, 2011 and 2012 should no longer be relied upon. The Company is in the process of preparing the restated financial statement to correct the misstatements and it intends to file such amended financial statements in the near future.

The Former Auditor was asked to furnish the Company a letter, addressed to the SEC, stating whether or not it agrees with the above statements. The Company will amend this Form 8-K to receive such letter upon receipt from the Former Auditor.

The Company will amend its previously filed periodic reports to restate its financial information.
