PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
December 10, 2008

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Gyrodyne Company of America, Inc. ("Gyrodyne" or the "Company") for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held Wednesday, December 10, 2008 at 11:00 a.m., Eastern Time, at Flowerfield Celebrations, Mills Pond Road, Saint James, New York 11780 and at any and all adjournments thereof.

VOTING SECURITIES AND PROXIES

The Board has fixed the close of business on October 23, 2008 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. The securities which may be voted at the Annual Meeting consist of shares of common stock, par value \$1.00 per share, of the Company (the "Common Stock"). Holders of Common Stock are entitled to one vote per share. Shareholders do not have cumulative voting rights. It is necessary for a quorum that record holders of a majority of the shares outstanding and entitled to vote as of the Record Date be represented by proxy or in person at the Annual Meeting. The number of shares of Common Stock, the Company's only authorized class of stock, outstanding on the Record Date was 1,289,878. This Proxy Statement and the enclosed proxy card were mailed starting on or about November 10, 2008.

At the Annual Meeting, shareholders will consider and vote upon the following matters: (i) the election of two (2) directors to a three-year term of office, (ii) the ratification of the engagement of independent accountants for the Company for the fiscal year ending December 31, 2008, and (iii) such other matters as may properly come before the meeting.

Proxies solicited by the Board will be voted in accordance with the instructions given therein. Where no instructions are indicated, proxies will be voted "FOR" the election of the nominees for director and "FOR" the ratification of the engagement of independent accountants. Directors shall be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. The proposal to ratify the appointment of independent accountants will be decided by a majority of the votes cast in favor of or against the proposal by the holders of shares entitled to vote. A shareholder who abstains from voting on the proposal to ratify the appointment of independent accountants will be included in the number of shareholders present at the Annual Meeting for the purpose of determining the presence of a quorum. Abstentions will not be counted, however, either in favor of or against the election of the nominees or the proposal to ratify the appointment of independent accountants. Brokers holding stock for the accounts of their clients who have not been given specific voting instructions as to a matter by their clients may vote their clients' proxies in their own discretion, to the extent permitted under the rules of the Financial Industry Regulatory Authority. Broker non-votes will be included in determining the presence of a quorum, but will not be counted in determining whether a matter has been approved. If you do not return your duly signed proxy card, your shares cannot be voted unless you attend the Annual Meeting and vote in person or present a duly signed proxy at the Annual Meeting. Proxies solicited hereby will be tabulated by inspectors of election designated by the Board of Directors, who will not be directors or officers of the Company. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company for safekeeping.

On October 27, 2008, the Company entered into an agreement (the "Agreement") with Full Value Partners L.P., Opportunity Partners L.P., Opportunity Income Plus Fund L.P., Full Value Offshore Partners L.P., Full Value Special Situations Fund L.P., Kimball & Winthrop, Inc., Full Value Advisors LLC, Spar Advisors, LLC, Full Value Special Situations Fund GP LLC, Bulldog Investors, Mr. Phillip Goldstein, Mr. Andrew Dakos (collectively, with each affiliate and associate of the foregoing, the "Bulldog Investors") and Mr. Naveen Bhatia, pursuant to which a new independent director, Naveen Bhatia, will be nominated to serve on the Company's Board of Directors and will be included on the Board's slate of nominees for the Annual Meeting to serve in the class of directors with terms ending in 2011. Under the Agreement, the Bulldog Investors agreed to comply with certain standstill restrictions with respect to their ownership of Gyrodyne stock and certain other matters. Additional information relating to the Agreement with the Bulldog Investors is contained in the Company's Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission on October 28, 2008.

The Company's Board of Directors urges you to vote as follows on the proxy card enclosed with this Proxy Statement:

"FOR" the Board's nominees for director; and

"FOR" the ratification of Holtz Rubenstein Reminick LLP as the Company's auditors for 2008.

At the time this Proxy Statement was mailed to shareholders, management was not aware of any matter other than the matters described above that would be presented for action at the Annual Meeting. The shares shall be voted in the discretion of the proxies on such other matters as may properly come before the meeting or any adjournment thereof.

