On June 30, 2015, Limited Liability Company “Management Company BioProcess Capital Partners,” the Trust Manager for Closed Mutual Investment Fund for High Risk (Venture) Investment, “BioProcess Capital Ventures” (“BCV”) exercised an option to purchase from Cleveland BioLabs, Inc. (the “Company”) the Company’s remaining participation interests in Incuron, LLC, a limited liability company formed under the laws of the Russian Federation (“Incuron”). The option was exercised pursuant to an option agreement previously entered into between the Company and Mr. Mikhail Mogutov on April 29, 2015 (the “Option Agreement”), as disclosed in the Company’s Current Report on Form 8-K, filed with the Securities and Exchange Commission on May 4, 2015, and later assigned to BCV.

Pursuant to the terms of the Option Agreement, BCV purchased the Company’s remaining participation interests, which represent 11.74% of the total participation interests in Incuron, for total consideration of \$1,000,000, which shall be paid no later than July 30, 2015. The amount of consideration payable pursuant to the Option Agreement was determined by arms-lengths negotiations between the Company and Mr. Mikhail Mogutov, and not pursuant to any specific formula or principle.

The foregoing description of the Option Agreement is only a summary and is qualified in its entirety by reference to the Option Agreement, which is filed as Exhibit 2.2 to the Company’s Current Report on Form 8-K filed with the Securities and Exchanged Commission on April 29, 2015, and is incorporated herein by reference.
