Item 1.01 Entry into a Material Definitive Agreement.

The information provided pursuant to Item 1.03 of this Current Report on Form 8-K is incorporated into this Item 1.01 by reference.

Item 1.03 Bankruptcy or Receivership.

On January 29, 2008 TOUSA, Inc. ("TOUSA" or the "Company") and certain of its subsidiaries (collectively, the "Debtors") filed voluntary petitions in the United States Bankruptcy Court for the Southern District of Florida, Fort Lauderdale Division (the "Bankruptcy Court") seeking reorganization relief under the provisions of Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code"). The chapter 11 cases are being jointly administered under the caption In re TOUSA, Inc., et al., Case No. 08-10928 (JKO) (the "Chapter 11 Cases"). The Debtors will continue to operate their businesses and manage their properties as debtors in possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court.

On January 29, 2008, TOUSA issued a press release announcing the filing of the Chapter 11 Cases (the "Press Release"). A copy of the Press Release is attached hereto as Exhibit 99.1 and is incorporated by reference into this Item 1.03. In the Press Release, TOUSA also announced that it had entered into the Restructuring Support Agreement, dated January 28, 2008 (the "Restructuring Support Agreement") with the holders of a majority in principal amount of the senior unsubordinated notes issued by TOUSA (the "Senior Noteholders"). A form of the Restructuring Support Agreement is attached hereto as Exhibit 99.2. Attached as Exhibit "A" to the Restructuring Support Agreement, and as described in greater detail in the Press Release, is a plan of reorganization term sheet (the "Term Sheet"), which contemplates the Senior Noteholders receiving substantially all of the common stock of the reorganized company, as well as an interest in, and entitlement to proceeds received by, a litigation trust that will be established pursuant to a plan of reorganization for the Debtors (subject to Bankruptcy Court approval). The Term Sheet does not contemplate any distribution with respect to the Company's equity securities.

In connection with the Chapter 11 Cases, the Debtors filed a motion seeking Bankruptcy Court approval of a Senior Secured Super-Priority Debtor in Possession Credit and Security Agreement (the "DIP Credit Agreement") between and among TOUSA, as Administrative Borrower, each of the other Debtors, as Subsidiary Borrowers, Citicorp North America, Inc., as the Administrative Agent, Citigroup Global Markets Inc., as Sole Lead Arranger and Bookrunner and the lenders that from time to time become party thereto. The DIP Credit Agreement, substantially in the form attached to the motion filed with the Bankruptcy Court, provides for a first priority and priming secured revolving credit commitment of up to \$135 million. Under certain circumstances the facility is expandable to \$650 million in which case approximately \$515 million will be used to refinance the Debtors' outstanding first lien indebtedness. The proceeds of the loans and other financial accommodations incurred under the DIP Credit Agreement will be used to, among other things, provide the Debtors with working capital. The DIP Credit Agreement, if approved by the Bankruptcy Court, contains events of default and includes certain financial covenants.

Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.

The filing of the Chapter 11 Cases described in Item 1.03 above constituted an event of default or otherwise triggered repayment obligations under a number of instruments and agreements relating to direct and indirect financial obligations of the Debtors (the "Debt Documents"). As a result of the events of default, all obligations under the Debt Documents became automatically and immediately due and payable. The Debtors believe that any efforts to enforce the payment obligations under the Debt Documents are stayed as a result of the filing of the Chapter 11 Cases in the Bankruptcy Court. The Debt Documents and the approximate principal amount of debt currently outstanding thereunder, are as follows:

1. \$300 million of 9% Senior Notes due 2010, under an Indenture dated as of June 25, 2002
2. \$185.0 million of 10-3/8% Senior Subordinated Notes due 2010, under an Indenture dated as of June 25, 2002
3. \$300.0 million 9% Senior Notes due 2010, under an Indenture dated as of February 3, 2002, issued by Technical Olympic USA, Inc.

Item 2.06 Material Impairments.

The Company is currently assessing its long-lived assets for potential impairment. Although this assessment is not complete, the Company believes that it is more likely than not that material impairment charges will be recognized in the Company's financial statements for the period ending December 31, 2007.