In addition to sending you these materials, some of the Company's directors and officers as well as management and non-management employees may contact you by telephone, mail, e-mail, or in person. You may also be solicited by means of press releases issued by the Company and postings on the Company's website, www.gyrodyne.com. None of the Company's officers or employees will receive any extra compensation for soliciting you. The Company has retained MacKenzie Partners, Inc. to assist the Company in soliciting your proxy for an estimated fee of \$7,500 plus reasonable out-of-pocket expenses. MacKenzie Partners expects that approximately five of its employees will assist in the solicitation. MacKenzie Partners will ask brokerage houses and other custodians and nominees whether other persons are beneficial owners of Gyrodyne common stock. If so, the Company will reimburse banks, nominees, fiduciaries, brokers and other custodians for their costs of sending the proxy materials to the beneficial owners of Gyrodyne common stock.

Any shareholder executing the enclosed proxy card has the right to revoke it at any time prior to its exercise by delivering to the Company a written revocation or a duly executed proxy card bearing a later date, or by attending the Annual Meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to attend the Annual Meeting and to vote personally at the Annual Meeting.

**CAUTIONARY STATEMENTS REGARDING FORWARD-LOOKING STATEMENTS
IN THIS PROXY STATEMENT**

This Proxy Statement and the documents incorporated by reference into this Proxy Statement contain forward-looking statements about Gyrodyne within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Statements containing the words "believes," "anticipates," "estimates," "expects," "intends," "plans," "seeks," "will," "may," "should," "would," "projects," "predicts," "continues" and similar expressions or the negative of these terms constitute forward-looking statements that involve risks and uncertainties. We intend such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and they are included in this Proxy Statement for the purpose of invoking these safe harbor provisions. Such statements are based on current expectations and are subject to risks, uncertainties and changes in condition, significance, value and effect. Such risks, uncertainties and changes in condition, significance, value and effect could cause Gyrodyne's actual results to differ materially from those anticipated events, such as the effect of economic and business conditions, risks inherent in the Long Island, New York and Palm Beach County, Florida real estate markets, the ability to obtain additional capital to develop the Company's existing real estate and other risks detailed from time to time in the Company's SEC reports. Except as may be required under federal law, we undertake no obligation to update publicly any forward-looking statements for any reason, even if new information becomes available or other events occur.

DISCUSSION OF PROPOSALS TO BE CONSIDERED AT THE ANNUAL MEETING

ELECTION OF DIRECTORS

(Proposal 1)

The By-Laws of the Company provide that there shall be not less than three (3), nor more than nineteen (19), directors. The Board is divided into three (3) classes of directors serving staggered terms of office with each class to consist, as nearly as possible, of one-third of the total number of directors constituting the entire Board of Directors. Upon the expiration of the term of office for a class of directors, the nominees for that class are elected for a three-year term to serve until the election and qualification of their successors. At the Annual Meeting, two (2) directors of the Company are to be elected to three-year terms, each to serve until his or her successor is elected and has been qualified. The Board of Directors of the Company has nominated Elliot H. Levine and Naveen Bhatia to three-year terms, upon the recommendation of our Nominating Committee. Mr. Levine is a member of the present Board of Directors of the Company, with a term expiring at the Annual Meeting. Mr. Bhatia is a co-Founder and Partner of Eagle Lake Capital, LLC, an investment management firm. Robert H. Beyer, a member of the present Board of Directors, notified the Company on October 28, 2008 that he will retire effective as of the conclusion of the Annual Meeting, which is the expiration of his current term. Each properly executed proxy card received will be voted in accordance with the instruction given therein. Where no instructions are indicated, proxies will be voted "FOR" the election of the foregoing two (2) nominees as directors to serve three-year terms or until their respective successors shall be elected and shall qualify. The nominees have consented to be named as nominees in the Proxy Statement and to serve as directors if elected.

Should any nominee become unable or unwilling to accept a nomination or election, the persons named in the enclosed proxy will vote for the election of a nominee designated by the Board.

Information concerning the nominees and continuing directors of the Company, showing the year when first elected as a director of the Company, the age, principal occupation and principal affiliations for at least the last five years, is as follows.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND MANAGEMENT

Board Meeting Attendance

There were 15 regular and special meetings of the Board of Directors during the fiscal year ended December 31, 2007. Each director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and meetings held by all committees of the Board on which such director served during the fiscal year ended December 31, 2007.

