The unvested shares are also subject to full or partial acceleration in the event of certain terminations of employment or the occurrence of certain terminations of employment following a change in control. The unearned portion of the 2014 Performance Share award was forfeited back to the Company. The grant of 2014 Performance Shares was previously reported as a separate row in Table I.

The actual number of shares of common stock that will vest will depend on the Company's financial performance in respect of the 2015 and 2016 calendar years and could be as many as one and a half times the number of performance shares initially granted or as few as zero shares. Half of the shares that are earned will vest following the determination of the award value following the end of 2016 and the remaining half will vest on the third anniversary of the grant date, subject to continued employment through the applicable vesting dates.
