#### **ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

On March 21, 2019, Zhejiang Kandi Vehicles Co., Ltd. (“Kandi Vehicles”), a company organized under the laws of the People’s Republic of China (the “PRC”), entered into an Equity Transfer Agreement (the “Transfer Agreement”) with Geely Technologies Group Co., Ltd. (“Geely”) to transfer certain equity interests in Kandi Electric Vehicles Group Co., Ltd. (the “JV Company”). Kandi Vehicles is a wholly-owned subsidiary of Kandi Technologies Group, Inc., a Delaware corporation (the “Company”).

Before the transaction contemplated by the Transfer Agreement takes place, the JV Company agrees to convert a loan of RMB314 million (approximately \$46.7 million) from Geely last year to equity in order to increase its cash flow. As a result, the registered capital of the JV Company shall become RMB2.44 billion (approximately \$363.2 million), Kandi Vehicles shall own 43.47% and Geely shall own 56.53%, of the equity interests in the JV Company, upon the conversion of the loan into equity in the JV Company.

Pursuant to the Transfer Agreement, Kandi Vehicles agrees to sell 21.47% of its equity interests in the JV Company to Geely for a total amount of RMB516 million (approximately \$76.9 million). The purchase consideration shall be paid in cash in three installments: (i) Within 15 business days from the signing date of the Equity Transfer Agreement, RMB100 million (approximately \$14.9 million) shall be paid; (ii) Within three months from the completion of the ownership updates of the JV Company with the State Administration and Industrial and Commerce bureau (the “SAIC”), RMB261.20 million (approximately \$38.9 million) shall be paid; and (iii) Within six months from the completion of the ownership updates of the JV Company with the SAIC, RMB154.80 million (approximately \$23.1 million) shall be paid.

After the completion of the equity interests transfer referenced above, Kandi Vehicles shall own 22% equity interests of the JV Company and Geely and its affiliates shall own 78% equity interests of the JV Company. Both parties further agree that within next two years the Company may purchase a portion of the assets of the JV Company in the form of its shares, resulting Geely becoming a significant shareholder of the Company.