Independence

The majority of the members of and nominees for election to the Board of Directors are independent directors as defined by the listing requirements of the NASDAQ Stock Market. Such independent directors and nominees are Messrs. Beyer, Lamb, Levine, Macklin, Palmedo, Salour, Smith and Bhatia.

Committees

The Board of Directors of the Company has established the following committees:

The Company has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, and its current members are Messrs. Smith (Chairman), Levine and Macklin. The Audit Committee meets with the Company's independent auditors and management quarterly to review financial results, audited financial statements, internal financial controls and procedures and audit plans and recommendations. The Audit Committee also recommends the selection, retention or termination of the Company's independent auditors, approves services to be provided by the independent public accountants and evaluates the possible effect the performance of such services will have on the accountants' independence. The Company has adopted a written charter for the Audit Committee, which is available on the Company's website, www.gyrodyn.com. All of the members of the Audit Committee are independent directors as defined by the listing requirements of the NASDAQ Stock Market. The Audit Committee met five (5) times during the fiscal year ended December 31, 2007. All members of the Audit Committee are "financially literate" and have been determined to be "independent" within the meaning of SEC regulations and NASDAQ rules. The Board has determined that at least one member, Mr. Levine, a certified public accountant, qualifies as an "audit committee financial expert" as a result of relevant experience as a partner in the accounting firm of Levine & Seltzer, LLP, over ten years of accounting experience as a partner and director of taxes at Leslie Sufrin & Co. P.C. and several other years of experience in the field of public accounting.

The Compensation Committee of the Company's Board of Directors consists of Messrs. Macklin (Chairman), Salour and Palmedo all of whom the Board has determined are independent pursuant to NASDAQ rules. The Compensation Committee oversees and administers the Company's executive compensation programs and is therefore responsible for establishing guidelines and making recommendations for all compensation paid to executive officers and directors. The Compensation Committee does not have a charter. The Company's compensation policies for executives are intended to further the interests of the Company and its shareholders by encouraging growth of its business through securing, retaining and motivating management employees of high caliber who possess the skills necessary for the development and growth of the Company. The Compensation Committee also negotiates the terms of all employment contracts with executive officers which include compensation arrangements designed to reward management for achieving certain performance goals and which are revisited on an as needed basis. The Compensation Committee met six (6) times during the fiscal year ended December 31, 2007.

The Nominating Committee consists entirely of non-employee directors and recommends guidelines to the Board regarding the size and composition of the Board and criteria for the selection of nominees. It also recommends the slate of director nominees to be included in the Proxy Statement and recommends candidates for vacancies which may occur. The Nominating Committee has a written charter, which is available on the Company's website, www.gyrodyne.com. Each member of the Nominating Committee is an independent director as defined by the listing standards of the NASDAQ Stock Market. The Nominating Committee will accept for consideration shareholders' nominations for directors if made in writing. The nominee's written consent to the nomination and sufficient background information on the candidate must be included to enable the Committee to make proper judgments as to his or her qualifications. Nominations must be addressed to the Corporate Secretary of the Company at the Company's headquarters and must be received no later than the deadline for submissions of shareholders' proposals in order to be considered for the next annual election of directors. The Nominating Committee believes that having directors with relevant experience in business and industry is beneficial and the Committee seeks to monitor the skills and experience of the Company's directors. All identified candidates, including shareholder-proposed candidates, are evaluated by the Committee using generally the same methods and criteria, although those methods and criteria are not standardized and may vary from time-to-time. The Company typically engages the services of third parties to perform background examinations of potential nominees, for which the Company pays a fee, in order to assist the Nominating Committee in its evaluation. The Committee met one (1) time during the fiscal year ended December 31, 2007 and its members currently are Messrs. Palmedo (Chairman), Salour and Smith.

Naveen Bhatia, one of the two individuals the Board of Directors has nominated for election at the Annual Meeting for a three-year term, was recommended by Bulldog Investors, the Company's largest shareholder. The Board of Directors agreed to nominate Mr. Bhatia pursuant to an agreement dated October 27, 2008 (the "Standstill Agreement") among the members of Bulldog Investors, Mr. Bhatia and the Company, pursuant to which Bulldog Investors agreed to comply with certain standstill restrictions with respect to their shares of Gyrodyne common stock. Additional information relating to the Standstill Agreement is contained in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on October 28, 2008.

Shareholder Communication with the Board of Directors

The Board does not currently provide a process for shareholders to send communications to the Board or any of the directors. The Company believes that senior management, as opposed to individual directors, provides the public voice of the Company, and that shareholders can effectively communicate with the Company by contacting the management of the Company through either regular mail, email or in person. Shareholders also have meaningful access to the Board through the shareholder proposal process, which is described below.

Attendance Policy for Directors at Annual Shareholder Meetings

The Company encourages, but does not require, all of its directors to attend annual shareholders meetings of the Company. Last year all of the directors were in attendance at the annual meeting of the Company's shareholders.

REPORT OF THE AUDIT COMMITTEE

This Report of the Audit Committee of the Board of Directors does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any of the Company's other filings under the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this Report by reference in such other filings. Pursuant to rules of the SEC and FINRA, the Audit Committee of Gyrodyne Company of America, Inc. has issued the following report and affirmed that:

- (i) We have reviewed and discussed with management the audited financial statements for fiscal year ended December 31, 2007.
- (ii) We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 pertaining to communications with Audit Committees, as may be modified or supplemented.

- (iv) Based on the review and discussions referred to above, we recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007 for filing with the SEC.

Employment Agreements

The Company is a party to an employment agreement with each of the Company's executive officers, Mr. Maroney and Mr. Pitsiokos. The employment agreements provide for an annual base salary and discretionary annual incentive cash bonuses and/or stock option awards which are no longer available. The agreements provide for a severance benefit over a prescribed term in the event an executive is terminated, if their duties are materially changed, or in connection with a "Change-In-Control," as defined below. The Agreements also provide that no severance benefit is due in the event of a voluntary termination or a termination of employment for "Cause". Cause includes fraud, dishonesty, embezzlement, willful failure of the executive officer to follow directions of the Board, or any willful misconduct, criminal conviction, unexcused absence or similar conduct or activities. Mr. Pitsiokos would also have use of a Company car until the third anniversary following termination. The executives' employment term is extended at the end of each day, to automatically add an additional day, so that the remaining three-year employment term is always outstanding. The employment agreements may be terminated in the event of death or disability. Each executive officer may terminate his agreement at any time upon one years' prior written notice, or upon ten days prior notice if for "Good Reason". Good Reason includes a material change in the executive's duties, relocation of the corporate headquarters outside 25 miles of its current location, and breach of any material term of the agreement in the event of a Change-In-Control. The executive officer may also terminate employment upon 30 days written notice within three months following a Change-In-Control. Change-In-Control means the occurrence of any one of the following events: a change in the composition of the Board of Directors of the Company from its composition on the date the agreement was executed such that more than one-third of the directors have changed; the sale or transfer of shares of the Company such that there is a change in the beneficial ownership by more than 30% of the voting shares of the Company; the sale of a substantial portion of the Company's assets; or the Board of Directors' approval of a liquidation or dissolution of the Company. In the event of a termination without Cause, for Good Reason, or upon a Change-In-Control, a three-year severance benefit is paid in a single lump sum payment.

Outstanding Equity Awards at Fiscal Year-End

As of December 31, 2007, there were no unexercised options, stock that has not vested or equity incentive plan awards held by any of the Company's named executive officers.

Severance and Change in Control Benefits

The executive officers are covered by employment agreements which specifically provide for a severance payment equivalent to three years salary and certain other benefits in the event of a change in control, termination by the Company without cause, or by the executive officer for good reason. Under the terms of each employment agreement, the executive officer's employment term is extended at the end of each day, to automatically add an additional day, so that the remaining three-year employment term is always outstanding. Nevertheless, the employment term terminates three years after delivery of written notice by either the Company or the executive officer to the other party. See, "Executive Compensation - - Employment Agreements," above.

The primary reasons for providing severance and change-in-control benefits for the executive officers are to retain the executives and their talents and to encourage them to remain impartial when evaluating a transaction that may be beneficial to shareholders yet could negatively impact continued employment. In this regard, in light of the enactment of Section 409A of the Internal Revenue Code (the "Code") relating to non-qualified deferred compensation, the Company may seek to modify the employment agreements to ensure that such agreements comply with all relevant requirements.

Incentive Compensation Upon a Change-in-Control

The Company believes that providing severance in a change-in-control situation is beneficial to shareholders because it encourages management and the Board to remain impartial when evaluating a transaction that may be beneficial to shareholders yet could negatively impact the continued employment or board position of an executive officer or director, and to promote long term value maximization. The Company established an incentive compensation plan (the "Incentive Plan") in 1999 for all full-time employees and members of the Board. The benefits of the Incentive Plan are realized only upon a change-in-control of the Company or upon the death of a participant when employed by, or serving as a director of, the Company. Change-in-control is defined as the accumulation by any person, entity or group of 30% or more of the combined voting power of the Company's voting stock or the occurrence of certain other specified events. In the event of a change-in-control, the Incentive Plan provides for a cash payment equal to the difference between the Incentive Plan's "establishment date" price of \$15.39 per share and the per share price of the Common Stock on the closing date, equivalent to 100,000 shares of Common Stock, such number of shares and "establishment date" price per share subject to adjustments to reflect changes in capitalization. The payment amount would be distributed to eligible participants based upon their respective weighted percentages (ranging from 0.5% to 18.5%). Messrs. Maroney and Pitsiokos are currently entitled to 18.5% and 13.5%, respectively, of any distribution under the Incentive Plan with the balance being distributable to other eligible employees (11.5%) and members of the Board of Directors (56.5%). There are currently 110,000 units granted under the Incentive Plan, equal to 110,000 shares of common stock.

In the event of death, the beneficiary of a participant in the Incentive Plan is entitled to exercise a deceased participant's vested benefit. The decedent's benefit would be paid to the beneficiary, or if there is no beneficiary, to the personal representative of the decedent's estate. Upon death, payments can be made even without a change-in-control. Otherwise, upon a termination of employment or upon the cessation of membership on the Board, benefits are lost and the subsequent disability or death would have no impact on vesting or payment under the Incentive Plan.

Payments under the Incentive Plan may be deemed to be a form of deferred compensation (within the meaning of Code Section 409A) to the extent any employees or directors have been granted units at a discount, after October 4, 2004. In this regard, however, no actual deferral of compensation is intended to exist under this Plan since immediate payment is required only upon a change in control or death of participant, regardless of whether any other adverse employment or other events occur. The Compensation Committee has been considering the application of Code Section 409A to the Incentive Program and will determine (based upon the advice of counsel) whether any changes are required to be made by the end of this year in order to ensure compliance with Code Section 409A.

Pension Plan

The Company maintains the Gyrodyne Company of America, Inc. Pension Plan, which is a traditional defined benefit pension plan. The Pension Plan is believed to provide a reasonable benefit for the executives and all other employees. The Pension Plan is adequately funded and is believed to provide a reasonable retirement benefit for the executive group. The Company does not maintain any nonqualified deferred compensation programs (other than the Incentive Plan) or any qualified Profit Sharing or Section 401(k) plans intended to qualify under Sections 401(a) and 501(a) of the Internal Revenue Code.

Compensation of Directors

Each Director is entitled to receive a fee of \$12,000 a year, \$1,000 per Board meeting attended and \$500 for each Committee meeting attended and is reimbursed for travel and Company business-related expenses. In addition, the Chairman of the Board is entitled to receive a Chairman's fee of \$24,000 a year which commenced in September 2004. The Company continued its policy which states that Directors who are also employees of the Company do not receive any additional compensation for their services as Directors.

The following table shows the compensation earned by each of the Company's non-employee directors for the year ended December 31, 2007:

(A) In FY 07 the above-named directors exercised non-qualified stock options with a value of \$59,901.

The Company adopted a non-qualified stock option plan for all non-employee directors of the Company in October 1996. The plan expired in September 2000 and there are no options outstanding under the plan.

The Company established an incentive compensation plan in 1999 for all full-time employees and members of the Board. See, "Executive Compensation--Incentive Compensation Upon a Change-In-Control." Non-employee directors as a group are currently entitled to 56.5% of any distribution under the incentive compensation plan, with the balance being distributable to executive officers (32%) and other eligible employees (11.5%).

TRANSACTIONS WITH CERTAIN RELATED PERSONS

There were no transactions in effect since January 1, 2007 (the beginning of the Company's last fiscal year) or currently proposed in which the Company was or is to be a participant and the amount involved exceeds \$120,000, and in which any related person (as such term is defined in Item 404(a) of Regulation S-K) had or will have a direct or indirect material interest.

The Company has a written policy regarding related party transactions that is set forth in the Company's Code of Business Conduct and Ethics ("Code of Ethics"). The Code of Ethics provides that when a conflict of interest arises, an officer, director or employee has a duty to place the Company's interests ahead of his or her own personal interests. The Code of Ethics states that it is essential that in those instances where a Company decision or practice may appear to have been made to advance a personal interest, that the decision be made or approved by the independent and "disinterested" officers or directors of the Company. In those instances where an employee faces a potential conflict of interest, the employee is required to report the potential conflict of interest to the compliance officer for his or her review. Any action or transaction in which the personal interests of an officer or a director of the Company may be in conflict with those of the Company must be promptly reported to the chairperson of the Audit Committee of the Board of Directors. The Audit Committee has the authority to determine in advance whether any such action or transaction constitutes a conflict of interest in violation of the Code of Ethics.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that the Company's directors, executive officers and any person holding more than ten percent of the Company's Common Stock file with the SEC reports of ownership and changes in ownership, and that such individuals furnish the Company with copies of the reports.

Based solely on our review of the copies of such forms received by us with respect to the fiscal year ended December 31, 2007, and any written representations from reporting persons that no Forms 5 were required, the Company believes that none of the Company's executive officers, directors or ten-percent holders failed to file on a timely basis reports required by Section 16(a) of the Exchange Act during the fiscal year ended December 31, 2007, other than Elliot Levine who purchased 100 shares of Common Stock on December 24, 2007 without reporting the purchase pursuant to Section 16(a).

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (Proposal 2)

The Board of Directors, upon the recommendation of the Audit Committee, which is comprised entirely of independent directors, has appointed the accounting firm of Holtz Rubenstein Reminick LLP ("Holtz Rubenstein") as independent public accountants of the Company and its subsidiaries for the current fiscal year. The appointment of Holtz Rubenstein has been ratified by the shareholders every year since 1990. The Board is requesting ratification of Holtz Rubenstein as independent public accountants. This firm has no financial interest in the Company or any connection with the Company other than as auditors and independent public accountants. The report of Holtz Rubenstein with respect to the Company's financial statements appears in the Company's annual report for the fiscal year ended December 31, 2007.

In the event the proposal is defeated, the adverse vote will be considered a direction to the Board to select other independent public accountants for the next fiscal year. However, because of the expense and difficulty of making any substitution of independent public accountants after the beginning of a fiscal period, it is contemplated that the appointment for fiscal year 2007 will be permitted to stand unless the Board finds other reasons for making the change.

Audit and Other Fees

The following is a summary of the fees billed to the Company by Holtz Rubenstein, its independent auditors, for professional services rendered for the year ended December 31, 2007, eight months ended December 31, 2006 and fiscal year ended April 30, 2006:

(2) Audit-Related Fees consist of aggregate fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under "Audit Fees." Such services include review of Form 8-K filings, proxy filings and research into various accounting issues.

(3) Tax Fees consist of aggregate fees billed for professional services rendered by the Company's principal accountant for tax compliance, tax advice and tax planning. The amounts disclosed consist of fees paid for the preparation of federal and state income tax returns and research into the tax implications of the Company's REIT election.

(4) All Other Fees consist of aggregate fees billed for products and services provided by Holtz Rubenstein, the Company's principal accountants, other than those disclosed above.

None of the services performed by Holtz Rubenstein for the Company were performed by non-full-time Holtz Rubenstein employees.

The Audit Committee is responsible for the appointment, compensation and oversight of the work of the independent auditors, whether audit related or not.

The Audit Committee reviews each proposed engagement to determine whether the provision of services is compatible with maintaining the independence of the independent auditors. Our Audit Committee has determined not to adopt any blanket pre-approval policies or procedures. All of the fees shown above were pre-approved by the Audit Committee.

A representative of Holtz Rubenstein is expected to be present at the Annual Meeting, will be given an opportunity to make a statement if he or she desires to do so and is expected to be available at a designated time during the Annual Meeting to respond to appropriate questions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE RATIFICATION OF APPOINTMENT OF HOLTZ RUBENSTEIN REMINICK LLP AS INDEPENDENT AUDITORS. THIS IS IDENTIFIED AS ITEM 2 ON THE ENCLOSED PROXY CARD.
